Reference: Officer Shooting

Location: [REDACTED] Calif.

While at home I (Gonzales) heard two long bursts of gun fire. This was at approximately 2115 hours. A few minutes later I heard sirens. My wife [REDACTED] called a friend with a CB Scanner. He said that an officer had been killed. I then called Fillmore Police Department and spoke to Dispatcher [REDACTED]. She said that an officer was down [REDACTED]. I told her that I was enroute to assist.

After putting on my police equipment I walked down [REDACTED] toward [REDACTED]. As I walked along I was stopped by [REDACTED]. [REDACTED] told me if the problem was with his nephew Gary Lechler, that he might be of some help. I thanked [REDACTED] and kept walking toward [REDACTED].

At the corner of [REDACTED] and [REDACTED] I looked toward [REDACTED]. When I looked down I saw Deputy Van Davis crouched behind a Sheriff Patrol Unit with his weapon drawn. I crouched down and ran to the front of the unit with my weapon drawn. Deputy Van Davis turned and asked who I was. I replied "Gonzales, Fillmore Police Department."

Deputy Van Davis told me that his partner had been shot, and the suspect Gary Lechler was inside the house across the street. The house Deputy Van Davis referred to was at [REDACTED].

I heard voices coming from behind me. I turned and saw Officers Arnold and Bradbury of Fillmore Police Department giving first aid to Deputy Reyes along with the ambulance attendants.

As Deputy Reyes was being taken away Officer Arnold called me. He told me to take charge of the crime scene.

After the ambulance with Deputy Reyes and Officer Arnold left Deputy Van Davis told me to get down behind the unit because Gary Lechler was still inside the house and armed. This moved me about 10-15 feet from the crime scene. I stayed within that area until relieved by S.W.A.T. at approximately 0024 hours 9/4/81.

As Deputy Van Davis and I (Gonzales) crouched behind the Sheriff Unit Sgt. Reynolds came up from [REDACTED]. Sgt. Reynolds took a position behind the second unit. He used the P.A. of that unit to talk to suspect Gary Lechler who was still inside the house across the street.

As Sgt. Reynolds was talking on the P.A. we saw movement on the south side of the house. The woman said don't shoot, I am coming out. The woman known to me as [REDACTED] was the one walking out. Behind her was a male Mexican, unknown to me.

The two were ordered to come out with their hands on top of their head. they both did this after opening the gate.

After the two people were behind the Sheriffs units, Sgt. Reynolds again tried to talk "S" Lechler into coming out of the house.

██████████ also tried to talk "S" Lechler into coming out of his house, but was unable to do so. She was then sent out of the area to stay with some friends.

Again Sgt. Reynolds tried to talk "S" Lechler into coming out.

I moved from the area behind the Sheriff unit to a tree behind the unit. from this position I had a clear view of the front door and two front windows.

Sgt. Reynolds was able to get "S" Lechler to come out of his house. But "S" Lechler would only come to the front gate and no further.

As Sgt. Reynolds spoke to "S" Lechler, he said I don't trust you. and ran back inside the house.

When Sgt. Reynolds returned behind the unit I told Sgt. Reynolds that I had a good field of fire, from the position behind the tree. Dep. Van Davis asked me if I wanted a shotgun. I told him to let me have it. He gave me the shotgun. I took the shotgun and racked a round into the chamber.

Once again Sgt. Reynolds used the P.A. to try and get "S" Lechler to Surrender. This went on for about five minutes. then shots were fired from inside the house at ██████████ these shots were fired at the Sheriff unit from which Sgt. Reynolds was talking from.

There was return fire from a shotgun. Later I learned it was from Sgt. Reynolds. the next moment I saw a muzzle flash I fired at the Muzzle flash, and racked another round into the chamber. this exchange of fire happened between approximately 2200 and 2215 Hrs.

After the exchange of gun fire, Sgt. Reynolds continued to talk the "S" Lechler into

The suspect after firing at us had run to the back of the house and fired shots to the rear and to the side of the house.

There was no more contact with the "S" Lechler it remained quite until we were relieved by the SWAT at approximately 0024 Hrs. .

Sgt. Reynolds continued to talk to "S" Lechler but there was no response from inside the house at [REDACTED] Ca..

After returning to a safe zone, at [REDACTED] I Gonzales was relieved of the shotgun that I fired. Sgt. Reynolds and Dep. V.K. Johnson unloaded the shotgun and counted the live rounds that were left in the shotgun.

On the above date and time, I was on duty in a marked unit with (off duty) Sr. Officer R.M. Arnold when I received a call of Mutual Aid in [REDACTED] (officer down), via Fillmore P.D. Dispatcher [REDACTED]. The information I received prior to arrival was as follows; One officer was shot and the suspect was barricaded in his residence on [REDACTED].

Upon arrival in [REDACTED] (approximately 2138 hrs.) we observed Deputy D. Van Davis crouching behind his unit, which was westbound at the North curb of [REDACTED]. Another S.O. unit was approximately 25' in front of his unit, also at the Northwest curb of [REDACTED].

I then pulled my police unit in behind Van Davis' unit and contacted him. He told us that his partner (Reyes) was approximately 30' to his right, in a driveway, and that the suspect Gary Lechler was in his residence.

There was approximately 30' of "open ground" in which the suspect could shoot at us if we tried to reach Reyes. I then suggested that we pull the P.O. unit up to block the line of fire so we could give first aid to Reyes. I took Van Davis' keys and pulled the unit up while he and Arnold covered me with their

weapons. Once in position, Arnold rendered First Aid to Reyes.

We instructed the Ambulance crew to come in through [REDACTED], rather than [REDACTED], so they would not have to drive in front of the suspect's house. Van Davis and I covered, while the Ambulance crew and Arnold put Reyes in the Ambulance. Prior to the Ambulance leaving I drove my marked Police unit in front of the suspect's residence to [REDACTED]. At this time I didn't know how many units had arrived and I wanted to make sure the suspect would be contained. I meet Sgt. Reynolds on [REDACTED] along with approximately three C.H.P. officers. He told us that a local resident would show us how to get to the rear of the residence. We followed the subject to a chain link fence, located at the rear of Lechlers residence. The fence was approximately 6' high and was covered by Ivy. Through a hole in the Ivy I could see Lechler's back door which had a porch light on. I then jumped the fence and positioned myself behind a pick-up truck which was directly behind Leckler's residence. The other Officers stayed outside of the fenced in yard.

During the Fire Fight I heard several shots ring out which all seemed to be fired from the front of the residence. Later I learned from Sgt. Reynolds that two shots came from the back of the house. I never saw a muzzle flash,

so I believed he meant that they were shot from the west side of the residence.

I therefore never exchanged gun fire with the suspect.

The Deputies yelled for me to get out of the back of the yard, so I jumped the fence and joined them. Apparently they didn't know which building the suspect was in. They thought he was in a storage building next to the fence, and that I was in a poor position.

I advised them of the suspects correct location and we decided to get some Bolt Cutters to cut the large chain on the gate. After the gate was opened I took my original position behind the truck, and another Deputy took up a position by the storage building. We stayed at these positions until we were relieved by the S.W.A.T. Team, at approximately 0100 hrs.

On above date and time, I was off duty riding in a marked unit with Reserve Officer D. Bradbury when we received a VCSO Mutual Aid Call. We were told, via Fillmore P.D. Dispatcher [REDACTED], that a Deputy had been shot and to proceed with caution to [REDACTED], because the suspect was barricaded within his residence.

We drove Code 3 (Red Lights and Siren) to [REDACTED] and we arrived at the corner of [REDACTED] and [REDACTED] at approx. 2138 hrs. We saw Deputy D. Van Davis crouching behind a parked westbound Sheriff Unit on [REDACTED], so we pulled in behind his unit and bailed out.

We ran to D. Van Davis' location and he told us that Deputy D. Reyes had been shot and the suspect was barricaded in a house across the street. I asked where Deputy Reyes was and Deputy Van Davis pointed into the dark in a northwest direction from our location and stated "Over there."

I yelled to Deputy Reyes that I was "Arnold, Fillmore P.D." and I asked his location and how he was. He yelled that he thought he had been hit three times and he turned on his flashlight to mark his location.

We could see he was about thirty feet from us in the possible direct line of fire of the suspect, so Officer Bradbury suggested we move the S.O. Unit up (West) to provide cover.

Officer Bradbury drove the unit while laying in the front seat and Deputy Van Davis and I moved with the unit, providing cover for Officer Bradbury and Deputy Reyes. When the unit was into position, I ran to Deputy Reyes' aid. He was laying on his back, facing south in a dirt area between houses about twenty feet from Center Street.

I observed an approx. 6 inch diameter blood stain in the right collarbone area of Reyes' chest and an approx. 6 inch long blood stain on his lower back. I cut off Reyes' shirts (Duty and T-shirt) with his knife and I observed a small hole near his right collarbone. This wound had stopped bleeding so I carefully lifted Reyes' right side to check the other wound. The wound in his back was bleeding profusely, so I applied pressure with my left hand and his shirts. I then checked for other wounds, with negative results.

After a few minutes, I again checked the back wound and I saw that the bleeding had slowed considerably. I saw the ambulance stopped at the corner of [REDACTED] and [REDACTED] so I ran to Deputy Van Davis and I told him to bring the ambulance in right away. Then I ran back to Deputy Reyes. The ambulance personnel arrived, picked up Reyes, and sped to [REDACTED] in the ambulance. I also accompanied Deputy Reyes to the hospital in the ambulance.

I LATER EXAMINED THE STINGING AREA AND FOUND A SMALL RAISED REDDISH COLORED WHELP. I ALSO LATER EXAMINED THE UNIT SEAT WHICH I WAS CROUCHED NEXT TO, AND FOUND WHAT APPEARED TO BE BULLET FRAGMENTS AND GLASS LYING ON THE SEAT.

I DONT KNOW WHERE THE OTHER 2 BULLETS FIRED BY THE SUSP. AT THIS TIME ENDED UP, BUT I HAD A SENSATION THAT ONE OF THEM PASSED JUST IN FRONT OF THE UNIT WINDSHIELD AND VERY CLOSE TO THE TOP OF MY HEAD.

FOLLOWING THIS THERE WAS A PAUSE OF A FEW SECONDS THEN SUSP FIRED 3 OR 4 MORE SHOTS OUT OF EITHER THE SOUTH OR BACK OF THE WEST SIDE OF HIS HOUSE. I THEN TOLD THE OFFICERS WITH ME AT THE FRONT OF THE HOUSE THAT IF WE SAW HIM AT THE FRONT WINDOWS AGAIN OR IF HE FIRED AGAIN FROM THE FRONT WINDOWS, THAT WE WERE GOING TO IMMEDIATELY RETURN GUNFIRE AND ATTEMPT TO HIT HIM. A FEW SECONDS LATER THE SUSP RETURNED TO THE FRONT WINDOWS AND BOTH MYSELF AND FILLMORE PD OFFICER GONZALEZ OPENED FIRE WITH 12 GAUGE SHOTGUNS USING 00 BUCK. I FIRED 2 ROUNDS IN VERY FAST SUCCESSION AND OFFICER GONZALEZ

THERE WAS THEN A FEW MINUTES OF TOTAL SILENCE. THEN I AGAIN ATTEMPTED TO TALK TO THE SUSP. OVER THE UNIT P.A. SYSTEM. SUDDENLY HE AGAIN OPENED FIRE OUT THE REAR OF THE RESIDENCE WITH 2 OR 3 MORE ROUNDS. THERE WAS A SHORT PAUSE THEN ANOTHER ROUND WAS FIRED OUT THE WEST SIDE OF SUSPECTS RESIDENCE WHICH STRUCK A FILLMORE P.D. UNIT. THIS SHOT SOUNDED MUCH LOUDER THAN SUSPECTS PREVIOUS GUNFIRE. ALL 3 OFFICERS WERE AWARE OF SUSPECT'S SOMETIMES VIOLENT AND UNSTABLE MENTAL BACKGROUND, AS WELL AS THE RUMORS DURING THE PAST COUPLE OF YEARS THAT SUSPECT PERIODICALLY MAKES STATEMENTS INDICATING THAT HE IS GOING TO SHOOT A POLICE OFFICER. THIS INFORMATION INCLUDED A RUMOR THAT SUSP HAD PLANNED TO SHOOT A OFFICER DURING IN LAST YEARS [REDACTED] CHRISTMAS PARADE AND A FLYER PUT OUT APPROX 6 MONTHS AGO BY L.A. CO SHERIFF THAT THEY HAD RECEIVED SOME TYPE OF INFORMATION (I DON'T REMEMBER THE EXACT CONTENT OF THE INFORMATION) TO THE EFFECT THAT SUSP WAS POTENTIALLY DANGEROUS TO LAW ENFORCEMENT OFFICERS. HOWEVER, WE ALSO KNEW THROUGH NUMEROUS PREVIOUS CONTACTS WITH SUSP. BY OFFICERS OF THIS DEPT., THAT EVEN THOUGH HE HAD THE POTENTIAL FOR IRRATIONAL AND/OR VIOLENT BEHAVIOR, HE NORMALLY POSED NO PROBLEM FOR OFFICERS WHO CONTACT HIM FOR THE PURPOSE OF ENGAGING HIM IN CONVERSATION ONLY.

IT WAS DECIDED THAT DEPUTY REYES AND DEPUTY VIN DAVIS WOULD CONTINUE HANDLING THE INCIDENT AND ATTEMPT TO CONTACT SUSPECT JUST TO TALK TO HIM, AND THAT THIS OFFICER WOULD COMPLETE ANOTHER PENDING DETAIL.

APPROX 8 MINUTES LATER I WAS DRIVING THROUGH THE CITY OF FILLMORE WHEN I HEARD STATION 1 BROADCAST A 10-33 BOY AREA - SHOTS FIRED, OFFICER DOWN. I TURNED AROUND AND RESPONDED CODE 3 WITH A FILLMORE P.D. UNIT ALSO RESPONDING JUST INEAD OF MI. WHILE IN ROUTE DET. VAN DAVIS CONTINUED

REYES TOOK A POSITION ON THE EAST SIDE OF LECHLERS HOME AND I WALKED IN THE STREET IN FRONT OF THE HOME USING A CAR THERE FOR COVER. I THEN WALKED, STILL IN THE STREET, TO THE WEST CORNER OF THE HOME AND CHECKED THE WEST SIDE OF THE HOUSE.</p>

At approx 2:25 Hrs. while coming out of [REDACTED] he heard Sgt. Reyes request a backup on a poss. 5150 subj. Davis responded and met with Reyes and Sgt. Reynolds near main and [REDACTED]

Reyes advised them the subject was George Lechler and stated that a woman by the name of [REDACTED] had told him that Lechler had thrown a rock through the [REDACTED] window and was now at his house which is on [REDACTED] just a short distance from the bank.

They were all familiar with the subj. and it was decided that Reyes and Davis would attempt to contact the susp. at his residence. If met with any resistance, they planned to leave and seek a warrant for Lechler's arrest.

Sgt. Reynolds departed for Ventura and he (Davis) and Reyes drove west on [REDACTED] and parked across the street, just east of Lechler's house. Reyes's unit was in front.

Davis said the residence had a chain-link fence all around it and an alley way east of the residence. Reyes walked towards the alley

Again there was no answer so they decided to leave.

Davis said they were walking north on the alley towards [REDACTED] with Reyes walking to his left and slightly behind him. The suspects' house was to their left.

Just as they left the alley and stepped onto [REDACTED], a shot rang out from the area of suspects' residence. They both started running towards their units immediately and more shots were being fired at them. Davis said the shots sounded like they were coming from a small cal. semi-auto, possibly a 22 rifle.

Davis said when he got near his unit, he dove over the hood and took cover behind the right front tire. Reyes was running between the two units still under fire and suddenly uncared and he started to stumble. He fell and managed to crawl part way down the driveway of the house across the street from suspects.

Davis yelled and asked Reyes if he was hit and said Reyes answered "I'm hit, I'm hit." (over)

While he and officer Bradbury covered officer Arnold, Arnold went to the aid of Reyes who was still laying in the driveway behind them.

Arnold returned in a few min. and asked Davis if he had a first-aid kit. Davis advised Arnold there was one in the trunk of his unit and gave Arnold his unit keys.

AFTER WHAT SEEMED LIKE ONLY A SECOND OR TWO, AND AFTER REPEATED COMMANDS BY SGT. GEORGE LECHLER HAD TOLD THE THREE WITNESSES THAT THE HANDCUFFS HAD BEEN PAINFUL AND THAT THE "COPS" WERE HIS ENEMY - JUST LIKE IN VIETNAM. GEORGE LECHLER HAD TOLD THEM THAT THE "COPS" WERE AFTER HIS MONEY AND WERE "OUT TO GET HIM."

I ASKED THE GROUP IF THEY HAD BEEN IN HIS HOUSE - AND HAD THEY SEEN GUNS OR EXPLOSIVES.

ALL THREE WITNESSES HAD VISITED GEORGE AT HIS HOUSE IN THE PAST. [REDACTED]

THEY IMMEDIATELY AGREED THAT GEORGE OWNED ONLY TWO GUNS AND NO EXPLOSIVES.

WITNESS #1 [REDACTED]

[REDACTED] LECHLER'S GUNS AND DESCRIBED THEM AS FOLLOWS:

#1. A .22 CAL SEMI-AUTO RIFLE WITH A SCOPE. THE BRAND WAS UNKNOWN BUT THE "HANDLE" HAD A SQUIRREL ON IT. THE RIFLE WAS FAIRLY NEW.

WHEN I HAD ENTERED THE RESIDENCE AND FIRST OBSERVED THE FIRE IT APPEARED TO ME THAT THE FIRE WAS BEING GENERATED BY A FLUID. THE FIRE WAS SPREAD IN A PATTERN, OVER THE CENTER OF THE LIVINGROOM, SIMILAR TO THOSE I HAVE OBSERVED BEFORE CAUSED BY A SPILLED FLAMMABLE LIQUID. Sgt. Backman

Sgt. Backman: Can you hear me alright, I want you to listen to me George, you know you are under arrest, right. I'm Sgt. Backman with the Sheriff's Department. I want you to listen to me, I want you to answer yes or no whether you understand me, ok. Are you going to be able to talk?
Huh,

Lechler: (Inaudible)

Backman: Ok, you know that you are under arrest for attempt murder, understand that?

Lechler: Uh, huh

Backman: You have the right to remain silent, do you understand that?

Lechler: Uh, huh

Backman: Can you say yes or no?

Lechler: Uh, huh

Backman: Say yes or no.

Lechler: Yes

Backman: Ok, if you give up that right, anything you say can and will be used against you in a court of law, do you understand that? Do you understand that George?

Lechler: Uh, huh

Backman: Ok, you have the right to talk to a lawyer and have him present with you before and while being questioned, do you understand that?

Lechler: Uh,

Backman: Huh! Can you answer me yes or no George?

Lechler: Yeah, you can be my lawyer for a while, I guess

Backman: Do what?

Lechler: You can be my lawyer for a while I guess

Backman: Who can be your lawyer?

Lechler: Detective (inaudible)

Backman: Huh,

Lechler: I said you can be my detective and lawyer for a while

Backman: Well I'm your detective but I can't be your lawyer

Lechler: Yeah, you can do both for a while

Backman: You think I can be both huh? I don't think that would be a good idea.

Lechler: You don't?

Backman: No, you know that if you can't afford to hire a lawyer one will be appointed to represent you before any questioning at no cost to you if you wish one. Do you understand that?

Lechler: Uh huh

Backman: Huh,

Lechler: Uh, huh

Backman: Yes? or no?

Lechler: Uh, huh

Backman: Do you understand all these rights I have explained to you?

Lechler: Uh, huh

Backman: Can you say yes or no?

Lechler: I'm defending myself

Backman: Pardon me

Lechler: I was trying to defend myself

Backman: Well this is what I want to talk to you about, did you understand all your rights?

Lechler: Yeah

Backman: Do you have any questions about them?

Lechler: Well I released a shot and they shot at me I was defending myself, I ask them please to leave and the bank window got broke I shot at one and they shot at me that's when I took one and got wounded they wanted me, they ask me out, came out with my hands up they scared me and I ran back in then they shot at my house more I guess it was the Ventura Police there was 3 cars and they kept shooting at me I kept bleeding and I kept asking them to please leave and they wouldn't leave but they wouldn't leave and they had the spot lights on I needed some money and I just threw a rock at the bank but I didn't get any money out cause that bank owned my 4,000, my mom I ask her for 400 hundred for a tool and she wouldn't let me have it and I got mad and I threw a rock at it, you know, but there was nobody in the bank and I didn't get any money out and I walked away well they reported me and they came after me about it and they called me out you know, the shooting started

Lechler: (continued from page 2) - - and we shot at each other and guess one of the officers got wounded and they shot back at me, they wounded me and so I went out twice to offer my self to give up but they scared me and I ran for the house again so then they shot at my head for awhile I guess I was behind the walls and they ask me out again, I went out and they checked me and they shot me the guys leveled sub guns at me I don't know who they were during, I caught uh, not sabotage suits, you know those camouflage suits? I don't know who they were but they shot me in the hand broke my wrist and I crawled back in the house and closed the door against them and they just kept shooting at my house but part of it was, well their big shots and then they gassed me house, I kept calling on the phone to some officer was talking to me on the phone saying to come out and I said I am crippled and wounded I can't get up to come out and then I called to my dad, and my uncle and a girlfriend called to me and she just said, "stay in the house and wait and maybe they will leave" but they wouldn't leave finally they gassed me and they kept shooting at my house, they broke it, you know. Finally I got to the door and they were murdering me and I opened up the door and fell down, finally somebody pulled me out and there was quite a few of them there and with gas masks on they drugged me out, kept someone had mercy on me they put me in the ambulance and hauled me away they took me to [REDACTED] and they let me here, you know. I remember which officer it was can't remember the name who it was or there was three of them out there and this whole group of guys attack me and they had army uniforms on like in El Paso Texas and they were shooting these gas bombs at me and these big rifles and I was laying on the floor crying out to please leave me alone and not harm me and to go away and let me call for a doctor so thats the story.

Backman: Having these rights in mind and knowing that what you say will be used against you in court, do you wish to give up those rights and talk to me about the charges against you?

Lechler: I, I don't know how hurt this one officer, do you know or what I don't know.

Backman: Uh

Lechler: I don't know how hurt the one officer was but you know it was self defense and he shot at me to and and two or three of them shot at me I admitted it thats because I needed money and they wouldn't let me have any money and see I had a bank loan of 4,000 dollars and the bank lady she relinquished my 4,000 dollars to an architect and he didn't build my house for me, different guy had to build it and that's why I got mad cause he wouldn't let me have my 4,000 dollars I reported it to the CHP that I lost my 4,000 he said to talk to the Better Business Bureau and I called to them and they said they couldn't help me cause they couldn't find the guy that had taken my money from me and that's why it happened that way. I just, that's the truth.

Backman: Yeah, but you didn't answer my question George.

Lechler: About what

Backman: Are you willing to go ahead and do you want to go ahead and waive your rights knowing what you say will be used against you in court and talk to me about the charges against you?

Lechler: Well, you know I am in the hospital now and

Backman: Yeah,

Lechler: I would like to say well the yakey neighbors are out at the - - - the cop but I shot at him cause he was agressing against me and they choked me before and you know I have a divorce and my girlfriend she put in a complaint against me so she, that's a long time ago you know and that's how it happened.

Backman: Has she, you didn't answer my question George

Lechler: Oh my rights, I'm in the hospital now

Backman: Yeah, do you understand your rights?

Lechler: Well I tried to defend myself I will go to court if I live, I don't remember which officer it was some of them had pity on me some of them like that officer there, you know he is my friend but there was a couple of them that wanted me out because of breaking the bank window so of - - I will go to court later if I live you know anything I can say I defend, I tried to defend myself because they would have harmed me I harmed one of them, they harmed me, I don't know.

Backman: Do you understand your rights, George?

Lechler: To have a detective and a lawyer a representative

Backman: Huh?

Lechler: To have a detective and a representative

Backman: Well, do you understand that you

Lechler: That you saved my life finally but I was like they murdered me you know they broke my windows in my house, they kept calling me out I said I was wounded and can't come out. I said would you please leave I said let me call for a doctor and one of them said alright we will try to get a doctor for you and he said, I went out twice with my hands up you know but the last time I fell you know and that's the whole story and that's not the officer that's involved he arrived later that Sheriff there he arrived later. And I don't know who the other 3 were cause it was dark and I couldn't see much out there in the street.

Backman: Do you understand your rights George? Do you understand what I have tried to explain to you?

Lechler: I think someone else shot at my hotel

Backman: Do you understand what I'm trying to tell you?

Lechler: Well I guess I have to stay in the hospital

Backman: You're at the hospital but do you understand the rights that you have that I have read? Did you understand what I was saying?

Lechler: To find protection here I guess

Backman: Huh?

Lechler: To find protection here?

Backman: Well you are going to be protected here nobody is going to hurt you and you are going to get medical and we are going to take real good care of you. But I want to know if you understand your rights because you have been arrested, do you understand that?

Lechler: No, if I did a wrong against the sheriff I suppose I will have to stay in the hospital or prison somewhere for quite awhile and I don't know what (inaudible)

Backman: You understand that you have been arrested, don't you?

Lechler: Yes, sure

Backman: You know that you have been arrested for attempt murder for shooting a deputy?

Lechler: Sure

Backman: You understand that you can remain silent that you don't have to talk to me, do you understand that?

Lechler: I talked to you though

Backman: Huh

Lechler: I talked to you though and

Backman: Do you understand that you don't have to talk to me?

Lechler: But it is better to admit it I guess, I tried to say that the neighbors shot him but that was a fib I shot at him cause he was attacking me, you know. I ask him to leave and he wouldn't leave. I don't remember which one it was but it wasn't this one and I don't remember his name, I can't remember his name somebody said they took one away in the ambulance and they took me away I don't know, I don't, I can't.

Backman: You ready to take him?

Female: Just a few more minutes

Lechler: They kept shooting at me, what else could I do? You know, I guess part of it was gas bombs but part of it was rifles too. They had these camouflage guys there and these gas mask guys there and they took me out they were murdering me they kept shooting and shooting at me you know I was hiding behind my walls and I ask them to please leave so - - - one of them had mercy on me bunch of them pointing on guard and they pulled me out and - - - the sheriff here is my friend - - - he looks like - - - from - - - person drafted in the army way back in 68 and - - - September 4th

Backman: Do you understand any of the stuff I told you George? Don't wait on me go ahead and

Female: There is a gal here from the ward to take him up

Backman: Ok,

1. The facts establishing the foregoing grounds for issuance of
2 a search warrant are as follows: On 4 September 1981 I talked with
3 Detective Ray Bustillos, a fellow peace officer employed by the Ventura County
4 Sheriff's Department and assigned to the Major Crimes Bureau of the Special
5 Services Division. Detective Bustillos told me that on 3 September 1981 he
6 talked to Deputy David Van Davis who told him that during the evening hours of
7 that date he had been investigating an act of vandalism committed against the
8 [REDACTED] branch of the [REDACTED] and that a Gary Lechler had been identified
9 as being the person who threw a rock through a bank window. Deputy Van Davis
10 said that he and Deputy David Reyes went to Lechler's residence, which they
11 knew was on [REDACTED] to talk to him about the incident.

12 Upon receiving no response from the house they started walking back to their
13 patrol units which were parked across the street. While in the street in front
14 of Lechler's house they were fired upon by a subject from inside the Lechler
15 residence. One of the bullets struck Deputy Reyes in the back.

16 Assistance and medical help was requested and officers from the Sheriff's
17 Department, Santa Paula Police Department, Fillmore Police Department, and the
18 California Highway Patrol responded. One of the first officers to arrive was
19 Sgt. Larry Reynolds, a fellow peace officer assigned to the West County Patrol
20 Division. Sgt. Reynolds talked to Lechler in the presence of Van Davis. Sgt.
21 Reynolds was then fired on by Lechler and the window of this patrol was shot.

22 On 3 September 1981 I responded to an "Officer Shot" call in [REDACTED] Upon
23 arrival at approximately 11:00 p.m., I met with Commander Richard Seery, a
24 fellow peace officer and Commander of the West Valley Patrol Division, Ventura
25 County Sheriff's Department. Commander Seery told me that Deputy David Reyes
26 had been shot and that a subject known to be Gary Lechler was barricaded inside
27 the house that numerous shots had come from.

I was present when Lt. Larry Weimer, a fellow peace officer talked over the telephone with a subject who said he was Gary Lechler. Lt. Weimer was attempting to talk Lechler into surrendering and coming out of the house. Lt. Weimer did talk Lechler into coming out of the house.

I talked to Sgt. Lance Young, a fellow peace officer with the Ventura County Sheriff's Department who told me that he was waiting outside of the house when Lechler came out of the front door, saw him and jumped back towards the door while it appeared as though he was attempting to reach something just inside the door. Sgt. Young states that he felt that Lechler was reaching for a weapon so he fired one round from his rifle at Lechler.

A short time later I was present when Lt. Weimer again talked to Lechler on the phone and Lechler told him that he had been shot in the hand and the leg.

I have reviewed a report written by Sgt. L. Reynolds which states that Lechler was later removed from the house and arrested by members of the SWAT Team.

On this date I spoke with Sgt. Charles Rudd a fellow peace officer assigned to the Major Crimes Detail who told me that he had talked with Detectives Jim Barrett and Rod Thompson, fellow peace officers assigned to the Bomb Squad who stated that because of rumors of Lechler having explosives and booby traps in the house they conducted a search of the residence. No explosives were found. The detectives did state that they saw both a rifle and a shotgun inside the residence, and also what appeared to be blood on the floor.

Your Affiant has been a peace officer employed by the Ventura County Sheriff's Department for approximately 15 years, assigned to the Major Crimes Detail for approximately six (6) years. Based upon by experience I feel that the listed items will be found in the house or yard of the house occupied by Lechler at the time of his arrest.
