PRESS RELEASE:
"OFFICER INVOLVED SHOOTING"

● During the evening of July 2, the Ojai police Dept. received a call of an injured man brandishing a handgun on Drown St. in Ojai. When officers arrived they were told that the suspect, later identified as 19 yr. old RAFT EVANS, had left in a truck.

Ojai Police saw Evans driving nearby in Ojai and a pursuit began when Evans refused to stop.

● fired ~~his~~ one shotgun blast at Evans, striking him in the right shoulder. Evans was given first aid and transported to Ojai

<p>SUSP. EVANS, ARMED WITH A LONG BARREL BLUE STEEL REVOLVER, EMERGED AND HOLDING THE WEAPON IN A READY POSITION BACKED AWAY. HE IGNORED ALL ORDERS TO HALT OR SURRENDER HIS WEAPON. CHASE AND I ARRIVED AS EVANS TURNED AND RAN WEST ACROSS THE CREEK. I SAW THE SUSP. STOP AND TURN, UPON REACHING THE BASE OF A STEEP BRUSHY HILLSIDE. HE LOOKED DIRECTLY AT DEP. EVANS AND I AND POINTED THE REVOLVER AND FIRED. I DUCKED BEHIND A TREE JUST BEFORE HE FIRED. HE THEN STARTED CRAWLING UP THE HILLSIDE. EVANS AND I PURSUED ON FOOT, TRYING TO FLANK HIS MOVEMENT TOWARD NEARBY HOMES ON CREEK RD. AND COUNTRY CLUB DRIVE.</p> <p>WHEN WE REACHED THE TOP OF THE HILL WE SPOTTED ^{SUSP.} EVANS EMERGING FROM THE BRUSH. HE WALKED AND RAN ACROSS THE PASTURE TOWARD A RANCH HOUSE WHERE DEP. CHASE WAS WAITING IN HIS UNIT. HE ALTERNATELY POINTED THE WEAPON AT HIS OWN HEAD AND AT PURSUING OFFICERS. HE PASSED THE RANCH HOUSE AND STARTED DOWN A HILL TOWARD CREEK ROAD, ABOUT HALF WAY DOWN THE HILL HE LOST HIS FOOTING, FELL</p>

HE GOT UP AND RAN DOWN THE HILL TOWARD TWO CHP UNITS ON CREEK ROAD. WE CHASED HIM ACROSS CREEK ROAD INTO THE CREEK BED TOWARD THE SOUTH. SUDDENLY JUST AFTER DISAPPEARING BEHIND SOME FOLIAGE, WE HEARD ANOTHER SHOT. THERE WAS A LONG SILENCE OF APPROX. 30 SEC'S AND NO SOUND FROM THE SUSP. WE CAREFULLY APPROACHED THE AREA. MYSELF, CHASE, LOVE, DAVIS AND EVANS STOOD MOMENTARILY ON AN EMBANKMENT UNABLE TO SEE THE SUSPECT. I HEARD DAVIS SAY "HE'S RIGHT DOWN THERE" POINTING TOWARD THE CREEK. WE POSITIONED OURSELVES ALONG THE BANK SO THAT CHASE WITH THE SHOTGUN WAS IN THE BEST POSITION TO PROVIDE COVER FIRE. I SAW THE SUSPECT RAISE UP AND WE ALL YELLED AT HIM TO DROP HIS WEAPON. THE SUSPECT REFUSED, YELLING IN EFFECT THAT WE SHOULD SHOOT HIM. I TOLD ^{THE} SUSPECT IF HE'D LAY HIS GUN DOWN, I'D GUE MINE TO THE OTHERS AND THEY'D BACK OFF. HE CROUCHED DOWN, I HOPED TO LAY HIS WEAPON DOWN.</p>

<p>BUT INSTEAD SUDDENLY RAISED UP AND FIRED THE GUN FROM HIS LEFT HAND DIRECTLY AT US. I DROPPED TO THE GROUND AND REMEMBER THINKING TO LOOK AT THE OTHERS TO SEE IF ANYONE WAS HIT. THE NEXT THING I RECALLED ^{IS} THINKING THAT THE SUSPECT WAS NOT GOING TO GIVE UP HIS WEAPON AND WE WERE GOING TO HAVE TO SHOOT HIM. I DON'T RECALL THE PERIOD OF TIME BETWEEN THE LAST SHOT HE FIRED AND WHEN HE STOOD UP AGAIN. I'D ESTIMATE 1-2 SECONDS. THE LAST TIME HE CAME UP I SAW THE GUN AND WAS TAKING AIM MYSELF WHEN I HEARD THE SHOTGUN BLAST. THE SUSPECT FELL BACKWARD. I MOVED FORWARD THEN JUMPED ON TOP OF HIM MAKING SURE TO PUSH ^{THE} WEAPON AWAY. HIS RIGHT SHOULDER WAS BLEEDING HEAVILY SO I ASKED SOMEONE TO GIVE ME A T-SHIRT FOR A BANDAGE. LANE GAVE ME HIS AND I TIED IT AROUND HIS SHOULDER, WHICH SEEMED TO STOP THE BLEEDING. I THEN REQUESTED AN AMBULANCE AND THE FIRE DEPT. AND STAYED WITH THE SUSPECT UNTIL DEP. KENNEDY RELIEVED ME AT THE HOSPITAL.</p>

AT APPROX 1905 HRS. ON THIS DATE, I WAS ON ROUTINE PATROL PROCEEDING NB THROUGH THE CITY OF OJAI, ON OJAI AV (SR150) AT THE INTERSECTION OF DROWN ST AND OJAI AV, I OBSERVED A YELLOW VW TRUCK (CONVERTED) STOPPED AT THE STOP SIGN ON DROWN ST WAITING TO MAKE A RETURN ONTO OJAI AV. I SAW THAT THIS VEHICLE WAS BEING DRIVEN BY ONE RAFT LEE EVANS, WHOM I KNOW PERSONALLY. I NOTICED THAT SUBJ EVANS HAD A LARGE AMOUNT OF BLOOD STREAMING DOWN HIS FACE. AS I PASSED THE INTERSECTION, SUBJ EVANS MADE A RIGHT TURN ONTO OJAI AV, THEN A QUICK LEFT ONTO BALD ST. I DID NOT PURSUE SUBJ EVANS VEHICLE, BUT DID OBSERVE SAID VEH HAVING BEEN INVOLVED IN A TRAFFIC COLLISION WHICH IS THE SUBJECT OF THIS REPORT, AND WHICH OCCURED WITHIN FIVE MINUTES OF MY SIGHTING HIM.

INTERVIEW

1 SUSPECT: Evans, Raft - OFFENSE: 664/187 P.C.

2 VICTIM: Chase, Brandon Deputy

3 OFFICER: Sgt. Gary Backman interviews Deputy J. Evans

4 HOUR: 2115 Hrs.

5
6 Backman: July 2nd, 1983 time is 2115 hrs. this is a statement
7 from Deputy Joe Evans, ID #1450, assigned to West County
8 Patrol working out of the Ojai Station. I am Sergeant
9 Backman assigned to Major Crimes. This recording is
10 being made at the Ojai Station.

11 Evans: Ok, I was in the sub-station eating, Code 7, and City
12 Units got a call of brandishing up on north Drown and
13 they said the subject was bleeding, so I got on the radio
14 and told them I would respond from the station. As I
15 pulled out of the station, they say the suspect left in a
16 yellow Volkswagon pickup style a bug converted into a
17 pickup truck. So as I get to Signal and Ojai I'm facing
18 northbound on Signal in the...on Ojai Avenue and in the
19 southbound lanes setting at a red light is Raft Evans in
20 a yellow pickup truck and there is blood running from the
21 side of his face.

22 Backman: On the original call that came out, did they identify
23 the suspect by name?

24 Evans: Somewhere along the way they did and I don't know if it
25 was that I identified him first or if they identified him
26 as I was coming out of the station. I don't remember
27 exactly when.

28

1 Backman: You did know Raft Evans by sight though?
2 Evans: Oh, yes, I. . . . have chased him before
3 Backman: Ok, he was alone in his truck?
4 Evans: Yes, he was, uh they...Raft immediately ran the red light
5 in front of me and on coming traffic to go around a car
6 that was sitting in the intersection. I got behind him
7 turned my lights on, he turned southbound on Ventura street
8 and just tried to accelerate his Volkswagon, which was
9 meaningless, uh, he wouldn't yield to the siren, wouldn't
10 stop. As we got down toward the bottom of Ventura he was
11 starting to loose it in turns. Because he was going to-
12 wards Creek Road and it started going sideways on him.
13 Backman: Due to the speed?
14 Evans: Yeah, he was going pretty fast, not that fast, but fast
15 for that Volkswagon, probably going about 55 or 60. At
16 one point he slipped sideways and went into the embank-
17 ment. I guess that is right by Persimmon Street, right
18 there. Not exactly sure where it is, right before Creek
19 Road makes a ten mile an hour turn. I stopped got out of
20 the car and as I did, he jumped out of the car, I could
21 see the gun in his hand, he put the gun behind his back
22 and walked parallel to my unit and just sort of looked at
23 me....
24 Backman: Was this a handgun?
25 Evans: It was a handgun, yeah!! I couldn't tell at the time what
26 kind it was.
27 Backman: When he got out of the car with it in his hand. What
28 direction was the gun pointed in? Do you recall?

1 Evans: Got out of the car. All I could see was when it came
2 around the seat under the steering wheel is when I saw it.
3 Backman: Was it in his right or left hand?
4 Evans: Let me see, he's facing me he's walking across, it was in
5 his right hand.
6 Backman: He got out of his car put the gun.....
7 Evans: Behind his back
8 Backman: The gun and his hand behind his back?
9 Evans: Yeah, it was back by his belt.
10 Backman: And then walked across in front of his unit?
11 Evans: He seen me, his body was facing me, he was kinda side
12 walking, shuffling across between the unit and his car.
13 Backman: Had he said anything to you at that point?
14 Evans: Nothing, I was telling him to drop the gun and...he didn't
15 say a word, just looked at me, didn't make any motion at
16 all. I could see the blood on him and he didn't make any.
17 any fact mvoement or nothing. As he got to the front of
18 his unit he took off and ran backwards a little bit down
19 toward Creek Road adn across Creek Road towards a tree, as
20 he did that I cam around to the front of my police unit
21 yelled again and again, "drop the gun, Raft", he turned
22 around once and pointed the gun at me. I went down behind
23 the unit and when I came up he was just going down in the
24 creek. So I ran parallel with my unit towards the creek
25 behind a tree where he had stopped down in the creek and
26 I could see him. I was about 45 feet from him. I was
27 yelling for him to drop the gun. He was holding the gun
28 just at his side, the gun came up again and this time when

1 | it did he jerked his hand and stopped, like that, except he didn't
2 | stand forwards, he was facing me and then I yelled for him to drop
3 | the gun, he was standing up there kinda dazed, he took a step back
4 | and went like that and stucked the gun out like he was almost
5 | silhouetting for some reason.

6 | Backman: Point at you?

7 | Evans: Pointing the gun at me. I ducked behind the tree again,
8 | when I came up he was going up the embankment and the
9 | other units were jsut arriving behind me. He started
10 | going up the embankment, Deputy Stevens and myself entered
11 | the creek, uh, Stevens went down somewhere parallel to
12 | where he was running up the hill. I was still going down
13 | into the creek yelling for him to drop the gun, "Raft
14 | stop." I couldn't see Raft anymore he had gone somewhere
15 | in the bushes.

16 | Backman: Had you called for assistance or advised the station, uh,
17 | the fact that he was armed and out of the car or what
18 | were they aware of? What had you told them?

19 | Evans: Yes, they were aware...as far as I can remember, I said,
20 | the vehicle was TA and I bailed out of my car and then I
21 | did state that he does have a gun.

22 | Backman: Ok,

23 | Evans: Somewhere along the way, I don't remember if it was after
24 | he pointed it at me the first time, that I went down and
25 | said it,....but I remember hearing it go out, I remember
26 | hearing it go out on my car radio, seems to me that I said
27 | it on my portable.

28 | Backman: Ok,

1 Evans: But, I really don't remember for sure... exactly when
2 it was.

3 Backman: Up to this point did you have your gun out?

4 Evans: Yes,

5 Backman: Did you have your hand gun or your shotgun?

6 Evans: Handgun

7 Backman: Ok, no shots had been fired since you had gone in pursuit
8 of him, up to this point?

9 Evans: No, I don't think he has capped off the first round yet.
10 I don't remember exactly where he caps off the first round
11 I want to think that as soon as he disappears up behind
12 the bushes . . . I can't remember where I heard the first
13 round go off.

14 Backman: It was sometime after he had gone down in the creek
15 bottom, though?

16 Evans: After he had pointed the gun at me the second time and
17 started going up the hill is when the first round went
18 off.

19 Backman: Ok,

20 Evans: Uh, I don't remember exactly when, it could have been
21 later. I don't think it was right then. Stevens, I re-
22 member Stevens running down the street parallel from where
23 Raft had gone up and was talking on the radio to station I
24 and advised them that he had pointed the gun at me and that
25 he was going up and then I heard Chase saying, "I'll go up
26 on that ranch", and I saw Brandon running back behind my
27 unit going to the top of the ranch to the hill up there.

28 Backman: This was in the direction of which Raft was heading?

1 Evans: Yeah, yeah,
2 Backman: As he was going to cut him off?
3 Evans: Yeah, right, I think Brandon got in his unit as a matter
4 of fact....I don't remember whether he did not not....me
5 and Stevens chased him up through the bushes..I really
6 never had any sight of him then..all of a sudden he came
7 up on the plains, someone down on Creek Road says, "I can
8 see him by a big tree up at the ranch, walking." Me and
9 Stevens go over this first little white fence on top of
10 this little hill and I can see Raft just walking.....just
11 strolling along..go over couple more fences....
12 Backman: Is he still carrying the gun or can you see it from
13 there?
14 Evans: Oh, yeah, he still has the gun....I can't see the gun from
15 there, I can just see his upper torso.
16 Backman: Ok,
17 Evans: But he is walking...as we get closer he starts walking a
18 little bit faster and then I can see the gun is still in
19 his hand.
20 Backman: Has he said anything at all up to this point?
21 Evans: I don't remember.
22 Backman: Ok,
23 Evans: I don't ..I just don't remember exact...I also want to
24 think that now is when the first round went off that I
25 don't remember for sure...we get up, we go through the
26 fence, uh, Brandon's up there, he won't go up towards
27 Brandon, Brandon's.....everybodys yelling, "Raft
28 drop the gun, drop the gun, he might have yelled something

1 about, leave me alone or just leave it alone or it's no use, or
2 something like that, yelling a bunch of negative things, I don't
3 know exactly what they were...uh, somewhere in here is when one of
4 the rounds goes off. I don't see the gun...I don't see the round
5 go off and I don't see him fire it, but it goes off.

6 Backman: Ok,

7 Evans: We chase him a little bit farther, we are right on the top
8 of some ridge parallel with Creek Road and he goes down in
9 the hill...and Stevens and myself and Chase are up on top
10

11 Backman: All three of you together?

12 Evans: Yeah, we're up on top, he goes down towards Creek Road and
13 we're telling the other units that he's going towards
14 Creek Road...I see Lane coming along the ridge behinds us
15 from where we were..we're behind some trees and...Oh,
16 we're not behind the trees yet, we're walking and this is
17 when another round..this is when the round goes off, I
18 think this is when the first round went off, right here,
19 cause we're walking and I can hear the Chippies saying,
20 hey, you know, he's here..making noises like they can see
21 him now and I hear the round go off. We also...

22 Backman: Couldn't see him at that point?

23 Evans: No, I couldn't see him, uh we all go down..that's when the
24 first round went off.

25 Backman: Ok,

26 Evans: When he was down there.

27 Backman: He's already down in...in the creek bottom?

28 Evans: No, he's on this side of Creek Road still, we haven't

1 | crossed Creek Road, we're still up on the ranch, at the bottom of
2 | ...he's...we're at the top of this hill and he's at the bottom
3 | about..I imagine about 30 feet to the bottom, he must have been
4 | down there somewhere.

5 | Backman: Roughfully how far away from you was he?

6 | Evans: I can't see him right now, the gun goes off we all go down
7 | get behind trees, as I get over towards Stevens, where
8 | Stevens and Chase are I look down and I can see Raft down
9 | at the bottom by the fence going towards the fence at
10 | Creek Road and he is probably 75 yards from us, maybe 70
11 | yards, uh we're yelling, "he's going through the fence"
12 | all of a sudden I can hear the CHP yelling, "drop your
13 | gun, drop your gun" and yelling at him to put the weapon
14 | down and I don't know if he is yelling back or not....he
15 | goes through Creek Road down Creek Road, I really can't
16 | see him then he disappears, uh, we all go down the hill
17 | and I can see him walking on the flat lands going towards
18 | the creek and I'm not to sure if this if where another
19 | shot goes off or not.....I don't remember. I want to
20 | think that another shot went between now and the time he
21 | got to the creek that another round is fired. That's
22 | what seems to want to go through my head.

23 | Backman: You don't remember seeing him fire?

24 | Evans: No, I don't

25 | Backman: The second time now

26 | Evans: No, I don't

27 | Backman: And you didn't see him when he fired the first time, you
28 | just heard it.

1 Evans: Just heard it, from where he was

2 Backman: Yeah,

3 Evans: He, uh, he goes down, we're following him, not real close
4 he's disappearing behind brush, uh, they say he's going
5 down to the creek, so me and Ken Black go down to the
6 creek down about 100 yards to the south of him we cross
7 the creek thinking that he is going to come across.
8 Apparently he goes down into the creek, their yelling,
9 "he's in the river bottom, he's in the river bottom", so
10 we're running down to get to where we're going to cross;
11 we cross and I look over and I can hear the deputies
12 yelling and I can hear Stevens yelling, "Raft, you put
13 your gun down and I will put my gun down and we will talk
14 about it and there is a little bit of silence and Raft is
15 yelling, "it's no use, tell these fuckers to get out of
16 here" and blah, blah and he's yelling and screaming about
17 leave him alone, you know, something to that affect and
18 mostly it's Stevens and Lane I hear talking, Lane's going
19 "come on Raft, it's Lane and Stevens, you know us, put the
20 gun down, put the gun down", so I move.....Black is in the
21 bushes talking to station one, I move a little bit farther
22 towards Black and I can see Raft's just the upper torso
23 right here to right here and then.....

24 Backman: Remember what he was wearing?

25 Evans: At this time right now?

26 Backman: Yeah, as far as what you see anything noticeable

27 Evans: All I can see is skin

28 Backman: Ok, does he have his shirt on?

1 Evans: No

2 Backman: Ok,

3 Evans: All I can see is skin...it's real dense so it's..the
4 the bushes are in the way and I'm only seeing pieces of
5 skin and the're yelling and yelling and their still
6 telling him to put the gun down, he's not doing it, their
7 still telling him and then some commotion starts about him
8 yelling or something then it stops and I can see.....

9 Backman: From where you're at are you able to see Davis and
10 Stevens?

11 Evans: No, I'm not

12 Backman: You can just hear them?

13 Evans: I can only hear them, can't see them, can't see any of the
14 officers.....where there at, just see Raft...see his
15 torso.

16 Backman: Who up..up to this...now..this point, who was with you?

17 Evans: Me and Black, but Black's about 25 feet from me.

18 Backman: Ok,

19 Evans: Ok, uh, we're on the other side of the creek in some
20 bushes...watching across the creek, this way..before here
21 in the bushes, here's the creek, I'm looking this way at
22 Raft, where Raft's at...and it's all foilage and then I
23 see movement and I see his hand go up I hear a bang and I
24 then I hear boom and then sound of bushes and someone's
25 yelling, "you got him" or someone yells, "they've got him"

26 Backman: Did you see him go down?

27 Evans: No, I didn't, cause...right where his head was is this
28 limb, this big tree..thick..his arm went out like that

1 | just went up,.....

2 | Backman: Uh, huh

3 | Evans: I could see the movement that's what caught it cause

4 | he wasn't moving....didn't seem to me that he was making

5 |he'd stopped running...and all of a sudden his

6 | arm went up, I remember it going up and then I hear the

7 | bang and then boom. I didn't know if it was a shotgun or

8 | a 357 or what it was.

9 | Backman: So you heard two shots, one presumably from his weapon

10 |

11 | Evans: I heard one that was a lot smaller caliber, one.....

12 | Backman: Ok,

13 | Evans: There was no doubt, it was bang and then boom and defini-

14 | ately a different thing. And then, uh, some yells, some-

15 | thing about, "they got him" and I hear another bunch of

16 | rustling in the bushes which I didn't know at the time,

17 | apparently it was Deputy Stevens going over the side to

18 | administer first aid.

19 | Backman: First aid....

20 | Evans: At the time I didn't know what it was, I just heard rumb-

21 | ling in the bushes, uh, no one's got the gun yet and I'm

22 | yelling, "where's the gun, where's the gun," finally Black

23 | crosses the river and he comes up with the pistol. And

24 | then Black ended up leaving and I ended up staying with

25 | Stevens until the people came in the ambulance.

26 | Backman: Ok, so after you heard the crashing in the bushes, after

27 | the shots which was Stevens going down.....

28 | Evans: I assume it was Stevens going down.....

1 Backman: And you went on down also from your side?

2 Evans: Yes, I went across, across the creek..see it's level, I'm
3 level with Raft.....

4 Backman: Uh, huh

5 Evans: And then Stevens is up, I guess there all up on the em-
6 bankment...

7 Backman: Up on the embankment here

8 Evans: And Raft is down below them..straight down like a cliff,
9 you know what I mean?

10 Backman: When you get over to where Raft is then, what did you
11 see there?

12 Evans: I see Raft laying on his back with Stevens holding him
13 and Black beats me across the creek and Black is helping
14 remove some debris around him and Stevens is yelling, "I
15 need a bandage, a hard bandage of some type" and I think
16 it was Wayne takes his uniform off and gives him his shirt
17

18 Backman: T shirt?

19 Evans: I think it was his T shirt and they started administering
20 first aid.

21 Backman: And who was it that picked up the gun?

22 Evans: I believe it was Black, I don't know if Stevens handed it
23 to him or what, but I believe Black picked.....

24 Backman: You saw Black with it though?

25 Evans: Black had the gun in his hand

26 Backman: You don't know where we got it at though?

27 Evans: No, I don't

28 Backman: Whether he picked it up off the ground or whether some-

1 | body else....did?

2 | Evans: I don't know, all of a sudden Black says,all of a
3 | sudden Black is looking around he comes up with the gun...
4 | ...I didn't see him pick it up or anything I just saw him
5 | handing it up.

6 | Backman: To the best of your recollection then he fired probably
7 | three shots...

8 | Evans: Three shots

9 | Backman: If the three you heard were fired by him?

10 | Evans: If the three I heard were fired by him.

11 | Backman: Yeah, two of them you couldn't see him at the time, the
12 | third one just at the time he was shot you saw a move-
13 | ment and heard a shot coming from ..from where he was at
14 |

15 | Evans: I saw his arm go up and....

16 | Backman: Could you see if the gun was in his hand?

17 | Evans: No, I couldn't there was a tree in the way.

18 | Backman: Oh,

19 | Evans: The limbs, all I saw was the movement of his arm..the
20 | flesh going up like this...

21 | Backman: And you heard a shot at the same time...

22 | Evans: I heard the shot the bang and then just like that, the
23 | boom.

24 | Backman: Ok,

25 | Evans: I really didn't hear Raft fall or anything I....

26 | Backman: Did Raft say anything after you got down there?

27 | Evans: Oh, he was yelling, "it hurts, it hurts" you know, you
28 | gotta stop me, you gotta stop it..let me go and all this

1 screaming and yelling.

2 Backman: Was Chase down there when you got there?

3 Evans: No, Chase was up on....when I first got over there, Chase
4 was standing up on the ridge holding the shotgun and then
5 he disappeared. Uh, I heard someone say, "go sit in the
6 unit."

7 Backman: Ok, he didn't come down there then where you guys were?

8 Evans: No, he did not come down where Raft was.

9 Backman: The only two deputies that were there with you at the
10 time you arrived there were Black and Stevens?

11 Evans: Right, and...Stevens got there first and me and Black got
12 there about the same time. Black crossed the creek first
13 and I stood in the middle of the creek till he got the
14 gun.

15 Backman: And then Lane arrived after.

16 Evans: Lane was on top with them, Lane was not down stairs with
17 us.

18 Backman: It didn't....was it Lane that gave up his shirt?

19 Evans: Uh, huh, he was upstairs, he threw it down.

20 Backman: Threw it down to you. Ok,

21 Evans: Yeah,

22 Backman: And then who was it that, I imagine that someone got on
23 the radio and called for an ambulance...and....

24 Evans: Black was yelling, "we need an ambulance"..he was on the
25 radio as we crossed the creek he was saying that..as we
26 we first going cross the creek he was yelling, "we need an
27 ambulance".

28 Backman: Ok, your past experience with this.....Raft Evans...

1 Evans: Yeah,

2 Backman: What kind of contacts have you had with him in the past?

3 Evans: Well, one contact he was driving 90 miles an hour plus up
4 on Orchard Street, I got a call of a racing vehicle, as I
5 get there I watch him traveling at a super high rate of
6 speed going into a telephone pole and into a front yard,
7 he jumps out of the car and takes off and we have about an
8 hour of foot pursuit, lose him, we come back we are just
9 cruising by about 25 minutes later, he's up on the street
10 again.....foot pursuit into a yard and we catch him this
11 time.

12 Backman: Have you been involved incidents before where he was
13 armed or where a gun was involved?

14 Evans: No, but I know when there was a gun involved.

15 Backman: You do have knowledge of some....

16 Evans: Yes, the incident that he had at the high school.

17 Backman: I understand a 45 was taken away from him...

18 Evans: It was a loaded 45, apparently the clip wasn't in it, but
19 uh,.....

20 Backman: The original brandishing call that went out, you never
21 made contact at all with the victim on that then, the
22 people that.....

23 Evans: I never got that far

24 Backman: ???? do you know if anybody did?

25 Evans: I have no idea, all I know is I picked Raft up by station
26 I and I had just come from the station and a second
27 later I pulled up to the light and there he was and they
28 said on the original call that the suspect was bleeding

1 and Raft had blood coming down the side of his face.

2 Backman: Do you remember which side it was on?

3 Evans: Yeah, it had to be the left side, because he was facing
4 southbound and I was on the left side of his vehicle
5 facing right at him.

6 Backman: Ok, can you think of anything else, Joe?

7 Evans: Three shots and then the two times he pointed the gun at
8 me, that's about it, uh, he knew what was going on when he
9 got out of the car after the accident, he TA'd. I've had
10 run ins, like I said, run ins before, he knew exactly what
11 was going on cause I was drawing down on him from the side
12 of my unit...the doorway of my unit and he just...he knew
13 what was going on.

14 Backman: Has he attempted suicide in the past, to your knowledge?

15 Evans: I believe the time at Nordoff High School was...he was
16 trying to attempt suicide..

17 Backman: When he had the gun?

18 Evans: Yeah, he was claiming attempt suicide. He's going to get
19 somebody killed, no doubt....uh, I honestly believe he'll
20 kill somebody or bring it to the point where one of us
21 will have to kill him... it ain't right.

22 Backman: No, hopefully that won't happen

23 Evans: Well, he doesn't have the right to do that...

24 Backman: No, he certainly doesn't.

25 Evans: (Unable to understand)

26 Backman: Ok, this concludes the interview then unless you can
27 think of anything you want to ad.

28 Evans: No, no ..I don't know whose vehicle he was in either

1 Backman: Had you seen him in that vehicle before?

2 Evans: No, I never have, I don't know if he stole it, I don't
3 know. I have never seen the car before.

4 Backman: Ok, that will conclude the interview with Deputy Evans,
5 the time is now 2136.

Taped interview between Deputy Bill Stevens and Detective Bill Hunt.

Stevens: At 1916 hrs., July 2, '83, myself and Deputy Chase were dispatched to the 900 block. About the time that I arrived at the residence on Drown Street it was around 1918 or 1919. There was a large crowd of people, the residence of Raft Evans. This is in the rear of [redacted]. We had been to [redacted] about an hour before the call came out on another incident, we were investigating a theft. At that time I saw Raft Evans and we spoke.

Hunt: What was his condition at that time?

Stevens: He appeared to be drinking, he was joking and talking to his girlfriend [redacted] and I was told there was going to be a party at his residence. Anyway by the time I got to the residence there was a large number of people and about 30 seconds later I heard Deputy Evans, that's Deputy Joe Evans, advise that he was in pursuit of the vehicle that we were looking for that was driven by Raft Evans which is a yellow stake bed truck was the description that he gave us. He advised that he had the vehicle under observation and shortly after he was failing to yield and he was travelling in a southern direction on Ventura Street. Shortly after he advised that he was in pursuit on Creek Road and in just a matter of minutes

he then advised that he had T/C, a traffic accident on Creek Road. Deputy Chase and I had joined the pursuit prior to the traffic collison.

Hunt: How far were you behind?

Stevens: At least 30 seconds or more behind. By that time Deputy Davis was at the scene, and they, either he or Deputy Evans advise that they had bailed out or that Raft Evans had bailed out and was on foot and that he was armed. About the time he advise that I looked to my right, the northwest, and saw Raft Evans running out across the creek..

Hunt: How was he dressed?

Stevens: My recollection he had brown cords and had alot of blood on his clothing, he either had a shirt on with blood on it or blood on his bare chest. I did notice that his right wrist was bandaged and that his bandage was blood soaked. I saw him run across the creek and up a bank, this is a very densley brush covered area. On the incline the upgrade we yelled at him to halt. Approximately 60 yards away he stopped, turned and fired one round in our direction. I saw the gun pointed at me, directly at me, and I got behind a tree cause I knew he was gonna shoot. I definitely saw him point the gun at myself and Deputy Evans.

Hunt: Do you think he was trying to shoot you?

Stevens: He was trying to shoot at me but I got behind a tree before the gun went off. Then he started running up this incline very steep hill and it became very densely brush area where he had to actually crawl to get through. Deputy Evans and I were following on foot and rather than follow through this densely covered terrain we decided to go around and try to cut him off at the top. When we got at the top of the hill he was just emerging through the brush and he was coming out across a cleared oat field. Deputy Evans and I then continued to pursue him from the north. He saw us, we both identified ourselves many times as police officers and we both were wearing Sheriff's Department uniforms. In addition, Deputy Chase and I think Davis, they had also come to the top of the hill and they were there also. And he was heading almost directly at them when we first saw him. And he saw them and started travelling in a southwest direction directly away from them. I continued to pursue him on foot while yelling at him to halt. It was at this time that I also noticed that Deputy Lane had also joined in the pursuit and we were all hollaring at him to halt and put the gun down. He travelled, oh, about 75 yards across this flat and then started down the other side of the hill onto Country Club Drive. About the time he started down the hill he fell, Deputy Evans and I were about 30 yards behind him and we were yelling at him to put the gun down and he pointed the gun at us, directly at us, and fired a second time and then he ran down the hill. There was some

other officers, I believe they were CHP officers, down at that location. I heard the officers yell at him several times to halt, he ignored their orders as he had ignored ours. He ran the best he could with the weapon raised. He went across Country Club Drive and down into the creek bottom. He got to a flat and we lost sight of him for a few seconds. He was about 30 yards from us and we heard another shot go off and to my recollection this was the third shot, I could not tell what he was shooting at and I thought that he had shot himself. I forget to mention that several times when he was running across the flat and before he fired at us a second time I saw him pointing the gun at his head and he kept yelling at us to shoot him. After the third shot we all hit the dirt again and we kind of strung out along the barranca looking for him. Deputy Davis located the suspect down over the bank and he signalled that he was down there and then we established voice contact and he answered something put the gun down and he refused and he said he wanted us to kill him. He kept saying shoot me, shoot me, I saw the gun in his hand, I told him to put the gun down and I'll give my gun to someone else and we'll talk. He said I only want one guy to be here and I said fine it'll be me. You can watch me give my gun to another officer and we'll talk one on one. He bent down I couldn't see him and after he bent down my recollection is that he shot one time. I thought that anyone of us would get shot at any second. I fell on my face, I looked around and saw everybody was O.K. and saw that nobody was shot then I saw him get back up and I saw the gun raised and it was coming down, starting to come down in our direction and I heard a shotgun shot go off and I saw the suspect fall. We were all standing there, I had a presence of mind to tell two CHP officers who were standing there to with shotguns to move back, I told him that we had a point man with a shotgun and it was his responsibility and our point man was the closest to him, if anybody has to do it it will be him, and I was referring to Deputy Chase. I was concerned about officer safety at that time. Chase was actually physically the closest one to him. Now just before the shot went off I turned to Chase, I asked for his baton, I thought if he stood up again I could throw the baton and hit him and maybe knock him off guard. After the shotgun went off I jumped in the creek bed, he was approximately six feet below us laying on the ground, I jumped in the creek bed next to him to disarm him and make sure that uh, offer any aid that I could offer. I felt that at any time that any, that he could drop the hammer on any one of us, and that Chase had to shoot him because he was the closest one to him. That one point where we were chasing him after he had shot the second shot at him I asked Deputy Chase for the shotgun, I was convinced that I was going to have to shoot him at that point. I wanted to use the shotgun because if I had to shoot him I didn't want to miss, Chase said, "No, I've got it." I felt like I was the senior man and if it had to be done it was my responsibility. When he said no I've got it, then I took it to mean that, that he was going to do it if it had to be done.

NARRATIVE:

On 7/2/83 at approximately 8:00 p.m. I was called out to assist an investigation of an officer involved shooting. I arrived at the Ojai Police Department at approximately 8:40 p.m. that evening.

At approximately 9:20 p.m. that evening I began a tape recorded interview with Deputy Bill Lane who was present at the time Deputy Chase fired one shot gun blast striking the suspect, Raft Lee Evans. Deputy Lane told me the following: About 7:15 p.m. he was riding with Deputy Barry Davis in a patrol car when he heard a radio call dispatched to Deputy Bill Stevens. The radio call advised that an injured man was brandishing a gun at the 1100 block of Drown Avenue in Ojai. Lane heard the responding officer advise that he was one minute away and Lane and Davis began driving that direction to back up Officer Stevens. Prior to Lane and Davis arriving, Deputy Stevens advised over the air that the suspect was gone on his arrival and had left the area driving a yellow stake bed type truck with unknown license. About 7:20 p.m. Deputy Lane heard Deputy Evans advise that he had the suspect under observation driving the yellow truck westbound on Ojai Avenue at a high rate of speed. Evans was attempting to stop the suspect, however the suspect refused to pull over, and a pursuit had begun. Deputies Lane and Davis caught up with the vehicular pursuit and followed Deputy Evans for approximately two minutes until Deputy Evans advised that the suspect had crashed his truck on Creek

<p>Road about 50 yards west of the ten mile per hour curve north of Camp Comfort. Lane was in close proximity when he heard Deputy Evans yell on the radio "Look out, he has a gun and he's going into the creek." Lane and Davis arrive at the accident scene and saw the suspect standing in the middle of Creek Road raising a six inch blue steel revolver towards Lane's patrol car. Lane said he was afraid to stop his unit and provide a stationary target, so he continued driving past the suspect with the suspect on the right side of his vehicle. Lane said as he drove past the suspect he recognized the suspect as being nineteen year old Raft Evans, who had an outstanding misdemeanor warrant. Lane continued driving his patrol car about sixty feet past the suspect when Deputy Davis said, "He's going into the creek we can get out now." As Lane and Davis got out of their car they saw two more units arriving driven by Deputy Bill Stevens and Deputy Brandon Chase. Lane said that they all went to the creek bank and yelled down to the suspect in the creek, "Raft, put the gun down, let's talk about this." (As best as Lane can recall Deputy Bill Stevens made that advisement to the suspect.) Lane heard Raft Evans reply, "You guys are all crazy, go away. I know you all have guns." Lane looked down and saw Evans point his gun at his head near the temple. Raft Evans then held the gun straight up in the air and at times down to his side. Officer Lane then saw Raft move in behind some shrubs and Lane heard Raft fire one or two shots from a small caliber gun. Officer Lane said that he was pointing a hand gun towards the suspect's location, Deputy Stevens was pointing a hand gun towards the suspect's location, and Deputy Chase was pointing a shotgun towards the suspect's location. Officer Lane said that two Highway Patrol officers arrived at the scene and assisted in the foot pursuit that evolved. When Lane saw the suspect he remembers seeing a lot of blood over one shoulder, one arm, and the side of the stomach. Lane described Raft Evans as appearing very emotional and distraught. After Raft Evans fired the one or two shots, the suspect climbed out of the creek on the south side against the mountain and ran up a dirt ranch road. Deputy Stevens, at least one Highway Patrol officer, and Deputy Davis chased Raft on foot. (No shots had been fired by any officers at this time.) Officer Lane determined that the suspect was headed towards a paved driveway nearby and drove his unit to that location in anticipation of cutting the suspect off. As Lane drove up the driveway the suspect ran in front of his unit about 15 feet away and pointed his handgun directly at Officer Lane who was still seated in his unit. Lane advised over the radio that the suspect was pointing his gun at him. Lane said the suspect then lowered his gun and climbed through a wooden rail fence. The other pursuing officers showed up and all chased the suspect through trees with the suspect about 25 yards ahead of them. Lane remembers that every officer pursuing was yelling loudly at the suspect saying words in effect, "Raft, stop running. Put the gun down, let's talk about this. We'll work things out." Officer Lane said that Raft yelled back something about the officers having guns. Raft then fired two more shots about a minute apart. Officer Lane said the shots sounded like a .22 caliber gun. Officer Lane said that none of the officers fired a shot even though the suspect was often an easy target. Lane said that the suspect dropped back down onto Creek Road and Lane heard one .22 shot fired. At that time Lane heard a car skidding to a stop and then quietness. The pursuing officers climbed up to the road and found three additional units at that location. The officer with those units yelled that the suspect had run back into the creek. The officers in the units joined the other pursuing officers totalling approximately seven officers pursuing Raft into the creek area. When Officer Lane</p>

arrived at the creek Raft was found directly below them about 6 or 7 feet away. Raft was fully exposed standing at the edge of the water holding his gun in his right hand. Lane saw that Raft's hand was bleeding and blood was covering his gun. Lane said that Raft was standing still, crying, while pointing the gun at his temple or ear. Raft would then move the gun up to the air while officers were yelling at him, "Put that gun down. Let's talk about it." Officer Lane said that some of the officers were exposed and some were crouched down seeking shelter behind the elevated bank above the suspect. Officer Lane saw Deputies Ken Black and Deputy Evans coming up behind the suspect about 15 yards away. Officer Lane said that the suspect suddenly began coming at them up the bank firing at least one shot (S² was six to seven feet away from Officer Lane.) Officer Lane said the shot or shots (he couldn't remember how many) were fired up in the air. The officers began jumping back for safety and Officer Lane saw at least one officer running away for cover as the suspect came towards them firing his gun. Officer Lane said that as he jumped back he saw, out of the corner of his eye, Deputy Chase step forward and fire his shotgun once at the suspect. Officer Lane did not see the suspect hit with the shotgun blast, but, he immediately heard the suspect yell, "Oh God, that hurts." Lane looked down and saw Raft lying on his back bleeding from his right shoulder. Deputy Stevens jumped down the bank and began first aid yelling for a T-shirt to use for a bandage. Deputy Black and Deputy Evans were looking around for the gun when Deputy Black shouted, "I found it. I found the gun." Deputy Black then handed the gun up the bank to Deputy Lane who placed it on the ground near an expended shotgun shell from Deputy Chase's shotgun.

Officer Lane had given his T-shirt for a bandage and was putting his shirt back on when he saw a CHP officer take Deputy Chase aside because looked to be in shock. The CHP officer took the shotgun from Chase and attempted to calm Deputy Chase after the shooting. About two minutes after Deputy Chase shot the suspect, Deputy Barry Davis yelled out that they had another call of a woman with a gun at Matilija Springs Bridge.

I asked Deputy Lane if he overheard Deputy Brandon Chase say anything after the shooting. Lane said that he did not hear Chase make any remarks; he just looked sick and in shock. I asked Deputy Lane if Deputy Chase yelled at the suspect prior to firing his shotgun. Deputy Lane said that Chase yelled at the suspect to put his gun down prior to Officer Chase firing the shotgun blast at the suspect. Deputy Lane told me that the suspect's revolver was not opened or examined by any of the officers to his knowledge.

Deputy Lane told me that none of the pursuing officers ever fired their guns at the suspect except for the one shot by Deputy Chase.

INTERVIEW

SUSPECT: Evans, Raft - RB #83-37378

VICTIM: Chase, Brandon Deputy

OFFICER: Sgt. G. Backman interviews Dep. B. Davis

HOUR: 2155 Hrs.

Backman: Today is July 2nd 1983 time is approximately 25..cor-
rection, 2155 hrs. this will be an interview of Deputy
Barry Davis, ID #0598 statement is taken at the Ojai
Station. I'm Sgt. Backman.

Go ahead Barry and give me a run down on what happened.

Davis: Ok, Deputy Bill Lane and I were working the Wheeler Gorge
Detail with the U.S. Forest Service we were 3 Adam 33..

Backman: Two man unit?

Davis: Two man unit black and white. We came down to grab a
hamburger at the Mexican food place, right next to Nordoff
High School I don't know the name of it. Just walked in
when we heard the call of a subject brandishing a weapon
in...I believe the 900 block of North Drown. When we
heard this we went back out to the car and Deputy Lane was
driving, I was passenger and we headed toward the call.

Backman: At that point had they identified the person doing the
brandishing by name?

Davis: No, they had not to my knowledge. I heard Deputy Chase
say that he was, I think he said at Boardman or somewhere
in the east end of Ojai. The other City car, Deputy
Stevens said was about a minute we continued eastbound
on..got to Ojai Avenue continued eastbound at which time

1 I heard Deputy Evans which said he was just leaving the station
2 say he had the vehicle which Evans described apparently as a
3 yellow pickup or yellow Volkswagon pickup, I believe..he had it
4 under observation at Signal Street.

5 Backman: Had they put out a over the radio a description of the
6 vehicle?

7 Davis: They had, they had a make on it and said it had just left
8 the scene, but they did not give a direction of travel.
9 Evans responded at Ojai and Signal and then he..we con-
10 tinued that location not knowing if he'd stopped it or not.
11 As we drove eastbound on Ojai Avenue we saw Deputy Evans
12 with his red lights on coming our way and follow and as it
13 turned out pursue the vehicle southbound on Ventura Street
14 in other words they turned south right in front of us..we
15 turned right behind him.

16 Backman: You saw the suspect's vehicle

17 Davis: Saw..

18 Backman: Saw the suspect vehicle..at that time?

19 Davis: Yes, they put a little distance between us, but we could
20 always see the black and white or..maybe a fraction of a
21 second that we wouldn't around any curve. Deputy Evans
22 uh, I started giving out the cross streets I believe...as
23 we round the curve at Persimmon Hill, which is the old
24 uh, the Royal Oaks Dairy or the VW had spun out and hit the
25 hill facing a easterly direction and Raft Evans was coming
26 out of the car, Deputy Joe Evans was yelling at him to
27 stop, Raft was carrying a gun, I could see a lot of blood
28 on middle part of him or lower...on his pants or something

1 Backman: Up to that point when you had joined the pursuit, were
2 you guys code 3 at that time?

3 Davis: We, uh, we were not code 3 till we joined the pursuit on
4 Ventura Street..

5 Backman: Ok,

6 Davis: at which time, uh, the speeds were such that we did turn
7 on our red lights and follow...

8 Backman: And Evans was Code 3?

9 Davis: He had his lights on and I assume he had the sirens on.

10 Backman: Yeah,

11 Davis: Uh, Evans ignored ..Raft Evans ignored Deputy Evans, uh,
12 directions to drop the weapon or to stop.

13 Backman: How much distance was between Deputy Evans and Raft
14 Evans...roughly?

15 Davis: 25 feet maybe I would think at the most..we were behind
16 him though.

17 Backman: Were you parked directly behind him at the time he
18 stopped?

19 Davis: Yes, yeah, we stopped we did not get out at that time
20 Raft Evans then walked toward the creek which would be
21 basically a westerly direction down the embankment into
22 the creek..we drove past him at that point, still south
23 on Ventura or..now on Creek Road..I'm sorry, Ventura runs
24 into Creek Road, we drove past him, uh, maybe a 100 feet
25 to where we would have an angle at him coming our way or
26 to see what he was doing.

27 Backman: Had you heard Raft say anything up to this point?

28 Davis: I had, but I can't tell you what he said...

1 Backman: Was it in response to something that Deputy Evans...

2 Davis: Yes, I don't know if he said, uh, leave me alone or no or
3 what he said at that time.

4 Backman: There was an indication though that he was hearing De-
5 puty Evans commands directions?

6 Davis: Definately, most definately, he crossed the creek and
7 started up this slight embankment to a road. We were at
8 driveway, we were at the southern most part of this drive-
9 way...where this driveway joins Creek Road right at a
10 little bridge. At this time I heard Deputy Stevens and
11 Deputy Chase say they were on the same and they were tell-
12 ing Station I over the radio that he was crossing the
13 creek and going towards the road, etc..We maintained our
14 position at which time Deputy Stevens and Chase said they
15 were going to start pursuing him on foot up the road.

16 Backman: Up to the point he had disappeared or left this vehicle
17 did you see him point the gun at any of the other dep-
18 uties or did he point it at you guys at all?

19 Davis: At..when he got out of the car I did not see him point the
20 weapon at anybody and he basically had it in an upright
21 position next to his shoulder or uh,...

22 Backman: Pointed in the air?

23 Davis: Pointing in the air. I did not see him point it at any
24 body. He went into the creek..we scooted by very quickly
25 not wanting to be a target, got down to the road down to
26 this curve in Creek Road where this driveway meets it and
27 I did not see him point it at anybody. Now at that point
28 Deputy Stevens and Deputy Chase went across the creek and

1 | was giving foot pursuit. I opened the gate at this driveway's
2 | junction with Creek Road so that my partner could drive through if
3 | he wanted to. I ran up the road..Chase and Stevens were up there
4 | somewhere and so was Black.I don't know exactly where he came in
5 | though. I seen Deputy Black was up there. Couple of houses on
6 | top of the hill, uh, the at this point went from the road which
7 | basically went west went south again towards Creek Road..everybody
8 | gave chase..Black, Stevens and Chase were closer to him than I was.
9 | When I saw him go down the hill I got in Deputy Chase's white City
10 | unit which was parked up on the property up on this property,
11 | apparently he had turned up there..I thought he had run across the
12 | creek but I'm assuming it was Deputy Chase as that is what I was
13 | told. I drove it down to Creek Road and out onto Creek Road at
14 | which time Raft Evans came through a white fence to I
15 | believe on to Creek Road 50 feet or less from me. On the other
16 | side of him were two CHP units. I yelled, "Raft, and I kept yel-
17 | ling and at that time he pointed the gun at his head and kinda
18 | stumbled across Creek Road towards the creek and when he hit the
19 | other side of the...when he hit the other side of the road towards
20 | us off the pavement he went off in a run.

21 | Backman: Was he...did he continue moving with the gun up against
22 | his head?

23 | Davis: When he got to the dirt it was not against his head. When
24 | he got to the..the dirt, grass and the brush it was not
25 | against his head...I think it started out at his side but
26 | he started lumbering down this slight embankment down then
27 | up and the best I recall it was just at his side.

28 | Backman: He didn't make any verbal response to your calling at
him.

1 Davis: At one point....I'm not sure if he told me that, I know
2 he did later he told me to shoot. I'm not sure if he told
3 me that or not.. I told him who I was he knows me he...I
4 can't be sure that he said it at that time to shoot him or
5 what, he didn't point the gun at me, he pointed at his own
6 at his head got to the other side of the Creek Road, ran
7 I ran I was the closest one to him I didn't want to get to
8 close he runs down this slight embankment cross what is
9 basically a flat area then up an embankment right next to
10 the..the creek. I was maybe 15 feet behind him he goes to
11 the top of the embankment disappears and I hear a gun shot
12 likes...likes I thought he shot himself accidentally.

13 Backman: This is the first shot you have heard?

14 Davis: I believe so, although I don't know that it is the first
15 shot that he had uh....

16 Backman: But it was the first one that you have any recollection
17 of?

18 Davis: Yes, I believe Deputy Stevens was right behind me, I said,
19 "watch out" and I crested the hill and I didn't see any
20 body... and what....it's not really a hill it's like a
21 burm on the side of the river and you've got this high
22 spot higher than the ground behind you higher than the
23 creek..higher than the road back behind you...which drops
24 abruptly to the creek..all of a sudden there was three or
25 four deputies and the CHP and somebody's saying, "well he
26 must be across the creek." I knew .. I was suppose to I
27 knew he couldn't be across the creek. At which time I
28 inched forward and I look down and he is directly below me

1 against the embankment, like a little bit of a hollow, with the gun
2 pointing up looking at ..I tell everybody, "get back, get back
3 he's directly below me". I said, "Raft, he called me by name, I
4 think he said, Davis; "... don't know what he said, "throw the gun
5 away", he said, "no"; don't force anyone to shoot you...at which
6 time he repeated, "shoot me, shoot me". I tried to tell him you
7 don't want to get shot etc. Bill Stevens who was a few feet south
8 of me said, started to talk to him, said, "Raft, let me ask you a
9 couple of questions". Raft said, "ok, ok, but I don't want these
10 people around".

11 Backman: You're back where you can't actually see him at this
12 time, is that correct, you're just talking with him now?

13 Davis: Yes, yes, so he stands up and he's got the gun or he kinda
14 gets up to where you can see his head and I backed up a
15 little bit and he waving the gun around. Bill Stevens is
16 trying to talk to him and asks...tells him that he wants
17 to ask a couple of questions that initially he says, "ok",
18 but then he is very erratic and he's waving the gun and
19 it's a scary situation and that..you know if he's getting
20 to point it at you, you can see his head, a little bit of
21 the gun etc..uh,..

22 Backman: You have your gun out at this time?

23 Davis: I have my revolver out.

24 Backman: You don't have a shotgun with you?

25 Davis: I don't have my shotgun with me. Deputy Chase is to my
26 left...I'm ..I'm at a slight angle to..to..uh Raft Evans
27 at just about the same angle to the other side is Deputy
28 Stevens, I'm not sure if Evans is there, but there is two

1 Highway Patrolmen down there, in other words the Highway Patrol-
2 men are to the south then Deputy Stevens just south and a feet
3 away from Raft Evans, I'm just north and a couple of feet away
4 from him. Brandon Chase is to my left with a shotgun.

5 Backman: You're about how far from him...from Raft?

6 Davis: From about 4 feet max about that

7 Backman: With a drop off...from where you're at?

8 Davis: In other words from when he is standing up it's his head
9 that's about just below my feet but is visable or at my
10 feet. I picked up a rock and he was waving the gun around
11 and I picked up a stone a pretty good sized rock and when
12 he was waving it and it was at the point I felt that some
13 body is going to shoot somebody..I threw the rock to try
14 to hit his hand...

15 Backman: Uh, huh

16 Davis: I missed it by a fraction of an inch and...he was still
17 not making a lot of sense and not doing what Stevens told
18 him, not dropping the weapon..at that time Brandon says,
19 "let me move over" and I was at a...I was too close to
20 being in his path if he had to fire the shotgun...in other
21 words he was to my left and Raft Evans was over to my
22 right, Brandon Chase was over to my left. Raft to my
23 right. I traded places with him at that time and backed
24 off with uh, and Raft made some statement as such as,
25 "back off or he'll talk or whatever"....He.....
26 didn't want everybody around. I backed off, I'm not sure
27 about anyone else but I don't know exactly what happened
28 uh, Stevens was doing his best to assure him that..of..

1 | that everything was alright to drop it and we didn't want any
2 | problems..when..he either made a movement that I..I could see more
3 | in the other deputies in their reflex actions or he dropped and
4 | fired the gun and came back up, I'm not sure which...I believe
5 | that I'm not totally sure that a round was fired from the more I
6 | think of it, I can't be sure...I believe a round was fired...
7 | everything happened so fast at which time either in his movement
8 | and the shot or coming back up Deputy Chase fired the shotgun...I
9 | saw Raft go down and after he went down, "help me, help me" I
10 | believe is what he said...and the initial thing was I was going to
11 | get my shotgun, but then he was screaming, "help me, help me".
12 | I looked over Stevens jumped down secured the weapon, I said,
13 | "do you have the weapon?" yes, he has a weapon...etc. etc...
14 | Stevens kinda cradled him, Joe Evans had gone around inside the
15 | creek and came across no other deputy down there that I am aware
16 | of. Stevens said he needed some first aid material. I ran to my
17 | car I ran to get a...to get to the nearest vehicle to get the
18 | first aid kit. Deputy..or George Gray the Highway Patrol, took
19 | the shotgun from Chase....

20 | Backman: What was the Highway Patrolman's name?

21 | Davis: George Gray....

22 | Backman: Go ahead

23 | Davis: And I believe was talking to him...I...took the shotgun
24 | from Gray and put it in the trunk of this vehicle which
25 | was, I believe 3653 put the shotgun in the trunk of the
26 | vehicle got the first aid kit I believe from Deputy (?)
27 | Ken Black came up and asked if this was his vehicle, I
28 | said it was. I've got the shotgun in the trunk of your

1 vehicle which I want the chain, you know the chain of evidence to
2 be George Gray and me in the trunk of your vehicle and that's the
3 reason I want you to know it. And the reason I said that at this
4 time they're putting out a call....shooting at people up in
5 Maricopa Highway....highway...

6 Backman: It's been handled, I don't know what it amounted to but
7 somebody got cited.

8 Davis: Right, yeah, I ended up doing that

9 Backman: Oh, you were going.....your going up there

10 Davis:was at this juncture I'm sure I thought I'd be
11 possibly break away as I would be needed out on the road,
12 I thought ...turned out that somebody had driven on the
13 side road and grabbed it..we had units everywhere and uh,
14 Stevens was tied up down there, Evans was tied up with
15 them...with Deputy Evans was tied up I knew everything was
16 going crazy, so I said lock yours, here's the gun. Uh, I
17 ran ..remember taking first aid kit and blanket over..uh,
18 going back on the road and uh, to get my partner Bill Lane
19 who is stopping traffic or trying to block the road off.
20 Lt. Markley and Sgt. Odle came up and I said, "somebody's
21 got to handle this call up there, how about letting me go,
22 he said, "fine"..At which time I left that scene...and
23 went on that other call.

24 Backman: Going back to the point of the shooting occurred. If I
25 understood you right you traded locations with Brandon?

26 Davis: Yes

27 Backman: So that put Brandon at about 4 feet away...roughly?

28 Davis: Yes

1 Backman: Roughly from uh,
2 Davis: Uh, in other words
3 Backman: From Raft?
4 Davis: Right, uh, when I was at a little bit of an angle to the
5 north, Brandon traded places with me which put me a
6 couple of feet farther north of Raft and more like at a
7 45 degree angle from them, however, Brandon ended up..re-
8 positioning himself a few feet south towards either..he
9 was directly in line or maybe as I recall just a foot or
10 so south of there.
11 Backman: Ok, and distance between the two of them..how much?
12 Davis: I would still have to say maybe 5 feet or so.
13 Backman: Ok,
14 Davis: Uh, as I recall
15 Backman: Had Raft then moved out farther..towards the center?
16 Davis: Away from the....
17 Backman: Away from the bank.....
18 Davis: No,
19 Backman: Itself?
20 Davis: No, when he stood up he was really just just the same if
21 it was farther it's a matter of 6 inches, but not inten-
22 tionally on his part.....
23 Backman: Well, what I was trying to get at is if he got out
24 farther from out...the way I understand it from you
25 from that location you would have been able, really to
26 only see like his shoulders and head, is that correct?
27 Davis: Right, right
28 Backman: Ok,

1 Davis: And of course initially he was squatting and later he was
2 standing, I'm not sure if he was standing totally erect or
3 not..uh, and at the time that he was shot I don't know
4 exactly if he moved back a few inches or stood farther or
5 what but he was still basically in the same position and
6 fell in the same position.

7 Backman: Ok, you mentioned that you thought you were't sure you
8 may or may not have been a shot fired before Brandon
9 fired the shotgun?

10 Davis: Right

11 Backman: Do you remember seeing the gun in his hand just before
12 the shot?

13 Davis: Yes,

14 Backman: What position was it in, as you recall?

15 Davis: The, the for what seemed like a long time but...probably
16 a short period of time the gun was right next to his head
17 in a you know, a very dangerous position, in other words
18 he had the ability to you know, turn a fraction....

19 Backman: Not, not pointing at his own head though?

20 Davis: No, no, not point at his own head, not when I saw it, not
21 pointing at his own head.

22 Backman: Yeah,

23 Davis: It's up in the air right by his head...uh, not pointing at
24 his head and...

25 Backman: In a position where he can bring it down

26 Davis: Yes,

27 Backman: In any direction

28 Davis: And it wouldn't even have been a matter of bringing it

1 down so much as slightly tilting because he is below everybody.
2 Very dangerous place.

3 Backman: Was it starting to get dark at all yet..at this point?
4 Davis: Not that I can recall.

5 Backman: The visibility was ...was good?
6 Davis: Yes, visibility was excellent, yes

7 Backman: Visiblity was good no need for flashlights or...
8 Davis: No, no not at all.

9 Backman: You had past run ins or not run ins but past uh, con-
10 tacts with ..with Raft?

11 Davis: Yes, I have

12 Backman: What sort of.. . what I'm trying to get at ...
13 Davis: Yes,

14 Backman: Sorta person, I understand he has attempted suicide be-
15 fore

16 Davis: Yes,

17 Backman: That there has been guns taken away from him before, he
18 has been chased by deputies before on various occasions.

19 Davis: Right, I generally had pretty good...I didn't involved in
20 the other gun caper, I didn't get involved in the pursuit,
21 I....my first dealing or two with him were...when he came
22 off the wall was when I stopped him for traffic and I
23 really had to get up into his face and explain a few
24 things and he still was like uh, well...it didn't seem to
25 get through at that time, however, any...very specifically
26 the first time he and his girlfriend both got up..upset
27 with me, called me everything in the book and one thing
28 and another and I let him go and a couple of days later he

1 | came up and talked to me and apologized, uh, said, "well" he
2 | explained his position, and I said, "yeah, but this is, you know
3 | this is how the law works and I'm not hasseling you, etc." pulled
4 | up next to me on other occasions says, "I start work furlough to-
5 | morrow, then I....been involved with him at his own house where
6 | his, he called or his dad told him to call because there was a
7 | family fight and basically it was between him and his dad....and
8 | uh, at that point it was a family argument and his dad had to
9 | knock him down and then try to talk to him and Raft had not been
10 | drinking but when he has been drinking or when he has set off you
11 | cannot really talk to him.

12 | Backman: You were down assisting with the first aid.....

13 | Davis: I did not get down on the ground...no

14 | Backman: You did not get down on the ground?

15 | Davis: No! All's I did was...got a kit and threw it down to two
16 | deputies, Stevens and Evans were down there.

17 | Backman: Ok, so you didn't get close enough to smell.....

18 | Davis: No, I did not...

19 | Backman: Whatever was...alcohol on his breath or anything?

20 | Davis: No, I did not...I had been told that he had been drinking
21 | prior to this before it went out..somebody announced that
22 | he'd was at..in the party...one of the deputies said that
23 | he had been drinking and uh, just recently I was in a deal
24 | where Raft had been in a fight and was hospitalized but
25 | refused treatment and left and that was another thing
26 | where he had been drinking and he tends to get very physi-
27 | cal or tries to get physical...likes to fight etc. and uh,
28 | he was very uncooperative that night with me with the

1 doctors with everybody and came up to me a week later and started
2 talking about it and uh, was very nice. But like I say, I know
3 him and there is not too much you can do when he's...fact is don't
4 think he has too much luck with him as far as trying to be ra-
5 tional.

6 Backman: Ok, very good, can you think of anything else, Barry,
7 that you want to ad?

8 Davis: No, other than,,I think without a doubt when I was think-
9 ing to myself that, you know, everybody took a chance to-
10 day because they know him and they were counting on him
11 acting in his normal behavior which is attracting sympathy
12 maybe wanting someone else to do something if it hadn't
13 been Raft or somebody to do I think that he probably have
14 been shot before then.

15 Backman: Then it was the knowledge the deputies had of his back-
16 ground then that....

17 Davis: Knowledge and careless....

18 Backman: Knowledge up to that time?

19 Davis: Yes, it was so many people so close to this guy wheeling
20 around with a gun, like I said he never pointed it at me
21 and I can't say that I saw him point it at anybody....

22 Backman: Yeah,

23 Davis: You know, in my brief encounter, but uh, that's about it.

24 Backman: Ok, that will conclude the interview, the time is 2220
25 hrs.

██████: Um, I just you know, everything was going real good, I walked in the party..

Hunt: Yeah

██████: ..and talked to everyone you know, introduced them to my new Finnish brother and my girlfriend..

Hunt: Right

██████: ..and then uh, ended up playing a few games of pool then I went out with my uncle, he was out shooting there by my truck

Hunt: Your uncles ██████?

██████: My Uncle ██████ he was out shooting his bow.

Hunt: Shooting what?

██████: His bow

Hunt: Oh, o.k., were you shooting bow too?

██████: Uh, no, and so we were out there by my truck and he left a bunch of stuff in my truck and I was getting everything moved off my truck and he put a few scratches on my truck and I was getting them cleaned off then I went in and sat down in my truck for a while

Hunt: O.K.

██████: And thats when..

Hunt: Had you seen Raft up to this time?

██████: Have I seen him..

Hunt: Had you seen him up to that time?

██████: Uh, yeah

Hunt: At the party?

██████: Yeah

Hunt: O.K. Was he, had he been drinking very much or could you tell?

██████: Uh, he seemed to of drink a little bit but you know I never did see him drink

[REDACTED]: Nuh uh.

Hunt: O.K. So..

[REDACTED]: And then I was sitting out in my truck and thats when all the, I just heard a bunch of commotion..

Hunt: O.K. Person..another question I got to ask you before we get going. Had you been drinking at all, [REDACTED]?

[REDACTED]: No

Hunt: Had you had anything?

[REDACTED]: I had one beer but that was..

Hunt: Oh, O.K. It's no big thing, I understand, but you know, this, I have to determined your state of mind, and uh, you know your situation at the time..

[REDACTED]: I wasn't intoxicated.

Hunt: Yeah, I can understand, O.K.

[REDACTED]: Uh, so I heard all the commotion and then uh all I hear is Raft yelling, you know, that and then he went into the house..

Hunt: Did, did you hear what happened up to the time that Raft yelled at his dad, or could you see what was going on?

[REDACTED]: No, I couldn't see anything.

Hunt: How far were you away from the incident at that time?

[REDACTED]: At that time I must of been probably about, I'd say what 50 yards away..

Hunt: O.K.

[REDACTED]: ..100 yards, and went into the house and he, I guess he grabbed the revolver cause I seen it as he came out the door and everyone just scattered and he just holding it out and then he started walking out towards the driveway and his back turned around pointing it, you know, walking out backwards out of the driveway, and I guess he, I guess he had it cocked cause he was letting off and it slipped off and the shot hit the driveway..

Hunt: O.K. Did you, how far are you, you say your'e how far away from the time that this happened, I mean when it happened at this time? This particular incident?

Hunt: Yeah, whenever the gun went off.

█: Uh, I was maybe 30 yards away.

Hunt: O.K. Did you at any time ever hear him threaten his dad?

█: Uh, I'd better not say, cause..

Hunt: Well, it's important, thats important..

█: I heard everyone yelling, so..

Hunt: Well thats important to say though █.

█: He was just telling him to put, you know, put the gun down and..

Hunt: He was, his dad was telling him to put the gun down?

█: He was telling him, you know, settle down, you know, and uh..

Hunt: Did you ever hear him threaten his dad?

█: Um..(long silence)..No

Hunt: Now, you got to, you got to be truthful in that █. I'll tell you why, because anything you come up with, you know, if its used uh and if you're not totally truthful it'll look bad, its, you've got to be right out front.

█: Yeah, well..

Hunt: You see we've talked to other people at the party, we know pretty much what happened, thats why I need, I have to ask you these questions

█: Well, I thought I heard him say, you know, I'll kill you, you know, cause he was just coming at him, you know, but I, I don't really want to state, state on that.

Hunt: But you think you heard him say I'll kill you?

█: Yeah, cause, you know, it wasn't, it wasn't really, it wasn't really a threat, you know, he was just trying to keep everyone away from him.

Hunt: O.K. Did you see, you saw the shot go off? How far did that go off from his father?

█: Um, (silence) I'm just thinking right here that..

██████: He was walking out and it went off in front of his, you know, his, went down at the ground right in, you know, kinda in front of him, but it was about 20 feet.

Hunt: Just one time?

██████: Yeah

Hunt: O.K. Uh, do you know if he reloaded that gun or not, or if it was uh, if it was loaded before he got the gun, or do you have any idea on that?

██████: Uh..

Hunt: Or if he loaded or..

██████: It wasn't, there, there wouldn't of been no time for him to load it, cause he just went in and he came right back out with it, when he was in the house..

Hunt: O.K.

██████: And..

Hunt: So he apparently knew exactly where to go to get it and everything?

██████: Yeah, he knew, he must of knew where it was because it was, it was quick..

Hunt: O.K.

██████: And he went out the driveway, then he came right back, then he started running down towards me when he jumped in the, his dad's blue van, tried starting it up, couldn't start it up, and he ran over towards the uh, the little truck, that, by the truck that, and I was sitting right there with my door open, you know, it wasn't open, you know, it wasn't in his way or anything but he was running up and he goes, "God damn it ████████, get the fuck out of my way." and he slams the door on my foot and as he doing it he throws the gun in my face..

ITEM 1

AT APPROX 2:30 HRS DATE, I WAS ON ROUTINE PATROL IN THE MIRAMONTE AREA. AS I PASSED MIRAMONTE MBL (RDY 23 W VILLANOVA) I OBSERVED A BEIGE CHEVELLE PARKED RANDOMLY IN THE MIDDLE OF THE NORTH PARKING LOT. BOTH DOORS WERE OPEN. A MALE AND FEMALE WERE ENGAGED IN A HEATED ARGUMENT APPROX (50') TWENTY FEET EAST OF THE VEHICLE. A SECOND MALE STOOD NEAR THE FRONT OF THE VEHICLE HOLDING A GLASS.

FEELING THAT THE FEMALE MAY BE IN NEED OF ASSISTANCE, I MADE A U-TURN AND APPROACHED THE SCENE WITH MY LIGHTS ON.

AS I APPROACHED, THE MALE AT THE FRONT OF THE VEHICLE ([REDACTED]) PLACED HIS GLASS ON FLOORBOARD BEHIND THE DRIVERS SEAT. [REDACTED] IS OBVIOUSLY A NUT, SO I SUSPECTED THE GLASS MAY CONTAIN ALCOHOL. [REDACTED] ACCOMPANIED ME TO THE VEHICLE AND GLADLY PRODUCED THE GLASS (NO ALCOHOL) SAYING IT CAME FROM "CARRON'S".

I LOOKED INSIDE THE PASSENGER COMPARTMENT AND OBSERVED WHAT WERE OBVIOUSLY A PAIR OF NUNCHAKUS LYING IN PLAIN VIEW ON THE FRONT PASSENGER FLOORBOARD.

I ASKED [REDACTED] IF THEY WERE HIS. HE DENIED ANY KNOWLEDGE OF THEM; ALSO, IN THE BACK, WAS A WOOD BASEBALL BAT. I ASKED HIM IF HE WAS EXPECTING TROUBLE. HE SAID HE HAD BEEN IN A FIGHT (MULLER) IN THE DAY WHERE HE WAS KICKED IN THE HEAD.

I SEIZED THE NUNCHAKUS AND APPROACHED THE TWO SUBJECTS THAT WERE ARGUING. (RAFT LEE EVANS AND [REDACTED])

I ASKED EVANS IF THESE (NUNCHAKUS) BELONGED TO HIM. HE SHOWED MOMENTARY ACKNOWLEDGEMENT, THEN DENIED THEY WERE HIS.

I DETERMINED THAT THE DISPUTE WAS GIRLFRIEND - BOYFRIEND IN NATURE. MS. [REDACTED] STATED SHE WOULD BE ALRIGHT.

BEING UNABLE TO DETERMINE OWNERSHIP OF THE NUNCHAKUS, I ADVISED BOTH EVANS AND [REDACTED] OF THE CONSEQUENCES AND PENALTIES FOR POSSESSION OF AN ILLEGAL WEAPON AND LEFT.

SUSPECT: Evans, Raft - OFFENSE: 664/187 P.C.
VICTIM: Chase, Brandon Deputy
OFFICER: Sgt. Gary Backman interviews Deputy J. Evans
HOUR: 2115 Hrs.

Backman: July 2nd, 1983 time is 2115 hrs. this is a statement from Deputy Joe Evans, ID #1450, assigned to West County Patrol working out of the Ojai Station. I am Sergeant Backman assigned to Major Crimes. This recording is being made at the Ojai Station.

Evans: Ok, I was in the sub-station eating, Code 7, and City Units got a call of brandishing up on north Drown and they said the subject was bleeding, so I got on the radio and told them I would respond from the station. As I pulled out of the station, they say the suspect left in a yellow Volkswagon pickup style a bug converted into a pickup truck. So as I get to Signal and Ojai I'm facing northbound on Signal in the...on Ojai Avenue and in the southbound lanes setting at a red light is Raft Evans in a yellow pickup truck and there is blood running from the side of his face.

Backman: On the original call that came out, did they identify the suspect by name?

Evans: Somewhere along the way they did and I don't know if it was that I identified him first or if they identified him as I was coming out of the station. I don't remember exactly when.

1 Backman: You did know Raft Evans by sight though?

2 Evans: Oh, yes, I. . . . have chased him before

3 Backman: Ok, he was alone in his truck?

4 Evans: Yes, he was, uh they...Raft immediately ran the red light
5 in front of me and on coming traffic to go around a car
6 that was sitting in the intersection. I got behind him
7 turned my lights on, he turned southbound on Ventura street
8 and just tried to accelerate his Volkswagon, which was
9 meaningless, uh, he wouldn't yield to the siren, wouldn't
10 stop. As we got down toward the bottom of Ventura he was
11 starting to loose it in turns. Because he was going to-
12 wards Creek Road and it started going sideways on him.

13 Backman: Due to the speed?

14 Evans: Yeah, he was going pretty fast, not that fast, but fast
15 for that Volkswagon, probably going about 55 or 60. At
16 one point he slipped sideways and went into the embank-
17 ment. I guess that is right by Persimmon Street, right
18 there. Not exactly sure where it is, right before Creek
19 Road makes a ten mile an hour turn. I stopped got out of
20 the car and as I did, he jumped out of the car, I could
21 see the gun in his hand, he put the gun behind his back
22 and walked parallel to my unit and just sort of looked at
23 me....

24 Backman: Was this a handgun?

25 Evans: It was a handgun, yeah!! I couldn't tell at the time what
26 kind it was.

27 Backman: When he got out of the car with it in his hand. What
28 direction was the gun pointed in? Do you recall?

1 Backman: You did know Raft Evans by sight though?

2 Evans: Oh, yes, I. . . . have chased him before

3 Backman: Ok, he was alone in his truck?

4 Evans: Yes, he was, uh they...Raft immediately ran the red light
5 in front of me and on coming traffic to go around a car
6 that was sitting in the intersection. I got behind him
7 turned my lights on, he turned southbound on Ventura street
8 and just tried to accelerate his Volkswagon, which was
9 meaningless, uh, he wouldn't yield to the siren, wouldn't
10 stop. As we got down toward the bottom of Ventura he was
11 starting to loose it in turns. Because he was going to-
12 wards Creek Road and it started going sideways on him.

13 Backman: Due to the speed?

14 Evans: Yeah, he was going pretty fast, not that fast, but fast
15 for that Volkswagon, probably going about 55 or 60. At
16 one point he slipped sideways and went into the embank-
17 ment. I guess that is right by Persimmon Street, right
18 there. Not exactly sure where it is, right before Creek

23 me....

24 Backman: Was this a handgun?

25 Evans: It was a handgun, yeah!! I couldn't tell at the time what
26 kind it was.

27 Backman: When he got out of the car with it in his hand. What
28 direction was the gun pointed in? Do you recall?

1 Evans: Got out of the car. All I could see was when it came
2 around the seat under the steering wheel is when I saw it.
3 Backman: Was it in his right or left hand?
4 Evans: Let me see, he's facing me he's walking across, it was in
5 his right hand.
6 Backman: He got out of his car put the gun.....
7 Evans: Behind his back
8 Backman: The gun and his hand behind his back?
9 Evans: Yeah, it was back by his belt.
10 Backman: And then walked across in front of his unit?
11 Evans: He seen me, his body was facing me, he was kinda side
12 walking, shuffling across between the unit and his car.
13 Backman: Had he said anything to you at that point?
14 Evans: Nothing, I was telling him to drop the gun and...he didn't
15 say a word, just looked at me, didn't make any motion at
16 all. I could see the blood on him and he didn't make any..
17 any fact mvoement or nothing. As he got to the front of
18 his unit he took off and ran backwards a little bit down
19 toward Creek Road adn across Creek Road towards a tree, as
20 he did that I cam around to the front of my police unit
21 yelled again and again, "drop the gun, Raft", he turned
22 around once and pointed the gun at me. I went down behind
23 the unit and when I came up he was just going down in the
24 creek. So I ran parallel with my unit towards the creek
25 behind a tree where he had stopped down in the creek and
26 I could see him. I was about 45 feet from him. I was
27 yelling for him to drop the gun. He was holding the gun
28 just at his side, the gun came up again and this time when

1 | it did he jerked his hand and stopped, like that, except he didn't
2 | stand forwards, he was facing me and then I yelled for him to drop
3 | the gun, he was standing up there kinda dazed, he took a step back
4 | and went like that and stucked the gun out like he was almost
5 | silhouetting for some reason.

6 | Backman: Point at you?

7 | Evans: Pointing the gun at me. I ducked behind the tree again,
8 | when I came up he was going up the embankment and the
9 | other units were jsut arriving behind me. He started
10 | going up the embankment, Deputy Stevens and myself entered
11 | the creek, uh, Stevens went down somewhere parallel to
12 | where he was running up the hill. I was still going down
13 | into the creek yelling for him to drop the gun, "Raft
14 | stop." I couldn't see Raft anymore he had gone somewhere
15 | in the bushes.

16 | Backman: Had you called for assistance or advised the station, uh,
17 | the fact that he was armed and out of the car or what
18 | were they aware of? What had you told them?

19 | Evans: Yes, they were aware...as far as I can remember, I said,
20 | the vehicle was TA and I bailed out of my car and then I
21 | did state that he does have a gun.

22 | Backman: Ok,

23 | Evans: Somewhere along the way, I don't remember if it was after
24 | he pointed it at me the first time, that I went down and
25 | said it,...but I remember hearing it go out, I remember
26 | hearing it go out on my car radio, seems to me that I said
27 | it on my portable.

28 | Backman: Ok,

1 Evans: But, I really don't remember for sure... exactly when
2 it was.

3 Backman: Up to this point did you have your gun out?

4 Evans: Yes,

5 Backman: Did you have your hand gun or your shotgun?

6 Evans: Handgun

7 Backman: Ok, no shots had been fired since you had gone in pursuit
8 of him, up to this point?

9 Evans: No, I don't think he has capped off the first round yet.
10 I don't remember exactly where he caps off the first round
11 I want to think that as soon as he disappears up behind
12 the bushes . . . I can't remember where I heard the first
13 round go off.

14 Backman: It was sometime after he had gone down in the creek
15 bottom, though?

16 Evans: After he had pointed the gun at me the second time and
17 started going up the hill is when the first round went
18 off.

19 Backman: Ok,

20 Evans: Uh, I don't remember exactly when, it could have been
21 later. I don't think it was right then. Stevens, I re-
22 member Stevens running down the street parallel from where
23 Raft had gone up and was talking on the radio to station I
24 and advised them that he had pointed the gun at me and that
25 he was going up and then I heard Chase saying, "I'll go up
26 on that ranch", and I saw Brandon running back behind my
27 unit going to the top of the ranch to the hill up there.

28 Backman: This was in the direction of which Raft was heading?

1 Evans: Yeah, yeah,
2 Backman: As he was going to cut him off?
3 Evans: Yeah, right, I think Brandon got in his unit as a matter
4 of fact....I don't remember whether he did not not....me
5 and Stevens chased him up through the bushes..I really
6 never had any sight of him then..all of a sudden he came
7 up on the plains, someone down on Creek Road says, "I can
8 see him by a big tree up at the ranch, walking." Me and
9 Stevens go over this first little white fence on top of
10 this little hill and I can see Raft just walking.....just
11 strolling along..go over couple more fences....
12 Backman: Is he still carrying the gun or can you see it from
13 there?
14 Evans: Oh, yeah, he still has the gun....I can't see the gun from
15 there, I can just see his upper torso.
16 Backman: Ok,
17 Evans: But he is walking...as we get closer he starts walking a
18 little bit faster and then I can see the gun is still in
19 his hand.
20 Backman: Has he said anything at all up to this point?
21 Evans: I don't remember.
22 Backman: Ok,
23 Evans: I don't ..I just don't remember exact...I also want to
24 think that now is when the first round went off that I
25 don't remember for sure...we get up, we go through the
26 fence, uh, Brandon's up there, he won't go up towards
27 Brandon, Brandon's.....everybodys yelling, "Raft
28 drop the gun, drop the gun, he might have yelled something

1 | about, leave me alone or just leave it alone or it's no use, or
2 | something like that, yelling a bunch of negative things, I don't
3 | know exactly what they were...uh, somewhere in here is when one of
4 | the rounds goes off. I don't see the gun...I don't see the round
5 | go off and I don't see him fire it, but it goes off.

6 | Backman: Ok,

7 | Evans: We chase him a little bit farther, we are right on the top
8 | of some ridge parallel with Creek Road and he goes down in
9 | the hill...and Stevens and myself and Chase are up on top
10 |

11 | Backman: All three of you together?

12 | Evans: Yeah, we're up on top, he goes down towards Creek Road and
13 | we're telling the other units that he's going towards
14 | Creek Road...I see Lane coming along the ridge behinds us
15 | from where we were..we're behind some trees and...Oh,
16 | we're not behind the trees yet, we're walking and this is
17 | when another round..this is when the round goes off, I
18 | think this is when the first round went off, right here,
19 | cause we're walking and I can hear the Chippies saying,
20 | hey, you know, he's here..making noises like they can see
21 | him now and I hear the round go off. We also...

22 | Backman: Couldn't see him at that point?

23 | Evans: No, I couldn't see him, uh we all go down..that's when the
24 | first round went off.

25 | Backman: Ok,

26 | Evans: When he was down there.

27 | Backman: He's already down in...in the creek bottom?

28 | Evans: No, he's on this side of Creek Road still, we haven't

1 | crossed Creek Road, we're still up on the ranch, at the bottom of
2 | ...he's...we're at the top of this hill and he's at the bottom
3 | about..I imagine about 30 feet to the bottom, he must have been
4 | down there somewhere.

5 | Backman: Roughfully how far away from you was he?

6 | Evans: I can't see him right now, the gun goes off we all go down
7 | get behind trees, as I get over towards Stevens, where
8 | Stevens and Chase are I look down and I can see Raft down
9 | at the bottom by the fence going towards the fence at
10 | Creek Road and he is probably 75 yards from us, maybe 70
11 | yards, uh we're yelling, "he's going through the fence"
12 | all of a sudden I can hear the CHP yelling, "drop your
13 | gun, drop your gun" and yelling at him to put the weapon
14 | down and I don't know if he is yelling back or not....he
15 | goes through Creek Road down Creek Road, I really can't
16 | see him then he disappears, uh, we all go down the hill
17 | and I can see him walking on the flat lands going towards
18 | the creek and I'm not to sure if this if where another
19 | shot goes off or not.....I don't remember. I want to
20 | think that another shot went between now and the time he
21 | got to the creek that another round is fired. That's
22 | what seems to want to go through my head.

23 | Backman: You don't remember seeing him fire?

24 | Evans: No, I don't

25 | Backman: The second time now

26 | Evans: No, I don't

27 | Backman: And you didn't see him when he fired the first time, you
28 | just heard it.

1 Evans: Just heard it, from where he was

2 Backman: Yeah,

3 Evans: He, uh, he goes down, we're following him, not real close

4 he's disappearing behind brush, uh, they say he's going

5 down to the creek, so me and Ken Black go down to the

6 creek down about 100 yards to the south of him we cross

7 the creek thinking that he is going to come across.

8 Apparently he goes down into the creek, their yelling,

9 "he's in the river bottom, he's in the river bottom", so

10 we're running down to get to where we're going to cross;

11 we cross and I look over and I can hear the deputies

12 yelling and I can hear Stevens yelling, "Raft, you put

13 your gun down and I will put my gun down and we will talk

14 about it and there is a little bit of silence and Raft is

15 yelling, "it's no use, tell these fuckers to get out of

16 here" and blah, blah and he's yelling and screaming about

17 leave him alone, you know, something to that affect and

18 mostly it's Stevens and Lane I hear talking, Lane's going

19 "come on Raft, it's Lane and Stevens, you know us, put the

20 gun down, put the gun down", so I move.....Black is in the

21 bushes talking to station one, I move a little bit farther

22 towards Black and I can see Raft's just the upper torso

23 right here to right here and then.....

24 Backman: Remember what he was wearing?

25 Evans: At this time right now?

26 Backman: Yeah, as far as what you see anything noticeable

27 Evans: All I can see is skin

28 Backman: Ok, does he have his shirt on?

1 | just went up,.....

2 | Backman: Uh, huh

3 | Evans: I could see the movement that's what caught it cause
4 | he wasn't moving....didn't seem to me that he was making
5 |he'd stopped running...and all of a sudden his
6 | arm went up, I remember it going up and then I hear the
7 | bang and then boom. I didn't know if it was a shotgun or
8 | a 357 or what it was.

9 | Backman: So you heard two shots, one presumably from his weapon
10 |

11 | Evans: I heard one that was a lot smaller caliber, one.....

12 | Backman: Ok,

13 | Evans: There was no doubt, it was bang and then boom and defini-
14 | ately a different thing. And then, uh, some yells, some-
15 | thing about, "they got him" and I hear another bunch of
16 | rustling in the bushes which I didn't know at the time,
17 | apparently it was Deputy Stevens going over the side to
18 | administer first aid.

19 | Backman: First aid....

20 | Evans: At the time I didn't know what it was, I just heard rumb-
21 | ling in the bushes, uh, no one's got the gun yet and I'm
22 | yelling, "where's the gun, where's the gun," finally Black
23 | crosses the river and he comes up with the pistol. And
24 | then Black ended up leaving and I ended up staying with
25 | Stevens until the people came in the ambulance.

26 | Backman: Ok, so after you heard the crashing in the bushes, after
27 | the shots which was Stevens going down.....

28 | Evans: I assume it was Stevens going down.....

1 Backman: And you went on down also from your side?

2 Evans: Yes, I went across, across the creek..see it's level, I'm
3 level with Raft.....

4 Backman: Uh, huh

5 Evans: And then Stevens is up, I guess there all up on the em-
6 bankment...

7 Backman: Up on the embankment here

8 Evans: And Raft is down below them..straight down like a cliff,
9 you know what I mean?

10 Backman: When you get over to where Raft is then, what did you
11 see there?

12 Evans: I see Raft laying on his back with Stevens holding him
13 and Black beats me across the creek and Black is helping
14 remove some debris around him and Stevens is yelling, "I
15 need a bandage, a hard bandage of some type" and I think
16 it was Wayne takes his uniform off and gives him his shirt
17

18 Backman: T shirt?

19 Evans: I think it was his T shirt and they started administering
20 first aid.

21 Backman: And who was it that picked up the gun?

22 Evans: I believe it was Black, I don't know if Stevens handed it
23 to him or what, but I believe Black picked.....

24 Backman: You saw Black with it though?

25 Evans: Black had the gun in his hand

26 Backman: You don't know where ~~we~~ got it at though?

27 Evans: No, I don't

28 Backman: Whether he picked it up off the ground or whether some-

1 | body else....did?

2 | Evans: I don't know, all of a sudden Black says,all of a
3 | sudden Black is looking around he comes up with the gun...
4 | ...I didn't see him pick it up or anything I just saw him
5 | handing it up.

6 | Backman: To the best of your recollection then he fired probably
7 | three shots...

8 | Evans: Three shots

9 | Backman: If the three you heard were fired by him?

10 | Evans: If the three I heard were fired by him.

11 | Backman: Yeah, two of them you couldn't see him at the time, the
12 | third one just at the time he was shot you saw a move-
13 | ment and heard a shot coming from ..from where he was at
14 |

15 | Evans: I saw his arm go up and....

16 | Backman: Could you see if the gun was in his hand?

17 | Evans: No, I couldn't there was a tree in the way.

18 | Backman: Oh,

19 | Evans: The limbs, all I saw was the movement of his arm..the
20 | flesh going up like this...

21 | Backman: And you heard a shot at the same time...

22 | Evans: I heard the shot the bang and then just like that, the
23 | boom.

24 | Backman: Ok,

25 | Evans: I really didn't hear Raft fall or anything I....

26 | Backman: Did Raft say anything after you got down there?

27 | Evans: Oh, he was yelling, "it hurts, it hurts" you know, you
28 | gotta stop me, you gotta stop it..let me go and all this

1 screaming and yelling.

2 Backman: Was Chase down there when you got there?

3 Evans: No, Chase was up on....when I first got over there, Chase
4 was standing up on the ridge holding the shotgun and then
5 he disappeared. Uh, I heard someone say, "go sit in the
6 unit."

7 Backman: Ok, he didn't come down there then where you guys were?

8 Evans: No, he did not come down where Raft was.

9 Backman: The only two deputies that were there with you at the
10 time you arrived there were Black and Stevens?

11 Evans: Right, and...Stevens got there first and me and Black got
12 there about the same time. Black crossed the creek first
13 and I stood in the middle of the creek till he got the
14 gun.

15 Backman: And then Lane arrived after.

16 Evans: Lane was on top with them, Lane was not down stairs with
17 us.

18 Backman: It didn't....was it Lane that gave up his shirt?

19 Evans: Uh, huh, he was upstairs, he threw it down.

20 Backman: Threw it down to you. Ok,

21 Evans: Yeah,

22 Backman: And then who was it that, I imagine that someone got on
23 the radio and called for an ambulance...and....

24 Evans: Black was yelling, "we need an ambulance"..he was on the
25 radio as we crossed the creek he was saying that..as we
26 we first going cross the creek he was yelling, "we need an
27 ambulance".

28 Backman: Ok, your past experience with this.....Raft Evans...

1 Evans: Yeah,

2 Backman: What kind of contacts have you had with him in the past?

3 Evans: Well, one contact he was driving 90 miles an hour plus up
4 on Orchard Street, I got a call of a racing vehicle, as I
5 get there I watch him traveling at a super high rate of
6 speed going into a telephone pole and into a front yard,
7 he jumps out of the car and takes off and we have about an
8 hour of foot pursuit, lose him, we come back we are just
9 cruising by about 25 minutes later, he's up on the street
10 again.....foot pursuit into a yard and we catch him this
11 time.

12 Backman: Have you been involved incidents before where he was
13 armed or where a gun was involved?

14 Evans: No, but I know when there was a gun involved.

15 Backman: You do have knowledge of some....

16 Evans: Yes, the incident that he had at the high school.

17 Backman: I understand a 45 was taken away from him...

18 Evans: It was a loaded 45, apparently the clip wasn't in it, but
19 uh,.....

20 Backman: The original brandishing call that went out, you never
21 made contact at all with the victim on that then, the
22 people that.....

23 Evans: I never got that far

24 Backman: ???? do you know if anybody did?

25 Evans: I have no idea, all I know is I picked Raft up by station
26 I and I had just come from the station and a second
27 later I pulled up to the light and there he was and they
28 said on the original call that the suspect was bleeding

1 and Raft had blood coming down the side of his face.

2 Backman: Do you remember which side it was on?

3 Evans: Yeah, it had to be the left side, because he was facing
4 southbound and I was on the left side of his vehicle
5 facing right at him.

6 Backman: Ok, can you think of anything else, Joe?

7 Evans: Three shots and then the two times he pointed the gun at
8 me, that's about it, uh, he knew what was going on when he
9 got out of the car after the accident, he TA'd. I've had
10 run ins, like I said, run ins before, he knew exactly what
11 was going on cause I was drawing down on him from the side
12 of my unit...the doorway of my unit and he just...he knew
13 what was going on.

14 Backman: Has he attempted suicide in the past, to your knowledge?

15 Evans: I believe the time at Nordoff High School was...he was
16 trying to attempt suicide..

17 Backman: When he had the gun?

18 Evans: Yeah, he was claiming attempt suicide. He's going to get
19 somebody killed, no doubt....uh, I honestly believe he'll
20 kill somebody or bring it to the point where one of us
21 will have to kill him... it ain't right.

22 Backman: No, hopefully that won't happen

23 Evans: Well, he doesn't have the right to do that...

24 Backman: No, he certainly doesn't.

25 Evans: (Unable to understand)

26 Backman: Ok, this concludes the interview then unless you can
27 think of anything you want to ad.

28 Evans: No, no ..I don't know whose vehicle he was in either

1 Backman: Had you seen him in that vehicle before?

2 Evans: No, I never have, I don't know if he stole it, I don't
3 know. I have never seen the car before.

4 Backman: Ok, that will conclude the interview with Deputy Evans,
5 the time is now 2136.

1 I heard Deputy Evans which said he was just leaving the station
2 say he had the vehicle which Evans described apparently as a
3 yellow pickup or yellow Volkswagon pickup, I believe..he had it
4 under observation at Signal Street.

5 Backman: Had they put out a over the radio a description of the
6 vehicle?

7 Davis: They had, they had a make on it and said it had just left
8 the scene, but they did not give a direction of travel.
9 Evans responded at Ojai and Signal and then he..we con-
10 tinued that location not knowing if he'd stopped it or not.
11 As we drove eastbound on Ojai Avenue we saw Deputy Evans
12 with his red lights on coming our way and follow and as it
13 turned out pursue the vehicle southbound on Ventura Street
14 in other words they turned south right in front of us..we
15 turned right behind him.

16 Backman: You saw the suspect's vehicle

17 Davis: Saw..

18 Backman: Saw the suspect vehicle..at that time?

19 Davis: Yes, they put a little distance between us, but we could
20 always see the black and white or..maybe a fraction of a
21 second that we wouldn't around any curve. Deputy Evans
22 uh, I started giving out the cross streets I believe...as
23 we round the curve at Persimmon Hill, which is the old
24 uh, the Royal Oaks Dairy or the VW had spun out and hit the
25 hill facing a easterly direction and Raft Evans was coming
26 out of the car, Deputy Joe Evans was yelling at him to
27 stop, Raft was carrying a gun, I could see a lot of blood
28 on middle part of him or lower...on his pants or something

1 Backman: Up to that point when you had joined the pursuit, were
2 you guys code 3 at that time?

3 Davis: We, uh, we were not code 3 till we joined the pursuit on
4 Ventura Street..

5 Backman: Ok,

6 Davis: at which time, uh, the speeds were such that we did turn
7 on our red lights and follow...

8 Backman: And Evans was Code 3?

9 Davis: He had his lights on and I assume he had the sirens on.

10 Backman: Yeah,

11 Davis: Uh, Evans ignored ..Raft Evans ignored Deputy Evans, uh,
12 directions to drop the weapon or to stop.

13 Backman: How much distance was between Deputy Evans and Raft
14 Evans...roughly?

15 Davis: 25 feet maybe I would think at the most..we were behind
16 him though.

17 Backman: Were you parked directly behind him at the time he
18 stopped?

19 Davis: Yes, yeah, we stopped we did not get out at that time
20 Raft Evans then walked toward the creek which would be
21 basically a westerly direction down the embankment into
22 the creek..we drove past him at that point, still south
23 on Ventura or..now on Creek Road..I'm sorry, Ventura runs
24 into Creek Road, we drove past him, uh, maybe a 100 feet
25 to where we would have an angle at him coming our way or
26 to see what he was doing.

27 Backman: Had you heard Raft say anything up to this point?

28 Davis: I had, but I can't tell you what he said...

1 Backman: Was it in response to something that Deputy Evans...

2 Davis: Yes, I don't know if he said, uh, leave me alone or no or
3 what he said at that time.

4 Backman: There was an indication though that he was hearing De-
5 puty Evans commands directions?

6 Davis: Definately, most definately, he crossed the creek and
7 started up this slight embankment to a road. We were at
8 driveway, we were at the southern most part of this drive-
9 way...where this driveway joins Creek Road right at a
10 little bridge. At this time I heard Deputy Stevens and
11 Deputy Chase say they were on the same and they were tell-
12 ing Station I over the radio that he was crossing the
13 creek and going towards the road, etc..We maintained our
14 position at which time Deputy Stevens and Chase said they
15 were going to start pursuing him on foot up the road.

16 Backman: Up to the point he had disappeared or left this vehicle
17 did you see him point the gun at any of the other dep-
18 uties or did he point it at you guys at all?

19 Davis: At..when he got out of the car I did not see him point the
20 weapon at anybody and he basically had it in an upright
21 position next to his shoulder or uh,...

22 Backman: Pointed in the air?

23 Davis: Pointing in the air. I did not see him point it at any
24 body. He went into the creek..we scooted by very quickly
25 not wanting to be a target, got down to the road down to
26 this curve in Creek Road where this driveway meets it and
27 I did not see him point it at anybody. Now at that point
28 Deputy Stevens and Deputy Chase went across the creek and

1 was giving foot pursuit. I opened the gate at this driveway's
2 junction with Creek Road so that my partner could drive through if
3 he wanted to. I ran up the road..Chase and Stevens were up there
4 somewhere and so was Black.I don't know exactly where he came in
5 though. I seen Deputy Black was up there. Couple of houses on
6 top of the hill, uh, the at this point went from the road which
7 basically went west went south again towards Creek Road..everybody
8 gave chase..Black, Stevens and Chase were closer to him than I was.
9 When I saw him go down the hill I got in Deputy Chase's white City
10 unit which was parked up on the property up on this property,
11 apparently he had turned up there..I thought he had run across the
12 creek but I'm assuming it was Deputy Chase as that is what I was
13 told. I drove it down to Creek Road and out onto Creek Road at
14 which time Raft Evans came through a white fence to I
15 believe on to Creek Road 50 feet or less from me. On the other
16 side of him were two CHP units. I yelled, "Raft, and I kept yel-
17 ling and at that time he pointed the gun at his head and kinda
18 stumbled across Creek Road towards the creek and when he hit the
19 other side of the...when he hit the other side of the road towards
20 us off the pavement he went off in a run.

21 Backman: Was he...did he continue moving with the gun up against
22 his head?

23 Davis: When he got to the dirt it was not against his head. When
24 he got to the..the dirt, grass and the brush it was not
25 against his head...I think it started out at his side.but
26 he started lumbering down this slight embankment down then
27 up and the best I recall it was just at his side.

28 Backman: He didn't make any verbal response to your calling at
him.

1 Davis: At one point....I'm not sure if he told me that, I know
2 he did later he told me to shoot. I'm not sure if he told
3 me that or not.. I told him who I was he knows me he...I
4 can't be sure that he said it at that time to shoot him or
5 what, he didn't point the gun at me, he pointed at his own
6 at his head got to the other side of the Creek Road, ran
7 I ran I was the closest one to him I didn't want to get to
8 close he runs down this slight embankment cross what is
9 basically a flat area then up an embankment right next to
10 the..the creek. I was maybe 15 feet behind him he goes to
11 the top of the embankment disappears and I hear a gun shot
12 likes...likes I thought he shot himself accidentally.

13 Backman: This is the first shot you have heard?

14 Davis: I believe so, although I don't know that it is the first
15 shot that he had uh....

16 Backman: But it was the first one that you have any recollection
17 of?

18 Davis: Yes, I believe Deputy Stevens was right behind me, I said,
19 "watch out" and I crested the hill and I didn't see any
20 body... and what....it's not really a hill it's like a
21 burm on the side of the river and you've got this high
22 spot higher than the ground behind you higher than the
23 creek..higher than the road back behind you...which drops
24 abruptly to the creek..all of a sudden there was three or
25 four deputies and the CHP and somebody's saying, "well he
26 must be across the creek." I knew .. I was suppose to I
27 knew he couldn't be across the creek. At which time I
28 inched forward and I look down and he is directly below me

1 against the embankment, like a little bit of a hollow, with the gun
2 pointing up looking at ..I tell everybody, "get back, get back
3 he's directly below me". I said, "Raft, he called me by name, I
4 think he said, Davis;"... don't know what he said, "throw the gun
5 away"; he said, "no"; don't force anyone to shoot you...at which
6 time he repeated, "shoot me, shoot me". I tried to tell him you
7 don't want to get shot etc. Bill Stevens who was a few feet south
8 of me said, started to talk to him, said, "Raft, let me ask you a
9 couple of questions". Raft said, "ok; ok, but I don't want these
10 people around".

11 Backman: You're back where you can't actually see him at this
12 time, is that correct, you're just talking with him now?

13 Davis: Yes, yes, so he stands up and he's got the gun or he kinda
14 gets up to where you can see his head and I backed up a
15 little bit and he waving the gun around. Bill Stevens is
16 trying to talk to him and asks...tells him that he wants
17 to ask a couple of questions that initially he says, "ok",
18 but then he is very erratic and he's waving the gun and
19 it's a scary situation and that..you know if he's getting
20 to point it at you, you can see his head, a little bit of
21 the gun etc..uh,...

22 Backman: You have your gun out at this time?

23 Davis: I have my revolver out.

24 Backman: You don't have a shotgun with you?

25 Davis: I don't have my shotgun with me. Deputy Chase is to my
26 left...I'm ..I'm at a slight angle to..to..uh Raft Evans
27 at just about the same angle to the other side is Deputy
28 Stevens, I'm not sure if Evans is there, but there is two

1 Highway Patrolmen down there, in other words the Highway Patrol-
2 men are to the south then Deputy Stevens just south and a feet
3 away from Raft Evans, I'm just north and a couple of feet away
4 from him. Brandon Chase is to my left with a shotgun.
5 Backman: You're about how far from him...from Raft?
6 Davis: From about 4 feet max about that
7 Backman: With a drop off...from where you're at?
8 Davis: In other words from when he is standing up it's his head
9 that's about just below my feet but is visable or at my
10 feet. I picked up a rock and he was waving the gun around
11 and I picked up a stone a pretty good sized rock and when
12 he was waving it and it was at the point I felt that some
13 body is going to shoot somebody..I threw the rock to try
14 to hit his hand...
15 Backman: Uh, huh
16 Davis: I missed it by a fraction of an inch and....he was still
17 not making a lot of sense and not doing what Stevens told
18 him, not dropping the weapon..at that time Brandon says,
19 "let me move over" and I was at a...I was too close to
20 being in his path if he had to fire the shotgun...in other
21 words he was to my left and Raft Evans was over to my
22 right, Brandon Chase was over to my left. Raft to my
23 right. I traded places with him at that time and backed
24 off with uh, and Raft made some statement as such as,
25 "back off or he'll talk or whatever"....He.....
26 didn't want everybody around. I backed off, I'm not sure
27 about anyone else but I don't know exactly what happened
28 uh, Stevens was doing his best to assure him that..of..

1 | that everything was alright to drop it and we didn't want any
2 | problems..when..he either made a movement that I..I could see more
3 | in the other deputies in their reflex actions or he dropped and
4 | fired the gun and came back up, I'm not sure which...I believe
5 | that I'm not totally sure that a round was fired from the more I
6 | think of it, I can't be sure...I believe a round was fired...
7 | everything happened so fast at which time either in his movement
8 | and the shot or coming back up Deputy Chase fired the shotgun. I
9 | saw Raft go down and after he went down, "help me, help me" I
10 | believe is what he said...and the initial thing was I was going to
11 | get my shotgun, but then he was screaming, "help me, help me".
12 | I looked over Stevens jumped down secured the weapon, I said,
13 | "do you have the weapon?" yes, he has a weapon...etc. etc...
14 | Stevens kinda cradled him, Joe Evans had gone around inside the
15 | creek and came across no other deputy down there that I am aware
16 | of. Stevens said he needed some first aid material. I ran to my
17 | car I ran to get a...to get to the nearest vehicle to get the
18 | first aid kit. Deputy..or George Gray the Highway Patrol, took
19 | the shotgun from Chase....

20 | Backman: What was the Highway Patrolman's name?

21 | Davis: George Gray....

22 | Backman: Go ahead

23 | Davis: And I believe was talking to him...I...took the shotgun
24 | from Gray and put it in the trunk of this vehicle which
25 | was, I believe 3653 put the shotgun in the trunk of the
26 | vehicle got the first aid kit I believe from Deputy (?)
27 | Ken Black came up and asked if this was his vehicle, I
28 | said it was. I've got the shotgun in the trunk of your

1 that everything was alright to drop it and we didn't want any
2 problems..when..he either made a movement that I..I could see more
3 in the other deputies in their reflex actions or he dropped and
4 fired the gun and came back up, I'm not sure which...I believe
5 that I'm not totally sure that a round was fired from the more I
6 think of it, I can't be sure...I believe a round was fired...
7 everything happened so fast at which time either in his movement
8 and the shot or coming back up Deputy Chase fired the shotgun.. I
9 saw Raft go down and after he went down, "help me, help me" I
10 believe is what he said...and the initial thing was I was going to
11 get my shotgun, but then he was screaming, "help me, help me".
12 I looked over Stevens jumped down secured the weapon, I said,
13 "do you have the weapon?" yes, he has a weapon...etc. etc...
14 Stevens kinda cradled him, Joe Evans had gone around inside the
15 creek and came across no other deputy down there that I am aware
16 of. Stevens said he needed some first aid material. I ran to my
17 car I ran to get a...to get to the nearest vehicle to get the
18 first aid kit. Deputy..or George Gray the Highway Patrol, took
19 the shotgun from Chase....

20 Backman: What was the Highway Patrolman's name?

21 Davis: George Gray....

22 Backman: Go ahead

23 Davis: And I believe was talking to him...I...took the shotgun
24 from Gray and put it in the trunk of this vehicle which
25 was, I believe 3653 put the shotgun in the trunk of the
26 vehicle got the first aid kit I believe from Deputy (?)
27 Ken Black came up and asked if this was his vehicle, I
28 said it was. I've got the shotgun in the trunk of your

1 vehicle which I want the chain, you know the chain of evidence to
2 be George Gray and me in the trunk of your vehicle and that's the
3 reason I want you to know it. And the reason I said that at this
4 time they're putting out a call....shooting at people up in
5 Maricopa Highway....highway...

6 Backman: It's been handled, I don't know what it amounted to but
7 somebody got cited.

8 Davis: Right, yeah, I ended up doing that

9 Backman: Oh, you were going.....your going up there

10 Davis:was at this juncture I'm sure I thought I'd be
11 possibly break away as I would be needed out on the road,
12 I thought ...turned out that somebody had driven on the
13 side road and grabbed it..we had units everywhere and uh,
14 Stevens was tied up down there, Evans was tied up with
15 them...with Deputy Evans was tied up I knew everything was
16 going crazy, so I said lock yours, here's the gun. Uh, I
17 ran ..remember taking first aid kit and blanket over..uh,
18 going back on the road and uh, to get my partner Bill Lane
19 who is stopping traffic or trying to block the road off.
20 Lt. Markley and Sgt. Odle came up and I said, "somebody's
21 got to handle this call up there, how about letting me go,
22 he said, "fine"..At which time I left that scene...and
23 went on that other call.

24 Backman: Going back to the point of the shooting occurred. If I
25 understood you right you traded locations with Brandon?

26 Davis: Yes

27 Backman: So that put Brandon at about 4 feet away...roughly?

28 Davis: Yes

1 Backman: Roughly from uh,
2 Davis: Uh, in other words
3 Backman: From Raft?
4 Davis: Right, uh, when I was at a little bit of an angle to the
5 north, Brandon traded places with me which put me a
6 couple of feet farther north of Raft and more like at a
7 45 degree angle from them, however, Brandon ended up..re-
8 positioning himself a few feet south towards either..he
9 was directly in line or maybe as I recall just a foot or
10 so south of there.
11 Backman: Ok, and distance between the two of them..how much?
12 Davis: I would still have to say maybe 5 feet or so.
13 Backman: Ok,
14 Davis: Uh, as I recall
15 Backman: Had Raft then moved out farther..towards the center?
16 Davis: Away from the....
17 Backman: Away from the bank.....
18 Davis: No,
19 Backman: Itself?
20 Davis: No, when he stood up he was really just just the same if
21 it was farther it's a matter of 6 inches, but not inten-
22 tionally on his part.....
23 Backman: Well, what I was trying to get at is if he got out
24 farther from out...the way I understand it from you
25 from that location you would have been able, really to
26 only see like his shoulders and head, is that correct?
27 Davis: Right, right
28 Backman: Ok,

1 Davis: And of course initially he was squatting and later he was
2 standing, I'm not sure if he was standing totally erect or
3 not..uh, and at the time that he was shot I don't know
4 exactly if he moved back a few inches or stood farther or
5 what but he was still basically in the same position and
6 fell in the same position.

7 Backman: Ok, you mentioned that you thought you were't sure you
8 may or may not have been a shot fired before Brandon
9 fired the shotgun?

10 Davis: Right

11 Backman: Do you remember seeing the gun in his hand just before
12 the shot?

13 Davis: Yes,

14 Backman: What position was it in, as you recall?

15 Davis: The, the for what seemed like a long time but...probably
16 a short period of time the gun was right next to his head
17 in a you know, a very dangerous position, in other words
18 he had the ability to you know, turn a fraction....

19 Backman: Not, not pointing at his own head though?

20 Davis: No, no, not point at his own head, not when I saw it, not
21 pointing at his own head.

22 Backman: Yeah,

23 Davis: It's up in the air right by his head...uh, not pointing at
24 his head and...

25 Backman: In a position where he can bring it down

26 Davis: Yes,

27 Backman: In any direction

28 Davis: And it wouldn't even have been a matter of bringing it

1 | down so much as slightly tilting because he is below everybody.
2 | Very dangerous place.
3 | Backman: Was it starting to get dark at all yet..at this point?
4 | Davis: Not that I can recall.
5 | Backman: The visibility was ...was good?
6 | Davis: Yes, visibility was excellent, yes
7 | Backman: Visiblity was good no need for flashlights or...
8 | Davis: No, no not at all.
9 | Backman: You had past run ins or not run ins but past uh, con-
10 | tacts with ..with Raft?
11 | Davis: Yes, I have
12 | Backman: What sort of.. . what I'm trying to get at ...
13 | Davis: Yes,
14 | Backman: Sorta person, I understand he has attempted suicide be-
15 | fore
16 | Davis: Yes,
17 | Backman: That there has been guns taken away from him before, he
18 | has been chased by deputies before on various occasions.
19 | Davis: Right, I generally had pretty good...I didn't involved in
20 | the other gun caper, I didn't get involved in the pursuit,
21 | I....my first dealing or two with him were...when he came
22 | off the wall was when I stopped him for traffic and I
23 | really had to get up into his face and explain a few
24 | things and he still was like uh, well...it didn't seem to
25 | get through at that time, however, any...very specifically
26 | the first time he and his girlfriend both got up..upset
27 | with me, called me everything in the book and one thing
28 | and another and I let him go and a couple of days later he

1 doctors with everybody and came up to me a week later and started
2 talking about it and uh, was very nice. But like I say, I know
3 him and there is not too much you can do when he's...fact is don't
4 think he has too much luck with him as far as trying to be ra-
5 tional.

6 Backman: Ok, very good, can you think of anything else, Barry,
7 that you want to ad?

8 Davis: No, other than,,I think without a doubt when I was think-
9 ing to myself that, you know, everybody took a chance to-
10 day because they know him and they were counting on him
11 acting in his normal behavior which is attracting sympathy
12 maybe wanting someone else to do something if it hadn't
13 been Raft or somebody to do I think that he probably have
14 been shot before then.

15 Backman: Then it was the knowledge the deputies had of his back-
16 ground then that....

17 Davis: Knowledge and careless....

18 Backman: Knowledge up to that time?

19 Davis: Yes, it was so many people so close to this guy wheeling
20 around with a gun, like I said he never pointed it at me
21 and I can't say that I saw him point it at anybody....

22 Backman: Yeah,

23 Davis: You know, in my brief encounter, but uh, that's about it.

24 Backman: Ok, that will conclude the interview, the time is 2220
25 hrs.
