## Summary of Events

### Background Information:

The suspect in this case, Devon Costa, has an extensive history of mental illness. The family members I spoke with said Costa has been diagnosed with Psychosis/Paranoid Schizophrenia. As a result, Costa has been homeless on the streets of Simi Valley and sometimes Santa Monica. Costa, who was unmarried and did not have children, had not been seen by the family for a couple of weeks leading up to this incident.

He was under the psychiatric care of a doctor in Thousand Oaks and was prescribed the anti-psychotic medication "Abilify." Unfortunately, Costa refused to take his prescribed medication, choosing to self-medicate with illegal street narcotics. The family described occasions when Costa would exhibit uncontrollable, violent, and threatening behavior. Costa's step-mother informed us of times when Costa threatened to "kill" her. There was another occasion when Costa threatened his brother with a knife.

### Mental Health Hold (5150 WIC) by Simi Valley Police Department:

On September 06, 2013, at approximately 0218 hours, Simi Valley Police Officers responded to a "Welfare Check" call in the city of Simi Valley. The subject of this call was Devon Costa. The following is an excerpt from the incident report documenting this call for service: *"Upon our arrival, I observed a male subject who was later identified by his CDL as Devon Costa, walking in the e/b #2 lane of E. Cochran Street. As Officer Dykes approached the subject, he ran onto the south sidewalk and proceeded to run east for approximately 15 feet. He then stopped and kneeled down and put his hands on top of his head. Officer Dykes asked Costa what he was doing and he stated he was **"walking to the corner to meet the devil."** Based on Costa's statements and his **behavior of walking in the street almost getting hit by several vehicles**, I formed the opinion he was a danger to himself and I detained him for 5150 WIC. Costa was subsequently transported and lodged at Ventura County Mental Health." On the check-box portion of this same incident report, the officer indicated he observed the following during his contact with Costa: "Absurd Illogical Thinking/Speech" and "Bizarre behavior."*

### Admission to Ventura County Mental Health:

On September 06, 2013, at approximately 0553 hours, Devon Costa was admitted to Ventura County Mental Health (Hillmont Psychiatric Center located at 200 Hillmont Avenue in the city of Ventura). This admission was pursuant to the above mentioned 5150 WIC hold placed by Simi Valley Police Officers.

The following is an excerpt from the psychiatric documentation completed by [REDACTED] MD regarding this admission: **Chief Complaint/History:** *"[REDACTED] year old Caucasian man here on a 5150 as a danger to himself /Can't I be lying about all this shit?/ Police*

were notified of patient walking in the roadway. The patient told police he was walking to the corner or to the coroner to meet the Devil and/or call a friend. Denies suicidal and homicidal feelings. No specific plans for future. **Psychiatric History:** Denies psych history but was seen on 4/14/13 by the crisis team. Lived with his mother but left 2 months ago and has been homeless since. No income. Beggars for food. **Current Medications:** None. **Mental Health Status Examination:** Alert, oriented, dirty, disheveled, odoriferous, oppositional and defiant. Refused to give mother's address or phone number. Answered all questions "yes" or "no." Otherwise sarcastic and irritable. No disorder of perception, cognition or behavior." **Risk Assessment:** Fixed, dynamic, and adaptive factors were considered. The patient does not have access to a firearm. He denies suicidal and homicidal thoughts. To answer his chief complaint: Yes he can be lying. Nevertheless he is judged no suicidal or homicidal threat. **Recommendations/Plan:** Discharge to self. OPD referrals given."

On September 06, 2013, at approximately 1010 hours, Devon Costa was discharged from the Mental Health facility.

#### **Call for Service:**

On September 07, 2013, Ventura County Sheriff's Deputy Danielle Delpit was assigned to the Ojai Valley Station with her canine partner "Dano." At approximately 1633 hours, she was dispatched to a suspicious subject call in the 5000 block of Crooked Palm Road in the unincorporated area of Ventura. The reporting party was concerned about an apparent transient exhibiting bizarre behavior, such as standing in the middle of the roadway with his arms out. The subject was later identified as Devon Costa, who evidently remained in the Ventura area upon his earlier release from Mental Health. Sheriff's dispatch further advised that Costa was walking northbound on Crooked Palm in the street, near the sidewalk. However, Costa continued to wave his arms and appeared to be talking to himself.

#### **Deputy Delpit's initial contact with Devon Costa:**

At approximately 1640 hours, Deputy Delpit arrived on scene and soon located Costa in the area of N. Ventura Avenue and Frasier Lane. Deputy Delpit initially saw Costa walking northbound along the sidewalk of N. Ventura Avenue. During that time, Costa was talking to himself and waving his arms. Initially, Deputy Delpit was traveling south on N. Ventura Avenue and passed Costa. Deputy Delpit turned her patrol vehicle around and slowly approached Costa.

Costa made unusual hand gestures and glanced back in her direction. Eventually, Deputy Delpit stopped her unit and exited with her canine partner "Dano" due to Costa's bizarre behavior. Once Deputy Delpit was within approximately twenty feet of Costa, she attempted to gain his attention and engage him in conversation by stating, "Sheriff's Department, what's going on? What's your name?" However, Costa did not acknowledge her and continued walking.

Realizing Costa was despondent and potentially unpredictable; Deputy Delpit returned to her patrol vehicle and asked for a 10-33 (emergency radio traffic). She also requested a backup unit to respond "code 3" (lights and sirens). Simultaneous to this, Deputy Delpit noticed a tow truck was parking a short distance ahead of her. Deputy Delpit continued to follow Costa in her patrol vehicle. Deputy Delpit followed Costa northbound on N. Ventura Avenue in the southbound traffic lane.

Deputy Delpit eventually stopped her patrol vehicle when Costa finally stopped and faced her direction. At this point, Deputy Delpit was several feet to the rear of the tow truck along the west curb of N. Ventura Avenue. Deputy Delpit exited her vehicle with her canine partner "Dano." Deputy Delpit stated, "Sheriff's Department! Stop!" Costa responded to this command by walking towards Deputy Delpit.

Costa raised one of his arms with a clenched fist as he closed the distance on Deputy Delpit. In an effort to prevent Costa from physically attacking, Deputy Delpit sent her canine partner "Dano" towards him. Dano was able to hold a bite on Costa's arm (later determined to be Costa's left arm). However, Costa was able to overpower the canine and continue to advance on Deputy Delpit.

Based on Deputy Delpit's experience as a canine handler, she realized it was abnormal for Costa to overcome the canine's aggressiveness and powerful momentum. According to Deputy Delpit, the canine would normally be able to take the suspect to the ground. Suddenly, Costa struck Deputy Delpit in the face with a clenched fist, even with the canine holding a bite on his arm.

The punch struck Deputy Delpit's nose with such force, it caused Deputy Delpit to feel as though she were losing consciousness. In fact, Deputy Delpit described hearing a "pop" in her ears as the punch landed.

As the incident continued to escalate, Deputy Delpit believed Costa grabbed for her holstered firearm. Deputy Delpit was also reaching for her firearm because she felt she was losing consciousness. Deputy Delpit was also concerned that Costa may have had a weapon secreted on his person. Deputy Delpit eventually drew her firearm from the holster and believed Costa grabbed it as well. Deputy Delpit believed Costa was intent on killing her and she defended herself by firing one round, which struck Costa in the abdomen.

Despite the fact he had been shot, Costa continued to fight with the canine. Costa began to fall to the ground as Deputy Delpit approached him and then released the canine from the bite.

**Tow Truck Operator [REDACTED] observations:**

[REDACTED] is employed as a tow truck driver for Bob Carlson's towing. At around the same time frame the call for service involving Devon Costa was unfolding; [REDACTED] was dispatched to assist a motorist in the same general vicinity. Due to unfamiliarity with the area, [REDACTED] stopped his tow truck facing south, along the west curb of N. Ventura Avenue to check for directions.

Meanwhile, while still seated in the tow truck, he noticed a Ventura County Sheriff's patrol vehicle driving slowly northbound along the west curb of N. Ventura Ave. [REDACTED] also noticed a male subject, later identified as Devon Costa, walking north on the west sidewalk of N. Ventura Avenue, just ahead of the patrol vehicle. According to [REDACTED] Costa was "acting like he was stroking himself (simulated masturbation)." At one point, Costa made eye contact with [REDACTED] and smiled as he continued to simulate masturbation.

[REDACTED] recalled seeing the patrol vehicle, later determined to have been driven by Deputy Delpit, travel towards the tow truck. Deputy Delpit activated the overhead emergency lighting for the patrol vehicle and drove around the tow truck on the driver's side.

[REDACTED] planned to exit the tow truck to run across the street and look at a street sign, which was blocked from his view. [REDACTED] glanced in his rear view mirror and saw that Deputy Delpit had stopped her patrol vehicle a short distance behind the tow truck. Deputy Delpit exited the patrol vehicle with her canine partner "Dano." The driver's side window of the tow truck was rolled down enabling [REDACTED] to hear Deputy Delpit instructing Costa to "sit down."

[REDACTED] saw Costa "lunge" at Deputy Delpit followed by "Dano" holding a bite on Costa's left arm. [REDACTED] watched as Costa was "Wrestling with the dog. Starts beatin' the dog, hittin' the dog like the dog bite's not even bothering him." At one point, [REDACTED] heard Costa say something to the effect of, "Fucking dog."

[REDACTED] was standing on the driver's step of the tow truck when he saw Costa close the distance on Deputy Delpit. Suddenly, Costa "Cracked her (Deputy Delpit) right in the nose." [REDACTED] further commented that everything happened "so fast" and then Costa reached for Deputy Delpit's gun as she was "staggering back." It appeared to [REDACTED] that Costa used his right hand to grab Deputy Delpit's holstered firearm at one point during the altercation. [REDACTED] added, "Actually, I could see the holster move. That's when I was like, 'Oh shit'." The canine was still "locked on his (Costa's) arm." [REDACTED] was unsure whether or not Costa "unbuckled" the holster.

Deputy Delpit drew her weapon and instructed Costa to "Get down! Get down!" However, according to [REDACTED], "He (Costa) didn't get down and he came lunging at her again. The dog was still on the arm and she shot him." When asked what the distances between the two were, [REDACTED] stated, "They were close." [REDACTED] estimated Costa was within five feet of Deputy Delpit when she fired her handgun.

██████ also recalled, "After she (Deputy Delpit) shot him, he (Costa) was all, 'You fucking bitch! You're gonna die! I'm gonna kill you!'" ██████ added, "He (Costa) didn't stop after she shot him. He went on for, I wanna say a good minute. I wanna say a minute. Standing up. And he was dealing with the dog, (saying) I'm gonna kill you, you fucking bitch, you're gonna fucking die! You're gonna die! Then slowly, he went to his knees and then she's telling him, she's still pointing at him, telling him, 'let the dog go, leave the dog alone or I'm gonna shoot you again.'" Costa eventually "started to fade". Once Costa went to the ground, Deputy Delpit released the canine from Costa's arm and secured the dog in the patrol vehicle.

At the time the shot was fired, ██████ described Costa's actions as: "He was moving quickly. He was trying to hit her again." When asked if the suspect had the ability to strike the deputy again, ██████ replied, "Yeah. I mean, the dog wasn't phasing him."

██████ mentioned he didn't assist Deputy Delpit because he feared the dog would attack him. Additionally, at some point, ██████ heard Deputy Delpit say, "No." ██████ believed that Deputy Delpit was instructing him (██████) not to approach.

At one point, ██████ called out to Deputy Delpit to offer help and "that's when the guy (Costa) went for her gun and she pulled it out and she told him to 'Stop' and he lunged at her again and she shot him." After Deputy Delpit shot the suspect, she instructed ██████ to "Call 911 now!" ██████ said he retrieved his phone and dialed 9-1-1, but never completed the call because another deputy had arrived on scene by that time.

After the shooting and once the scene was stabilized, ██████ described Deputy Delpit as being "In shock. Her nose I know was hurting 'cause she was bleeding from both nostrils."

██████ made the following statement after reflecting on the incident: "Latched on that arm and that dog...that guy, I don't know if he was on something or what, but he was, he was fightin' it. He was fightin' the dog and he started fighting with her and like I said before, when I saw him reach for that (gun), I was like, oh fuck, if he knocks her down, what am I gonna do? Am I gonna jump in my truck and get the fuck out of here? You know? 'Cause he's gonna start shooting her or start shooting at me? I didn't...that's what was going through my mind. At the same time thinking, after it happened, I'm thinking, fuck, if I could have helped her, you know, if I could have helped her, then she probably wouldn't of had to shoot him. In my determination, I don't think she had any choice when she's not a very big woman, you know what I mean? And after going after her service revolver, what was she supposed to do, you know?"

The investigation revealed Deputy Delpit fired one round at the suspect, Devon Costa. As a result, Costa sustained a gunshot wound to the abdomen and was transported by ambulance to Ventura County Medical Center. At approximately 1727 hours, Costa was pronounced deceased by an emergency room physician.

The statements provided by Deputy Delpit and the eyewitness, [REDACTED] are consistent with one another. Furthermore, the physical evidence and background information obtained through follow-up interviews clearly supports those statements.

End of report.

**Round(s) Fired by Deputy Delpit**

# ***Round fired vs. Inventory***

Deputy Danielle Delpit

## **Duty Weapon**

Sig Sauer P226 (.40 Caliber), semi-automatic handgun, serial # [REDACTED]

On 09/07/2013, at approximately 1715 hours, I was called out to an Officer involved shooting scene in the County of Ventura, CA, on N. Ventura Ave at the intersection of Los Cabos Lane, to diagram the scene. I contacted Cadet [REDACTED] to assist me and we arrived on the scene at approximately 1820 hours. Upon arrival, we contacted Detective Sgt. Gleason of the Major Crimes Unit on scene and were briefed. The scene consisted of the roadway in the intersection and west sidewalk area of Ventura Ave. Scene included: evidence located by the B.I. Techs, three vehicles, two located in the intersection in the southbound lane of Ventura Ave and one parked at the west curb south of the intersection of Los Cabos lane:

- One (1) Ford Crown Vic police units (#3406-1362755, CA)
- One (1) Chevrolet Tahoe police unit (#4332-1342878, CA)
- One (1) Flatbed Tow Truck (Bob Carlson Towing), 30189K1, CA)

Refer to attached diagrams for evidence location.

**FACTUAL DIAGRAM LEGEND**

All measurements were taken from a base point (instrument station point) using a Nikon Pulse Laser 332 Total Station.

The Station Point is the center of Reference Line 1 (RL1) and Reference Line 2 (RL2). RL1 and RL2 create base lines within the scene using the Total Stations selected north. All measurements referred to as RL1 are east (+) and west (-) of the baseline of RL2. All measurements referred to as RL2 are north (+) and south (-) of the baseline of RL1.

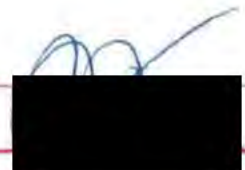

Instrument Station Point was located in the roadway, 41.17 ft south of the south curb elongation of Los Cabos Lane and 36.6 ft east of the west curblines of N. Ventura Ave.

**Officer Narrative:**

On 9-7-13 at 1633 hours, I was working uniformed patrol in the unincorporated areas of Ojai and Ventura as 3A12. (V) Deputy Delpit (3AK) and I were dispatched to the area of E Shell Rd and Ventura Avenue for a subject disturbing call. We were told that a man was standing in the middle of Ventura Ave, with his arms extended. We were then told the man, a transient, was walking northbound on Ventura Ave, waving his arms and talking to himself.

Deputy Delpit is a uniformed sheriff's deputy wearing a tan and green sheriff's office uniform, complete with a cloth badge on her left chest, department patches on both shoulders, a Sam Browne leather belt complete with department issued firearm, holster, yellow taser, handcuffs, baton and pepper spray. She drives a marked black and white Crown Victoria police car, with a lightbar on the roof, the word "Sheriff" written on the doors and "K9" on the back quarterpanel of her unit. Inside the patrol car was her K9 partner Dano, which is a black police dog, with a sheriff's badge on his collar. Prior to this call I had been on several calls with Deputy Delpit where citizens recognized her as a deputy sheriff and submitted to her authority.

I was responding from the city of Ojai. I was driving southbound on Creek Rd, when I heard Delpit make contact with the man at 1640 hours. At 1645, Delpit reported the man was still walking, and now was at Ventura Ave and Frasier Lane. At 1646 hours, Delpit requested "Code 3" (Lights and siren) backup, as the subject was unresponsive to her commands. At 1648 hours, Delpit reported that she was punched in the face and the subject was shot.

I responded "Code 3" and arrived at 1651 hours. I parked my car at the south end of what became the inner crime scene, at Bard Ln. Deputy Dent was attending to Deputy Delpit. Delpit had blood streaming down her face, from her nose. She looked dazed. She told me, "Ed, I almost went out. That was the hardest I've ever been punched."

There was a man lying on his back by the rear of Delpit's patrol car. By his position, I assumed he was handcuffed. When I got closer, I saw he was indeed handcuffed behind his back with black handcuffs. He was breathing a deep breath once every approximately 2-4 seconds. I saw blood on his left arm and a wound there. The wound did not appear life threatening. Deputy Dent told me the man was shot in the abdomen. Dent lifted his T-shirt and I saw a portion of his intestine sticking out of his upper stomach. There was no blood present. I monitored his ABC's (Airway, Breathing, Circulation) until Paramedics arrived. He was breathing when Lifeline paramedics and Fire 23 began first aid on him.

When other units arrived, I coordinated a perimeter until Sergeant Margetin arrived onscene and took over command. Deputy Dent told me he found the shell casing about 10 feet east from the man. I grabbed a traffic cone and placed it next to the casing, to identify and protect it as evidence. I did not touch the casing.

Sergeant Margetin ordered me to accompany the suspect to VCMC and remain with him until Major Crimes detectives arrived. I got in the ambulance with the man and the Paramedic [REDACTED] and Firefighters [REDACTED] and [REDACTED] both of Battalion 23..

We arrived at VCMC at 1723 hours. We were rushed into a trauma room where lifesaving measures were attempted. However, Dr Kaban pronounced death at 1727 hours. I called Sergeant Margetin and advised the

ER Personnel moved us into Cast Room A to assure us privacy and make way for other trauma cases. I stood by with the body until I was joined by Detective Sergeant Beckett and Medical Examiner Tellez. I stood by while they collected evidence and ultimately identified the body as (S) Devon Thomas Costa [REDACTED]

Sergeant Beckett released me from the hospital at approximately 2020 hours. A TSU deputy picked me up and gave me a ride back to the scene. Sergeant Koppenjan released me from the scene at 2048 hours.

I took 16 photographs of the suspect. I later upoloaded them to secure storage via the iShot app.

## Devon Costa Autopsy

### Background

On September 7, 2013, Devon Costa was involved in an incident with a member of the Ventura County Sheriff's Office. During the incident, Costa attacked and assaulted a Deputy Sheriff and he was shot once during the event.

Costa's body was removed from the crime scene and transported to the Ventura County Medical Center around 5:25 p.m. Costa was pronounced dead and ultimately transported to the Ventura County Medical Examiner's Office for an autopsy. Ventura County Major Crimes Detectives responded along with the Medical Examiner Investigator and members of District Attorney's Office.

### Report

On September 9, 2013, District Attorney Investigator Adam Witkins and I attended the autopsy of Devon Costa at the Ventura County Medical Examiner's Office in Ventura. Dr. Bucholtz conducted the autopsy and Janelle Payne assisted. Field Evidence Technicians (FET) [REDACTED] and FET [REDACTED] assisted with documenting the autopsy and collecting evidence.

### External Examination (Body)

Costa was a white male with brown curly hair and hazel eyes. Costa was in a sealed blue body bag (seal number 20602). At about 10:30 p.m. the seal was broken and the autopsy began. Costa was lying on a white sheet within the blue body bag. Costa was not wearing any clothing. Costa's feet were soiled with dirt and there was evidence of medical therapy such as EKG pads on the body. Dr. Bucholtz examined the outside of Costa's body and noted lividity was present.

### Left Arm / Left Hand (Dog Bite Injury)

Dr. Bucholtz examined Costa's left arm and left hand. Dr. Bucholtz noted that Costa did not have a fracture to his arm or hand. Dr. Bucholtz noted that Costa had a pink/tan curved impression on his left wrist associated with handcuffs. Dr. Bucholtz noted several puncture wounds (bite marks), lacerations and abrasions on his left forearm. The puncture wounds were between the elbow and wrist. Dr. Bucholtz noted the irregularly shaped puncture wounds and abrasions on Costa's left forearm that were consistent with a dog bite.

### Right Arm / Right Hand

Dr. Bucholtz examined Costa's right arm and right hand. Dr. Bucholtz noted that Costa did not have a fracture to his arm or hand. Dr. Bucholtz noted that Costa had a pink/tan curved impression on his right wrist associated with handcuffs. Dr. Bucholtz noted an abrasion on Costa's right inner elbow and forearm area.

**Narrative:**

**Stomach (Gunshot Injury)**

Dr. Bucholtz examined Costa's torso. Dr. Bucholtz noted a portion of Costa's intestine was protruding through a hole in his abdomen above his belly button. Dr. Bucholtz noted this was from the pressure from a gunshot entrance wound injury. Dr. Bucholtz examined the gunshot entrance wound and noted there was no stippling on Costa's body. Dr. Bucholtz said the entrance wound was a round, slightly irregular hole with fraying at the top margin.

Dr. Bucholtz noted the bullet entered above the belly button, severed the vena cava vein and lodged in Costa's spine. Dr. Bucholtz noted that the injury would not have been immediately fatal as Costa would have been able to walk as he slowly bled out.

Dr. Bucholtz said the bullet path was front to back and slightly downward and left to right. There was no gunshot exit wound and the bullet lodged in Costa's spine was recovered and booked as evidence.

**Head**

Dr. Bucholtz examined Costa's head, eyes, nose, mouth, teeth, and ears. Dr. Bucholtz did not notice any significant injury to Costa's head, eyes, nose, mouth, teeth, and ears.

**Brain / Skull**

Dr. Bucholtz examined Costa's brain and skull. Dr. Bucholtz noted there was an old contusion (bruise) on Costa's brain. Dr. Bucholtz opined that the bruise could have been caused by many events and might explain some of Costa's behavior as it was in an area of the brain commonly associated with seizures. Dr. Bucholtz noted no significant injury to Costa's head or skull.

**Neck / Esophagus**

Dr. Bucholtz examined Costa's neck and esophagus. Dr. Bucholtz noted no significant injury to his neck and esophagus.

**Legs / Feet**

Dr. Bucholtz examined Costa's back, legs and feet. Dr. Bucholtz noted no significant injuries to Costa's legs, feet and toes.

**Internal Injuries**

Dr. Bucholtz examined Costa's internal organs. Dr. Bucholtz noted that Costa had no internal chest injuries and his heart, lungs, liver, and kidneys were unremarkable and there was no apparent natural cause for Costa's death.

**Narrative:**

On 09/07/2013, an officer involved shooting occurred in the unincorporated area of Ojai. I was called to assist by Sgt. Gleason and directed to respond to Ventura County Medical Center (VCMC). One of the subjects involved in the incident, later identified as Devon Thomas Costa, had been transported to VCMC for treatment of a possible gunshot wound.

I arrived at VCMC at approximately 1800 hours and met with Senior Deputy Beauvais. Sr. Dep. Beauvais was with Costa in a private side room. Costa had been pronounced dead prior to my arrival. Costa was undressed and lying on a gurney. I asked Sr. Dep. Beauvais if Costa had come into the hospital with any clothing or other items. He told me Costa had only a pair of pants, which had been removed during treatment and retained as evidence. Costa had a matchbook in the pants pocket. Both items were bagged separately as evidence.

I noticed Costa had an injury to his abdomen and a small amount of intestine was protruding from the wound. I also saw several marks that appeared to be punctures from a possible dog bite to Costa's left forearm. As part of these injuries, there was a small (3/4 inch) cut or tear in Costa's forearm. I retrieved two small evidence bags from my car and bagged Costa's hands with the evidence bags. Hospital Volunteer [REDACTED] was in the room at the time and assisted me by holding Costa's arms (while wearing latex gloves) as I placed the bags over his (Costa's) hands.

Coroner Investigator Mike Tellez arrived a short time later. He had hospital staff perform a series of abdominal x-rays on Costa. Hospital staff brought a portable x-ray machine to the room for this task.

BI Technician [REDACTED] arrived after the x-rays were complete. At this time, Costa had not yet been identified so it became necessary to remove a paper bag from his hand so Tellez could scan Costa's fingers using the Cogent Mobile Identifier. Costa's fingers were scanned and his identity was verified. Since [REDACTED] was already present, I had him process both of Costa's hands for DNA.

Coroner Investigator Tellez took possession of Costa and sealed him in a body bag at 2013 hours (Tag #20602).

Dr. Ann L. Bucholtz

**COSTA, Devon (1090-13)**

**PERFORMED BY:** Ann L. Bucholtz, M.D.

**PERFORMED AT:** Ventura County Medical Examiner's Office

**DATE:** September 9, 2013 at 1015 hours

**Medicolegal Observers:** [REDACTED] (Ventura Count DA Office) [REDACTED] (Ventura County Sheriff's Office); [REDACTED] (Ventura Co. Sheriff's Office); Ian Laughlin (Ventura Co. Sheriff's Office)

**CAUSE OF DEATH:** Gunshot Wound of Torso

**MANNER OF DEATH:** Homicide

**PATHOLOGICAL DIAGNOSES:**

1. Gunshot wound of torso
    - A. Lacerations of inferior vena cava, small bowel
    - B. Hemoperitoneum
    - C. Fracture of L4-L5 vertebral column
  2. Dog bite, left arm
- Status post cardiopulmonary resuscitation

### **CIRCUMSTANCES OF DEATH**

This [REDACTED] old male had a confrontation with police and was shot. He was pronounced dead at Ventura County Medical Center on 9/7/2013 at 1727 hours.

**IDENTIFICATION:** The body is identified by the deputy medical examiner through their investigation. Photographs and a fingerprint of the deceased are obtained.

Authorization for examination: Ventura County Medical Examiner Office

**GENERAL DESCRIPTION:** The unclad body is submitted in a white plastic body bag and in a blue plastic bag. The soles of the feet and ankles are soiled with black dirt-like material.

Clothing and personal effects: None

### **EXTERNAL EVIDENCE OF MEDICAL THERAPY**

1. Intraosseous catheter is taped in the right lower leg.
2. Multiple EKG pads are present on the torso.
3. Endotracheal tube is secured in the mouth with a cloth stay.

### **EXTERNAL EXAMINATION**

The body is that of an unembalmed thin Caucasian young male, measuring 70 inches long and weighing approximately 140 pounds. Rigor mortis is present in the jaw, upper and lower extremities. Lividity is present posteriorly and is fixed.

#### **HEAD**

Scalp hair is brown, curly and measures up to 3 inches long. There is no trauma to the posterior scalp. The forehead is symmetrical. The eyebrows are brown. Irides are brown with the pupils equal at 0.3 cm. There are no surrounding conjunctival or petechial hemorrhages seen. The nose is in the midline. The nares are unremarkable without adherent blood. The teeth are natural and in a good state of repair. The anterior left and right lateral incisors are absent and the gumline is well healed. There is no trauma to the oral mucosa. The teeth are not loose. The lower face is covered by a brown beard and mustache measuring up to  $\frac{1}{4}$  inch long. On the right face are three punctate abrasions measuring less than  $\frac{1}{16}$  inch in diameter and are consistent with acne. On the left face are no fewer than two punctate abrasions measuring less than  $\frac{1}{16}$  inch in diameter, consistent with acne. The ears are symmetrical.

#### **NECK**

The trachea is in the midline. The neck shows no trauma.

#### **CHEST**

The chest is flat without trauma, scars or tattoos.

#### **ABDOMEN**

The abdomen is flat. There is a gunshot wound to the abdomen, see below. No other trauma, tattoos or scars are seen. The genitalia are those of a normal male.

#### **LOWER EXTREMITIES**

The lower extremities are symmetrical with the normal number of digits, bilaterally. The toenails are short and only trimmed. There are no palpable fractures. The knees are without injuries. On the right dorsal foot are no fewer than five hypopigmented scars measuring up to  $\frac{1}{2}$  inch in diameter. On the left medial dorsal foot are four pink-red abrasions ranging in size from  $\frac{3}{16}$  inch in diameter to  $\frac{1}{8}$  inch.

### UPPER EXTREMITIES

The upper extremities are symmetrical with the normal number of digits, bilaterally. The fingernails are short and evenly trimmed. There are no palpable fractures on either arm. Gunshot residue and swabs were reportedly obtained at the hospital at the time of death. On the right posterior hand at the base of the little finger is a red-brown abrasion with adherent skin tags measuring up to  $\frac{1}{4}$  x  $\frac{1}{4}$  inch. On the right elbow and extending onto the forearm are no fewer than six red-brown abrasions ranging in size from  $\frac{3}{8}$  x  $\frac{1}{8}$  inch to  $1\frac{1}{4}$  x  $\frac{3}{4}$  inch. On the right anterior wrist is a faint curvilinear pink-tan impression measuring  $2\frac{1}{2}$  inches long x  $\frac{1}{4}$  inch wide consistent with cuff marks. On the right posterior wrist in the same contiguous plane are curvilinear pink-tan impressions measuring up to 1 inch long x  $\frac{1}{4}$  inch wide. On the right antecubital fossa is a red-brown brush/burn-type  $\frac{3}{4}$  x 1 inch abrasion.

In the left antecubital fossa is a single puncture with underlying  $\frac{1}{4}$  x  $\frac{1}{4}$  inch blue-purple contusion. On the left posterior knuckles at the base of the ring finger and little finger are two red-brown abrasions each measuring  $\frac{1}{4}$  x  $\frac{1}{4}$  inch and contain adherent skin tags. The left elbow is without injury. There is a bite mark of the left forearm and posterior arm consisting of punctures, abrasions and a laceration. The laceration measures  $1\frac{1}{2}$  x  $\frac{3}{4}$  x  $\frac{1}{2}$  inch and is on the anterior forearm. There are curved gray-tan abrasions measuring up to  $1\frac{1}{2}$  inches long x  $\frac{1}{4}$  inch wide. There are multiple oval red-tan abrasions and punctures measuring up to  $\frac{1}{4}$  inch in diameter. On the left anterior wrist and extending onto the posterior wrist is a curvilinear tan-pink impression measuring 4 inches long x  $\frac{1}{4}$  inch wide, consistent with a handcuff imprint.

### BACK AND BUTTOCKS

The back is symmetrical without trauma, scars or tattoos. Over the sacrum is a faint tan-yellow waxy  $\frac{3}{4}$  x  $\frac{3}{4}$  inch abrasion with adherent skin tags, consistent with postmortem trauma. The anus and buttocks are otherwise without trauma.

### INTERNAL EXAMINATION

#### BODY CAVITIES

The midline abdominal fat measures  $\frac{1}{2}$  inch. There is no fluid in either pleural cavity. The pleural surfaces are smooth and glistening. There is a normal amount of clear yellow fluid present in the pericardial sac. There is 1800 milliliters of blood in the peritoneal cavity. The peritoneal surfaces are smooth and glistening. A gunshot wound involves the abdomen, see below.

#### CARDIOVASCULAR SYSTEM

The weight of the heart is 300 grams. The epicardium is smooth and glistening. The myocardium is red-brown and firm without infarcts or lacerations. The right ventricle measures 0.3 cm; the left ventricle measures 1.3 cm. The tricuspid, pulmonic, mitral and aortic valves all have their normal appearances. The mural endocardium is unremarkable. The coronary arteries have a normal anatomic distribution. The right coronary, left anterior descending, and left circumflex coronary arteries show less than 30 percent atheromatous occlusion. No recent thrombi are seen. The aorta shows minimal atherosclerosis and is without lacerations. The inferior vena cava near the bifurcation in the pelvic region is lacerated secondary to the gunshot wound.

#### RESPIRATORY TRACT

The larynx and trachea are without erosions. The bronchi are without tumor or aspirated material. The right lung weighs 340 grams; the left lung weighs 500 grams. The lungs have their usual number of lobes and have red-pink parenchyma without tumor, granulomas or inflammation. The vessels are without emboli or plaque. The hilar lymph nodes are of normal size and appearance.

**LIVER**

The liver weighs 1220 grams. The capsule is intact. The parenchyma is dark red-brown without tumor, granulomas or infarcts.

**GASTROINTESTINAL TRACT**

The esophagus is without erosions or tumor. The stomach contains 10 milliliters of pink-tan liquid. No pill fragments are identified. The rugal folds are without hemorrhage or ulceration. There are lacerations of multiple loops of small bowel secondary to the gunshot wound, see below. The large bowel is intact.

**HEMATOPOIETIC SYSTEM**

The spleen weighs 130 grams. The capsule is intact. It has a red-brown parenchyma without granulomas or infarcts. Systemic lymph nodes are of normal size and appearance.

**GENITOURINARY TRACT**

The right kidney weighs 120 grams; the left kidney weighs 120 grams. The cortical surfaces are smooth and glistening. The parenchyma is red-brown without tumor, infarcts or cysts. The collecting systems are without tumor or obstruction. The bladder is of normal size and contains 400 milliliters of clear urine.

**REPRODUCTIVE TRACT**

The prostate and seminal vesicles are of normal size for the age of the decedent.

**ENDOCRINE SYSTEM**

The adrenal glands are without tumor or nodules. The thyroid gland is without tumor or nodules. The pancreas is tan-brown and unremarkable.

**MUSCULOSKELETAL SYSTEM**

The sternum, ribs, and pelvis are without fracture or tumor. The spine is intact except for L4-L5 region near the sacrum secondary to the gunshot wound, see below.

**NECK**

The neck muscles are intact without hemorrhage. The hyoid bone, thyroid, and laryngeal cartilages are without fracture or hemorrhage. The epiglottis is without edema. The vocal cords are free of tumor and erosions. The tongue is without intramuscular hemorrhage.

**SKULL AND CRANIAL CONTENTS**

The brain weighs 1320 grams. The scalp is intact without hemorrhage. The skull is intact without fractures. There are no epidural or subdural hemorrhages seen. There is congestion of the vessels over the tips of the posterior cerebellum consistent with livor. The congestion is superficial and does not extend into the parenchyma. The cerebral and cerebellar hemispheres are relatively symmetrical. On the left lateral temporal lobe is an old yellow-tan 2 x 2 centimeters contusion. The meninges are smooth and glistening. The Circle of Willis is without aneurysm formation or vascular abnormalities. There are no internal hemorrhages or recent contusions seen. No tumor is seen. The brainstem is intact without hemorrhage. The ventricles are of normal size and are symmetrical without hemorrhage.

**Gunshot wound**

**Entrance wound:** There is an entrance wound on the mid abdomen measuring 44 inches from the sole of the right foot and 1 inch right of midline. The oval ½ x ¾ inch wound contains an eccentric marginal abrasion at the 11 o'clock position. No surrounding stippling or soot is seen. Within the depths of the wound is a small amount of black material which may represent bullet wipe or small amount of soot. Examination of the shirt

shows it to be black and has been previously cut by EMS. The entrance wound is surrounded by slightly dusty gray material but cannot be further evaluated.

**Path of the bullet:** The bullet enters the anterior abdominal wall and passes downward lacerating loops of small bowel. It passes through the inferior vena cava just above the bifurcation and is lodged in the L4-L5 vertebral body. The underlying spinal cord is the cauda equina and is not largely affected. There is a small amount of hemorrhage surrounding the dural space and extending out into the subcutaneous muscle.

**Site of recovery:** A copper-jacketed and lead bullet is recovered within the spine at 42½ inches from the sole of the right foot and ½ inch left of midline. The bullet has a base diameter of 0.9 x 0.9 cm x 1.3 cm. It is collected and labeled as "bullet from spine". The path of the wound is downward, front-to-back and slightly right-to-left.

**MICROSCOPIC EXAMINATION** (appended 12/24/13)

**Heart (A):** Sections of heart show normal myofibers without inflammation or necrosis.

**Lungs (B):** Sections of lung show normal alveoli without inflammation or atypia. The vessels and bronchi are unremarkable.

**Liver (C):** Sections of liver show a normal lobular architecture. The portal triads are unremarkable.

**Spleen(C):** Sections of spleen are unremarkable.

**Kidney(C):** Sections of kidney show normal glomeruli. The vessels are unremarkable.

**Brain (D):** Sections of brain are without inflammation or atypia.

### SUMMARY OF INVESTIGATION

On 9/7/2013 at approximately 1740 hours, I received a call from [REDACTED] R.N. of Ventura County Medical Center. She reported a death in the emergency room due to a gunshot wound. She stated that the identity of the decedent was unknown. Nurse [REDACTED] provided the following information. At approximately 1724 hours this afternoon, the decedent was brought in by ambulance and admitted into the emergency room after he was shot by a Sheriff Deputy and attacked by a Sheriff K-9 in Ventura, CA. According to paramedics, the decedent was unresponsive in the field and they initiated CPR and ACLS protocol approximately 25 minutes prior to his arrival into the hospital. Upon arrival into the hospital, the decedent was asystolic. CPR was continued. The decedent was pronounced dead at 1727 hours on 9/7/2013 by Dr. [REDACTED]. Nurse [REDACTED] stated that Sheriff personnel were present at the hospital. I advised Nurse [REDACTED] that I would respond. (I later learned that a post mortem rectal temperature was obtained by hospital staff and the decedent's temperature was 99° Fahrenheit.)

On 9/7/2013 at approximately 1815 hours, I arrived at Ventura County Medical Center. I was accompanied by Forensic Pathology Technician Janelle Payne. We were directed to the decedent by hospital staff and provided with copies of the decedent's medical records. Present at the hospital were Detective Mike Beckett and Sr. Deputy Edward Beauvais of the Ventura County Sheriff's Department. B.I. Tech [REDACTED] arrived a short while later (he had been at the hospital to place bags over the decedent's hands, prior to my arrival, and then left). Sr. Deputy Beauvais provided the following information based on a preliminary investigation. At approximately 1645 hours this afternoon, 911 dispatch received a call of a male subject causing a disturbance near the intersection of Ventura Avenue and Los Cabos Lane in Ventura, CA. Deputy Danielle Delpit arrived on scene and found the subject walking in the middle of the street shouting obscenities and waving his arms. She attempted to make contact with him but he was non-cooperative. The decedent suddenly advanced toward the deputy in a threatening manner and she ordered her K-9 to detain the subject. The subject continued to advance toward the deputy with the K-9 biting his left arm and he struck the

deputy in the face with his right hand (almost knocking her out). The subject then started grabbing the deputy's service weapon and said he was going to kill her. The deputy was able pull away from the subject and discharge her weapon once, striking him in the abdomen. Paramedics were called to the scene and he was transported to the hospital. I then examined the decedent.

The decedent was observed lying supine on a hospital gurney in an overflow emergency room. His arms were at his sides and his legs were extended straight. His clothing had been removed. Brown paper bags had been placed over his hands. There was a white plastic hospital bracelet around his left wrist that identified the decedent as "twentyfive, male MRN 0001508878". I observed an entry gunshot wound on the decedent's mid-abdomen approximately 1 ½ inches above and to the right of the decedent's umbilicus. There was a small portion of intestine protruding from the gunshot wound. I also observed several bite and tearing lacerations on the decedent's left forearm which were consistent with dog bite wounds.

I photographed the decedent.

The decedent was an adult male whose appearance was consistent with the age of approximately 20-30 years. The hair was brown. Facial hair consisted of a brown mustache and beard. The eyes were light brown/hazel. No petechial hemorrhages were noted. Trauma, which consisted of the gunshot wound, animal bite wounds, and abrasions to his right shoulder, right forearm, right hand, and left foot will be described in the autopsy report. Medical therapy noted included cardiac monitor leads on his chest and abdomen, an endotracheal tube with holder in his mouth, and an intraosseous catheter in his right tibia. The decedent's clothing had been removed and was collected by the Ventura County Sheriff's Department. No jewelry was noted. Rigor mortis was not present. Lividity was faint, blanching, and consistent with the position of the body.

The bags over the decedent's hands were removed by B.I. Tech [REDACTED] and me. B.I. Tech [REDACTED] then performed DNA swabs of the decedent's hands and obtained fingernail clippings.

I then scanned the decedent's fingerprints with a Cogent Systems Mobile Fingerprint device. The fingerprints submitted to their database were a match for DEVON THOMAS COSTA, age [REDACTED]

At my direction, hospital staff used a portable x-ray machine to take x-rays of the decedent's chest and abdomen.

The decedent was then wrapped in a clean white sheet and placed inside a blue body bag. I then secured the body bag with Medical Examiner seal #20602 at 2013 hours on 9/7/2013. The decedent was then transported to the Ventura County Medical Examiner's Office by Cathedral Mortuary Associates at my direction.

On 9/7/2013 at approximately 2300 hours, Forensic Pathology Technician Janelle Payne and I accompanied Detective John Gleason and Mike Beckett to the last known residence of the decedent's parents in Simi Valley, CA. We were met by Mr. Mike Costa who identified himself as Devon's father. I explained the known circumstances of Devon's death. He provided the following information. Mike last saw Devon approximately 2 weeks ago. Devon was a transient who mostly lived on the streets but occasionally he would stay at his mother's house (also in Simi Valley). Mike stated that Devon had a history of drug usage and he began exhibiting psychotic and sometimes violent (threatening) behavior at age 19. He stated that Devon had been treated by Dr. Marc Rosenthal in Thousand Oaks, CA and he had been prescribed Abilify. According to Mike, Devon last saw Dr. Rosenthal approximately 3 months ago and he was non-compliant with his prescribed medications. Devon had never attempted suicide or expressed any suicidal ideation. I explained that a post mortem examination would be performed.

The case was reviewed with Dr. Ann Bucholtz, a Forensic Pathologist for the County of Ventura. She performed a postmortem examination. At the conclusion, she determined the cause of death to be gunshot wound of torso. The manner of death was homicide.

The decedent was released to Coast Cities Cremations at the family's request.

On 10/4/2013 at approximately 1051 hours, I attempted to contact Dr. [REDACTED] phone. I left a voice message on his phone for him to return my call. I later spoke with him by phone and he provided the following information. He last saw the decedent in June of 2013. The decedent's medical history consisted of psychotic disorder (possibly schizophrenia). According to Dr. [REDACTED] the decedent refused to return to his office for follow-up care.

## Crime Scene Report

### Background:

On September 07, 2013, I responded to N. Ventura Avenue at Los Cabos Lane in the unincorporated area of Ventura reference an officer involved shooting investigation. In summary, Ventura County Sheriff's Deputy Danielle Delpit #2953 had responded to the area reference a call for service involving a subject disturbing and exhibiting bizarre behavior. The subject, later identified as Devon Costa, was soon located by Deputy Delpit. During the contact, Costa physically attacked Deputy Delpit, causing serious injury.

In an effort to defend herself, Deputy Delpit deployed her K-9 partner "Dano." However, the situation continued to escalate as the K-9 had very little effect and the suspect reached for her holstered handgun. The altercation resulted in Deputy Delpit firing one round from her department issued handgun, striking Costa in the abdomen. Shortly thereafter, additional personnel responded to stabilize and secure the scene. Meanwhile, the subject was transported via ambulance to the Ventura County Medical Center (VCMC) where he was eventually pronounced deceased.

I documented the crime scene and assisted Sheriff's Field Evidence Technician's with identifying and collecting evidence. Any distances or measurements mentioned in this report are approximate. For exact measurements of the scene, assorted physical evidence and their respective locations, refer to Senior Deputy John Popp's factual laser diagram.

### Weather and Lighting Conditions:

The weather conditions were warm with an occasional breeze. The roadway and surrounding landscape appeared to be dry and the visibility was excellent. The primary source of illumination was from the late afternoon sunlight.

### Description of Scene Location:

This portion of N. Ventura Avenue is located in the unincorporated area of Ventura, in the County of Ventura. N. Ventura Avenue is a paved roadway that runs north and south.

The crime scene primarily consisted of the roadway/sidewalk, Deputy Delpit's marked patrol vehicle, and a tow truck associated with an eye witness to the event.

The road is a wide, two lane asphalt roadway with a cement sidewalk on both sides. The area west of the scene is an open dirt field. The area south-west of the scene is a large industrial building, commonly known as the "Pepsi Plant." The area east of the scene consists of a small residential housing tract.

**Narrative:**

Vehicle #1: A marked Ventura County Sheriff's Office Ford Crown Victoria patrol vehicle, further identified as unit #3406. This particular unit is specially equipped for K9 deployment. The patrol vehicle was parked along the west curb, facing in a north-west direction with the forward and rear flashing emergency lighting activated.

Vehicle #2: A flat-bed "Bob Carlson" towing service truck (Ca. License plate [REDACTED]) parked approximately 60 feet south of vehicle #1 along the west curb, facing south.

**Suspect's Body:**

The suspect, later identified as Devon Costa, had been transported from the scene via ambulance prior to my arrival. Therefore, the location of where Costa's body fell to the ground is estimated to be in the general area near the west curb, very close to the left rear bumper of Deputy Delpit's patrol vehicle. This is primarily based on statements and evidence of medical treatment paraphernalia strewn along the ground in that general area.

**Evidence:**

I coordinated the identification and collection of evidence with Sheriff's Field Evidence Technicians [REDACTED]. They marked, photographed, collected, and later booked the evidence identified at the scene. Refer to their supplemental report(s) for further information.

*Note: The items listed below are identified by the photo marker number (PM) and/or a corresponding evidence item number only if an item of physical evidence was collected.*

Narrative:

### Notification, Response, and Actions

On September 07, 2013, at approximately 1710 hours, I became aware of an officer involved shooting that just occurred on Ventura Avenue, near Los Cabos Lane in the unincorporated area of Ventura. Major Crimes Detective Dean Worthy had informed me of radio traffic, indicating Deputy Danielle Delpit was involved in a shooting during a call for service. I informed Major Crimes Captain Chris Dunn and the Watch Commander, Captain Melissa Smith, that I would be responding. Captain Dunn designated me as the case agent for this incident and said he would meet me at the scene.

While enroute to the scene of the incident from Camarillo, I began coordinating the response of additional resources. The following were summoned to the scene:

- Command Post vehicle.
- Traffic personnel equipped with factual laser diagramming capabilities (Sr. Dep. J. Popp).
- Technical Unit personnel for lighting, generators, and the bucket truck (Sr. Dep. D. Smith).
- Additional investigative personnel from the Major Crimes Bureau.

Additionally, I deployed the following Major Crimes Investigators:

- Detective Sgt. Beckett was assigned to respond to the Ventura County Medical Center (VCMC) in order to oversee the handling of the suspect. Once the suspect was pronounced deceased, Sgt. Beckett coordinated with Deputy Medical Examiner Mike Tellez.
- Detective King was assigned to respond to Community Memorial Hospital (CMH) to coordinate with hospital personnel and ensure proper evidence preservation until the arrival of additional resources such as CSI personnel and investigators assigned to conduct the interview of Deputy Delpit.

I arrived on scene at approximately 1735 hours. I met with Commander Kerr, Commander Stewart, Captain Dunn, Captain Kenney, and Sergeant Margetin who was the patrol supervisor for the incident. After Sgt. Margetin briefed me on the circumstances, I began assigning additional tasks to personnel on scene. The following Major Crimes Investigators, Gang Unit personnel, Camarillo SED personnel, and personnel assigned to the Crime Scene Investigations Unit (CSI) were deployed as follows:

- Gang Unit and Camarillo SED Detectives Jarrod Foote, Beau Rodriguez, Paul Krueger, Gunnar Dike, and Eduardo Malagon canvassed the surrounding neighborhood and interviewed witnesses. (This was already in progress and being coordinated by patrol supervision prior to my arrival).
- Detectives Brantley and Michalec were assigned to conduct the interview with Deputy Delpit.
- Detective Michalec was also assigned to interview the initial reporting party and an eyewitness to the event (tow truck driver).
- CSI technicians [REDACTED] and [REDACTED] were assigned to process the crime scene under my

direction.

- CSI technician [REDACTED] was assigned to CMH to collect evidence from Deputy Delpit.
- Detective King was assigned to inventory Deputy Delpit's weapon and ammunition and ensure proper collection methods. CSI Technician [REDACTED] collected / booked all evidence from Deputy Delpit.
- I documented the crime scene.

At approximately 1755 hours, I participated in a familiarization walk-through of the crime scene with Sgt. Margetin and CSI technician [REDACTED]. I observed several items of obvious evidentiary value and oversaw the collection and processing of the scene. Refer to my Crime Scene report and Factual Diagram report by Sr. Deputy John Popp #2277 for details.

As the processing of the crime scene concluded, I made the following additional assignments:

- Detective Brantley and I handled the death notifications and subsequent interviews of the family. Report to be completed by me.
- Sgt Laughlin was assigned to attend and document the autopsy, scheduled for the following Monday. CSI Technician [REDACTED] was assigned to attend as well for evidence collection.

**Narrative:**

**Initial Information**

On 9-7-13 at approximately 1635 hours, I was working as the Patrol Services Watch Commander in the Sheriff's Communication Center. During this time, I monitored a call being dispatched to Dep. Delpit who was working patrol as 3AK with her K-9 partner Dano. The call involved a male subject standing in the roadway at Shell Rd. and Ventura Avenue acting strange.

At about this same time, Captain Smith arrived and we began transitioning to her taking over as watch commander.

I did not hear Deputy Delpit arrive on the scene of the call. However several minutes later, I heard Deputy Delpit say over the radio that the subject was not complying with her verbal commands. I have known Deputy Delpit for over 20 years and heard concern and alarm in her voice as she broadcast this information. I directed dispatch staff to contact the Ventura Police Department to see if they had a patrol car in the area that could assist Deputy Delpit. I did this because I could see on the GPS mapping system that the other responding Sheriff's patrol cars were still responding from a significant distance.

Very shortly thereafter we heard Delpit broadcast that she had been hit in the face. I then directed a dispatcher to send Ventura PD code 3 to aid Delpit. The Sheriff's patrol units also began responding code 3.

Within another short period of time, Delpit radioed that the suspect had been shot. Delpit also said she was injured and requested an ambulance respond to her location. Knowing that an Officer Involved Shooting had just taken place and that a number of resources were committed to another investigation, I decided to respond to the scene until appropriate personnel were able to arrive. Captain Smith took over as the on-duty watch commander.

**Observations and actions at the Scene**

I arrived at the scene and evaluated the situation. I directed deputies to establish an inner and outer crime scene perimeter that was sufficient to protect evidence and prevent the gathering public from interfering with operations at the scene. I also directed Sgt. Diaz to ensure that a crime scene log was started and that all personnel inside the crime scene tape were identified and logged in.

I noticed that County Fire and ambulance personnel were treating the suspect at the rear of Deputy Delpit's patrol car. Delpit's car was parked along the west curblin of Ventura Avenue near the Pepsi Plant and very near to the intersections with Los Cabos Lane and Bard Lane. I did not see Delpit's K-9 partner Dano, but saw Deputy Delpit standing on the sidewalk south of the suspect.

I walked over to Deputy Delpit and saw that her lower face was covered with smeared blood. I also saw that Delpit's hands had blood on them. Delpit appeared to be in pain and unstable on her feet. A Fireman was talking to Delpit and I heard that her voice was shaky and low in volume. She was touching her nose and sinus area and wincing as she did so. Delpit's eyes were red and glassy and my general impression of her was that she was struggling to maintain her bearing and concentration.

Delpit asked me about the suspect. He was plainly visible from where we were standing and I told her that he was being treated by paramedics which was a positive sign. Deputy Dent walked up to where we were standing. I instructed Dent to remain with Delpit. A Fire Captain approached Delpit and asked her if she had shot the suspect twice because they were treating him and found what they thought were two bullet holes, one on the torso and one on the arm. The question was directly related to the suspect's medical care and condition so I did not interject and stop Delpit from responding. Delpit seemed certain that she had only fired once, and explained that the hole on the suspect's arm was a puncture wound from her K-9 partner Dano. The Fire Captain did not attempt to question Delpit any further.

I saw the Gang Unit arrive and directed Deputy Dike and his partners to assist with establishing the crime scene perimeter and taking statements from witnesses in the area. As this was going on, the suspect was placed on a gurney and loaded into an ambulance for transport. I asked one of the paramedics what the suspect's condition was, he said the suspect was in

full arrest.

I called Captain Smith and updated her on the situation. She told me resources were on the way to assist with the investigation.

Paramedics wanted Delpit to go to the hospital for evaluation and treatment, however she was resistant to do so. The scene was being secured and the suspect had been removed from the scene, it was appropriate to deal with moving Delpit from the scene to the station. Deputy Dent was available and a supportive rapport existed between Delpit and Dent. I decided to assign Dent to transporting Delpit to the Headquarters Station. I reminded Dent that he was to avoid any conversation of the incident and to limit his interaction with Delpit to a support and comfort role.

Deputy Delpit expressed concern for her K-9 partner Dano. She stated that in a recent incident, Dano had been left at the scene for an unreasonable period of time which caused the animal to suffer. I decided to allow Delpit to maintain possession of Dano and transport him to her residence (which has a department approved kennel) after which she and Dent were instructed to respond directly to the Headquarters Station. I told Delpit not to linger or interact with anyone at her residence. Delpit understood and was visibly relieved that Dano was being cared for. Delpit and Dent then left the scene.

Captain Dunn from Major Crimes arrived and I briefed him on the situation. As additional resources began to arrive my role lessened and I left the scene.

While at the scene I did not take an Officer Safety Statement from Delpit as Sgt. Margetin had done so prior to my arrival. I did not handle or collect any evidence, nor did I interview any witnesses.

End of Report.

NARRATIVE    SUPPLEMENTAL    CASE CLOSED

**Narrative:**

On 9/7/2013 at approximately 1633 hours, I was working unformed patrol as 3A11 in the unincorporated area of Ojai when I heard K9 Deputy Delpit #2953 and Senior Deputy Beauvais #3173 get dispatched to a suspicious subject (later identified as S / Devon Costa) standing in the road with his arms out in the area of North Ventura Avenue and Shell Road.

I began to drive towards that area from Loma Drive and Tico Road in case they needed assistance.

K9 Deputy Delpit arrived on scene and attempted to contact Costa. At approximately 1645 hours, K9 Deputy Delpit asked for Senior Deputy Beauvais to respond code 3 (emergency response lights and sirens). At this point, I notified dispatch I was responding code 3 from the Arnaz Grade at Creek Road to assist K9 Deputy Delpit. While enroute to assist K9 Deputy Delpit, K9 Deputy Delpit made a radio transmission that was hard to understand. The radio transmission sounded like K9 Deputy Delpit was involved in a serious altercation of some sort. The radio transmission was muffled and it sounded like she was fighting with Costa. During the radio transmission, it did sound like K9 Dano was growling and fighting with Costa in the background.

At approximately 1649 hours, I arrived on scene. K9 Deputy Delpit's patrol unit was facing northbound on North Ventura Avenue parked along the west curblin north of the Pepsi Beverage Company building. I stopped my patrol unit in the southbound lane of North Ventura Avenue next to K9 Deputy Delpit's patrol unit and immediately grabbed my baton and ran to assist K9 Deputy Delpit. I ran around the rear of my patrol unit, then around the front of K9 Deputy Delpit's patrol unit. I saw K9 Deputy Delpit at the rear of her car and it appeared to me she was trying to pull K9 Dano off of Costa. I could not see Costa's body behind K9 Deputy Delpit's patrol unit or see what Costa was doing. At this point, I did not know Costa had any injuries and I thought he was still fighting with K9 Deputy Delpit.

Based on what I heard on the radio transmission and what K9 Deputy Delpit was doing, I believed Costa was still resisting K9 Deputy Delpit and I was going to use my baton on Costa until he stopped resisting. As I came around the corner of K9 Deputy Delpit's patrol car, K9 Deputy Delpit told me, "No don't! He's been shot. Handcuff him". Costa was lying face down facing a northeast direction behind the trunk area of K9 Deputy Delpit's patrol unit. It looked like Costa had an injury to the inside of his left arm as I handcuffed him. The injury looked like part of the inside of his left forearm was shredded and peeled back. At this point, Costa was still breathing with his eyes open but he was not responding to anything I said to him when I asked him if he could hear me.

After securing Costa, I turned to K9 Deputy Delpit and saw her nose bleeding. K9 Deputy Delpit had blood coming down around her mouth and onto both of her hands. K9 Deputy Delpit said Costa hit her and tried taking her gun. K9 Deputy Delpit had placed K9 Dano in the back of her patrol unit while I was handcuffing Costa. I asked K9 Deputy Delpit if she was hurt anywhere else. K9 Deputy Delpit said her right index finger was hurt and then she walked to the front of her patrol unit. K9 Deputy Delpit was clearly upset about the situation. K9 Deputy Delpit's hands were shaking as well as her voice when she was talking.

**Narrative:**

I went back to Costa and looked for additional injuries. I lifted Costa's black t-shirt and saw what looked like intestines protruding out from a hole in his stomach area. There was no blood coming from his wounds and he was still breathing. Based on the level of my first aid and CPR training, I believed there wasn't anything I could do to help Costa. There was no external bleeding from any of the wounds and Costa was continuing to breath. I believed the traffic that continued to approach our location along North Ventura Avenue was a greater threat to the safety of K9 Deputy Delpit, Costa and myself. Because of the level of traffic approaching our location, I moved my patrol unit across the southbound lanes of North Ventura Avenue just north of Los Cabos Lane to block traffic. Senior Deputy Beauvais arrived and I told him to park his patrol unit across the northbound lane of North Ventura Avenue at Bard Street.

Ventura Police Department officers began arriving and blocking off all traffic going north and southbound North Ventura Avenue at Bard Street. Sergeant Margetin #2944, Deputy Hardy #4141, and Deputy Sharif #4540 arrived and began to block off traffic from Los Cabos Lane and North Ventura Avenue. Ventura County Fire Department station #23 arrived and began life saving measures on Costa.

I located a silver colored bullet casing located approximately ten feet southeast of the trunk to K9 Deputy Delpit's patrol unit. Senior Deputy Beauvais grabbed an orange traffic cone out of my patrol unit and placed the cone next to the bullet casing. I told the group of firemen who were working on Costa about the found bullet casing before walking over to K9 Deputy Delpit to see if she was still okay.

After talking to K9 Deputy Delpit, I was told by Captain Davidson to get a crime scene entry log started. I made my way back to my patrol unit to start a log when I noticed the orange traffic cone was moved. I saw a Lifeline ambulance had driven into the crime scene. As I moved closer, I could see the silver bullet casing was smashed into the ground. I placed the orange traffic cone next to the silver bullet casing again and told the firemen and ambulance personnel that it was evidence.

I retrieved the crime scene logs from my patrol unit. After retrieving the logs from my patrol unit, Sergeant Margetin told me to take K9 Deputy Delpit to the Headquarters station. I handed the crime scene logs to Senior Deputy Burgess #2249. Before leaving, Captain Davidson told me to take K9 Deputy Delpit to her house to drop off K9 Dano before heading to the Headquarters station.

At approximately 1725 hours, I took K9 Deputy Delpit to her house to drop off K9 Dano. While leaving K9 Deputy Delpit's house, Sergeant Margetin contacted me via cell phone and told me to take K9 Deputy Delpit to the Community Memorial Hospital (CMH) for a medical evaluation.

Once at CMH, K9 Deputy Delpit was evaluated my medical staff. While waiting for medical staff to evaluate her, K9 Deputy Delpit told me her duty belt was crooked and proceeded to straighten it out. After straightening the duty belt out, K9 Deputy Delpit told me it must have been crooked because Costa was grabbing her gun and pulling on her duty belt.

After being evaluated by medical staff at CMH, I transported K9 Deputy Delpit back to the scene of the shooting to walk through the scene with major crimes investigators. After the interviews, I transported K9 Deputy Delpit back to her house and then I went back to the Ojai Police Station.

I took five photographs with my department issued phone of Costa prior to the arrival of fire department or the ambulance. The photographs were uploaded to the server via ICOP.

I arrived at the Ojai Police Station and went out of service at approximately 2330 hours.

**Ventura County Sheriff's Dispatch / Radio Communications**

On 9/9/13, I received a compact disc from the Ventura County Sheriff's Dispatch Center. The disc contained a recorded 911 call from 9/7/13 reference a suspicious subject in the area of N. Ventura Avenue and Shell Road in Ventura. The disc also contained the radio transmissions between the dispatcher and deputies who responded to the suspicious subject call. I reviewed the recordings and while listening to the audio recordings, I referred to a printout of the dispatch call for service that listed the times for the initial call to dispatch and the associated radio traffic. I later booked the cd and the call for service printout as evidence. Refer to the cd and call for service log for complete details. The following is a summary of the recordings:

**911 Call**

**9/7/13, at 16:33:56 hours - 911 call to Sheriff's Dispatch**

Dispatcher [REDACTED] answered and asked how she could help the caller. A male subject identified himself as [REDACTED] and he explained that he was working as security for AERA Energy at Shell Road and "The Avenue" (Ventura Avenue) [REDACTED] told [REDACTED] there was a male "Standing in the middle of the street, blocking traffic, with his arms out like he wants somebody to run over him." [REDACTED] asked [REDACTED] to describe the subject and [REDACTED] told her the male was approximately 6'2"-6'3" tall, with dark brown, "wavy" hair and a beard, wearing a black tee shirt and black pants. [REDACTED] asked [REDACTED] if the subject appeared to be a transient, to which [REDACTED] replied, "Ahh, he kinda looks that way, yes ma'am." When [REDACTED] asked how old the subject looked, [REDACTED] estimated the subject to be in his mid to late twenties. [REDACTED] asked if the subject was carrying anything and [REDACTED] told her he was not.

[REDACTED] obtained [REDACTED]'s phone number [REDACTED] and [REDACTED] told her the subject was now walking north along the (west) side of N. Ventura Avenue, towards Crooked Palm. [REDACTED] further described the subject as "Throwing up his hands like he's talking to himself." [REDACTED] thanked [REDACTED] and said a deputy would be out to check on the subject. [REDACTED] thanked her and the call ended.

**Dispatch / Radio Traffic**

On 9/7/13, at 16:34:31 hours, a female Ventura County Sheriff's Dispatcher called for "3AK" (Deputy Delpit) and "3A12" (Sr. Deputy Beauvais) and they both answered with their call signs. The dispatcher

advised both units of a "suspicious subject" in the area of Shell (Road) and Ventura Avenue. The dispatcher said the suspicious subject was a "Possible transient, white male, twenties, 6'2", dark brown hair, a beard, black tee shirt, black pants, standing in the middle of the street with his arms out. On Shell, cross of Ventura." Deputy Delpit acknowledged the call and Sr. Deputy Beauvais advised he was responding to the call from "The city" (Ojai).

The next radio traffic was the dispatcher updating the location of the suspicious subject as "Now walking northbound on the avenue, towards Crooked Palm, in the street, but near the sideways (sic). Still throwing his arms in the air and talking to himself."

There was unrelated radio traffic between the dispatcher and deputies from other West County Sheriff's Stations.

At 16:40:29 hours, Deputy Delpit advised she was "10-97" (On scene) and the dispatcher acknowledged her before dispatching units in Camarillo to an unrelated call for service. There continued to be other miscellaneous and unrelated radio traffic transmitted between other units and dispatch.

The next radio traffic from Deputy Delpit was her request for a "10-33" (Emergency traffic only) and for "3A12" to respond "Code" (lights and sirens). The dispatcher announced the "10-33" and advised "3A12" to respond "code 3". Sr. Deputy Beauvais answered the dispatcher and advised he was responding "code" from the area of Creek Road at Encino.

Deputy Delpit told dispatch the subject was still walking north on Ventura Avenue at Fraser Lane and "He's completely despondent and not responding to anything I'm saying." "3A11" (Deputy Dent) advised dispatch that he was responding to Deputy Delpit's location from the "Arnaz Grade." In the background of Deputy Dent's radio traffic, sirens could be heard. The dispatcher acknowledged Deputy Dent and there was a brief radio transmission that was unintelligible.

Sr. Deputy Beauvais advised dispatch that he was discontinuing "code" and for "3A11" to continue responding code 3. The dispatcher asked if "1A" was responding and "3A11" advised he was enroute and the dispatcher acknowledged that "3A11" was enroute to "3AK".

"3S16" (Sergeant Margetin) advised dispatch that he was responding to "3AK's" location and dispatch acknowledged him. The dispatcher advised Deputy Delpit that "Station 2" (Ventura Police Department) was also responding to her location. There was a quick radio transmission that appeared to be Deputy Delpit saying, "10-4".

The next radio transmission from Deputy Delpit was her asking dispatch, "3AK, do you copy?" The dispatcher advised, "3AK, negative. 10-9 (repeat)." Deputy Delpit sounded out of breath and advised, "Subject's been shot, dog's on the bite. I've been punched in the face." The dispatcher asked Deputy Delpit to repeat her radio traffic. Deputy Dent asked dispatch what Deputy Delpit's location was and the dispatcher said Deputy Delpit's last location had been in the area of N. Ventura Avenue, near Fraser.

**Narrative:**  
The dispatcher seemed to have covered other radio traffic, possibly from Deputy Delpit, but it was unintelligible on the recording. Deputy Dent then advised he was almost "10-97" (on-scene).  
  
The dispatcher called for "3D12" (Sr. Deputy Burgess) to respond to "3AK" in the area of Ventura Avenue at Fraser. "1A11" (Deputy Hardy) and "1B11" (Deputy Sharif) advised dispatch they were also enroute to assist "3AK".  
  
Deputy Delpit asked dispatch for an ambulance and the dispatcher acknowledged the request. "3D12" (Sr. Deputy Burgess) asked if dispatch wanted him to respond and she confirmed his response "code". It sounded like other radio traffic was covered and then Deputy Delpit is heard calling for "station one" (dispatch). Once the dispatcher acknowledged her, Deputy Delpit said, "Station one, 3AK, the subject's been shot. I need an ambulance. For me and him. I've sustained an injury to my face." The dispatcher advised Deputy Delpit that fire was also enroute.  
  
"3S15" (Sgt. Aguilar) advised he was responding to the shooting. An unknown male voice asked dispatch if the location for the incident was on Fraser "down by Holt" and the dispatcher confirmed that was the last location. The dispatcher asked Deputy Delpit if that was the correct location and Deputy Delpit answered, "Affirm" that it was the correct location. Deputy Delpit still sounded out of breath during this radio transmission.  
  
Numerous members of the Ventura County Sheriff's Office advised dispatch of their response to the scene throughout the remaining radio transmissions.  
  
Sr. Deputy Beauvais requested additional units to respond for a perimeter at Bard and Holt and for AMR (American Medical Response) to respond "code". The dispatcher requested responding units to respond to the area of Bard and Holt and she advised that AMR was responding.  
  
An unidentified male voice asked how many ambulances were needed and the dispatcher asked units on scene how many ambulances were needed. A different unidentified male voice answered that two ambulances were needed.  
  
The dispatcher asked Sr. Deputy Beauvais to have someone call the Watch Commander from the scene as soon as possible and he confirmed they would call. The dispatcher asked Sr. Deputy Beauvais if it was clear for the fire department to enter the scene or if they needed to "stage" and Beauvais advised that fire could enter the scene.  
  
The remainder of the dispatch audio recording consisted of numerous members of the Ventura County Sheriff's Office responding to the scene, maintaining a perimeter around the crime scene, evidence collection and other miscellaneous radio traffic not specific to the incident. No further radio traffic was pertinent to the shooting. Refer to the actual recording for complete details.

### Background

On 09-07-13, I was at home when I received a call from Detective Sergeant Mike Beckett regarding an officer involved shooting that took place in Ojai. Sergeant Beckett advised me to respond to the incident and instructed me to contact Detective Sergeant Gleason to obtain an assignment. I called Sergeant Gleason by telephone and was instructed to respond to the Ventura County Medical Center where the involved deputy was being transported for treatment. Sergeant Gleason also identified the involved deputy as Danielle Delpit. When I left my residence, I monitored Sheriff's Dispatch radio traffic which stated the involved deputy was being transported to Community Memorial Hospital in Ventura. I re-contacted Sergeant Gleason and advised him I was responding to Community Memorial Hospital, rather than Ventura County Medical Center.

I arrived at Community Memorial Hospital at about 1810 hours. Upon my arrival, I entered the emergency room treatment area through a secured door (access from the public lobby of the emergency room). Once inside, the emergency room, I observed several personnel present from the Sheriff's Office standing in the corridor outside the separate treatment rooms. I also observed Deputy Delpit standing among them. Rick Shimmel from the Ventura County Deputy Sheriff's Association was also standing in the corridor outside the treatment rooms. The Sheriff's Office employees present were as follows:

- Chief Crombach
- Captain Lathrop
- Sergeant Watkins
- Sergeant Diaz
- Deputy Dent

Shortly after my arrival, the following additional Sheriff's Office personnel walked into the emergency room:

- Captain Kenney
- Captain Smith
- Captain Murray
- Sergeant Camou
- Senior Deputy Duffner

I asked Sergeant Diaz to provide me any details he knew regarding the incident. He stated the emergency treatment rooms were full and hospital staff was waiting for an available room for Deputy Delpit. Sergeant Diaz stated that the suspect had punched Deputy Delpit and that she complained of the following injuries:

- Pain to her "trigger finger"
- Pain to her nose and mouth area
- Pain to her right hand

After speaking with Sergeant Diaz, Captain Kenney asked me if I was also aware that the suspect attempted to grab Deputy Delpit's gun. Once he informed me of this information, I stepped into a treatment room where Deputy Delpit had now been moved to by hospital staff. Prior to this, I had noticed several of the above listed Sheriff's Office personnel had hugged Deputy Delpit.

Inside the treatment room with Deputy Delpit were Captain Lathrop, Sergeant Camou, and Deputy Dent. I informed Deputy Delpit that I was going to collect her gun belt and shirt for possible DNA evidence. Captain Lathrop advised me that he had already contacted the Sheriff's Office CSI Unit and a technician was responding to the hospital for evidence.

At about 1839 hours, Sheriff's CSI Technician [REDACTED] arrived at the hospital. I instructed him to take photographs of Deputy Delpit, including overall photographs, photographs of her duty belt, her head, face, and hands. Once he took the requested photographs, I instructed him to collect Deputy Delpit's duty belt and uniform shirt in its current condition and seal it in an evidence bag to protect any possible DNA evidence. Since Deputy Delpit had her department issued cell phone on the front of her duty belt, I had CSI Technician [REDACTED] swab the phone for possible DNA evidence and place it in a separate bag. After the items were secured by CSI Technician [REDACTED] I called Detective Sergeant Gleason and advised him the Deputy Delpit's duty belt and uniform shirt had been collected for possible DNA evidence and that Deputy Delpit's duty weapon had not been inventoried. Sergeant Gleason advised me that Detectives Brantley and Michalec were enroute to my location to relieve me.

Headquarters Station and met with CSI Technician [REDACTED] in order to inventory Deputy Delpit's duty belt. Inside the station, I utilized table to conduct the inventory. CSI Technician [REDACTED] documented the process of the inventory with photographs. The duty belt contained Deputy Delpit's assigned handgun, magazines, and other equipment (taser, baton, radio, double handcuff case with two pairs of handcuffs, and OC). Deputy Delpit's assigned handgun was a 40 Caliber, Sig Sauer, model P226 semi-automatic handgun, with the serial number of U694-080.

The magazine pouch on Deputy Delpit's duty belt was held upright and to the left of the belt buckle when Deputy Delpit wore the belt. I removed the first spare magazine (closest to the belt buckle & closest to the taser) and counted the rounds. The spare magazine contained 12 rounds of ammunition. I removed the second spare magazine (closest to the baton & farthest from the buckle) and counted the rounds. The second spare magazine contained 12 rounds. I removed the handgun from the duty belt holster and placed it on the table. The holster was worn on the right side of the duty belt by Deputy Delpit. I unloaded the handgun by removing the magazine and the 1 round in the chamber. I counted the rounds contained in the magazine removed from the handgun (not including the one from the handgun chamber) and determined the magazine contained 11 rounds.

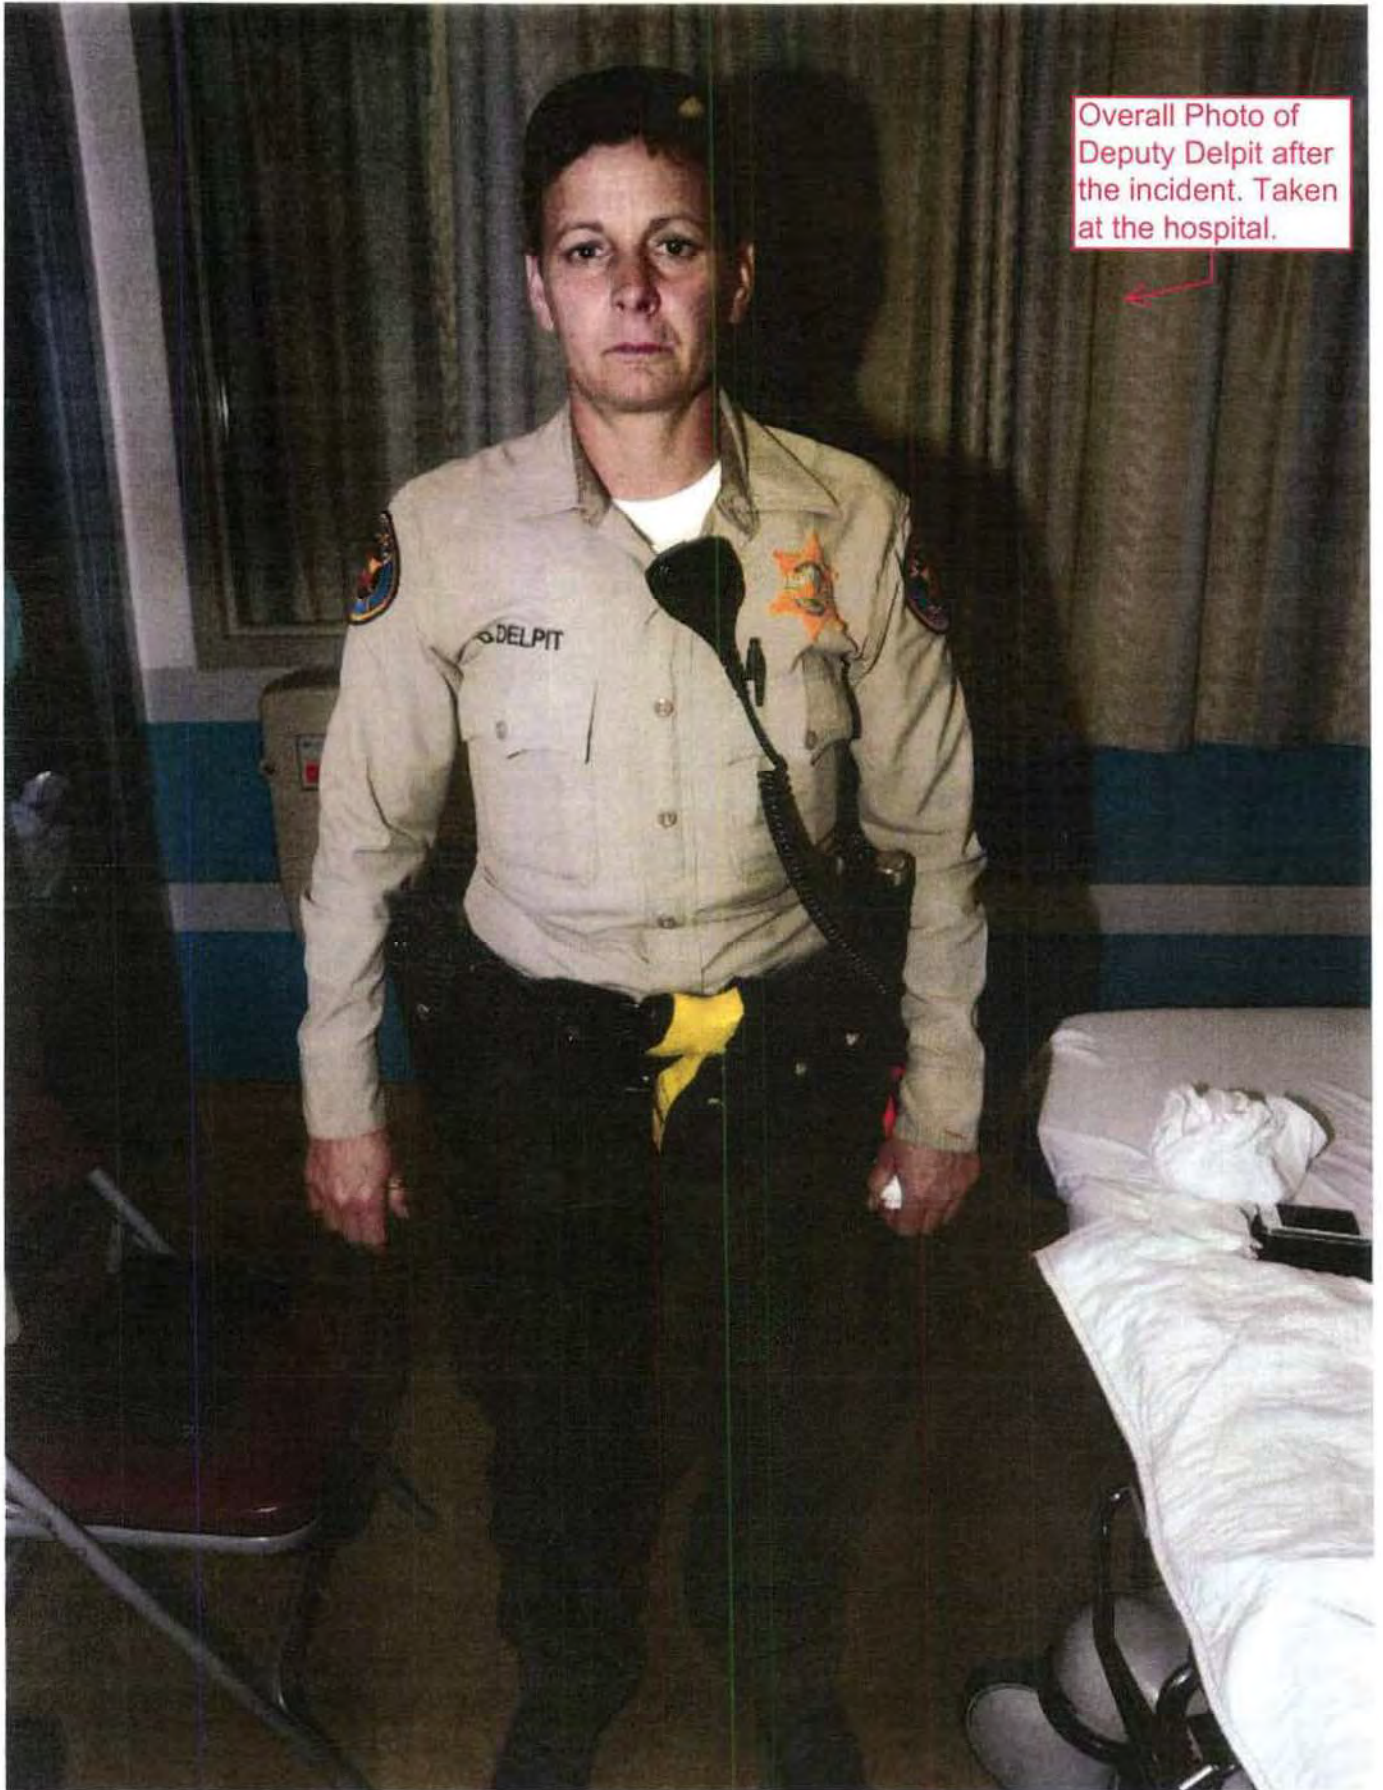

Deputy Delpit's handgun had a TLR-1 Streamlight attached to the front of the weapon. I also noted there was dirt on the back strap of the handgun grip.

After the equipment was photographed and the ammunition was inventoried, CSI Technician [REDACTED] took custody of the items. I contacted Sergeant Gleason and advised him the number of rounds that were inventoried.

Narrative:

**Background**

On September 07, 2013, at about 1700 hours, Detective Sergeant Gleason contacted me and told me to respond to North Ventura Avenue at Los Cabos Lane in the unincorporated area of Ventura reference an officer involved shooting investigation. I was told Ventura County Sheriff's Deputy Danielle Delpit #2953 had responded to the area reference a call for service involving a subject disturbing and exhibiting bizarre behavior. The subject, later identified as Devon Costa, was soon located by Deputy Delpit. During the contact, Costa physically attacked Deputy Delpit, causing serious injury.

In an effort to defend herself, Deputy Delpit deployed her K-9 partner "Dano." The situation continued to escalate as the K-9 had very little effect and the suspect grabbed Delpit's handgun. The altercation resulted in Deputy Delpit firing one round from her department issued handgun, striking Costa in the abdomen. Shortly thereafter, additional personnel responded to stabilize and secure the scene. Costa was transported via ambulance to the Ventura County Medical Center (VCMC) where he eventually succumbed to his injuries. Sergeant Gleason tasked Detective Michalec and me with interviewing Deputy Delpit reference the shooting.

**Interview with Deputy Delpit**

On September 7, 2013, at about 2115 hours, Detective Michalec and I interviewed Deputy Delpit reference the Officer Involved Shooting she was involved in. Delpit requested the interview be conducted during a "Walk-Through" of the crime scene. Also present during the walk through interview was Delpit's attorney, [REDACTED] Internal Affairs Sergeant Mark Franke, Senior Deputy District Attorney Chris Harman, District Attorney Investigator Adam Witkins, and Ventura County Special Counsel [REDACTED]. The walk-through interview was digitally recorded and later stored on a compact disc.

I thanked Delpit for talking with me and asked her if she knew she was not obligated to speak with me or answer any of my questions. Additionally, I asked if her participation in this walk through was completely voluntary, to which she replied, "Yes." Delpit stated she was working patrol on this date as "3AK." Delpit said she usually begins her patrol shift as 3AK at 0630 hours. Her patrol shift is 12 hours long. Delpit

said she normally goes to sleep at 2030 hours on the nights preceding a work day. She said on September 6, 2013, she went to sleep after 2030 hours because she was talking to her mother on the telephone. She did not recall what time she finished the telephone conversation. Delpit said she woke up on September 7, 2013, at about 0430 hours. Delpit said she went into service (10-8) at about 0815 hours. Delpit told me she works the 3A3 beat area even though she is a canine unit (Call Sign: 3AK).

Delpit said she received a radio call between 1600 and 1615 hours. Delpit was in the Oak View area when she received the call of a suspicious subject. Dispatch advised Delpit there was a male subject with dark hair wearing a black T-shirt and black pants walking in the middle of the street on Ventura Avenue approaching Crooked Palm Road. Delpit said she and Senior Deputy Beauvais (3A12) were dispatched to the call. Delpit said additional information from dispatch described the male subject as waving his arms and talking to himself.

Delpit responded to the area and first observed the male subject (later identified as Devon Costa) in the vicinity of 4192 Ventura Avenue. Delpit saw Costa on the west shoulder of Ventura Avenue walking north on the sidewalk. Delpit saw that Costa was talking to himself and waving his arms around, just as described by dispatch. Delpit said Costa was doing "weird" things with his hands on the outer portion of clothing. Initially, Delpit was traveling south on Ventura Avenue and passed Costa. She turned her unit around and approached Costa from the rear.

Delpit continued to observe Costa and noticed he was making gestures upward with his hands. Delpit said Costa was looking back towards her but did not think he actually noticed her. Delpit was following Costa south on Ventura Avenue on the west side of the roadway (opposing traffic) in the shoulder lane. Delpit said the only thing that was between her and Costa at any point occurred near the end of the incident when a tow truck pulled up.

At one point, Delpit stopped her unit and exited with her dog because of Costa's' bizarre behavior. Delpit estimated she was about twenty feet away from Costa. Delpit announced, "Sheriff's Department, what's going on? What's your name?" Costa did not stop and Delpit thinks he turned around a few times and made strange gestures with his face. Delpit did not think Costa was in his "normal state." I asked Delpit to describe the strange gestures and she said he was mumbling and just looked strange. Delpit said this contact occurred adjacent to the Pepsi plant (which is located on the north side of the road). Delpit estimated being about twenty to twenty-five feet behind Costa. Costa continued to ignore Delpit.

Delpit got back in her unit and asked for a 10-33 (emergency radio traffic) and for a backup unit to respond "code" (lights and sirens). Delpit advised dispatch that Costa was despondent. Delpit saw a tow truck pull in front of her location on Ventura Avenue. Delpit continued to follow Costa in her unit. Delpit described "crawling" along in her unit in the north shoulder area. Delpit was following Costa

northbound in the southbound side of the roadway. Delpit thinks the tow truck driver stayed in the cab of his truck until the incident was over. The tow truck driver was in his cab as Delpit passed his parked truck. Delpit stayed behind Costa the entire time she was following him northbound.

Delpit said Costa stopped and faced her. She stopped her unit and exited with her canine (Dano). She estimated still being about twenty to twenty-five feet behind Costa. Delpit said Costa stayed on the sidewalk the entire time she followed him. Delpit's dog was on a six or seven foot lead (leash). Delpit went forward, past her unit's driver's door with her canine. She thought it would "register" once Costa saw her. Delpit said, "Sheriff's Department! Stop!" At this point Costa began coming towards her. Delpit said it happened fast and she thought Costa was going to charge her and strike her. Delpit saw Costa raise one of his arms as he was coming at her. Delpit told me she could see the hand of the raised arm was clenched into a fist. Delpit sent her canine partner "Dano" towards Costa. Dano secured the raised arm with the clenched fist. Dano was holding on to Costa's arm as Costa swung around. Delpit described the situation as a "catcher" wearing a sleeve (A term referencing a training technique used by dog handlers during training). During such training, a handler wears a leather arm sleeve to allow the canine to "bite" the sleeve during a training situation (The person wearing the sleeve is commonly referred to as a "catcher").

Delpit believed Dano's momentum would have taken Costa down. Delpit was holding on to Dano's lead and was within seven feet of Costa. Delpit thinks she was near the front area of her unit's driver's door at this point. Delpit said when Costa swung around he continued towards her and struck her in the face with his clenched fist. Dano was still holding a bite on Costa's arm. I asked Delpit if it looked like Costa was trying to fight with Dano. Delpit said no, and again stated that Costa spun around. Delpit thought Costa was going to fall down. Delpit said it appeared that Dano did not affect Costa, but did not completely realize it until she was punched in the face. Delpit said she could see that Dano definitely had a bite (hold) on Costa's arm.

I told Delpit that I was never a canine handler and asked if such a bite on a suspect would normally be effective, and if the dog would normally take the suspect to the ground. Delpit responded, "Absolutely!" I asked Delpit if she was concerned that Costa did not go down to the ground. Delpit said she was concerned when she realized she was getting punched in the face. Delpit added that she thought Dano's momentum was going to take Costa down.

Delpit said she was not positive which hand Costa used to punch her. She said she was struck in the center of her face in the nose. Delpit thought she was going unconscious. She heard a "pop" in her ears and Costa was "on top" of her. Delpit again said Dano was holding on to Costa's arm during this time and after she was punched in the face.

Delpit felt she had run out of less-lethal options. She knew she had just been punched to the point

where she almost lost consciousness. Delpit added she doesn't know if she indeed did go unconscious or not when she was punched. I asked Delpit if she actually fell to the ground and she said she didn't know. Delpit said it was her opinion that Costa was on top of her. She said Costa was "reaching" on her. Delpit motioned towards her belt area. I asked Delpit if Costa ever touched her around her belt and she said yes. Delpit was positive Costa grabbed near the area of her belt. Delpit thinks she jammed her finger trying to get her gun out when Costa went for the gun. Delpit was not positive Costa grabbed any portion of her belt but thinks Costa grabbed onto her gun. Delpit's gun was contained in her Sam Brown belt (gun belt).

Delpit said she was going for her gun when she was punched because she felt she was losing consciousness. Delpit said she felt, without a doubt, that she was "going out" when she was punched. Delpit said when she pulled her gun out of her holster she thinks Costa grabbed it. Delpit fired one round striking Costa. Costa immediately went backwards. Delpit said the fired round effected Costa and she backed up. Delpit saw that Costa was "messing" with her dog. Delpit holstered her gun and ordered Costa to release the dog's mouth. Delpit said Costa did not say any words during the entire incident that she could remember.

Costa began going down towards the ground and Delpit approached him. She secured his right arm behind his back and was able to get Dano off the bite (Costa's arm). Delpit said Deputy Dent arrived at this point.

I asked Delpit what she thought Costa's intentions were when he grabbed her gun. Delpit said she thought Costa was going to kill her. He had just punched her and she didn't know if he was going to punch her again. Delpit said, at that moment, she just wanted to get away and create distance, which she stated seemed impossible. I asked Delpit if she had ever been punched in the face and knocked out (unconscious) during other past occasions. Delpit said she has been punched in the face before but never knocked out. I asked Delpit when she was punched if she lost her "bearings" and she said yes and thought she was "going out". Delpit said she didn't know if that was a fair assessment because she has never been knocked unconscious. I asked her if she remembered bleeding and she said yes. She remembered having blood on her hands.

I confirmed with Delpit that her dog was holding onto, and biting Costa during the entire incident and she said yes. Delpit was giving her dog commands during the incident and ordered the dog to release Costa after she shot him. Delpit described Costa's advance on her as a fast paced walk. Delpit was asked what she thought the distance was between her and Costa when she fired and she said, "We were on top of each other." Delpit was asked if Costa was on top of her and she said yes. Delpit said she was going down and backwards.

Delpit described being parallel to the unit's driver's door when Costa punched her in the face. Delpit fell

backwards and downward as Costa advanced towards her. It appeared to Delpit that Costa was attempting to administer additional strikes as he advanced. Delpit estimated being about three to four feet behind her patrol unit when she fired her weapon at Costa. Delpit said Costa's fists were clenched as he advanced towards her and she thought he was going for her equipment. Delpit described going backwards as Costa was advancing and grabbing at her equipment on her belt, particularly her gun.

She did not remember if she actually fell off her feet, or just went down to a knee. Delpit did not feel she had any other options to protect herself at this point. Delpit said at this moment she felt like Costa was going to kill her. Delpit said she was trying to regain her composure from being punched in the face and she was still trying to create distance. Delpit was trying get back on her feet and regain her strength. Delpit felt that her dog was not having any effect on Costa and she did not have any other (less-lethal) tools on her belt that she could produce at that moment.

According to Delpit, the verbiage Costa was uttering was unintelligible. Although Delpit could clearly see Costa's hands, she became concerned whether or not Costa possessed a weapon. Delpit noticed Costa was continuously reaching into his clothing (Delpit demonstrated by reaching into her own clothing as she described Costa's actions). Additionally, Delpit said Costa's T-shirt was not tucked in and she lost sight of his hands at times.

Delpit said she continued to order Costa to the ground and to stop during the incident. She told Costa she was going to send the dog towards him and he would be bitten if he failed to stop advancing. At this point the interview was terminated.

15 have to work.

16 DB: Do the --

17 DD: So probably by 8:00, 8:30 I'm asleep.

18 DB: Was that what it was last night too?

19 DD: Yeah.

20 DB: Okay. And what time --

21 DD: Well, maybe not that early. I was on the phone with  
22 my mom a little late so --

23 DB: Okay.

24 DD: -- whatever time I hung up her.

25 DB: Okay. And what time you get up normally or what  
26 time did you get up this morning?

27 DD: I got up at 4:30 this morning.

28 DB: Okay.

DD: So --

2 DB: Okay. You eventually, you started your shift at --  
3 you left your house at 6:30 you said?

4 DD: Yes.

5 DB: Okay. And what time did you go 10-8 tonight?

6 DD: 10-8?

7 DB: I mean this morning. What time did you go?

8 DD: Actually it was a little later 'cause we did a  
9 picture so it was probably -- probably about 8:15.

10 DB: Okay. What drew you to this -- this incident  
11 tonight? Did you receive a call or were you just on your routine  
12 patrol?

13 DD: This is actually my area. I work -- I work a beat.  
14 Even though I'm a canine, I work a 3A3 area.

15 DB: Okay.

16 DD: Which is from the Avenue all the way up to Oak View.

17 DB: Okay. And did you receive a call tonight that  
18 brought you down here or were you just on routine?

19 DD: Yes. I'm not sure the -- the specific time. I  
20 think it was about maybe 4:15, maybe 4:00-ish. I was actually at  
21 the 33 and Shell, at the Shell Gas Station. I was getting gas,  
22 which is in Oak View and I got a call of a suspicious subject call.

23 The call was basically that there was a male subject with  
24 dark hair wearing black T-shirt, black pants, walking in the middle  
25 of the street on Ventura Avenue approaching Crooked Palm. Crooked  
26 Palm runs actually at the south end of here and all the way down  
27 here.

28 DB: And you --

2 DD: So there's -- it actually parallels this for a  
3 little but on the opposite side.

4 DB: Okay. So when you say "south end of here," you're  
5 talking about what we're standing on, Ventura Avenue?

6 DD: Yeah, Ventura Avenue.

7 DB: South end, down there near the Shell exit?

8 DD: Yes.

9 DB: Okay.

10 DD: So I was sent to it and so was 3A12, which is my  
11 beat partner and that's Senior Deputy Beauvais.

12 DB: Okay. And what was the call? Do you recall what --  
13 what it was per dispatch?

14 DD: Just a suspicious subject in the middle of the  
15 street. He was -- they described him and they said that he was  
16 waving his arms, talking to himself.

17 DB: Okay. All right. So once you arrived, where did  
18 you first see him at?

19 DD: I was basically, I got off at Canada Larga 'cause I  
20 figured I could look down Crooked Palm where it --

21 DB: Okay.

22 DD: -- basically ends there. And I looked down, I  
23 didn't see him so I figured, okay, he's probably at this end.

24 DB: Uh-huh.

25 DD: And they said, I believe, if he was going towards --  
26 he was -- he was walking northbound and I think they said he was  
27 north of Crooked Palm at this point. So I assumed --

28 DB: Uh-huh.

DD: -- he was at this direction of Crooked Palm. So

1 first I didn't see him, I figured, well, he'd be here. I got to  
2 about right where the mobile home park is, 4192 I think --

3 DB: Uh-huh.

4 DD: -- Ventura Avenue and I saw him. He was on the west  
5 shoulder, walking on the sidewalk. I was basically parallel, he  
6 didn't even notice me. He was --

7 DB: Which direction was he walking?

8 DD: He was walking northbound.

9 DB: Okay.

10 DD: He was walking on the sidewalk, he was talking to  
11 himself, he was doing just as they had described.

12 DB: Uh-huh.

13 DD: Waving his hands in the air, doing weird stuff, you  
14 know, with his --

15 DB: Uh-huh.

16 DD: On the outer portion of his body.

17 DB: Right.

18 DD: So I figured, well, I'll approach him from behind.  
19 So I flipped around and I kind of observed him for a little bit and  
20 I saw him, he was kind of -- he was walking this way but from  
21 behind.

22 DB: Uh-huh.

23 DD: And I'm in my car 'cause I'm going slow. Now I'm  
24 still far enough behind him 'cause I didn't want to pull right up  
25 on him. I'm watching him and he's bringing his hands up and he's  
26 doing this and he's kind of looking behind him but I don't really  
27 think -- I don't think he's noticing me --

28 DB: Okay.

DD: -- one bit.

2 DB: And you went south of him and you turned around?

3 DD: Yes.

4 DB: So now you're crawling north?

5 DD: Yes.

6 DB: Behind this?

7 DD: And actually I am on the opposite side of the  
8 roadway.

9 DB: So you were traveling --

10 DD: Yeah.

11 DB: -- in the shoulder side?

12 DD: Yeah.

13 DB: Okay.

DD: And I mean obviously, this was all open here.

15 DB: Right.

16 DD: The only thing that was in my way at one point is  
17 the tow truck car that pulls up.

18 DB: Okay.

19 DD: Towards the end of the incident.

20 DB: Okay.

21 DD: He's about probably twenty feet ahead of me. I get  
22 out of my car with my dog and I announce 'cause of the funny stuff  
23 he was doing with his hands.

24 DB: Sure.

25 DD: And I'm like, you know, sheriff's department, you  
26 know, what's going on? What's your name? Doesn't stop. I think  
27 he turned around a few times, kind of did weird stuff with his, you  
28 know, face.

DB: Okay, okay.

2 DD: I could tell that he was not, you know, on his --  
3 his normal state.

4 DB: And weird stuff, you mean -- you mean the  
5 expressions?

6 DD: Like --

7 DB: He's making expressions?

8 DD: Yeah, like -- like (NOISE MADE) like, and just  
9 doing -- I don't -- I can't really --

10 DB: Making some sounds too?

11 DD: Yeah.

12 DB: Okay.

13 DD: Oh yeah, he was --

DB: Okay.

15 DD: Yeah.

16 DB: Anything in, you know, that you could --

17 DD: Nothing tangible.

18 DB: Right.

19 DD: Nothing tangible.

20 DB: Okay.

21 DD: I mean, it was obvious.

22 DB: Okay.

23 DD: So us, I kind of stayed back behind. I get  
24 actually -- so let me --

25 DB: Where did that contact take place at?

26 DD: Where the what?

27 DB: When you got out and tried to make contact?

28 DD: Okay. So that was probably the entire Pepsi plant,

1 I'm behind him.

2 DB: Okay.

3 DD: And I'm still within, I would say twenty to  
4 twenty-five feet behind him walking.

5 DB: Okay.

6 DD: And so I'm like okay, he's not listening, he's  
7 blowing me off so I get back in my car and I figure I'll just stay  
8 in the car. I ask for a 33, I ask for my back up to respond code  
9 and I said he's despondent. And I knew, okay --

10 DB: Uh-huh.

11 DD: -- you know, obviously this guy needs help.

12 DB: Right.

13 DD: So at that point the tow truck guy pulls up.

14 What -- so I'm kind of just staying but staying behind him, I'm  
15 thinking --

16 DB: Okay.

17 DD: -- okay, I got time, my partner's going to get here.

18 DB: Okay. So you got back in your car?

19 DD: Yes.

20 DB: Right.

21 DD: And I'm cruising real slow but keeping that  
22 distance.

23 DB: Okay. About twenty-five feet --

24 DD: Yeah.

25 DB: -- you said?

26 DD: Yeah, keeping that distance. And I'm riding in this  
27 area of -- of traffic and --

28 DB: And you're -- and you're indicating the shoulder

area?

2 DD: Yes.

3 DB: Okay.

4 DD: So, but at the point where the tow truck guy pulls  
5 in and I see him pull up and --

6 DB: When you see him pull up, the tow truck that's still  
7 sitting there, when were you at now?

8 DD: I was in front of the tow truck. I had to move.

9 DB: So the first time you saw the tow truck, you're down  
10 here?

11 DD: Well, he was pulling up. I should say it's like --  
12 it's all in the process so --

13 DB: Okay. Well, I want to walk us up there then.

14 DD: Okay.

15 DB: If we're -- hang on, Dani.

16 DD: Okay.

17 DB: If -- if we're farther in your story, I mean, if  
18 you're farther up there at this point in your story --

19 DD: Yeah.

20 DB: -- then take me up to where --

21 DD: Okay.

22 DB: Where you were.

23 DD: I know, I get excited. So -- so I'm driving and  
24 he's --

25 RW: Where -- so where are you when you see the tow truck  
26 pull up? Let's pick it up from there.

27 DD: The tow truck, I could see when he's coming up the  
28 corner.

RW: Okay.

2 DD: And I see him pull along --

3 DB: What, and --

4 DD: -- into the -- so probably --

5 RW: Are you here at the spot when you see him --

6 DD: I --

7 RW: -- first?

8 DD: God, I can't -- I don't know for a fact.

9 DB: Okay.

10 DD: But probably, yes, when he finally pulls and stops.

11 DB: And you're still in your unit about --

12 DD: I'm still in my unit.

13 DB: -- twenty-five feet behind him?

14 DD: Yeah.

15 DB: Let's --

16 DD: And -- and you can kind of see me kind of trying to  
17 get the guy to talk to me.

18 DB: Right.

19 DD: I'm -- I'm trying to talk to him.

20 DB: Right. So you're focused on him quite a bit. So --

21 DD: Quite a bit, but I --

22 DB: -- you're only seeing the tow truck driver --

23 DD: I saw that the --

24 DB: -- in your peripheral?

25 DD: I saw there was a driver in the car and the guy at  
26 that point, I'm -- I'm still coming up, the guy at that point looks  
27 at me like -- the tow truck driver --

28 DB: Okay.

DD: -- like what the heck and I'm like I know and I'm,  
2 you know, like letting him know we got it. And I go around him and  
3 that's why my car kind of end up --

4 RW: You go around?

5 DD: The tow truck driver.

6 DB: The tow truck.

7 DD: Sorry.

8 DB: Let me stop you right there for a second. I want  
9 you to try to put us where you were at, the best estimate you  
10 could -- you could give me where you were at when you first saw the  
11 tow truck driver and --

12 DD: It -- it could have been further back.

13 DB: Okay.

14 DD: So, I mean, literally. And that's --

15 DB: Okay. So once you see the tow truck driver, is he  
16 still in the cab of his truck?

17 DD: Oh, he stayed in the car.

18 DB: Okay.

19 DD: I never saw him get out till after everything was  
20 done. Well, that I know of.

21 DB: Okay.

22 DD: Until --

23 DB: 'Cause you -- you got --

24 DD: -- I got --

25 DB: You got us to the point where --

26 DD: Right.

27 DB: -- you got next to the tow truck. So you said you  
28 had to maneuver around him?

DD: I move -- maneuvered around him.

2 DB: Because you were still riding in the shoulder kind  
3 of?

4 DD: Uh-huh.

5 DB: Okay.

6 DD: Yes.

7 DB: So --

8 DD: I don't think this car was here but it may have  
9 been. So I may have moved around that one. I'm not sure. It is?  
10 Okay?

11 RW: I don't believe it was there.

12 DD: Okay.

13 DB: We don't think that was there. Regardless, once you  
14 got up to the tow truck driver, the individual was already passed  
15 in at that point?

16 DD: Yes.

17 DB: Right?

18 DD: Yes.

19 DB: Okay. Okay.

20 DD: So then I got around him.

21 DB: So let's -- let's walk up there. Okay.

22 DD: So I get around him.

23 DB: So you're still in your unit --

24 DD: Uh-huh.

25 DB: -- as you're passing the tow truck --

26 DD: Uh-huh.

27 DB: -- that we're standing right next to right now?

28 DD: Uh-huh. Yes.

DB: Okay.

2 DD: I'm still in the unit all the way up till where I  
3 stopped.

4 DB: Okay. Okay. At -- at some point did you pass the  
5 individual?

6 DD: Only when I went this way.

7 RW: No.

8 DB: As we're traveling right now?

9 DD: No, no.

10 DB: As you pull in your car right here?

11 DD: No, no. He was always --

12 DB: He stayed in front of you?

13 DD: Yeah.

14 DB: Okay.

15 DD: Yeah.

16 DB: Okay. So -- so I'm clear, you passed the tow truck  
17 and he -- he's still maintaining about twenty, twenty-five --

18 DD: Twenty, yeah. Twenty-five feet.

19 DB: -- feet in front of you?

20 DD: Where I stopped, he's --

21 DB: You -- you stopped right there. Where is he at  
22 then?

23 DD: He's probably where the tape is tied to the fence.

24 DB: Okay.

25 DD: Not that close, he's in the --

26 DB: Okay.

27 DD: I would say the middle portion of the sidewalk. But  
28 that's where he stops and faces me.

DB: He went up on the sidewalk?

2 DD: Yeah, he was on the sidewalk the whole time.

3 DB: Okay. I'm sorry. All this whole walk he stayed on  
4 the sidewalk?

5 DD: The whole way he was on the sidewalk.

6 DB: Okay.

7 DD: I never saw him in the street.

8 DB: Okay. Okay. So you stop right there. What happens  
9 next?

10 DD: He stopped so I stopped. I get out of the car  
11 with the -- my dog. My dog's on a seven -- six-foot lead. I get  
12 into -- I get past my door and where he can see me 'cause I'm  
13 thinking once he sees me, maybe it'll register. I'm in the dirt  
14 area and I said, you know, sheriff department, stop. At this  
15 point, he starting to come at me and it -- that -- this is like  
16 that for me. It's fast.

17 DB: Okay.

18 DD: And to me it's like he's going to charge me.

19 DB: Right.

20 DD: And I knew, okay, I'm not going to get charged here  
21 and hit.

22 DB: Okay.

23 DD: And his arm raises up. I'm not sure what arm raises  
24 up.

25 DB: Okay.

26 DD: One of his arms raises up. I send the dog.

27 DB: When he raises up his arms, do you see his hands?

28 Do you remember --

DD: Oh, yeah.

2 DB: -- seeing?

3 DD: I see -- I see his hand, it's in a fist.

4 DB: It's in a fist?

5 DD: It's in a fist, absolutely.

6 DB: Okay, okay.

7 DD: So I send Dano, it looked like Dano took full effect  
8 at this point. I think he does and --

9 DB: And Dano is?

10 DD: My canine.

11 DB: Okay.

12 DD: He does like a flipping. He does like a --

13 RW: When you say "he," can you specify --

DD: Oh, Dano.

15 RW: -- the suspect or --

16 DB: Dano.

17 DD: -- and the suspect, okay.

18 DB: Dano or the suspect.

19 DD: Dano's on the suspect's arm.

20 DB: Okay.

21 DD: He's take -- took -- took hold of that one arm  
22 and at this point I can't tell you until probably I get up here  
23 'cause --

24 DB: Right.

25 DD: -- at that point I don't --

26 DB: Okay. If you need to walk up --

27 DD: He spins around. Sure.

28 DB: If we need to walk up though, let's -- let's do

that.

2 DD: He -- he spins around and takes the bite and I would  
3 call it like a -- a catcher who's wearing a sleeve.

4 DB: Uh-huh.

5 DD: But I thought maybe he's going to go down, with  
6 Dano's momentum, was going to bring the subject down. But -- and I  
7 was still with Dano so I was only within seven feet. So I'm right  
8 at my door and I would say the suspect got as far as where the pole  
9 is and maybe between where the dirt ends at that concrete.

10 DB: Okay.

11 DD: Where I sent Dano.

12 DB: Okay.

13 DD: And I don't know how he did it but in the spin he  
14 clobbered me right in the face, I didn't even feel it coming. And  
15 I --

16 DB: And -- and was Dano still holding onto his arm  
17 (INAUDIBLE)?

18 DD: Yes, Dano never came off the bite.

19 DB: I know it happened quick, but from the point that  
20 Dano went -- went to the suspect and you were watching that, did it  
21 look like he was trying to fight with the dog? Was he trying to?

22 DD: No, he was -- he did like a spin.

23 DB: Uh-huh.

24 DD: And I thought maybe he was going to go down.

25 DB: Uh-huh.

26 DD: It didn't even look like my dog affected him one  
27 bit.

28 DB: Oh, okay.

2 DD: But I didn't know that for sure until obviously I  
got hit.

3 DB: Was -- could you tell though that -- that Dano was  
4 latched onto him?

5 DD: Oh yeah, absolutely. Without a doubt.

6 DB: Okay.

7 DD: Dano had his -- Dano had one of his arms, with no  
8 doubt in my mind.

9 DB: Okay. Now I don't know anything about being a  
10 canine handler. At that point when he has the -- when -- when your  
11 dog has someone by the arm, is it usually affective where --

12 DD: Absolutely.

13 DB: -- they're going to take somebody down?

14 DD: Absolutely.

15 DB: Were you concerned that he didn't go down?

16 DD: I was concerned when I didn't even realize I was  
17 going to get punched in the face 'cause I thought --

18 DB: Right.

19 DD: -- with the momentum of what I've thought he was  
20 doing, he was going to go down.

21 DB: Okay.

22 DD: And that's when I knew.

23 DB: So you describe Dano and the suspect doing a spin?

24 DD: Uh-huh.

25 DB: And as they spun around, who was closer to you, the  
26 dog or --

27 DD: Well, the dog was on the outside with whatever arm  
28 he had.

DB: Uh-huh.

2 DD: And now knowing how he was here, it was the left  
3 arm.

4 DB: Okay.

5 DD: And when he spun around, he punched me. I -- I  
6 can't tell you that for sure.

7 DB: Right.

8 DD: I just got --

9 DB: Right, right.

10 DD: -- cold-cocked.

11 DB: And where did you get hit at?

12 DD: Right center face, right in my nose and --

13 DB: Right in your nose?

14 DD: -- mouth area.

15 DB: Okay. Okay.

16 DD: And I went -- I thought I was going to go  
17 unconscious. I frickin' hurt like a -- excuse my language. I  
18 heard like a pop in my ears and I -- and this is where it gets  
19 vague, he was right --

20 DB: Uh-huh.

21 DD: -- on top of me at this point.

22 DB: Right.

23 DD: The dog's on the bite. Dog is not affected by it.

24 DB: Okay.

25 DD: The dog's just doing what he's supposed to do, which  
26 is hold on.

27 DB: So what's your mindset now at this point --

28 DD: I knew that there was --

DB: -- with the punch and the dog is on him still?

2 DD: There's nothing, no other tool I can use and he's  
3 already punched me to the point I almost got knocked out. If I, in  
4 my opinion, didn't already lose --

5 DB: Uh-huh.

6 DD: You know, I -- I'm not sure that I didn't --

7 DB: Go out?

8 DD: -- go out a little.

9 DB: Did you go down at all?

10 DD: I don't know.

11 DB: Okay.

12 DD: I know that he was on top of me. In my opinion, the  
13 guy was reaching on me. I don't know if he went for this or if he  
14 went for that at that point.

15 DB: Okay.

16 RW: Wait, wait.

17 DB: Hang on.

18 RW: "This" and "that" don't come out so if you could  
19 describe --

20 DD: Okay.

21 RW: (INAUDIBLE).

22 DD: My front -- my taser's right here at the front.

23 DB: Right.

24 DD: I don't know if he went for that first.

25 DB: Okay.

26 DD: Or if he went -- and I don't -- you know, and I  
27 don't know if I was reaching for it first.

28 DB: Well, let me ask you this, do you know if the

suspect touched you at any point --

2 DD: I think he did.

3 DB: -- around your belt? Okay.

4 DD: I think he did, yes.

5 DB: Okay.

6 DD: 'Cause my finger is jammed.

7 DB: Okay.

8 DD: And I think it's in the process of trying to get my  
9 gun out and him going for it.

10 DB: Okay. Do you have a recollection of him grabbing  
11 any portion of -- of the belt?

12 DD: Not positive. I can't --

13 DB: But --

14 DD: That's I'm saying, I'm --

15 DB: Okay. But you --

16 DD: But I know --

17 DB: But you felt him touching --

18 DD: Absolutely.

19 DB: -- your belt?

20 DD: Absolutely.

21 DB: And we're talking about your Sam Browne, what we  
22 call the Sam Browne belt?

23 DD: I'm thinking it's the gun. I'm thinking it was --

24 DB: Right.

25 DD: -- right in my gun.

26 DB: You think he was grabbing right on the gun? Okay.

27 Now what are you thinking?

28 DD: Well --

DB: You've been punched, the dog's biting him and he's  
2 holding -- he's grabbed your gun.

3 DD: I was going for my gun when I got punched.

4 DB: Okay.

5 DD: 'Cause I thought I was going to go out. I know  
6 that.

7 DB: Okay.

8 DD: I know that without a doubt and I was trying to get  
9 back. And at that point I'd gotten away. I think I had gotten to  
10 a distance but he was on top of me. And I pulled out my gun and I  
11 think he may have grabbed it when I pulled it out.

12 DB: Okay.

13 DD: And I popped one round in him. He went back  
14 immediately, it had the effect I needed.

15 DB: Uh-huh.

16 DD: I backed up and at that point he was now messing  
17 with my dog, trying to pull my dog off the bite. And I just kept  
18 telling him release the dog's mouth, you know, I'm going to shoot  
19 you. Release the dog's mouth.

20 DB: Uh-huh.

21 DD: And he just kind of -- things started to look like  
22 if they were taking their effect.

23 DB: Was he saying anything to you?

24 DD: Nothing. Not a word came out of this man's mouth in  
25 the whole -- I don't remember him saying anything to me.

26 DB: Okay.

27 DD: Other than the gibberish that --

28 DB: Right.

DD: That I was hearing. He started to go to the ground.  
2 I holstered my weapon, I got his right arm behind his back and then  
3 I got my dog off the bite and then that's when Dent came and cuffed  
4 him up.

5 DB: Okay. Let me back you up. At the point where he --  
6 he grabbed at your gun, what do you think his intentions were?

7 DD: Oh, he was going to kill me. I mean, there was no  
8 doubt. I mean, he punched me in the face. I'm not sure if he was  
9 going to try to punch me again. I don't know in that cycle what --

10 DB: Uh-huh.

11 DD: I just remember trying to get away.

12 DB: Right.

13 DD: And get distance, which was virtually impossible.

14 DB: Let me ask you this. Have you ever been punched in  
15 the face before and knocked out?

16 DD: Not -- never knocked out.

17 DB: Okay.

18 DD: But I've been punched in the face.

19 DB: Okay. When you got punched, did you -- did you lose  
20 your -- your bearings at all as far as --

21 DD: I definitely lost my bearings. I mean, there's no  
22 doubt. I mean, I don't -- I don't --

23 DB: When I say --

24 DD: I felt like -- I felt like I was going to go out.

25 DB: Okay.

26 DD: And I don't know if you can. I've never been  
27 knocked out.

28 DB: Okay.

DD: So I don't know if that's a fair --

2 DB: Right.

3 DD: But it knocked me like --

4 DB: Okay. Did you notice if you were bleeding at all?

5 DD: I was bleeding. I remember bleeding. I had blood  
6 on my hands.

7 DB: Okay.

8 DD: So --

9 DB: Okay. So now you got blood coming down you at this  
10 point?

11 DD: Uh-huh.

12 DB: Okay. And during this whole incident until -- up to  
13 the point and when you fired a round at him, was the dog still  
14 holing onto him?

15 DD: Yes. The dog stayed on that one spot the entire  
16 time.

17 DB: When did the dog release?

18 DD: When I released him. So after I got his right arm  
19 behind him, I couldn't bring his right arm back. I got -- I had  
20 the dog release his --

21 DB: Okay.

22 DD: -- other arm.

23 DB: So you're giving the dog commands to release?

24 DD: Yes.

25 DB: Okay.

26 Do you have any more?

27 RW: Real -- real quickly.

28 So at the point where you exit your vehicle, okay, the

1 suspect -- as you exit, where would you place the suspect  
2 initially? You said --

3 DD: I would place him all the way where the tape is tied  
4 to the fence.

5 RW: Okay. Against the fence or --

6 DD: No.

7 RW: -- towards the south center of the sidewalk?

8 DD: He was in the center of the sidewalk.

9 RW: Okay. As the suspect approaches you, does he do so  
10 in a walking, running? How would you --

11 DD: I would say between a fast-paced walk and run.

12 RW: Okay. And this is where you say you -- you see his  
13 hands, his arm comes up and that's when you release the dog or  
14 that's when you give the dog instructions to bite?

15 DD: Right.

16 RW: At that point when the suspect hits you in the face,  
17 from the point at which he hits you in the face to when you fire at  
18 the suspect, what would you describe as the distance between you  
19 and the suspect?

20 DD: I would say we were on top of each other.

21 RW: On top? He was on top of you?

22 DD: Yeah. I was going down. In my -- I was going  
23 backwards.

24 RW: Okay. At this point you are pretty much parallel  
25 with the driver's door, correct?

26 DD: Yes.

27 RW: At the point at which you fire, where would you  
28 estimate you were standing relative to your police vehicle?

DD: Probably right -- right -- right here where the shoe -- where all the boot prints are.

LS: I would put you right -- right about right here.

RW: Okay. So the tape indicating about three or four feet --

DD: And I want to say I --

RW: -- to the rear of the car?

DD: This is probably the angle I shot him, right here. He was right here.

DB: So you think you're -- you were in the area of the sidewalk shooting towards the unit?

DD: Yeah.

RW: Okay.

DB: Okay.

DD: In close proximity to him.

RW: When you got struck in the face up by your door to this area back here, what would you estimate that distance to be?

DD: A good ten feet.

RW: A good ten feet. And the entire time the suspect is -- is advancing on you?

DD: Yes.

RW: Did it appear to you that he was attempting to strike you at any point between when he initially struck you --

DD: Absolutely.

RW: -- and when you ultimately fired?

DD: Yes.

RW: Okay.

DB: And that you indicated that he was just coming at

you with his hands raised?

2 DD: Oh, yeah. Absolutely.

3 DB: Okay. So from the time that he struck you to  
4 this -- to the point where you had to fire a round, he was still  
5 coming at you with his --

6 DD: Coming at me.

7 DB: Was his fist clenched?

8 DD: I want to say it was, yes.

9 DB: Okay. When he --

10 DD: But --

11 DB: When he actually got -- hold on, I'm sorry. Go  
12 ahead.

13 DD: I felt like he was going for my equipment too.

14 DB: Okay.

15 DD: So that's where I'm -- you know, like I said it was  
16 like backing up and him on me. I wouldn't --

17 DB: Okay. And when you say that he was on you and  
18 grabbing at your equipment and -- and particularly the gun, were  
19 you still standing upright or did you go down?

20 DD: I was going backwards. I don't know if I was  
21 totally balanced.

22 DB: Okay. So you were trying to create distance --

23 DD: I was trying to get --

24 DB: -- I -- I would --

25 DD: -- that.

26 DB: Okay. But you don't recall actually losing your  
27 footing?

28 DD: I don't think I ever fell like on --

DB: Okay.

2 DD: Down on my knee. I -- I don't know though.

3 DB: Okay.

4 DD: Or on my rear. I don't -- I don't think I did.

5 DB: I want a follow-up question. If -- when he was  
6 doing the weird stuff --

7 DD: Uh-huh.

8 DB: -- you described he's gibbering? Gibberish. You  
9 couldn't -- you couldn't make out any -- any tangible verbiage.  
10 Was he -- was he doing anything else?

11 DD: He was -- the whole distance, I could see when I  
12 first saw him, I mean, first thing I'm obviously looking at as an  
13 officer is, is there a weapon in his hands?

DB: Right.

15 DD: I could see he had nothing in his hands.

16 DB: Right.

17 DD: But when he -- sorry.

18 DB: That's okay. Everything's been --

19 DD: Was walking --

20 DB: -- dealt with.

21 DD: -- he was in -- the initial process, he would look  
22 back and I don't think he saw me, I really don't.

23 DB: Okay.

24 DD: He was -- he was doing stuff like he was digging for  
25 something.

26 DB: Uh-huh.

27 DD: You know? And I -- I don't know, you know? But  
28 he'd bring his hand back down and I'd see, okay, there's nothing in

his hands.

2 DB: Okay.

3 DD: There's nothing in his hands.

4 DB: Right. Did you say he was going into -- like his --  
5 his --

6 DD: He was on the outside. I didn't see like the shirt  
7 lift.

8 DB: Okay.

9 DD: He had a T-shirt on. It didn't -- it wasn't tucked  
10 in but he was going into the -- like the -- this portion of his  
11 body.

12 DB: Right. So you said you saw his hands at times.  
13 Are -- are there times where you didn't see his hands where --

DD: Yeah, absolutely.

15 DB: -- they were -- you were -- you were blocked?

16 DD: Absolutely. I mean, that was like I said, this  
17 journey this way, but the -- every time he'd bring them back down,  
18 I'd see nothing's in his hands, nothing's in his hands.

19 DB: Okay. And another follow-up point, where when the  
20 dog was on him, was he doing anything to try to -- himself, try to  
21 get the dog off of him?

22 DD: After I shot him, the focus was then on my dog.

23 DB: Okay. But how about before you shot him?

24 DD: No. He did not feel my dog at all.

25 DB: Okay.

26 DD: My dog had absolutely no effect on -- on him.

27 DB: Okay.

28 DD: So --

1 RW: So from the point where he strikes you, you -- you  
2 deployed the dog, he struck you in the face, you backed up  
3 approximately ten feet to try and create some distance. He's  
4 advancing on you, he's grabbing at your gun belt, at your gun and  
5 you believe he's about to strike you again. At that point you drew  
6 your weapon and fired at him?

7 DD: Uh-huh. Yes.

8 RW: Yes? Did you believe you had any other options at  
9 that point to protect yourself other than firing at him?

10 DD: No.

11 DB: And follow up right off of that, as you're making  
12 the determination that you're going to fire, what were you  
13 thinking; you know, with the totality of everything that's going on  
14 and I know it's happening fast, he's punched you, the dog's not  
15 having an effect, what are you thinking? What was your mindset?

16 DD: I was thinking that this guy's going to kill me.

17 DB: Okay. I understand that and -- and with that, how  
18 are you -- I mean, were you scared, were you --

19 DD: Oh, absolutely. I mean --

20 DB: -- in control?

21 DD: -- I wasn't even fully yet back on my feet. I mean,  
22 I was still recovering from being socked in the face.

23 DB: Right.

24 DD: And so we -- I didn't even have my full --

25 DB: Right.

26 DD: -- you know, strength to fight this guy back.

27 DB: Okay.

28 DD: I couldn't get distance from him to get -- there

1 was no other tool on my belt that I could even grab if Dano  
2 wasn't having the effect. You know, I mean I've used Dano several  
3 times --

4 DB: Right.

5 DD: -- and I know what --

6 DB: Right.

7 DD: -- okay, force is working. It --

8 DB: And once Dano had ahold of him, once -- once Dano  
9 had ahold of him, were you giving Dano more commands in between --  
10 in between having to shoot him and --

11 DD: No.

12 DB: -- then af- -- or how about after?

13 DD: After. I mean, I always tell -- tell him he's a  
14 good boy. I mean, he's (INAUDIBLE).

15 DB: What commands are you giving him at that point?

16 DD: I gave him the -- the initial bite command.

17 DB: Right.

18 DD: Which is fass.

19 DB: Right.

20 DD: And then the out command, which is aus.

21 DB: To let go of him?

22 DD: Yes.

23 DB: Okay. All right. And then you praise him?

24 DD: Right.

25 DB: 'Cause he's doing what he's suppose to do?

26 DD: Right.

27 DB: Okay.

28 DD: Exactly. So --

2 RW: Any commands to the suspect, get down on the ground  
or anything like that?

3 DB: As far as the suspect, during this -- during this  
4 instance, what commands are you -- are you giving him?

5 DD: I'm telling him to get on the ground and I kept  
6 telling him there just to stop.

7 DB: Okay. So as -- and then he's coming at you, what  
8 are you telling him?

9 DD: Stop.

10 DB: Stop?

11 DD: You know, stop, and I even said I'm going to send  
12 the dog, stop.

13 DB: Uh-huh.

14 DD: You're going to get bit.

15 DB: Okay.

16 DD: You know, stop.

17 DB: So once the dog bite's on, what commands are you --  
18 were you continuing to give him commands?

19 DD: I didn't get a chance. I got --

20 DB: Once the dog -- once the dog bit him though, did  
21 you -- were you giving him more commands to get on the ground or  
22 stop or something?

23 DD: No, I mean from there, it was survival.

24 DB: Okay.

25 DD: I was punched in the face and going down. So --

26 DB: Okay.

27 DD: -- I didn't -- I --

28 DB: Okay. All right.

1 RW: Maybe I didn't hear, but did she go down when --  
2 after she got punched in the face?

3 DB: No. Uh-uh.

4 RW: She went back but not --

5 DB: Uh-uh. Backwards.

6 RW: Never went down.

7 DB: Do you have anything, Steve?

8 Anymore?

9 RW: So she said after -- after she shot him, he was  
10 actually trying to pull the dog's mouth open? She made a motion  
11 like she was -- like he was ripping.

12 DB: Right.

13 A follow-up question, once -- once you had shot the  
14 suspect, and you said his -- his -- his attention kind of turned  
15 towards the dog, what was he doing to the dog?

16 DD: He was taking -- trying to take the dog off his arm.

17 DB: He was trying to pull the dog's mouth?

18 DD: Uh-huh. And I was telling him, you know, stop, stop  
19 fighting the dog at that point.

20 DB: Uh-huh.

21 DD: But at least he was fighting the dog.

22 DB: Right.

23 DD: And not me anymore.

24 DB: Okay. Okay.

25 Anything? Everyone good?

26 RW: (INAUDIBLE).

27 DB: Okay. I think that'll do it.

28 You have anything else, Dani --

DD: No.

2 DB: -- that you want to add?

3 Okay.

4 We'll go ahead and terminate this interview at this  
5 point.

6  
7 (INTERVIEW CONTINUED)

8  
9 DB: Okay. This is Detective Brantley, a follow up --  
10 couple of issues reference the OIS with Deputy Delpit. It's 9:45  
11 in the evening. Present are the same -- same individuals.

12 Dani, during this whole incident, from the start of your  
13 shift throughout the whole incident, were -- what were you wearing?

DD: I was wearing my uniform.

15 DB: Your full sheriff's office uniform?

16 DD: Full sheriff officer uniform.

17 DB: Okay. Your gun belt on, Sam Browne, all your  
18 equipment?

19 DD: Yes.

20 DB: Okay. And what caliber gun do you carry?

21 DD: The 40.

22 DB: 40, Sig? The Sig 40?

23 DD: Sig.

24 DB: And the thirteen-round magazine?

25 DD: Yes.

26 DB: Okay.

27 RW: Laser or no laser?

28 DB: You have a light or --

DD: I have a light.

2 DB: You have -- you have a light?

3 DD: No laser.

4 DB: No laser? Okay.

5 RW: And the unit you're driving is your standard  
6 department issued marked vehicle?

7 DD: Yes, that's -- that's mine.

8 DB: With Ventura County Sheriff printed all over it with  
9 a canine on it?

10 DD: Yes.

11 DB: Okay. And that would be Unit 3406?

12 DD: Yes.

13 DB: That's the one you drive regularly?

14 DD: Uh-huh.

15 DB: And that's the one you're driving tonight?

16 DD: Yeah. Yes.

17 RW: (INAUDIBLE) round.

18 DB: What's that?

19 RW: (INAUDIBLE) rounds in the fuckin' --

20 DB: Do you know how many rounds? Do you keep it fully  
21 loaded?

22 DD: Fully loaded.

23 DB: So do you have -- do you know what you had it in  
24 then?

25 DD: I believe it's thirteen.

26 DB: You had twelve in the magazine and --

27 DD: Yeah.

28 DB: -- one in the chamber?

DD: Yes.

2

DB: Okay.

3

RW: And so you don't drop the magazine after you chamber one, reload, put the other bullet in? You carry thirteen plus one or twelve plus one?

6

DD: I carry it with the magazine full. So --

7

RW: Which --

8

DD: -- which would be --

9

DB: Twelve.

10

DD: It's twelve.

11

RW: Okay.

12

DB: Okay. All right.

13

That'll cover it, thank you.

We'll end this second interview.

Narrative:

## Death Notification and Interviews with Devon Costa's Family

On September 07, 2013, at approximately 2345 hours, Deputy Medical Examiner Mike Tellez accompanied Detective Brantley and me to [REDACTED]. The purpose of this visit was to notify Devon Costa's next of kin about his death. We met with Devon's father, [REDACTED] Costa, and Devon's step mother, [REDACTED] Costa and informed them of the unfortunate circumstances. It should be noted that Devon's biological mother, [REDACTED] and [REDACTED] are divorced. However, [REDACTED] said he would prefer to notify [REDACTED] about Devon's death without our assistance.

Immediately following our contact with [REDACTED] Costa, I received a phone call from Devon's biological mother, [REDACTED] Costa. It was evident that [REDACTED] Costa had already informed [REDACTED] about Devon's death. At [REDACTED]'s request, Detective Brantley and I met with her at her residence located at [REDACTED] in Simi Valley. Deputy Medical Examiner Tellez did not accompany us to this location. Upon arrival, we sat down with [REDACTED] and her adult son, [REDACTED] to further discuss this tragic situation.

NARRATIVE    SUPPLEMENTAL    CASE CLOSED

**Narrative:**  
The combined interaction with Devon's family members was lengthy and informative. The conversation at both locations naturally focused on Devon's recent struggles with mental illness. The family experienced and endured years of frustration and, at times, fear due to behavior consistent with the behavior Devon exhibited when he was contacted by Deputy Delpit earlier that day.

According to family, Devon had been diagnosed a few years ago with Psychosis/Paranoid Schizophrenia. As a result, Devon has been homeless on the streets of Simi Valley and Santa Monica. Devon, who was unmarried and did not have children, has not been seen by family for a couple of weeks. He was under the psychiatric care of Dr. [REDACTED] Thousand Oaks. Devon was prescribed the anti-psychotic medication "Abilify," but refused to take it. Instead, Devon would often self medicate with illegal street narcotics.

The family described occasions when Devon would exhibit uncontrollable, violent, and threatening behavior. Specifically, [REDACTED] Costa informed us of times when Devon threatened to "kill" her. On another occasion, Devon threatened his brother, [REDACTED] Costa, with a knife. Because of these experiences, the family seemed to have empathy, genuine concern, and sorrow for Deputy Delpit.

We provided both sides of the family with business cards in the event questions arose. In addition, at the request [REDACTED] Costa, we arranged for a Chaplain's response to assist his mother [REDACTED] with the early stages of the grieving process.

Both contacts were digitally recorded. Refer to the digital recordings for details.

End of report.

**Narrative:**

**NEIGHBORHOOD CANVASS**

On 9-07-2013, I worked my assignment for the Sheriff's Gang Unit. At about 1650 hours, I responded with other Sheriff's Gang Unit deputies to the area of Ventura Avenue and Fraser Lane in Ventura for an officer involved shooting. Upon arrival, we were directed to canvass Los Cabos Lane and Bard Lane, just off Ventura Avenue, to locate and interview any possible witnesses. I went to the following listed locations and I did not locate any eyewitnesses, nor did I contact any persons that were aware of the shooting incident.

**██████████ Los Cabos Lane, Ventura**

At about 1712 hours, I contacted ██████████ at this residence and I asked him if he observed anything related to the shooting. He said he was inside his residence and he did not see anything, he only heard sirens. He said nobody else was home.

**██████████ Los Cabos Lane, Ventura**

At about 1716 hours, I went to this residence and there was no answer at the front door.

**██████████ Los Cabos Lane, Ventura**

At about 1720 hours, I went to this residence and contacted ██████████ I asked them if they observed anything related to the shooting. Both said they did not see not see anything, only heard sirens.

**██████████ Bard Lane, Ventura**

At about 1734 hours, I went to this residence and contacted ██████████ I asked them if they observed anything related to the shooting. Both were unaware of the shooting and said they had been inside their residence. They were concerned about the police presence (detectives and helicopter in the area). I told them the situation was contained and they did not need to be concerned about outstanding suspects.

Mr. ██████████ talked about an unrelated incident, where an unknown subject in a black Honda sedan shoot a pellet gun at his vehicle about a week prior on Ventura Avenue. However, when I questioned Mr. ██████████ he said he did not actually see a person shoot a pellet gun at his vehicle, only heard a "pop" and bang on his vehicle, so I was not able to determine that anybody actually shot his vehicle.

Narrative:

**BACKGROUND**

On 9/7/13, I was assigned to work as a member of the Sheriff's Gang Unit. On that day, members of the Sheriff's Gang Unit and I responded to deputy involved shooting that occurred in the area of Ventura Avenue and Frazier Road in Ventura. Refer to related reports for further details.

**WITNESS INTERVIEWS**

Upon our unit's arrival, we were tasked with canvassing the neighborhood and interviewing any potential witnesses to the incident. During our canvass, I contacted and interviewed the following witnesses, who told me the following in summary:

[REDACTED]

[REDACTED] was inside his residence watching television during the incident. [REDACTED] noticed his dog was barking and walking toward the back door of his residence. Shortly after, [REDACTED] heard sirens and when he looked outside noticed all the police vehicles. [REDACTED] did not see the incident, nor did he hear any screaming or yelling coming from outside his residence. [REDACTED] did not know what was going on. Refer to the recorded interview for further details.

[REDACTED]

[REDACTED] was in the back yard of the residence tending to her dogs, when she suddenly heard a "pop." Initially, [REDACTED] thought the "pop" she heard was a vehicle back fire, but later realized it was probably a gun shot. [REDACTED] went inside the residence and a short time later went to the front yard of the residence, where her husband was. When [REDACTED] was outside, she saw two deputies and two patrol vehicles across the street. The two deputies appeared to be talking to each other and also saw a third subject lying on the ground. [REDACTED] started hearing sirens and a short time later police and ambulance arrived on scene. [REDACTED] went back inside shortly after. [REDACTED] did not hear any screaming or yelling while she was outside in her backyard at the time she heard the "pop" sound. Refer to the recorded interview for further details.

[REDACTED]

[REDACTED] was inside her residence when the incident occurred. [REDACTED] stated she heard what she believed was a gun shot. [REDACTED] did not exit her residence after hearing the shot. A short time later,

NARRATIVE    SUPPLEMENTAL    CASE CLOSED

**Narrative:**

On 9-7-13, I was working plain clothes in the Camarillo Special Enforcement Detail as "8X4."

At approximately 1651 hours, Deputy Krueger #4258 (8X3) and I responded Code -3 to the area of North Ventura Avenue and Fraser Lane reference an Officer Involved Shooting. Deputy Krueger and I arrived on scene at approximately 1708 hours. Once on scene, Captain Davidson advised us to begin contacting potential witnesses.

**OFFICER ACTIONS**

I began contacting residents on Los Cabos Lane and Bard Lane and spoke to the following witnesses. I digitally recorded the interviews.

**INTERVIEWS**

[REDACTED]

I spoke to (W) [REDACTED] who resided at [REDACTED] in the unincorporated area of Ventura. [REDACTED] told me the following information in summary: On 9-7-13, [REDACTED] had fallen asleep while watching television inside his bedroom when he was woken by his wife. [REDACTED] was told by his wife that she heard "a shot". [REDACTED] heard sirens a little while after being woken by his wife. [REDACTED] did not think much about the noise as he has become used to unusual noises living near North Ventura Avenue.

I asked [REDACTED] how his wife described the "shot". [REDACTED] told me she describe it as someone shooting something. [REDACTED] told me his wife only heard one shot. I asked [REDACTED] if he saw or heard anything prior to his wife waking him. [REDACTED] told me he was asleep and did not hear or see anything. [REDACTED] could not estimate what time he was woken by his wife. [REDACTED] kept hearing sirens and eventually walked outside. [REDACTED] did not think the incident occurred as close to his house, until he walked outside and saw all the activity. [REDACTED] did not provide any further information. Deputy Malagon #3919 (5G2) spoke to [REDACTED] wife. Refer to his report for additional information.

[REDACTED]

I spoke to (W) [REDACTED] who resided at [REDACTED] in the unincorporated area of Ventura. [REDACTED] told me the following information in summary: On 9-7-13, at about 1630 to 1640 hours, [REDACTED] heard what sounded like sirens approaching the area. [REDACTED] did not see anything happening outside her residence. [REDACTED] continued to hear sirens and walked outside with several other persons.

**Narrative:**  
On 09-07-2013, I was working as a member of the Camarillo Special Enforcement Detail (SED). At approximately 1651 hours, I responded with several other Deputies to the area of Fraser Lane and North Ventura Road in unincorporated area of Ventura. We responded there to assist Deputy Delpit (2953) whom was involved in a physical fight with a male subject (later identified as Devon Costa DOB: [REDACTED]). Prior to my response, I heard Deputy Delpit request over the radio for emergency traffic only (10-33) because Costa was not listening to anything she was saying to him. I then heard Deputy Delpit advise that she had been punched in the face by Costa, and her K9 partner "Dano" was currently biting him. A few moments later, I heard Deputy Delpit advise over the radio that the subject had been shot and she needed medical assistance.

Upon my arrival, both Deputy Delpit and Costa had been transported from the scene. Watch Commander Captain Davidson was on scene and requested myself and other Deputies canvass the area and contact the residents of Los Cabos Lane and Bard Lane, east of North Ventura Avenue to try and obtain any information related to this investigation.

At approximately 1730 hours, we began our canvass and attempted to contact residents. For additional details, refer to reports by other Deputies under the same report number.

The following is a summary of the information I obtained from the residents I contacted. I contacted the following residents and digitally recorded each of my interviews with them. Refer to digital recordings for additional details.

[REDACTED]

[REDACTED] was inside the living room of his residence watching television at the time of the shooting. [REDACTED] heard one shot which he thought came from [REDACTED] Lane. [REDACTED] walked outside when he heard the sirens and saw a man lying face down on Ventura Avenue near Los Cabos Lane. [REDACTED] saw a male Deputy standing over the man lying on the ground. [REDACTED] did not see anyone else. [REDACTED] said he had never seen the man on the ground before today. [REDACTED] had nothing else to provide.

[REDACTED]

[REDACTED] was inside her residence with her father [REDACTED] during the time of the shooting. [REDACTED] said that neither her or [REDACTED] heard anything. [REDACTED] had nothing else to provide.

[REDACTED]

[REDACTED] said he had just gotten home about 10-minutes before he heard a lot of sirens. [REDACTED] did not hear anything else. [REDACTED] had nothing else to provide.

**Narrative:**

I am currently assigned to work as a detective with the Sheriff's Gang Unit.

On 09/07/2013, I responded to the area of Ventura Avenue and Los Cabos to assist in an officer involved shooting that had just occurred. From listening to the police scanner in our office, I learned a Ventura County Sheriff's Deputy had just been involved in a shooting.

When I arrived, I assisted with establishing a crime scene and then began canvassing the area for additional witnesses. The following are summaries of the witness interviews I obtained (Refer to audio recordings for details):

[REDACTED]

I conducted a digitally recorded interview with [REDACTED]. I contacted [REDACTED] at the corner of Los Cabos Lane and Ventura Avenue. [REDACTED] advised me that she lives about midway up the street on Los Cabos Lane. She had decided to walk down the street after she heard sirens. I asked [REDACTED] if she had seen or heard anything unusual in the last few hours. [REDACTED] told me that she has been home all day and did not hear or see anything. I asked [REDACTED] regarding any loud noises. [REDACTED] stated she never heard anything and only came outside after she had heard all the sirens. I concluded my interview with [REDACTED].

[REDACTED]

I conducted a digitally recorded interview with [REDACTED]. I contacted [REDACTED] at the corner of Los Cabos Lane and Ventura Avenue. [REDACTED] also told me that she lives up the street about midway on Los Cabos Lane. [REDACTED] told me that she did not see or hear anything unusual since she arrived home at about 0930 hours. [REDACTED] told me she came outside and walked down the street after she heard the sirens. [REDACTED] had nothing further to add so I concluded my interview with her.

[REDACTED]

I conducted a digitally recorded interview with [REDACTED]. I contacted [REDACTED] at the corner of Los Cabos Lane and Ventura Avenue. [REDACTED] advised me that she has been home all day and recalls seeing or hearing anything unusual. [REDACTED] told me that she decided to come outside because of all the sirens she heard. [REDACTED] had nothing further to add so I concluded my interview.

NARRATIVE  SUPPLEMENTAL  CASE CLOSED

**Narrative:**

**Background:**

On 9/7/13, I was off-duty from my assignment as a detective with the Ventura County Sheriff's Major Crimes Unit. I had been called in to assist with a homicide investigation that occurred in the Somis area of Ventura County. I was in my office, and at approximately 1700 hours, Sgt. Gleason notified me that Deputy Delpit had been involved in an officer involved shooting in the area of N. Ventura Avenue and Los Cabos Lane, which is in the Sheriff's jurisdiction of Ventura Avenue, just north of the City of Ventura. Sgt. Gleason requested that I respond to the scene and assist with the investigation.

I arrived on scene at approximately 1730 hours and learned from Sgt. Margetin that Deputy Delpit had responded to a suspicious subject call for service at approximately 1635 hours. Deputy Delpit had been told by dispatch that a male subject was standing in the middle of Ventura Avenue with his arms up and talking to himself just north of Shell Road. Dispatch further described the subject as a white male, possibly a transient, in his [REDACTED] approximately 6'2" tall, with brown hair and a beard. Dispatch also told Deputy Delpit the subject wore a black tee shirt and black pants and was last seen walking northbound (Ventura Avenue) towards Cooked Palm. Dispatch advised the subject was walking in the street, but near the sidewalk and he was throwing his arms up and talking to himself.

Sgt. Margetin told me that Deputy Delpit contacted the subject from the call in the area of N. Ventura Avenue near Fraser Lane and asked dispatch for a "10-33" (Emergency Radio Traffic Only). Deputy Delpit also asked for her back up to respond code 3 (lights and sirens) because the subject was not responding to her. A short time later, Sgt. Margetin heard Deputy Delpit say she had been punched in the face and with her next radio traffic, Deputy Delpit requested an ambulance because the suspect had been shot.

During the course of this officer involved shooting investigation, I contacted the Ventura County Sheriff's Dispatch Center and learned [REDACTED] was the reporting party for the suspicious subject call that Deputy Delpit responded to. I contacted [REDACTED] by phone and learned he was at his residence in the City of Ventura. I arranged to meet with [REDACTED] at his home a short time later. At approximately 1910 hours, Detective Brantley and I contacted [REDACTED] at his residence and we spoke with him on his front porch. I recorded our interview with [REDACTED] and later downloaded it to a secured computer server as evidence.

[REDACTED] told us he worked for Trans-West Security and on 9/7/13, he was working at their office at AERA Energy's building on N. Ventura Avenue, just north of Shell Road in Ventura. [REDACTED] told us it was approximately 1630 hours when he finished his break and walked to his truck. [REDACTED] heard a horn honk and when he looked up, he saw a male subject "standing in the middle of the street." [REDACTED] told us the male was standing in the median area of N. Ventura Avenue, between the two lanes, facing north with [REDACTED] both of his hands straight out and his face looking up towards the sky. [REDACTED] said, "People were honking

at him, going around him." I asked [REDACTED] where the subject was in relation to Shell road when he first noticed him and he said, "Anywhere between fifty feet to a hundred feet north of Shell, on the Avenue."  
[REDACTED] said he didn't hear the subject say anything, but as the subject got out of the middle of the street and began walking north on the west shoulder of Ventura Avenue, [REDACTED] saw the subject with his hand up to his head and moving his fingers. [REDACTED] told us he'd worked at the mental health building before and it appeared to him that the subject was hearing voices. [REDACTED] was concerned for the safety of the subject, so he called Sheriff's Dispatch to report the suspicious subject.  
I asked [REDACTED] what the subject was wearing and he told us the male was wearing a black tee shirt, dark colored slacks and either flip-flops or "some really crappy tennis shoes." [REDACTED] told us the male was "Caucasian", had dark, "kinda wavy" hair and a beard that was not very full. [REDACTED] said he didn't see the subject carrying anything in his hands and he didn't notice a backpack or any other items. [REDACTED] said he was concerned the subject might jump the fence and enter the property he was guarding, so he drove his work vehicle north on Ventura Avenue and watched the subject walk north along the west shoulder of Ventura Avenue until they got to the end of the (AERA) lease property. At that point, [REDACTED] turned right (east) and entered the lease property, losing sight of the subject in the area of Mill Drive.  
[REDACTED] did not see the subject again and he never saw a deputy arrive. [REDACTED] said he believed the deputy must have come from the north or after [REDACTED] was out of view from Ventura Avenue. [REDACTED] said it was approximately ten minutes later when "All hell broke loose" and [REDACTED] heard "lots" of sirens responding to the area. [REDACTED] said he was still in his work vehicle and on the lease property, in the area of "upper shell road" when he heard the sirens. [REDACTED] estimated that it was ten minutes after he made the call to dispatch when he heard the sirens.  
[REDACTED] provided no further pertinent information and I ended the interview.

NARRATIVE    SUPPLEMENTAL    CASE CLOSED

**Narrative:**

On 09/07/2013, I was working uniformed patrol in the City of Ojai assigned as 1B11. At approximately 1634 hours, I heard Ventura County Sheriff's Dispatch advise Deputy Delpit # 2953 (3AK) to respond to the area of Shell Road and North Ventura Avenue reference a suspicious subject walking in the middle of the roadway. When Deputy Delpit arrived on scene, she advised the subject was still walking near Fraser Lane and was not listening to her. Moments later, Dep. Delpit advised dispatch that she had been punched by the subject.

At this time, Deputy Hardy # 4141 (1A11) and I responded "Code 3" (Lights and Siren) to the scene. Additional county units were also enroute to Dep. Delpit's location. While responding to the scene, Dep. Delpit updated dispatch, and said the subject had been shot and A.M.R needed to respond.

At approximately 1658 hours, Dep. Hardy and I arrived on scene. When I arrived, multiple Ventura County Sheriff and Ventura Police units were parked on North Ventura Avenue near Los Cabos Lane. I exited my patrol car and observed Dep. Delpit on the west sidewalk talking to Sergeant Margetin # 2944 (3S16). Dep. Delpit was bleeding from her nose and appeared to be describing to Sgt. Margetin what happened. As I walked passed Sgt. Margetin and Dep. Delpit, I saw Senior Deputy Beauvais # 3173 (3A12) standing near a male subject (later identified as Devon Costa). Costa was lying on the ground and was unresponsive. Costa's body was just east of the west sidewalk on N. Ventura Avenue. Costa's head was facing north while his feet were to the south. Costa was identified as the subject who had been shot. Paramedics arrived on scene to treat Costa.

I walked to the south of the scene and assisted a Ventura Police Officer with establishing a perimeter. After assisting the officer, I was contacted by Sgt. Margetin and told to interview a tow truck driver [W] ██████████ who witnessed the incident.

Note: Some comments are documented out of order due to ease of reading.

I contacted ██████████ south of the scene so I could interview him in private. The following is a summary my digitally recorded interview with ██████████ stated he was in the area because he had a tow located on one of the side streets off N. Ventura Ave. ██████████ was having problems finding the location so he pulled his tow truck over on N. Ventura Ave near Los Cabos Lane to look up directions on his phone. ██████████ tow truck was parked next to the west sidewalk facing south on North Ventura Avenue. ██████████ then saw a male subject walking northbound on the west sidewalk. ██████████ said the subject appeared to be displaying strange behavior. ██████████ said it looked like the male subject was, "Jacking himself off." ██████████ did not verbally expand on what he meant by "Jacking off." Speaking to ██████████, I determined ██████████ meant the subject was using a hand motion to simulate masturbation. ██████████ advised that he did not actually see the subject exposing his penis to masturbate. ██████████ then saw Dep. Delpit driving her patrol car northbound on N. Ventura Avenue. ██████████ made eye contact with Dep. Delpit while he was sitting in his truck. Dep. Delpit smiled at ██████████ and gave him a "Thumbs up." ██████████ then gave Dep. Delpit a sign that the subject walking was, "Cuckoo." ██████████ did not elaborate on the sign he used to indicate the subject was, "Cuckoo." Dep. Delpit then turned her lights on and drove around ██████████ parked tow truck to contact the subject. ██████████ said Dep. Delpit got out

of her patrol car and told the subject to stand still. The subject did not stand still and Dep. Delpit got her dog. [REDACTED] then stated, "He (Costa) attacked her, the dog attacked him, and he socked her in the face." I asked [REDACTED] to give me a more detailed description of the attack. [REDACTED] said the subject suddenly attacked her as she approached him. Dep. Delpit was "Staggered " from a punch to the nose and appeared to be in trouble. [REDACTED] then got out of his truck and asked Dep. Delpit if she needed help. Dep. Delpit did not respond to [REDACTED]. The subject took multiple swings at Dep. Delpit with his fists, but only landed the one initial hard punch to the face. The subject was yelling at Dep. Delpit at that time and said, "Your gonna die bitch, your gonna die, I'm gonna kill you!" The subject reached for Dep. Delpit's gun while it was still placed inside the holster. [REDACTED] said he saw the subject tugging at her gun belt. During the struggle, Dep. Delpit was able to create distance due to her dog biting the subject. Dep. Delpit produced her firearm out of her holster and shot the subject. [REDACTED] did not know how many times Dep. Delpit shot her firearm. The distance between Dep. Delpit and subject during the shooting was very small. [REDACTED] said, " He (subject) tried to reach for her gun, and she shot him that was it." After Dep. Delpit shot the subject, he was still fighting with her. Dep. Delpit told the subject to let go of the dog and get on the ground. Dep. Delpit advised the subject she would shoot him again, but the subject did not comply. [REDACTED] said the dog still had a hold of the subject's arm. The subject was still yelling at Dep. Delpit, " I'm gonna kill you bitch, I'm gonna kill you, your going to [REDACTED] die!" The subject then finally, "Went Limp, " and fell to the ground. Dep. Delpit then got the dog to let go of the subjects arm. Dep. Delpit then placed the dog inside of her car. [REDACTED] said Dep. Delpit then advised him to call 9-1-1, and another officer showed up shortly after that. After additional officers arrived, [REDACTED] stood by his tow truck. [REDACTED] wanted to help Dep. Delpit, but he was afraid of being bit by her dog. [REDACTED] said if the dog was not there, he would have helped Dep. Delpit, and "Clocked the [REDACTED] [REDACTED] said the entire incident might have lasted thirty seconds. [REDACTED] had nothing further to add regarding the incident. [REDACTED] said he had not been interviewed by anyone else prior to me speaking to him. I concluded my interview with [REDACTED] and asked him to stand by near his truck.

After obtaining [REDACTED] personal information, Sgt. Margetin contacted me to assist with establishing a northern perimeter located on N. Ventura Avenue South of Crooked Palm. Senior Deputy Buckley, Deputy R.Grant, and Officer Kogehan of the Ventura Police Department initially assisted me with maintaining the perimeter. I remained at that location until I was relieved of my duty by Deputy Calderon # 4407 (3A22) at approximately 1915 hours.

I later downloaded my digitally recorded interview with [REDACTED] onto a compact disk and booked as evidence at the Ojai Police Station. An additional copy of the compact disk was downloaded and forward to Major Crimes Detectives.

NARRATIVE    SUPPLEMENTAL    CASE CLOSED

**Narrative:**

**Background:**

On 9/7/13, I was off-duty from my assignment as a detective with the Ventura County Sheriff's Major Crimes Unit. I had been called in to assist with a homicide investigation that occurred in the Somis area of Ventura County. At approximately 1700 hours, Sgt. Gleason notified me that Deputy Delpit had been involved in an officer involved shooting in the area of N. Ventura Avenue and Los Cabos Lane, which is in the Sheriff's jurisdiction of Ventura Avenue, just north of the City of Ventura. Sgt. Gleason requested that I respond to the scene and assist with the investigation.

I arrived on scene at approximately 1730 hours and learned from Sgt. Margetin that Deputy Delpit had responded to a suspicious subject call for service at approximately 1635 hours. Deputy Delpit had been told by dispatch that a male subject was standing in the middle of Ventura Avenue with his arms up and talking to himself just north of Shell Road. Dispatch further described the subject as a white male, possibly a transient, in his 20's, approximately 6'2" tall, with brown hair and a beard. Dispatch also told Deputy Delpit the subject wore a black tee shirt and black pants and was last seen walking northbound (Ventura Avenue) towards Cooked Palm. Dispatch advised the subject was walking in the street, but near the sidewalk and he was throwing his arms up and talking to himself.

Sgt. Margetin told me that Deputy Delpit contacted the subject from the call in the area of N. Ventura Avenue near Fraser Lane and asked dispatch for a "10-33" (Emergency Radio Traffic Only). Deputy Delpit also asked for her back up to respond code 3 (lights and sirens) because the subject was not responding to her. A short time later, Sgt. Margetin heard Deputy Delpit say she had been punched in the face and with her next radio traffic, Deputy Delpit requested an ambulance because the suspect had been shot.

Sgt. Margetin told me that [REDACTED] was a tow truck driver who had been stopped along Ventura Avenue during Deputy Delpit's contact with the suspect, who was later identified as Devon Costa. I was told [REDACTED] witnessed the altercation and a patrol deputy had spoken to him briefly. I asked Sgt. Margetin to introduce me to [REDACTED] so I could conduct a more thorough interview with him regarding what he witnessed. Sgt. Margetin walked me to the west sidewalk of Ventura Avenue, near the north entrance to the Pepsi Cola bottling plant. Sgt. Margetin introduced me to [REDACTED] and I conducted a digitally recorded interview with [REDACTED]. I later downloaded the interview onto a secured computer server as evidence. During the interview, [REDACTED] and I discussed different points of the altercation and for ease of reading, I have written this report in chronological order. Refer to the recorded interview for complete details. The following is a summary of the interview:

I told [REDACTED] that I'd been told he witnessed what happened and he acknowledged that he did. [REDACTED]

**Narrative:**

told me he was a tow truck driver for Bob Carlson's towing and he'd been dispatched to assist a motorist in the area. [REDACTED] wasn't familiar with the location he was responding to, so he stopped his tow truck facing south, along the west curb of N. Ventura Avenue. [REDACTED]'s truck was visible from where we were standing and he indicated that his truck was still in the same location it had been during the shooting.

[REDACTED] told me that while he was seated in his tow truck, he noticed a Sheriff's patrol vehicle driving slowly northbound along the west curb of N. Ventura Ave. [REDACTED] saw a male subject walking north on the west sidewalk of Ventura Avenue, just ahead of the patrol car. [REDACTED] explained that the male subject he saw walking on the sidewalk was "acting like he was stroking himself (masturbating)." [REDACTED] told me the subject didn't have his private parts exposed, but he was moving his right hand in a stroking motion in front of his genitals. [REDACTED] said the subject looked at him and smiled as he made the masturbation movements.

[REDACTED] saw the patrol vehicle coming towards him and he thought about moving his tow truck out of the way, but the deputy turned on the overhead lights and went around the tow truck on the driver's side. [REDACTED] said he made eye contact with the deputy as she drove around the tow truck. [REDACTED] smiled at the deputy and motioned with his hand next to his head to make a "Cuckoo" movement. The deputy gave [REDACTED] a "thumbs up" and drove past the tow truck. [REDACTED] was about to get out of his tow truck to run across the street and look at the street sign that was blocked from his view. [REDACTED] looked in his rear view mirror and saw that the deputy had stopped her patrol vehicle a short distance behind [REDACTED]'s tow truck and she had gotten out of the patrol car with her K-9. [REDACTED]'s driver side window was rolled down and he could hear the deputy telling the male pedestrian to "sit down."

[REDACTED] turned around and saw the male suspect "lunge" at the deputy and the dog bit the suspect on the arm. [REDACTED] wasn't certain at first which arm the dog grabbed a hold of, but he later told me he was certain the dog took a hold of the left arm of the suspect. [REDACTED] watched as the suspect was "Wrestling with the dog. Starts beatin' the dog, hittin' the dog like the dog bite's not even bothering him." I asked [REDACTED] if the suspect was saying anything, but he said the suspect didn't say anything at first. At one point, [REDACTED] heard the suspect say something like, "Fucking dog." [REDACTED] described to me that the suspect's voice sounded muffled and it was hard for [REDACTED] to hear what he was saying.

[REDACTED] told me he was standing on the driver's step of his truck and facing the rear of his truck when he saw the suspect get closer to Deputy Delpit and "Cracked her right in the nose." [REDACTED] called out to Deputy Delpit and asked her if she wanted him to help, but he didn't hear her answer. [REDACTED] said everything happened "so fast" and then the suspect reached for the deputy's gun while she was "staggering back". [REDACTED] saw the deputy draw her weapon and say to the suspect, "Get down! Get down!". [REDACTED] told me, "He didn't get down and he came lunging at her again. The dog was still on the arm and she shot him." I asked [REDACTED] how far away the suspect was from the deputy at the time she fired at him and he said, "They were close". [REDACTED] then estimated the suspect was approximately five feet away from the deputy when she fired. I asked [REDACTED] what the suspect was doing at the time the deputy shot and he said, "He was moving quickly. He was trying to hit her again." I asked [REDACTED] if it appeared to him that the suspect had the ability to hit the deputy again and he said, "Yeah. I mean, the

**Narrative:**  
dog wasn't phasing him." [REDACTED] told me that when the suspect lunged at the deputy and tried to hit her the second time, the dog was still biting the suspect's arm.

I asked [REDACTED] if he was sure which arm the dog was biting and which arm the suspect punched the deputy with. [REDACTED] told me he was certain about the dog having bitten the suspect on the left arm and the suspect punching the deputy with his right hand. I asked [REDACTED] what happened when the suspect punched the deputy and he said, "She staggered. She like, buckled a little bit." [REDACTED] said that when her knees buckled, he asked the deputy if she wanted him to help her. [REDACTED] didn't run over to assist her because he was worried that the dog might bite him.

I asked [REDACTED] how far away the deputy and the suspect were from the back of [REDACTED]'s tow truck when the altercation took place. [REDACTED] didn't answer with a distance, he pointed out the location of the patrol car and the tow truck and told me the deputy and the suspect were "right in the back end of the (patrol) car". [REDACTED] told me he had walked to the "tail end" of his flatbed tow truck and was standing on the driver's side of the bed. [REDACTED] waited there because the deputy didn't respond to him after he asked her if she wanted him to help her. Again, [REDACTED] mentioned he was afraid of the dog and he didn't go over and help the deputy because he feared the dog would attack him. [REDACTED] remained in his position near the bed of the truck and he heard the deputy say, "No", which he believed was her telling [REDACTED] not to come near. [REDACTED] said that when he called out and asked the deputy if she wanted his help, "That's when the guy went for her gun and she pulled it out and she told him to 'Stop' and he lunged at her again and she shot him." After the deputy shot the suspect, she told [REDACTED] "Call 911 now!" [REDACTED] said he went to look for his phone and dialed 9-1-1, but he never completed the call because another deputy arrived on scene.

I pointed out to [REDACTED] that there was an SUV patrol vehicle parked facing south on N. Ventura Avenue, near the K-9 patrol vehicle. I asked [REDACTED] if the SUV was the vehicle he was talking about when he said another deputy arrived, but he said it wasn't the SUV, it was a regular patrol vehicle that arrived. The other deputy exited his patrol vehicle and had his baton out, but Deputy Delpit told the male deputy the suspect was "down" and had been shot. The male deputy handcuffed the suspect, rolled him over and lifted the suspect's shirt. [REDACTED] told me he wasn't sure of the location on the suspect's body where the deputy shot him until they lifted the suspect's shirt and [REDACTED] saw he had been shot in the stomach area.

[REDACTED] said Deputy Delpit told him not to leave because he was her witness to what happened. [REDACTED] stayed at the scene and waited to speak to a deputy. I asked [REDACTED] how Deputy Delpit appeared to him after the shooting took place and he said, "She was in shock. Her nose I know was hurting 'cause she was bleeding from both nostrils."

I asked [REDACTED] if he heard the male suspect say anything to Deputy Delpit during the altercation. [REDACTED] said, "After she shot him, he was all, 'You fucking bitch! You're gonna die! I'm gonna kill you!' I confirmed with [REDACTED] that he was talking about after the suspect was shot and he said, "He didn't stop after she shot him. He went on for, I wanna say a good minute. I wanna say a minute. Standing up. And

he was dealing with the dog, (saying) I'm gonna kill you, you [REDACTED] bitch, you're gonna [REDACTED] die! You're gonna die! Then slowly, he went to his knees and then she's telling him, she's still pointing at him, telling him, 'let the dog go, leave the dog alone or I'm gonna shoot you again.' [REDACTED] pointed out that the deputy did not shoot the suspect again and the suspect "started to fade". Once the suspect was on the ground, the female deputy released the dog from his arm and put the dog back in the K-9 patrol vehicle.

I asked [REDACTED] to clarify for me where he saw the suspect walking and he said the suspect was walking north along the west sidewalk of Ventura Ave. [REDACTED] told me again the suspect was "making a jerking off motion with his thumb hanging out, smiling." [REDACTED] said the suspect even looked at [REDACTED] and smiled while he made the motion with his hand and then he stopped smiling. I asked [REDACTED] if he saw anything in the suspect's hands, but [REDACTED] didn't see anything in his hands. [REDACTED] pointed out that the suspect had his fists clinched during the contact with Deputy Delpit and he was trying to hurt her. [REDACTED] said, "Obviously his left arm was tied down when the dog got him by the arm." I asked if the suspect responded to Deputy Delpit when she initially got out of the patrol car with the dog and told him to sit down. [REDACTED] said he couldn't hear the suspect say anything during that initial contact.

[REDACTED] said that while he was seated in the tow truck and the suspect walked past him, he looked in his rear view mirror and saw the patrol vehicle stop to the rear of the tow truck. [REDACTED]'s driver's side door window was down and [REDACTED] heard the deputy tell the suspect to sit down on the curb. [REDACTED] said he looked back and the suspect was still standing up and he hadn't sat down like the deputy told him to. [REDACTED] said, "I would think that if there's a dog there, and they tell you to sit down, well, what's your ass gonna do? Sit down or be dog food, you know what I mean?"

[REDACTED] described that the dog bit the suspect on the arm and while the dog was still biting his arm, the suspect reached out and punched Deputy Delpit in the face. I asked [REDACTED] if the suspect said anything to the deputy during the initial contact and [REDACTED] told me he heard the suspect saying "Fuck you! And things like that" when he was swinging at Deputy Delpit. [REDACTED] wasn't able to tell me the exact words that the suspect said when he was attacking Deputy Delpit. After Deputy Delpit shot the suspect, [REDACTED] heard the suspect say, "I'm gonna kill you bitch, I'm gonna kill you, you fucking bitch!" approximately 10-15 times. [REDACTED] told me the suspect didn't go down right away after he was shot. [REDACTED] looked for blood on the suspect, but he didn't see any. [REDACTED] believed the suspect was bleeding internally. [REDACTED] said, "He (the suspect) was just as feisty as he was for I wanna say, a minute, close to a minute." I interjected and asked if the suspect was agitated and [REDACTED] said, "He was agitated, yeah. Well, he got shot. He was, first he said, 'ow' and then, 'You fucking bitch, you fucking bitch! I'm gonna kill you. And he's still trying to get at her, but she's moving back like this and telling him to (stop)." I asked [REDACTED] how it was that the suspect was "still trying to get at her". [REDACTED] explained that the suspect was shot and he was still trying to swing at Deputy Delpit and get to her. I asked if the suspect actually swung at the deputy after he was shot and [REDACTED] confirmed that the suspect "swung a couple times and missed, but he got one good one in." I clarified with [REDACTED] that his reference to getting a "good one in" was the punch he got in early in the altercation and [REDACTED] confirmed that was what he meant.

**Narrative:**  
I thanked [REDACTED] for staying at the scene so we could talk to him after he witnessed such a traumatic incident. [REDACTED] said, "I, I'm pretty fucked up" and that he couldn't stop shaking. I offered to make a phone call for him, but he said a co-worker was already coming to the scene to give him a ride. I asked [REDACTED] if there was a family member he wanted to have come to the scene, but he declined the offer, saying the guys at his work were kind of like his family.

[REDACTED] reiterated that he had wanted to help the deputy, but he was afraid of the dog. [REDACTED] said Deputy Delpit told him after the incident was over that he did the right thing by not getting involved in the altercation. [REDACTED] told me he didn't know what he would have done if Deputy Delpit went down to the ground. [REDACTED] said, "That guy already went for her gun once. What do I do in that situation?" [REDACTED] pointed out that when the suspect punched Deputy Delpit and "she buckled", he considered what his options would have been. [REDACTED] said he thought he would have grabbed a "bar" he had in the tow truck and use it to "whack this fool with it." [REDACTED] said he was worried during the incident that the dog would let go of the suspect and bite him instead.

[REDACTED] continued to lament about having not stepped in to assist the deputy. [REDACTED] said he felt like if he could have helped the deputy, she wouldn't have had to shoot the suspect. [REDACTED] said he wished he could have done something else, but he was afraid of the dog and believed the dog would turn on him.

[REDACTED] asked [REDACTED] to stay in the area in case I had any other questions and I terminated the interview at 159 hours.

A short time later, at approximately 1802 hours, I contacted [REDACTED] again to ask him a follow up question. I asked [REDACTED] if he could tell whether or not the suspect actually touched the deputy's weapon when he reached for it. [REDACTED] said, "Yeah, he touched it. He touched it." [REDACTED] went on to say he believed the deputy was right handed and the suspect touched the deputy's weapon with his right hand. [REDACTED] said, "They were close together after he socked her 'cause she was trying to do something, like push him away. And he reached like this." [REDACTED] demonstrated that the suspect reached with his right hand across the front of Deputy Delpit's body and put his right hand on her holster.

I asked [REDACTED] if the suspect grabbed the deputy's holster, weapon or both. [REDACTED] told me the suspect grabbed both the holster and her weapon. [REDACTED] said, "Actually, I could see the holster move. That's when I was like, 'Oh shit'." [REDACTED] told me the dog was still "locked on his arm" and it happened so fast that he couldn't tell if the suspect "unbuckled" the holster or not. [REDACTED] confirmed that Deputy Delpit had been punched in the face, the suspect tried to grab her weapon and when the suspect tried to swing at Deputy Delpit again, she shot the suspect.

After my second contact with [REDACTED], Detective Brantley, Sgt. Gleason and I walked past [REDACTED]'s tow truck and up to the area where the shooting occurred. After we viewed the area, I went back and spoke to [REDACTED] once more. I had noticed that [REDACTED]'s driver's side window was rolled up, but during his earlier statement, he told me the window was down and he could hear the deputy talking to the suspect.

NARRATIVE    SUPPLEMENTAL    CASE CLOSED

**Narrative:**

█████ explained that after the incident, he went to his tow truck and rolled the window up. █████ confirmed that he had the window down at the time of the altercation and he was certain of this because he had been smoking while seated in the truck. █████ said he's not supposed to smoke in the truck, so he had the window rolled down.

I asked █████ if he remembered the directions the deputy and the suspect were facing during the incident. █████ told me the deputy was facing North West toward the sidewalk and the suspect was coming south east towards the deputy. █████ indicated to me that when the deputy fired the shot at the suspect, the shot was taken in a North West direction. █████ said the deputy was in the street at the time of the shooting and the suspect was closer to the curb.

I asked █████ if the suspect acknowledged █████ at all while he stood at the rear of the tow truck. █████ said the suspect didn't look at him or say anything to him. █████ said, "He was more concerned about her, you know?" █████ said he wasn't completely certain what transpired during the early part of the contact, but he did know the suspect lunged at the deputy and the dog grabbed the suspect's arm. █████ said, "When he punched her, that's when I was like, what can, you want me to help? I can help you, what do you want me to do? But I was afraid of the dog. If the dog wasn't there, I could've helped her." █████ told me he was concerned that if he approached the dog, it might have helped the suspect by taking the dog's attention away from the suspect and then the suspect might have been able to hurt the deputy even worse.

I asked █████ if he heard the deputy give any commands to the dog, but he didn't recall hearing any commands. █████ knew the dog was "Latched on that arm and that dog...that guy, I don't know if he was on something or what, but he was, he was fightin' it. He was fightin' the dog and he then he started fighting with her and like I said before, when I saw him reach for that (gun), I was like, oh fuck, if he knocks her down, what am I gonna do? Am I gonna jump in my truck and get the fuck out of here? You know? 'Cause he's gonna start shooting her or start shooting at me? I didn't...that's what was going through my mind. At the same time thinking, after it happened, I'm thinking, fuck, if I could have helped her, you know, if I could have helped her, then she probably wouldn't of had to shoot him. In my determination, I don't think she had any choice when she's not a very big woman, you know what I mean? And after going after her service revolver, what was she supposed to do, you know?"

End of interview.

NARRATIVE  SUPPLEMENTAL  CASE CLOSED

**Narrative:**

**Background:**

On 9/7/13, I was off-duty from my assignment as a detective with the Ventura County Sheriff's Major Crimes Unit. I had been called in to assist with a homicide investigation that occurred in the Somis area of Ventura County. I was in my office and at approximately 1700 hours, Sgt. Gleason notified me that Deputy Delpit had been involved in an officer involved shooting in the area of N. Ventura Avenue and Los Cabos Lane, which is in the Sheriff's jurisdiction of Ventura Avenue, just north of the City of Ventura. Sgt. Gleason requested that I respond to the scene and assist with the investigation.

I arrived on scene at approximately 1730 hours and learned from Sgt. Margetin that Deputy Delpit had responded to a suspicious subject call for service at approximately 1635 hours. Deputy Delpit had been told by dispatch that a male subject was standing in the middle of Ventura Avenue with his arms up and talking to himself just north of Shell Road. Dispatch further described the subject as a white male, possibly a transient, in his [REDACTED], approximately 6'2" tall, with brown hair and a beard. Dispatch also told Deputy Delpit the subject wore a black tee shirt and black pants and was last seen walking northbound (Ventura Avenue) towards Cooked Palm. Dispatch advised the subject was walking in the street, but near the sidewalk and he was throwing his arms up and talking to himself.

Sgt. Margetin told me that Deputy Delpit contacted the subject from the call in the area of N. Ventura Avenue near Fraser Lane and asked dispatch for a "10-33" (Emergency Radio Traffic Only). Deputy Delpit also asked for her back up to respond code 3 (lights and sirens) because the subject was not responding to her. A short time later, Sgt. Margetin heard Deputy Delpit say she had been punched in the face and with her next radio traffic, Deputy Delpit requested an ambulance because the suspect had been shot.

While I was on scene and assisting in the investigation, I was advised by Sgt. Eric Bushow that a local resident named [REDACTED] had seen Deputy Delpit and Devon Costa a short time prior to the shooting. I told Sgt. Bushow I wanted to interview [REDACTED] and Sgt. Bushow took me to [REDACTED] who was standing near the crime scene tape that secured the south end of the crime scene. I conducted a digitally recorded interview with [REDACTED] and I later downloaded the recorded interview onto a secured computer server as evidence. Refer to the recording for complete details. The following is a summary of the interview:

I asked [REDACTED] to tell me what he witnessed and he explained that he and his wife had been driving north on N. Ventura Avenue, enroute to their home on Fraser Lane. [REDACTED] told me he saw the "K9 Unit" parked facing north along the west curb of N. Ventura Avenue. [REDACTED] explained that the patrol vehicle was stopped south of the southernmost entrance to the Pepsi Plant. [REDACTED] said the driver's door of the police

car was open and the female deputy was outside of the patrol car with her dog. The deputy walked north on the west sidewalk of N. Ventura Avenue and there was a male subject walking the same direction approximately 20-30 feet in front of the deputy with her dog. [REDACTED] said of the male who was walking, "He was on a mission. Just walking."  
[REDACTED] told me that as he and his wife drove past the area where the deputy and the male subject were walking, [REDACTED] commented to his wife, "Check it out, that guy's not even responding to her." I asked [REDACTED] if he could hear the deputy say anything to the male, but he didn't hear anything due to his windows being up. [REDACTED] told me that, although he couldn't hear anything, it appeared to him that the female deputy was saying something to the male. [REDACTED] said he saw the deputy turn around and walk back to the patrol car and at that point, [REDACTED] turned east onto Fraser Lane and lost sight of the deputy and the male subject.  
I asked [REDACTED] if the male subject appeared to be doing anything while he was walking and [REDACTED] said, "He was just walking. He was just like, like, just normal walking, slow. Tunnel vision." I asked [REDACTED] if the male subject reacted to the deputy at all and he told me the male did not react to her. I asked [REDACTED] if the dog was barking and he said the dog was not barking. [REDACTED] told me it appeared to him that the deputy was getting too far away from her vehicle and in his opinion, that was why she returned to her vehicle.  
[REDACTED] told me he arrived at his house and within approximately five minutes, he heard sirens and he realized "something must have happened." I asked [REDACTED] if he heard a gun shot or anything else between the time he arrived home and when he heard the sirens, but he said he didn't hear anything. I asked [REDACTED] if he remembered what the male subject was wearing, but he couldn't recall. [REDACTED] told me he remembered the subject had a beard and looked "scruffy". [REDACTED] further stated, "He looked like he was homeless. Sort of kinda, just scruffy, you know. He just looked like he had tunnel vision." I asked [REDACTED] if he'd seen the subject in the area before, but he didn't remember seeing him before.  
[REDACTED] had no further information about the incident and I ended the interview.

NARRATIVE  SUPPLEMENTAL  CASE CLOSED

**Narrative:**

On September 09, 2013, at approximately 1615 hours, I met with Joel Kosub at his residence located at [REDACTED] Ventura Avenue, Ventura. I noticed [REDACTED] had provided the press with a statement regarding the officer involved shooting, indicating he witnessed at least a portion of the event. Therefore, the purpose of this interview was to document any information he may have regarding the incident. I initiated a digitally recorded interview with [REDACTED] and the following is a summary of his brief statement.

I conversed with [REDACTED] near the entrance to his driveway, which is adjacent to North Ventura Avenue. According to [REDACTED] on September 07, 2013, at approximately 1630 hours, he was standing in his driveway when he noticed an adult male pedestrian (presumed to be Devon Costa) walking northbound on North Ventura Avenue along the west side of the roadway. At some point during this time, [REDACTED] also noticed a marked Ventura County Sheriff's K-9 patrol unit (driven by a female deputy - presumably Deputy Delpit) complete a U-turn at the foot of his driveway. The deputy then began driving northbound in the southbound traffic lane of North Ventura Avenue. The pedestrian began making obscene gestures, such as feigning he was masturbating. [REDACTED] believed this was directed at the deputy as she attempted to contact the pedestrian.

[REDACTED] continued to watch as the deputy exited her vehicle three separate times in an apparent effort to detain the pedestrian. The first time the deputy exited her patrol vehicle, she left her K-9 partner in the vehicle. The next two times she exited her patrol vehicle, the deputy had her K-9 partner with her. Meanwhile, the pedestrian never stopped walking northbound. At times, however, the pedestrian would walk backwards as he faced the deputy trailing him. [REDACTED] further described the pedestrian as "totally avoiding her!" [REDACTED] did not recall hearing any verbal communication between the deputy and the pedestrian. [REDACTED] estimated the distance between them to be about 10 yards as they continued to walk northbound. Eventually, the deputy returned to her patrol vehicle and continued to slowly drive behind the pedestrian until they were out of view. [REDACTED] had no further information at the time of this report.

Refer to the digital recording for details.

End of report.

NARRATIVE  SUPPLEMENTAL  CASE CLOSED

**Narrative:**

On 2/18/14, at about 1300 hours, I went to Ventura County Station 23 to request a copy of the call slip associated with this medical call for service, dated 9/7/13, wherein Deputy Delpit shot Devon Costa as he attacked her. The Battalion Chief printed a 5-page document listing all the Fire Department's information on associated call.

I asked to interview Fire Paramedic [REDACTED]. I was advised that he died a little over a week ago. I asked to talk to Fire Paramedic [REDACTED]. I was advised he is assigned to Station 25- Rincon. I was told he would be working on 2/19/14.

At about 1345 hours, I went to 11504 Ventura Avenue, Lifeline Ambulance- Ojai headquarters. I asked to speak to Paramedic [REDACTED]. I was advised he was off work with an injury. I was given his cell phone number. I requested a copy of their call slip for the shooting. I was referred to their headquarters in Ventura. I contacted [REDACTED] Lifeline Director of Business Administration. She emailed me a 4-page document which contained a copy of all Lifeline documentation associated with the call.

I booked the two documents and a CD with the following interviews into evidence. I forwarded a copy to Detective Michalec.

**Paramedic [REDACTED] Interview:**

At about 1500 hours, I telephoned [REDACTED]. I asked him to tell me what he recalled from the incident. I audio-recorded the interview. Refer to the audio recording for details. The following is a summary of the interview.

[REDACTED] said he had a good recollection of what occurred. [REDACTED] said they arrived on scene. They passed the patrol car and parked next to a tow truck about 50 feet away. He said Fire Department was on scene performing CPR on Costa. [REDACTED] approached on the left side (Costa's right). He noticed Costa had a single gunshot wound, which meant Costa's organs were poking out through the bullet hole. He saw an injury to the left arm that he initially thought was a second gunshot wound. He quickly learned that Delpit had let the dog out during the incident and that was what caused the injury to the left arm.

Next, they took over CPR and tried to give Costa an "IV", but it failed. so they had to put a needle into his bone to gain "IV" access. They gave one round of medication, then transported Costa to the hospital.

Carreon said when he was walking on scene, he heard someone say that Costa had repeatedly yelled and said he(Costa) was going to kill her. Carreon did not see what witness made the comment. [REDACTED] asked if Delpit needed attention. He was told Delpit had been punched in the face and went down. [REDACTED] said another unit looked at Delpit to provide treatment.

**Firefighter [REDACTED] Interview:**

On 2/19/14, at about 1200 hours, I telephoned (W) [REDACTED] at the Ventura County Fire station 25. I audio recorded the interview. Refer to the recording for details. The following is a summary of that interview.

[REDACTED] had a limited recollection of the event. He told me that he thought he was on Rescue 23 that day. He recalled arriving on scene and not immediately identifying where the person was he was to treat. He was directed to the opposite side of the police car, where he rendered medical assistance to the man that was down. He did not render any aid to Delpit. He recalled that Delpit was a female officer who had a K-9 partner.

[REDACTED] said he was unaware if the K-9 had been involved in the incident. [REDACTED] said he assisted in rendering CPR to Costa. [REDACTED] believed that Firefighter [REDACTED] started an "IV", while he [REDACTED] was doing chest compressions, and a third firefighter was doing ventilation.

[REDACTED] said he did not recall hearing or seeing anything from the surrounding area. He said his focus was patient care.

NARRATIVE  SUPPLEMENTAL  CASE CLOSED

**Narrative:**

On 09/07/2013, I was working as a Field Evidence Technician (FET) for the Crime Scene Investigations Unit in Ventura. At approximately 1740 hours, FET [REDACTED] #4008 requested my assistance with evidence collection at the Ventura County Medical Center (VCMC) located at 3291 Loma Vista Rd, Ventura.

At approximately 1800 hours, I arrived at the above location and met with Major Crimes Detective Beckett #2730. Detective Beckett advised me of the following in summary: An officer involved shooting occurred earlier in the day, a male suspect was shot. The suspect (later identified as Costa, Devon) was taken from the scene to VCMC where he was pronounced dead.

Costa's body was on a gurney covered with a white sheet inside cast room "A". Costa's pants had been removed by medical staff prior to my arrival. The pants were placed on a small table in the room. I was advised by Detective Beckett that a match book was removed from Costa's pants. Costa's hands were covered with paper bags. I photographed Costa while waiting for the Medical Examiner to arrive.

At approximately 1820 hours, I was dispatched to Community Memorial Hospital (CMH) located at 147 Brent St. Ventura. I was advised by FET [REDACTED] that Major Crimes Detective King #3224 requested my assistance with evidence collection from the Deputy involved in the shooting. I arrived at CMH at approximately 1830 hours. I collected Deputy Delpit's uniform shirt, Sam Browne belt and attachments. I also collected touch DNA swabs of Deputy Delpit's cellular phone. I photographed Deputy Delpit and collected the requested evidence. Deputy Delpit's cellular phone was later released to her.

At approximately 2000 hours, I returned to VCMC cast room "A". Detective Beckett and Medical Examiner Tellez were present in the room. I took additional photos of Costa's body and collected fingernail samples from all his fingers. I also collected touch DNA swabs from Costa's hands.

At approximately 2100 hours, I arrived at the Headquarters station with the collected evidence. I assisted Detective Beckett and Detective King in conducting an inventory of Deputy Delpit's Sam Browne belt and attachments. Deputy Delpit's handgun was removed from the belt and unloaded. One live cartridge was removed from the handgun's chamber and eleven live cartridges removed from the handgun's magazine. Two additional magazines were removed from the belt; both magazines had twelve live cartridges inside. A taser and two live taser cartridges were also removed from Deputy Delpit's belt. One radio was removed from the belt. Each of the removed items were packaged separately from the belt. All other attachments were left on the belt.

Personal belongings found inside Deputy Delpit's uniform shirt pockets (currency, thumb drive, access card) were released to Sgt. Franke #3117.

**Photographs**

I took overall and midrange photographs of Costa.

NARRATIVE    SUPPLEMENTAL    CASE CLOSED

**Narrative:**

On 09/09/2013, I was working as a Field Evidence Technician (FET) for the Crime Scene Investigations Unit in Ventura. Major Crimes Detective Sgt. Gleason #3046, requested I attend the autopsy of Devon Costa at the Medical Examiner's Office (3291 Loma Vista Rd. Ventura).

At approximately 1000 hours, FET [REDACTED] #4527 and I, arrived at the above location. Major Crimes Detective Sgt. Laughlin #2517 was present during the autopsy. The body of Costa was brought into the examination room in a blue body bag. The bag was sealed with tag #20602. Inside the bag with the body was a white sheet. Costa had various medical attachments on his upper torso. Costa had a medical tube inside his mouth. Dr. Bucholtz of the Medical Examiner's Office examined Costa both before and after the cleaning of his body and also performed the autopsy.

**Photographs**

I took overall and midrange photographs of Costa including possible bullet trajectory.

I took close up photographs of the following:

- X-rays of [REDACTED]
- Body bag seal.
- Wounds to both forearms.
- Wounds to hands.
- Wounds to left foot.
- Bullet entry point.
- Possible bullet path.
- Brain.
- Bullet location inside body.
- Bullet outside body.
- Bullet hole in T-shirt.

**34 NARRATIVE**

On February 07, 2013, at approximately 1315 hours, Detective David Brantley and I met with Deputy Delpit at the Moorpark Police Station. Upon arrival, Detective Brantley collected the below listed DNA swabs from Deputy Delpit. At our request, Deputy Delpit also signed a medical release form reference the injuries she was treated for immediately following the shooting. The below listed items were later booked as evidence at the Ventura County Sheriff's Property room.

**Narrative:**

**Video Surveillance System Footage:**

During the course of the officer involved shooting investigation reference Deputy Delpit's shooting of Devon Costa on 9/7/13, Sgt. Gleason, Detective Brantley and I checked local businesses along N. Ventura Avenue to determine if there was any video surveillance footage of Deputy Delpit's interaction with Costa. On 9/9/13, we determined there were two businesses with video surveillance footage showing Deputy Delpit attempting to contact Devon Costa prior to the shooting. KC's Market at 4200 N. Ventura Avenue and Howard Supply Company at 4300 N. Ventura Avenue both had pertinent footage. On 9/12/13, I contacted Computer Forensic Examiner Peter Solis from the Southern California High Technology Task Force and arranged for him to collect the video footage from KC's Market and Howard Supply Company.

Howard Supply Company:

On 9/12/13, Sgt. Gleason, Detective Brantley, [REDACTED] and I met with Howard Supply Company Store Manager [REDACTED] and he allowed us access to the surveillance system. I provided [REDACTED] with a Consensual Search Form which he signed, giving us permission to collect the footage. I later booked the consent search form as evidence.

I told [REDACTED] that the footage we were interested in collecting from the Howard Supply Company system was from camera #8 on 9/7/13, between 1641 hours and 1646 hours. Camera #8 was mounted on the west facing exterior wall and was directed in such a manner that it showed a north-west view of N. Ventura Avenue.

I viewed the recorded footage from Howard Supply Company and booked it as evidence. Refer to the video footage for complete details. The following is a summary of the pertinent video footage:

The surveillance system showed the date and time as 9/7/13 at 4:41:35pm and a marked Sheriff's patrol vehicle entering the camera view from the north and leaving the camera view to the south at 4:41:37pm. At timestamp 4:43:57pm, a subject wearing dark clothing is seen walking north on the west sidewalk of N. Ventura Avenue. The subject in dark clothing is followed by who I believe to be Deputy Delpit walking behind the subject with her K9 partner Duro. At timestamp 4:44:16, Deputy Delpit turned around and walked south on the west sidewalk of N. Ventura Avenue, while the other subject in dark clothing leaves the camera view to the north. Deputy Delpit and Duro leave the camera view to the south at 4:44:30pm and at timestamp 4:44:55pm, a marked Sheriff's patrol vehicle drives north along the west curb of N. Ventura Avenue and leaves camera view to the north at timestamp 4:45:03pm.

KC's Market:

On 9/12/13, Sgt. Gleason, Detective Brantley, [REDACTED] and I contacted [REDACTED] at KC's Market. [REDACTED] is the adult daughter of the owner of the market and I provided her with a Consensual Search Form that she signed, giving us permission to collect video footage from the surveillance system. I later booked the consent search form as evidence. [REDACTED] allowed us access to the surveillance system in the back office of the business.

**Narrative:**

I told [REDACTED] that the footage we were interested in was from camera #1, which was mounted on the west facing exterior wall of the business and showed an elevated north-west view of N. Ventura Avenue. The date and time on the surveillance system was incorrect and was approximately 12 hours in advance of the actual time. Knowing that Deputy Delpit's call for service was on 9/7/13, at approximately 1635 hours, I asked Peter to copy the segment of time on 9/8/13, between 0430 hours and 0500 hours. Peter copied the requested video segment, but the system automatically copied a complete segment of time from 9/8/13, between 0232 hours and 0507 hours. Based on the time discrepancy on the surveillance system, the actual date and time for the copied video would have been on 9/7/13, between 1432 hours and 1707 hours. Peter explained that the video system had motion sensing technology that made for certain time frames not being present in the video, due to no motion occurring.

I watched the recorded footage from KC's Market and noted that the quality of the video footage was grainy and there was a palm frond waving in the wind in the upper left corner of the camera view that occasionally obscures the view. I later booked the CD containing the surveillance footage as evidence. Refer to the surveillance footage for complete details. The following is a summary of the pertinent video footage:

I saw a marked patrol vehicle drive south on N. Ventura Avenue when the surveillance system showed the date and time as 9/8/13 at 04:38:30. The patrol vehicle goes out of camera view towards the south and when the system showed the date and time as 9/8/13 at 04:40:00, a pedestrian is faintly seen walking north along the west sidewalk of N. Ventura Avenue and a marked patrol vehicle drives north along the west curb of N. Ventura Avenue. It appeared from the video that the patrol vehicle was following the subject who was walking on the sidewalk.

**VIDEO RECOVERY REPORT**

September 13, 2013

HTTF Case No.: HT13-00297  
Submitting Agency: Ventura County Sheriff's Department  
Agency Case Number: 13-20141  
Case Agents: Steve Michalec  
Examiner: [REDACTED]  
Subject: Devon Costa

On September 12, 2013, Detective Steve Michalec of the Ventura County Sheriff's Department called the Southern California High Technology Task Force (SCHTTF) to request assistance in retrieving video from two Digital Video Recorder (DVR) systems at different locations. Detective Michalec notified our office that the video from both locations was viewed previously. An appointment was made for later that day to assist the Detective at both locations, which were located in close proximity to each other.

I arrived at the first location, which was a business named "Howard Supply Company", located at 4300 North Ventura Avenue in the city of Ventura. Detective Steve Michalec and Detective Dave Brantley both met me outside the business. After entering the business, we were met by the Store Manager, [REDACTED] directed us towards a back office where the DVR system was located. [REDACTED] was able to give me a brief walkthrough of his understanding of the DVR system. Detective Michalec informed me that they only needed video from Camera 8, which was directed towards the street, in front of the business. The date and times required were for September 7, 2013, between 4:41PM and 4:46PM. I was able to retrieve this timeframe from Camera 8 successfully. I tested the video copy on a laptop computer to ensure it worked properly. I then used the laptop computer to create a copy of the video onto CD for the Detectives. The Detectives and I then departed the business.

We all arrived at the next location, a business named "KC's Market", located at 4200 North Ventura Road in the city of Ventura. Upon entering the business, we were met by an employee, [REDACTED] Mrs. [REDACTED] directed us to an office at the rear of the business. This office contained the DVR system. Detective Michalec informed me that they only needed video from Camera 1, which was directed towards the street, in front of the business. The date and time on the DVR video was labeled incorrectly on the DVR system and appeared to be 12 hours in advance of the actual time. Therefore, the time on the DVR that I was to copy was for September 8, 2013 between the time of

4:30AM and 5:00AM. The DVR system appeared to copy a complete block of time from 2:32AM to 5:07AM. According to the date and time discrepancy on the DVR, the actual date of the copied video would have been on September 7, 2013 and the actual time would have been between 2:32PM to 5:07PM. The video appeared to have also been captured using motion sensing technology, which accounts for certain time frames not being present in the video, due to no motion occurring. I was able to retrieve the timeframe from Camera 1 successfully. I tested the video copy on a laptop computer to ensure it worked properly. I then used the laptop computer to create a copy of the video onto CD for the Detectives. The Detectives and I then departed the business.

### OBJECTIVE:

1. To process the firearm for DNA analysis.
2. To determine if the fired bullet was fired in the Sig Sauer pistol.

### RESULTS AND INTERPRETATIONS:

1. The firearm was processed for DNA analysis. Swabs were collected from the firearm along with a water blank and derived as item 720A. The swabs were packaged together and submitted to the West County Property Room for storage, pending analysis.
2. The bullet, item 742, was microscopically compared to test fired bullets from the Sig Sauer pistol. It was determined that the bullet was fired in the 40 S&W caliber, Sig Sauer model P226 semi-automatic pistol, serial number [REDACTED]

## FORENSIC BIOLOGY SECTION

### EVIDENCE

Item 202 - DNA SWABS OBTAINED FROM DEPUTY DELPIT

Item 202A - Half of one cotton tipped swab was taken for DNA analysis.

Item 720A - SWABS OF ITEM 720

Item 720A1 - One envelope labeled in part "swab of flashlight" containing one cotton tipped swab.

Item 720A1A - The cotton portion of the swab was taken for DNA analysis.

Item 720A1A1 - Extracted DNA from item 720A1A

Item 720A2 - One envelope labeled in part "swabs of grip + frame" containing two cotton tipped swabs.

Item 720A2A - Extracted DNA from both swabs combined.

Item 720A3 - One envelope labeled in part "swab of slide + frame" containing two cotton tipped swabs.

Item 720A3A - Extracted DNA from both swabs combined.

Item 720A4 - One envelope labeled in part "water blank." This item was not opened and will not be analyzed at this time.

Item 730 - BELT

Item 730A - The cotton portion of the swab from the gun holster was taken for DNA analysis.

Item 730A1 - Extracted DNA from item 730A

Item 730B - The cotton portion of the swab from the mace holder and right end of belt was taken for DNA analysis.

Item 730B1 - Extracted DNA from item 730B

Item 730C - The cotton portion of the swab from the handcuff holder and the belt portion to the left was taken for DNA analysis.

Item 730C1 - Extracted DNA from item 730C

REVIEWED BY: TR CFT AR LLA

**EVIDENCE continued**

Item 730D - The cotton portion of the swab from the radio holder, the baton holder and the baton, and the key holders were taken for DNA analysis.

Item 730D1 - Extracted DNA from item 730D

Item 730E - The cotton portion of the swab from the Taser holder and the left end of the belt was taken for DNA analysis.

Item 730E1 - Extracted DNA from item 730E

Item 740 - DNA CARD OBTAINED FROM DEVON COSTA.

Item 740A - A small cutting from one of the four stains on the FTA card was taken for DNA analysis.

**OBJECTIVE**

To determine the STR DNA types from items 720A1A-720A3A and items 730A-730E and compare with the STR DNA types from the reference samples from Deputy Delpit and Devon Costa (items 202A and 740A).

**METHODS**

DNA was extracted from the samples using a QIAgen EZ1 robot. The recovered DNA extracts were evaluated for the quantity of DNA present using Quantifiler® Duo. A portion or all of some of the DNA extracts were amplified using the polymerase chain reaction (PCR) of fifteen short tandem repeat (STR) loci (D8S1179, D21S11, D7S820, CSF1PO, D3S1358, TH01, D13S317, D16S539, D2S1338, D19S433, vWA, TPOX, D18S51, D5S818, and FGA) and the gender marker amelogenin using the AmpFISTR® Identifiler™ amplification kit. The amplified DNA was instrumentally analyzed using an ABI Prism® 3130 Genetic Analyzer.

**RESULTS**

Items 720A1A, 720A3A, 730A, 730B and 730E contained an insufficient amount of DNA for STR analysis.

Items 730C and 730D contain a sufficient amount of DNA for STR analysis, but were not processed at this time. Y-STR analysis is recommended for these samples due to the circumstances of the case and the data from the quantitation results. Please contact me at 805-654-2370 if you are interested in sending these samples to an outside laboratory, at your agency's expense, for Y-STR analysis.

**INTERPRETATIONS**

A mixture of DNA from at least three people was generated from item 720A2A. Deputy Delpit cannot be included nor excluded as a possible contributor to this DNA mixture. Devon Costa can be excluded as a possible contributor to this mixture.

The suspect's DNA profile may qualify for entry into the CODIS Legal index. Please contact the Local CODIS Administrator, Suzette Sanders, at 805-477-1951 for this request.

**DISPOSITION OF EVIDENCE**

Items 720A1, 720A2, 720A3, and 720A4 were returned to item 720A. Items 720A, 730, 740 and 202 were returned to the Ventura County Sheriff's Office Property Room. Items 720A1A, the swabs from items 720A2 and 720A3, 730A-E, 202A and 740A were consumed in the extraction process. The extracted DNA from items 720A1A, and 730A-730E was submitted to the Ventura County Sheriff's Office Property Room as item 720A1A1, and 730A1-730E1, along with the reagent blanks. Item 720A3A was submitted to the Ventura County Sheriff's Office Property Room, along with the reagent blanks. The extracted DNA from item 720A2A was consumed in the amplification process, along with the reagent blank. The amplified DNA from item 720A2A, and the reagent blank, will be stored in the Forensic Biology Freezer for six months. The amplified DNA will be discarded after six months unless the Laboratory receives written notification to retain it. All other extracted and amplified DNA, along with the reagent blanks, was discarded post analysis.

**AFFIDAVIT IN SUPPORT OF SEARCH WARRANT:**

**Affiant's Information**

I, Detective Sergeant John J. Gleason, am a sworn peace officer within the meaning of Penal Code Section 830 and have been so employed in the State of California as a Peace Officer for approximately (19) years by the Ventura County Sheriff's Office.

I am currently assigned as a homicide investigator with the Ventura County Sheriff's Major Crimes Bureau. Prior to this, I was assigned as an investigator in the Major Crimes Bureau's Sexual Assault and Robbery-Assault Units. My total combined experience as a Major Crimes investigator covers approximately four (4) years. I also have several years of experience as a custody deputy, a custody supervisor, a patrol deputy, and a patrol field supervisor.

In addition, other prior assignments include positions in the following specialized units: The Ventura County Crime Suppression Unit (County-wide Gang Unit), supervisor in the Jail Classification Unit (In-house gang intelligence / investigative unit for Detention Services), and two (2) separate stints with the Camarillo Special Enforcement Detail (Gang / Investigative Unit) as a deputy and later as the supervising sergeant. Each one of these assignments required me to operate in the capacity of an investigator on a variety of criminal investigations. As a result, the combination of previous and present assignments

1 accounts for approximately eleven (11) years of total  
2 investigative experience.

3  
4 I am a P.O.S.T. certified graduate of the Ventura County  
5 Criminal Justice Training Center (Basic Law Enforcement  
6 Academy). In addition to receiving more than eight hundred (800)  
7 hours of training in the basic academy, I also received over  
8 seven hundred (700) hours of additional formal training in the  
9 area of criminal investigations and law enforcement tactics from  
10 the Ventura County Sheriff's office, the California Department  
11 of Justice, the Federal Bureau of Investigation (F.B.I.),  
12 National tactical Officers Association (N.T.O.A.); Tactical  
13 Foundation - Tactical Science Course, San Jose State University  
14 - Institute of Criminal Investigations - Sexual Assault  
15 Investigations Course, Institute of Criminal Investigations -  
16 Officer Involved Shooting Investigations course, and the South  
17 Bay regional Public Safety Training Consortium - Robert Presley  
18 Institute of Criminal Investigations - Homicide Investigation  
19 Course.

20  
21 I have investigated and/or been directly involved in all facets  
22 of hundreds of criminal investigations, primarily consisting of  
23 gang investigations, narcotics investigations, robbery  
24 investigations, investigations involving crimes of violence  
25 including assaults with deadly/dangerous weapons, officer  
26 involved shootings, suspicious deaths, attempted homicides and  
27 homicides. I've completed Criminal Justice courses at Moorpark  
28 Community College; I am a member of the California Homicide

1 Investigators Association (C.H.I.A.), and a prior member of the  
2 California Narcotics Officers Association (C.N.O.A.).

3 Additionally, throughout my career, I have attended numerous  
4 seminars and conferences pertaining to criminal investigations.

5  
6 As it relates to this particular investigation, my training and  
7 experience has enabled me to become familiar with and/or  
8 proficient in the following: Officer involved shooting  
9 investigations, related interviews and interrogations, the  
10 preparation and service of various types of search warrants, and  
11 homicide law in general. I have also spoken with, and exchanged  
12 information with, many experienced investigators from the  
13 Ventura County Sheriff's Office as well as other law enforcement  
14 agencies who have investigated numerous crimes of violence,  
15 including officer involved shootings and homicides.

16  
17 **FACTS ESTABLISHING PROBABLE CAUSE:**

18 All parties identified as Deputy, Detective, Sergeant, Detective  
19 Sergeant, or Officer are known to me as peace officers in the  
20 State of California.

21  
22 On September 07, 2013 at approximately 1755 hours, I responded to  
23 an officer involved shooting that just occurred on N. Ventura  
24 Avenue, near Los Cabos Lane in the unincorporated area of  
25 Ventura. I was assigned as one of the case agents for this  
26 investigation and, as a result, I have become completely familiar  
27 with all aspects of this particular case. The following is a  
28 chronological summary of events regarding this investigation:

1 **Mental Health Hold (5150 WIC) by Simi Valley Police Department:**

2 I read a police report written by Simi Valley Police Officer  
3 Sean Baker and learned the following: On September 06, 2013, at  
4 approximately 0218 hours, Simi Valley Police Officers responded  
5 to a "Welfare Check" call in the city of Simi Valley. The  
6 subject of this call was Devon Costa. The following is an  
7 excerpt from the incident report documenting this call for  
8 service: *"Upon our arrival, I observed a male subject who was  
9 later identified by his CDL as Devon Costa, walking in the e/b  
10 #2 lane of E. Cochran Street. As Officer Dykes approached the  
11 subject, he ran onto the south sidewalk and proceeded to run  
12 east for approximately 15 feet. He then stopped and kneeled down  
13 and put his hands on top of his head. Officer Dykes asked Costa  
14 what he was doing and he stated he was **"walking to the corner to  
15 meet the devil."** Based on Costa's statements and his **behavior of  
16 walking in the street almost getting hit by several vehicles, I  
17 formed the opinion he was a danger to himself and I detained him  
18 for 5150 WIC. Costa was subsequently transported and lodged at  
19 Ventura County Mental Health."*** On the check-box portion of this  
20 same incident report, the officer indicated he observed the  
21 following during his contact with Costa: "Absurd Illogical  
22 Thinking/Speech" and "Bizarre behavior."

23  
24 **Ventura County Sheriff's Call for Service:**

25 As part of this officer involved shooting investigation, Ventura  
26 County Sheriff's Detective David Brantley conducted a thorough  
27 interview with Ventura County Sheriff's Deputy Danielle Delpit  
28 after the shooting. I read the related report written by

1 Detective Brantley and reviewed the Ventura County Sheriff's  
2 Office Dispatch Call-Slip and learned the following: On  
3 September 07, 2013, Ventura County Sheriff's Deputy Danielle  
4 Delpit was assigned to the Ojai Valley Station with her canine  
5 partner "Dano." At approximately 1633 hours, she was dispatched  
6 to a suspicious subject call in the 5000 block of Crooked Palm  
7 Road in the unincorporated area of Ventura. The reporting party  
8 was concerned about an apparent transient exhibiting bizarre  
9 behavior, such as standing in the middle of the roadway with his  
10 arms out. (*The subject was later identified as Devon Costa, who*  
11 *evidently remained in the Ventura area upon his recent, earlier*  
12 *release from Mental Health*). Sheriff's dispatch further advised  
13 that Costa was walking northbound on Crooked Palm in the street,  
14 near the sidewalk. However, Costa continued to wave his arms and  
15 appeared to be talking to himself.

16

17 **Deputy Delpit's initial contact with Devon Costa:**

18 At approximately 1640 hours, Deputy Delpit arrived on scene and  
19 soon located Costa in the area of N. Ventura Avenue and Frasier  
20 Lane. Deputy Delpit initially saw Costa walking northbound along  
21 the sidewalk of N. Ventura Avenue. During that time, Costa was  
22 talking to himself and waving his arms. Initially, Deputy Delpit  
23 was traveling south on N. Ventura Avenue and passed Costa.  
24 Deputy Delpit turned her patrol vehicle around and slowly  
25 approached Costa.

26

27 Costa made unusual hand gestures and glanced back in her  
28 direction. Eventually, Deputy Delpit stopped her unit and exited

1 with her canine partner "Dano" due to Costa's bizarre behavior.  
2 Once Deputy Delpit was within approximately twenty feet of  
3 Costa, she attempted to gain his attention and engage him in  
4 conversation by stating, "Sheriff's Department, what's going on?  
5 What's your name?" However, Costa did not acknowledge her and  
6 continued walking.

7  
8 Realizing Costa was despondent and potentially unpredictable;  
9 Deputy Delpit returned to her patrol vehicle and asked for a 10-  
10 33 (emergency radio traffic). She also requested a backup unit  
11 to respond "code 3" (lights and sirens). Simultaneous to this,  
12 Deputy Delpit noticed a tow truck was parking a short distance  
13 ahead of her. Deputy Delpit continued to follow Costa in her  
14 patrol vehicle. Deputy Delpit followed Costa northbound on N.  
15 Ventura Avenue in the southbound traffic lane.

16  
17 Deputy Delpit eventually stopped her patrol vehicle when Costa  
18 finally stopped and faced her direction. At this point, Deputy  
19 Delpit was several feet to the rear of the tow truck along the  
20 west curb of N. Ventura Avenue. Deputy Delpit exited her vehicle  
21 with her canine partner "Dano." Deputy Delpit stated, "Sheriff's  
22 Department! Stop!" Costa responded to this command by walking  
23 towards Deputy Delpit.

24  
25 Costa raised one of his arms with a clenched fist as he closed  
26 the distance on Deputy Delpit. In an effort to prevent Costa  
27 from physically attacking her, Deputy Delpit sent her canine  
28 partner "Dano" towards him. Dano was able to hold a bite on

1 Costa's arm (later determined to be Costa's left arm). However,  
2 Costa was able to overpower the canine and continue to advance  
3 on Deputy Delpit.

4  
5 Based on Deputy Delpit's experience as a canine handler, she  
6 realized it was abnormal for Costa to overcome the canine's  
7 aggressiveness and powerful momentum. According to Deputy  
8 Delpit, the canine would normally be able to take the suspect to  
9 the ground. Suddenly, Costa struck Deputy Delpit in the face  
10 with a clenched fist, even with the canine holding a bite on his  
11 arm.

12  
13 The punch struck Deputy Delpit's nose with such force, it caused  
14 Deputy Delpit to feel as though she were losing consciousness.  
15 In fact, Deputy Delpit described hearing a "pop" in her ears as  
16 the punch landed. At some point during this time, Costa was "on  
17 top" of Deputy Delpit.

18  
19 As the incident continued to escalate, Deputy Delpit believed  
20 Costa grabbed for her holstered firearm. Deputy Delpit was also  
21 reaching for her firearm because she felt she was losing  
22 consciousness. Deputy Delpit was also concerned that Costa may  
23 have had a weapon secreted on his person. Deputy Delpit  
24 eventually drew her firearm from the holster and believed Costa  
25 grabbed it as well. Deputy Delpit believed Costa was intent on  
26 killing her and she defended herself by firing one round, which  
27 struck Costa in the abdomen.

28

1 Despite the fact he had been shot, Costa continued to fight with  
2 the canine. Costa began to fall to the ground as Deputy Delpit  
3 approached him and then released the canine from the bite.  
4

5 **Tow Truck Operator [REDACTED]' observations:**

6 Ventura County Sheriff's Detective Steve Michalec interviewed  
7 the eyewitness in this case, [REDACTED]. I read the related  
8 report written by Detective Michalec and learned the following:  
9 [REDACTED] is employed as a tow truck driver for Bob  
10 Carlson's towing. At around the same time frame the call for  
11 service involving Devon Costa was unfolding; [REDACTED] was  
12 dispatched to assist a motorist in the same general vicinity.  
13 Due to unfamiliarity with the area, [REDACTED] stopped his tow truck  
14 facing south, along the west curb of N. Ventura Avenue to check  
15 for directions.

16  
17 Meanwhile, while still seated in the tow truck, he noticed a  
18 Ventura County Sheriff's patrol vehicle driving slowly  
19 northbound along the west curb of N. Ventura Avenue. [REDACTED] also  
20 noticed a male subject, later identified as Devon Costa, walking  
21 north on the west sidewalk of N. Ventura Avenue, just ahead of  
22 the patrol vehicle. According to [REDACTED], Costa was "acting like  
23 he was stroking himself (simulated masturbation)." At one point,  
24 Costa made eye contact with [REDACTED] and smiled as he continued to  
25 simulate masturbation.

26  
27 [REDACTED] recalled seeing the patrol vehicle, later determined to  
28 have been driven by Deputy Delpit, travel towards the tow truck.

1 Deputy Delpit activated the overhead emergency lighting for the  
2 patrol vehicle and drove around the tow truck on the driver's  
3 side.  
4  
5 [REDACTED] planned to exit the tow truck to run across the street  
6 and look at a street sign, which was blocked from his view.  
7 [REDACTED] glanced in his rear view mirror and saw that Deputy  
8 Delpit had stopped her patrol vehicle a short distance behind  
9 the tow truck. Deputy Delpit exited the patrol vehicle with her  
10 canine partner "Dano." The driver's side window of the tow truck  
11 was rolled down enabling [REDACTED] to hear Deputy Delpit  
12 instructing Costa to "sit down."  
13  
14 [REDACTED] saw Costa "lunge" at Deputy Delpit followed by "Dano"  
15 Holding a bite on Costa's left arm. [REDACTED] watched as Costa was  
16 "Wrestling with the dog. Starts beatin' the dog, hittin' the dog  
17 like the dog bite's not even bothering him." At one point,  
18 [REDACTED] heard Costa say something to the effect of, "Fucking  
19 dog."  
20  
21 [REDACTED] was standing on the driver's step of the tow truck when  
22 he saw Costa close the distance on Deputy Delpit. Suddenly,  
23 Costa "Cracked her (Deputy Delpit) right in the nose." [REDACTED]  
24 further commented that everything happened "so fast" and then  
25 Costa reached for Deputy Delpit's gun as she was "staggering  
26 back." It appeared to [REDACTED] that Costa used his right hand to  
27 grab Deputy Delpit's holstered firearm at one point during the  
28 altercation. [REDACTED] added, "Actually, I could see the holster

1 move. That's when I was like, 'Oh shit'." The canine was still  
2 "locked on his (Costa's) arm." [REDACTED] was unsure whether or not  
3 Costa "unbuckled" the holster.  
4  
5 Deputy Delpit drew her weapon and instructed Costa to "Get down!  
6 Get down!" However, according to [REDACTED], "He (Costa) didn't get  
7 down and he came lunging at her again. The dog was still on the  
8 arm and she shot him." When asked what the distances between the  
9 two were, [REDACTED] stated, "They were close." [REDACTED] estimated  
10 Costa was within five feet of Deputy Delpit when she fired her  
11 handgun.  
12  
13 [REDACTED] also recalled, "After she (Deputy Delpit) shot him, he  
14 (Costa) was all, 'You fucking bitch! You're gonna die! I'm gonna  
15 kill you!'" [REDACTED] added, "He (Costa) didn't stop after she shot  
16 him. He went on for, I wanna say a good minute. I wanna say a  
17 minute. Standing up. And he was dealing with the dog, (saying)  
18 I'm gonna kill you, you fucking bitch, you're gonna fucking die!  
19 You're gonna die! Then slowly, he went to his knees and then  
20 she's telling him, she's still pointing at him, telling him,  
21 'let the dog go, leave the dog alone or I'm gonna shoot you  
22 again.' Costa eventually "started to fade". Once Costa went to  
23 the ground, Deputy Delpit released the canine from Costa's arm  
24 and secured the dog in the patrol vehicle.  
25  
26 At the time the shot was fired, [REDACTED] described Costa's actions  
27 as: "He was moving quickly. He was trying to hit her again."  
28 When asked if the suspect had the ability to strike the deputy

1 again, ██████ replied, "Yeah, I mean, the dog wasn't phasing  
2 him."  
3 ██████ mentioned he didn't assist Deputy Delpit because he  
4 feared the dog would attack him. Additionally, at some point,  
5 ██████ heard Deputy Delpit say, "No." ██████ believed that  
6 Deputy Delpit was instructing him (██████) not to approach.  
7 At one point, ██████ called out to Deputy Delpit to offer help  
8 and "that's when the guy (Costa) went for her gun and she pulled  
9 it out and she told him to 'Stop' and he lunged at her again and  
10 she shot him." After Deputy Delpit shot the suspect, she  
11 instructed ██████ to "Call 911 now!" ██████ said he retrieved  
12 his phone and dialed 9-1-1, but never completed the call because  
13 another deputy had arrived on scene by that time.

14  
15 **Death Pronounced:**

16 Senior Deputy Edward Beauvais was one of the initial responding  
17 deputies to the scene after the shooting occurred. I read his  
18 supplemental report and learned the following: Senior Deputy  
19 Beauvais accompanied paramedics as they transported Devon Costa  
20 by ambulance to Ventura County Medical Center. At approximately  
21 1723 hours, Emergency Room Physician ██████ pronounced Devon  
22 Costa deceased.

23  
24 **Background Information:**

25 Ventura County Sheriff's Detective David Brantley and I  
26 interviewed suspect Devon Costa's biological mother ██████ Costa,  
27 biological father ██████ Costa, step mother ██████ sta, and  
28 biological brother ██████ Costa later that evening. Through these

1 interviews, we learned Devon Costa had an extensive history of  
2 mental illness, specifically [REDACTED]  
3 As a result, Costa had been homeless and living on the streets  
4 of Simi Valley and sometimes Santa Monica. Costa, who was  
5 unmarried and did not have children, had not been seen by the  
6 family for a couple of weeks leading up to this incident.  
7  
8 He was under the psychiatric care of a doctor in Thousand Oaks  
9 and was prescribed the [REDACTED] medication [REDACTED]  
10 Unfortunately, Costa refused to take his prescribed medication,  
11 often choosing to self-medicate with illegal street narcotics.  
12 The family described occasions when Costa would exhibit  
13 uncontrollable, violent, and threatening behavior. Costa's step-  
14 mother informed us of times when Costa threatened to "kill" her.  
15 There was another occasion when Costa threatened his brother  
16 with a knife.  
17  
18 Therefore, I believe a search of Devon Costa's most recent mental  
19 health records will be extremely helpful to investigators in  
20 determining Devon Costa's state of mind leading up to the  
21 shooting. These records will also be helpful in establishing a  
22 time line of events beginning with Devon Costa's release from  
23 Ventura County Mental Health mere hours before the incident  
24 occurred.  
25  
26 The officers executing this warrant will not conduct a physical  
27 search of the listed location. This warrant shall only authorize  
28

1 the recipient (V.C.M.C. representative) to provide the requested  
2 items to the detectives.

3  
4 Based on my training and experience as an investigator, I have  
5 learned that archived record searches and other record searches  
6 often cannot be completed within the ten days in which the Search  
7 Warrant must be served and the Return to Search Warrant and the  
8 Search Warrant are to be filed with the court. I request that  
9 the ten-day requirement be waived to provide a reasonable time to  
10 have this Search Warrant processed and complied with in a timely  
11 manner. The Return to Search Warrant and Search Warrant will be  
12 filed with the court within ten-days of your affiant's receipt of  
13 the records sought pursuant to this Search Warrant.

14  
15 Based on the information contained within this Affidavit, I  
16 respectfully request that this Search Warrant for the  
17 aforementioned and described location and item(s) be granted.

18  
19 **Request for Sealing Order:**

20 Based on my training and experience, I believe the contents of  
21 this affidavit may tend to identify information that would be  
22 sensitive to the criminal investigation. There exists an  
23 overriding interest that overcomes the right of public access to  
24 the record and the overriding interest supports sealing the  
25 record. A substantial probability exists that the overriding  
26 interest will be prejudiced if the record is not sealed.

27  
28

1 I respectfully request that the warrant be sealed pending  
2 further order of the court. Without sealing, the affidavit and  
3 supporting documentation and warrant become a matter of public  
4 record within 10 days pursuant to Penal Code Section 1523(a).  
5 Sealing is justified even against discovery by the defendant  
6 based on governmental privilege that allows for the prosecution  
7 of the identity of the citizen and confidential informants  
8 pursuant to Evidence Code section 1041 (*Swanson V. Superior*  
9 *Court (1989) 211 Cal.App.3d 322*). The sealing request herein,  
10 however, is not based on denying discovery to the defendants  
11 when and if they are charged, but is being requested to merely  
12 prohibit public disclosure, which could surely undermine the  
13 continuing investigation herein.

14

15 **SEALING ORDER:**

16

17 Pursuant to California Rules of Court Rule 243.1(d), IT IS  
18 HEREBY ORDERED that the entire Search Warrant and Statement of  
19 Probable Cause are sealed because disclosure could cause  
20 irretrievably harm to the ongoing investigation. The Court finds  
21 sealing is justified in that: (1) There exists an overriding  
22 interest that overcomes the right of public access to the  
23 record; (2) The overriding interest supports sealing the record;  
24 (3) A substantial probability exists that the overriding  
25 interest will be prejudiced if the record is not sealed; (4) The  
26 proposed sealing order is narrowly tailored; (5) No less  
27 restrictive means exist to achieve the overriding interest. If  
28 criminal charges are filed, whether by way of complaint or

1 indictment, this Search Warrant and the Statement of Probable  
2 Cause may be unsealed and discovered in accordance with law.

**NARRATIVE**    **SUPPLEMENTAL**    **CASE CLOSED**

**Narrative:**

**Search Warrant Service**  
**Ventura County Medical Center - Records Department**

**Background:**

On September 07, 2013, the Ventura County Sheriff's Major Crimes Bureau initiated an investigation into an officer involved shooting that occurred on N. Ventura Avenue, near Los Cabos Lane in the unincorporated area of Ventura. The suspect in this case, Devon Thomas Costa, was struck by gunfire during the incident and was later pronounced deceased.

The investigation revealed Costa had recently been admitted to Ventura County Mental Health, pursuant to 5150 WIC and discharged a short time prior to this incident. Therefore, I believed any records pertaining to that recent Mental Health stay would contain significant information regarding Devon Costa's state of mind leading up to the shooting.

**Search Warrant Service:**

On February 11, 2013, I obtained a search warrant for the aforementioned records, which are maintained at the Ventura County Medical Center - Records Department. The issuing magistrate was the Honorable Judge Mark ~~\_\_\_\_\_~~rell. At approximately 1248 hours, I executed the search warrant service by delivering a copy of the search warrant to a representative for the records department in addition to making a verbal request for Devon Costa's records.

Pursuant to the search warrant, the following item was seized:

- Item# 100: Devon Costa's Mental Health records for September 06, 2013

I left a copy of the search warrant and property receipt with the Ventura County Medical Center - Records Department. I later booked the above mentioned seized item as evidence at the Ventura County Sheriff's Office Property Room.

End of report.

=====  
Narrative of Incident:

[On the indicated date and date time, I responded with Officer Dykes to a "Welfare Check" call in the 3500 block of E Cochran Street. Upon our arrival, I observed a male subject who was later identified by his CDL as Devon Costa, walking in the e/b # 2 lane of E Cochran Street. As Officer Dykes approached the subject he ran onto the south sidewalk and proceeded to run east for approximately 15 feet. He then stopped and kneeled down and put his hands on top of his head. Officer Dykes asked Costa what he was doing and he stated he was "walking to the corner to meet the devil." I approached Costa and placed him in handcuffs. While talking to him he looked at me and said "you can see him in me can't you" referring to the devil. Based on Costa statements and his behavior of walking in the street almost getting hit by several vehicles, I formed the opinion he was a danger to himself and I detained him for 5150 WIC. Costa was subsequently transported and logged at Ventura County Mental

breath. His speech was thick and slurred. He was unsteady on his feet.

I asked Costa if he had any weapons on him and if I could pat him down to check for my safety. He stated he had a pocket knife in his front pocket (the tool was booked into the Simi Valley Police Department property room for safe keeping). I asked, and received consent, to remove the items from his pockets. There was a small silver combination multi-tool and knife on a key chain in his front right pocket. There were no illegal items on his person.

I had dispatch perform a wants and warrants check on Costa. Dispatch informed me he was on local probation. He had no alcohol and drug terms and search and test terms.

During the course of our conversation Costa would be very apologetic one second and then become irritated and abrasive the next. He began yelling and telling me to take him to jail. I told him I was not going to take him to jail and only wanted to get him home safely. He continued to become more and more agitated and making incoherent statements. Because of his intoxicated state and his aggressiveness it was my opinion that Costa could not care for himself and could become aggressive to others he may have encountered while walking home. For those reasons I arrested Costa for 647(f) PC / public intoxication.

I transported Costa to the Ventura County Main Jail and booked him for the listed charge. I also issued him a citation (cite # SV160017) for the offense and placed his copy into his property at the jail. }

#### SOURCE OF ACTIVITY

On 7-22-10, I received a radio call at Vons located at 1855 Erringer Rd. to investigate a theft of beer. The suspect was last seen walking to the nearby Motel 6 (located directly across the street from Vons) and enter into room 203. Upon my arrival, I was met by the R/P- [REDACTED] and [REDACTED] store managers). [REDACTED] told me the following.

#### STATEMENT MADE BY [REDACTED]

[REDACTED] told me that he was advised by an unknown patron that a male suspect wearing black shorts and a blue shirt had just taken a 12 pack of Samuel Adams beer from a display case, and walked out the front door. [REDACTED] and W-[REDACTED] went outside the store and they observed the described suspect carrying a 12 pack of beer walking towards the nearby Motel 6. They continued to watch the suspect and they observed the suspect enter room 203. [REDACTED] then went back into the store to review the surveillance video. On the video they observed the same suspect enter the store and walk directly towards the beer display that is located near the service deli (the deli is located approx. 75ft straight ahead as you enter the store). The suspect is seen looking around. He then picks up 1 (12 pack) of beer from the display and walks directly out the front door of the store without paying. Hernandez then notified SVPD.

#### INVESTIGATION

After reviewing the video, I went over to the Motel. I knocked on the door of room 203 and the occupants inside answered (The occupants request to remain annomyous). I asked the occupants if the suspect that I was looking for was inside. The occupants said "no but we know him and he showed up here and said that he just stole the beer from Vons". The occupants told the suspect to leave, that they didn't want any part of what he did. The suspect left the location on a bicycle carrying the beer. I asked the occupants who the suspect was and they replied Devon Costa. I checked our SVPD contacts with Costa, and SVPD has had numerous contacts with the [REDACTED] year old Costa.

I returned to Vons to inform the manager that the suspect was not at the location, but that I knew the suspects name. When I was at Vons Senior Officer Shorts #359 was dispatched to a nearby tobacco store to investigate a theft that just occurred and fled on a bike (see attached DR#10-29169). The description of the suspect from the tobacco store was identical of

S-Costa.

Simi Officers searched the area for the suspect, and Sgt. Thompson located the suspect in the flood control at Galena/Copley. Thompson monitored the suspect drinking beer, while additional officers arrived to assist. Thompson advised that the suspect no longer had a shirt on and was wearing black shorts. Officers began to approach the suspect. The suspect stood up and ran north bound in the flood control. The suspect then jumped into the rear yard of a house near the flood control and ran out of the officers view. I arrived at Racine/Galena and I observed the described suspect running N/B Galena towards my location. I exited my vehicle and I confronted the suspect at the S/W corner of Racine/Galena. Sgt. Adamczyk arrived at my location and we were able to take the suspect into custody without incident.

I discovered the suspect's identification inside a pocket of the suspects shorts that stated Devon Costa. I informed Senior Officer Shorts #359 who was handling the tobacco store theft. Sgt Thompson retrieved the beer from the flood control and he brought the beer to my location.

**ARREST**

The beer retrieved was Samuel Adams (the same type of beer taken from the Vons display case). I placed Costa under arrest for the theft that I was investigating. I then transported S-Costa to Senior Officer Shorts location. Costa was placed into Shorts' police vehicle and Shorts transported Costa to VCMJ for booking.

**EVIDENCE**

I booked the beer and video surveillance tape as evidence at SVPD.

**BOOKING**

Based on the multiple theft crimes committed by Costa at different locations, and during the crimes, Costa never attempted to pay for the items, Costa was booked for 459PC Burglary.

CASE STATUS. Closed by arrest.

SOURCE OF ACTIVITY

On 7-22-10, I received a radio call at Vons located at 1855 Erringer Rd. to investigate a theft of beer. The suspect was last seen walking to the nearby Motel 6 (located directly across the street from Vons) and enter into room 203. Upon my arrival, I was met by the R/P- [REDACTED] and [REDACTED] (store managers). [REDACTED] told me the following.

STATEMENT MADE BY [REDACTED]

[REDACTED] told me that he was advised by an unknown patron that a male suspect wearing black shorts and a blue shirt had just taken a 12 pack of Samuel Adams beer from a display case, and walked out the front door. [REDACTED] went outside the store and they observed the described suspect carrying a 12 pack of beer walking towards the nearby Motel 6.  NOTICE OF STORED VEHICLE (22852 VC)  
 -----

ATTENTION VEHICLE OWNER:

The vehicle identified on this document, registered/owned in your name, was stored pursuant to the provisions of the California Vehicle Code (VC) by the agency shown below.

Under the provisions of Section 22852 VC, you have the right to a hearing to determine the legality of this storage. If you choose to contest the legality of this storage, you must request the hearing in writing, in person, or by telephone at the office identified as the Storing Agency on this document. The vehicle storage hearing is an informal process to determine whether or not a vehicle was stored legally.

Your request for a hearing must be received within ten (10) days from the date of this notice. If you request a hearing, it will be conducted within 48 hours of the request, excluding weekends and holidays. Your failure to request or attend a scheduled hearing shall satisfy the Post-Storage Validity requirements of Section 22852 VC.

If the hearing determines the storage to be unlawful, the storing agency will be responsible for the towing and storage charges. If you have any questions, or if this vehicle is no longer owned by you, please contact the Storing Agency shown below.

IMPORTANT INFORMATION REGARDING OBTAINING A RELEASE.

When contacting the police department to obtain a release for your vehicle

**SIMI VALLEY POLICE DEPT  
GENERAL OFFENSE HARDCOPY  
OUTSIDE AGENCY**

GO# 2013-7712 CLEARED ADULT ARREST

20002-A HIT&RUN-MISDEMEANOR

you will need the following:

1. Proof of ownership
2. A valid driver's license or
3. A validly licensed driver
4. The vehicle should be properly and currently registered with the DMV
5. If your vehicle was stored for expired registration over six months, you must register your vehicle with DMV before contacting the police department. If your vehicle requires a smog check, ask DMV for a one day moving permit for a temporary sticker.
6. Administrative fees are due (\$77.00): Payable by cash or credit card only.  
This does not include storage fees which are paid separately to the tow company.

If you can not respond in person to obtain the release and wish to send a representative they will need the following:

1. A letter from you identifying to whom you wish your vehicle released. Sign the letter and enclose a copy of your driver's license. In lieu of a copy of your driver's license, you may have your letter notarized.
2. Your representative must have a valid driver's license.

\*All other requirements stated above also apply.

VEHICLES TOWED PURSUANT TO 14602.6 VC (30 DAY IMPOUND)

California law permits towing and storage of vehicles for 30 days when the driver of the vehicle is unlicensed or driving with a suspended driver's license. If your vehicle is towed for this reason:

1. If you are the owner and driver of the vehicle at the time of storage and you are unlicensed or your driver's license is suspended, the vehicle is not available for release for 30 days.
2. If you are the owner of the vehicle, but not driving the vehicle at the time of storage, you may be entitled to secure a release for the vehicle. All release requirements listed in the first section must be met.

1 **Notification:** On 2/22/13, at approx. 1735 hours, I was dispatched to the intersection of  
 2 Nonchalant Dr. and Rambling Rd. regarding a hit and run collision that had just occurred. All  
 3 times, speeds and measurements are approximate. Measurements were obtained by pace.  
 4  
 5 **Scene:** The collision happened at the intersection of Nonchalant Dr. and Rambling Rd.  
 6 Nonchalant Dr. is an E/W residential roadway with one lane for each direction. There are single-  
 7 family homes on both sides of the street. Rambling Rd. is a N/S residential roadway with one lane  
 8 for each direction. There are single-family residential homes on both sides of the street. Rambling  
 9 Rd. joins with Nonchalant Dr. at the north to form a "T" intersection.  
 10  
 11 **Parties:** P1-Costa fled the scene after the collision. He was contacted at his residence later in  
 12 the evening. P1-Costa provided me with a valid California driver license and told me he was the  
 13 driver and sole occupant of V1. V1 was located facing E/B on Nonchalant Dr. with major front-  
 14 end damage.  
 15  
 16 [redacted] was located outside of her V2-Dodge. [redacted] provided me with a valid California  
 17 driver license as a form of identification. She told me she was the driver and sole occupant of V2.  
 18 V2 was located facing E/B in the W/B lane of Nonchalant Dr. V2 sustained major front-end  
 19 damage.  
 20  
 21 **Hit and Run:** W [redacted] described the driver as a male white adult, 6'00" in his ea [redacted] wearing a  
 22 gray / black jacket. She stated immediately after the collision, the driver of V1 exited the vehicle,  
 23 looked around and then ran S/B on Rambling Rd. However, she told me she could not recognize  
 24 the suspect if seen again.  
 25  
 26 **Statements:** I contacted P1-Costa at his residence after he called S.V.P.D. to report his car had  
 27 been stolen. P1-Costa was very vague regarding the times he had last seen V1 and what his  
 28 activities were during the time of the collision. I advised P1-Costa that filing a false police report

1 for a stolen vehicle was a separate offense and gave him the opportunity to tell the truth. It was at  
 2 this point P1-Costa told me he had screwed up and was ready to tell me the truth. P1-Costa told  
 3 me he was driving down Rambling Rd. (N/B) at approx. 35 M.P.H. when he reached over to obtain  
 4 a cigarette. It was at that point he realized he would not be able to stop in time for the stop sign at  
 5 Nonchalant Dr. so he tried to turn right. However, he collided with P2- [REDACTED] who was E/B on  
 6 Nonchalant Dr. After the collision he panicked and ran away, failing to provide his personal  
 7 information to [REDACTED] Refer to digital recording, which was booked into property as evidence  
 8 along with photos of P1-Costa's face.

9  
 10 P2- [REDACTED] said she was driving E/B on Nonchalant Dr. at approx. 25 M.P.H. when she was  
 11 suddenly struck by P1-Costa. After the collision, she saw P1-Costa flee the scene. However, she  
 12 did not get a good look at him.

13  
 14 **Witness Statement:** W-Park told me she was driving 2 cars behind P2- [REDACTED] when she saw  
 15 P1-Costa driving N/B on Rambling Rd. coming towards Nonchalant Dr. She then saw P1-Costa  
 16 fail to stop at the stop sign, enter the intersection and collide with P2- [REDACTED] who was driving E/B  
 17 on Nonchalant Dr. After the collision, she saw P1-Costa exit his vehicle and flee from the scene.

18  
 19 **Opinions and Conclusions:**

20 **Summary:** P1-Costa was driving N/B on Rambling Rd. when he became distracted and failed to  
 21 come to a stop when he reached Nonchalant Dr. P1-Costa entered Nonchalant Dr. and collided  
 22 with P2- [REDACTED] who was driving E/B on Nonchalant Dr. After the collision, P1-Costa fled the  
 23 scene on foot.

24  
 25 **Area of Impact:** The A.O.I. was determined by debris to be 15' north of the south curb line of  
 26 Nonchalant Dr. and at the east curb line of Rambling Rd.

- 1 **Cause:** P1-Costa caused the collision when he failed to come to a stop for the posted stop sign
- 2 for N/B Rambling Rd. at Nonchalant Dr., entered the intersection and collided with P2 [REDACTED] who
- 3 was E/B on Nonchalant Dr., a violation of 22450 (a) V.C.-Fail to stop for a posted stop sign. An
- 4 associated factor in the collision was inattention on the part of P1-Costa as he reached for his
- 5 cigarettes and took his eyes off of the road.
- 6
- 7 **Recommendations:** Based on the circumstances, I advised P1-Costa that I could submit a
- 8 warrant declaration for the offense or I could issue him a citation with a court date. P1-Costa
- 9 requested he be issued a citation. Therefore, forward to the Ventura County District Attorney's
- 10 Office for review and filing of 20002 (a) V.C.-Misdemeanor hit and run.

- 1 On 2-28-13, I received a telephone message from P2 [REDACTED] called her back and she told me
- 2 the following. She went to Urgent Care in Simi Valley on 2-23-13 for neck pain she sustained from
- 3 this traffic accident. When she finished her doctor's visit he told her she had a muscle strain in her
- 4 neck. The doctor prescribed prescription strength Motrin.
- 5
- 6 Four days had passed and P2 [REDACTED] still had neck pain. She was unable to drive or go to work.
- 7 On 2-28-13 she went back to Urgent Care in Simi Valley. This time the doctor prescribed
- 8 prescription strength muscle relaxant.
- 9
- 10 Since [REDACTED] has provided me with this latest information, I request the District Attorney's
- 11 Office file 20001(a) VC (Felony Hit and Run) charges against P1-Costa.

SIMI VALLEY POLICE DEPARTMENT STANDARD VANDALISM REPORT.

=====

Statement by: { }

He/She reported between the listed dates and times, unknown suspect(s) vandalized the below listed property.

=====

Damaged Property and Damage Description: {Office window broken. }  
 (Include damaged property and value in IBR property section only)

=====

Additional Statement information (if necessary): {On 1-2-08 at about 1637 hours I was dispatched to 2300 Heywood St (Berylwood Elementary) in reference to a vandalism that just occurred. Upon arrival I made contact with [REDACTED] [REDACTED] advised she had heard a window smash on the building to the front of the school. When she went to investigate she saw four juvenile subjects leaving the area. She watched them as she contacted SVPD via cell phone. She told me they had just gone around the corner onto Ysrella St. I located the four and detained them to the front of 1949 Ysrella St. (Devon Costa, [REDACTED] [REDACTED]). When asked about the incident the subjects advised they were in the area, but had not broken the window.

Ofc. Wigginton arrived and continued to detain the four subjects as I recontacted [REDACTED] I then conducted a field show-up with [REDACTED] She stated that those were the kids leaving the area. I then clarified whether or not she had seen them break the window. She stated she had not actually seen them break the window, but they were coming from the area where the window had been smashed. All subjects were FI'd.

[REDACTED] from the SVUSD arrived on scene to secure the building.

No further details.

}

=====

Additional investigative information (if necessary): { }

=====

Case Status: {In-active, pending further investigative leads. }

Narrative: {On 05/07/2011, at approximately 1550 hours, I (Officer James Dykes, #431) was on uniformed patrol. I was patrolling the parking lot of Taco Bell, located at 2360 Tapo Street. I observed a white male adult I knew as [REDACTED] sitting under a tree with four other white male adults (later identified as [REDACTED] Costa). I parked my patrol vehicle in a parking stall and contacted the subjects. They were all identified through there California Identification cards. I conducted a records check and learned that [REDACTED] [REDACTED] were all on searchable probation.

I asked [REDACTED] if he was on probation. [REDACTED] told me he was not. I asked him if he had anything illegal in his possession. [REDACTED] told me he did not. I

asked him if I could search his person for illegal contraband. [REDACTED] told me I could. He stood up from the ground and walked towards me. I began searching his pant pockets and Couch spread his legs. As he did that, a white sock fell from his left pant leg. I asked him what was inside the sock. [REDACTED] told me "That's a rig."

I looked inside the sock and located a syringe and a gray metal spoon. The spoon was burnt on the bottom and was coated with a black tar like substance. Based on my training and experience, I know the syringe and spoon are used for injecting Heroin. I seized the items from the scene and kept them in my possession until I booked it at the Simi Valley Police Station.

I cited Couch for violation of 11364 H&S-Possession of Drug Paraphernalia and released him from the scene. I did not locate any illegal contraband on any of the other mentioned subjects.

On 5-18-11, at 2227 hours, I was dispatched to the Simi Valley Hospital for a battery that occurred at 6164 Stoke Ct. When I arrived on scene, I spoke with Emergency Room RN [REDACTED]. She briefly told me that two males had brought the victim in for a battery. She did not have any more information.

I spoke with the victim in room #3 of the Emergency Room. He identified himself as [REDACTED] (Note: There was a patient that was within ten feet of [REDACTED]. I could not tape-record our conversation, because this patient yelled constantly in pain.) [REDACTED] told me the following story. At around 2100 hours, he was inside his garage (door open) with two of his friends, [REDACTED] (who wanted to remain anonymous). They were smoking "weed" and listening to music. While they talked about the music, [REDACTED] other friend [REDACTED] came over unannounced. [REDACTED] about his encounter with [REDACTED] [REDACTED] girlfriend of two years.) Apparently, earlier today, [REDACTED] mother brought [REDACTED] to Moorpark College. They went to register for classes and then walked around the campus. As they walked around [REDACTED] told [REDACTED] that she liked him. They embraced each other then kissed for several minutes. At one point [REDACTED] said to [REDACTED] "If I was not on my period we would [REDACTED] [REDACTED] as surprised by her comment and let it go. After they kissed, [REDACTED] mother came and then drove them back to Simi Valley. They did not see each other after their encounter at Moorpark College.

[REDACTED] about his encounter with his girlfriend. [REDACTED] appeared stunned by this revelation. [REDACTED] several times for his forgiveness. [REDACTED] even offered [REDACTED] some marijuana as a peace offering. Forty-five minutes passed without anything being said. [REDACTED] was calm since he was smoking marijuana.

[REDACTED] decided to change the music upon the request of [REDACTED]. [REDACTED] had his backed turned to [REDACTED] and his friends. Without warning or provocation, [REDACTED] was struck once on the right side of his head. He fell on the couch and felt dazed for ten to fifteen seconds. Once he came to his senses, he noticed his face was wet to the touch. He touched his face with his fingers and noticed his hands were covered in blood. [REDACTED] struck him on the head with a skateboard, and that he left in an unknown direction.

[REDACTED] prosecuted for this assault. I looked at his injuries and noticed the following. He had a small laceration, 1/4 inch in length to the right side of his forehead. He also had two small lacerations to the top right of his head. Both lacerations were less than a 1/2 inch in length. The final laceration was to the right rear of his head. This laceration was also less than 1/2 inch in length. Each laceration took two stitches to close. I took several photographs of these injuries.

I asked [REDACTED] the following questions:

How long have you known [REDACTED] He told me he had been a friend of [REDACTED] for about a year. However, Hill [REDACTED] thought [REDACTED] last name was spelled [REDACTED] Note: I could not find the name [REDACTED] in NCIC, DMV, or in-house. I spelled this last name several different ways and was unsuccessful.

Has [REDACTED] ever shown any violence towards you or anyone else? He told me he was a "cool" friend and that he has never seen [REDACTED] get mad or use violence as a means to solve a problem.

Have you ever shown any interest in [REDACTED] girlfriend prior to this incident? He told me this was the first time he had ever kissed [REDACTED] [REDACTED] further told me that a few months back [REDACTED] had asked him about a "three-some" with [REDACTED] [REDACTED] turned this proposition down.

Have you ever had any other personal problems with [REDACTED] He told me this was the first time he has experienced a problem with [REDACTED]

I asked [REDACTED] if he knew where [REDACTED] lived. [REDACTED] was renting a room in the mobile home park located on [REDACTED], Simi Valley. I showed him a map of the mobile home park. He pointed to space number [REDACTED]

I spoke with [REDACTED] who was in the ER waiting room. I asked him for his observations of tonight's events. He told me he was smoking "pot" with [REDACTED] and a guy named Devon, who he recently met. While they smoked "pot," [REDACTED] showed up and spoke with [REDACTED] [REDACTED] did not know what their conversation was about.

After thirty to forty minutes had past, [REDACTED] picked up his skateboard in a forceful manner. [REDACTED] why he was standing with his skateboard in hand. [REDACTED] did not say anything, then sat

down on a chair. [REDACTED] then watched as [REDACTED] then got up again from his chair, holding his skateboard. [REDACTED] once on the side of his head with the skateboard. After this attack took place, [REDACTED] took his skateboard and skated away in an unknown direction.

[REDACTED] went on to say that he has only known [REDACTED] for about one month. During this time he thought [REDACTED] as someone he could hang out with. [REDACTED] also told me he was temporary staying at his aunt's house in Box Canyon. He was going to go back to New York in a month to find a place to live.

I spoke briefly with Devon who reiterated to me that he did not want to get involved in this report. I asked him why and his response was, "Because I do not want to go to court." He went on to tell me that he was inside [REDACTED]'s garage, but he did not see him get hit with the skateboard. Devon also told me he has only known Kevin for a month. Devon would not provide me with any further information.

Officer Romo and I went to [REDACTED] in an attempt to contact [REDACTED]. When we arrived on scene the mobile home was dark. I knocked several times with no response.

I then responded to [REDACTED] to collect evidence. When I arrived, I noticed several small bloodstains on the driveway, in front of the garage. I took several photographs of this scene. While at this address I spoke with [REDACTED]. I informed her of [REDACTED] situation. She told me she did see or hear any noises coming from the garage. I asked [REDACTED] and she told me she did. However, She has only talked with him on a few occasions. She did not know any further information on [REDACTED].

I looked inside the garage and did not find any further bloodstains or evidence to collect. .

I booked the digital card into the SVPD property as evidence.

On May 24, 2011, about 11:05 A.M., I contacted [REDACTED] via telephone. [REDACTED] told me the person, later identified as [REDACTED] who struck [REDACTED] on the side of the head with a skateboard committed the assault inside [REDACTED] garage. [REDACTED] also said [REDACTED] while [REDACTED] back was to [REDACTED]. [REDACTED] said the assault was done without warning or provocation and [REDACTED] never saw it coming. [REDACTED] said in no way was [REDACTED] acting in self defense.

I asked [REDACTED] if he would be willing to look at a photo line-up to see if he could identify [REDACTED]. [REDACTED] said he would and knows [REDACTED] as an acquaintance and has met him numerous times in the past. [REDACTED] told me he would be willing to return to Simi Valley from New York to testify in court. [REDACTED] said he would provide me with his address after moving to New York. [REDACTED] said his phone number will remain the same as it is now. (Refer to digital recording for further details of phone interview with Chris).

On May 24, 2011, about 3:05 P.M., [REDACTED] came to S.V.P.D. at my request to review a photo line-up. I created the photo line-up via CalPhoto. I placed [REDACTED] DMV photograph in the number three position. There were

five additional DMV photographs of similar appearance to [REDACTED] in the photo line-up. I read the photo line-up instruction form to [REDACTED] said he understood the instructions. I gave [REDACTED] a manila folder containing the photo line-up. [REDACTED] reviewed the photo-line up and positively identified photo number three as [REDACTED] and the person who struck [REDACTED] on the head with a skateboard. I booked the photo line-up and instruction form into evidence at S.V.P.D.

On May 25, 2011, about 3:30 P.M., I contacted [REDACTED] via telephone. I asked [REDACTED] for a description of [REDACTED] skateboard. [REDACTED] could only say it looked like a standard skateboard and could not give any further description.

On May 25, 2011, about 1:30 P.M., I contacted [REDACTED] his residence. [REDACTED] was released from Simi Valley Hospital yesterday, 5/24/2011, after being there since 5/18/2011. I noticed that the right side of [REDACTED] head was shaved and there were numerous staples from the front of his forehead to the back of his head. [REDACTED] said the doctor had to open his skull to release pressure and received over 50 staples to close the wound.

I had [REDACTED] sign a medical records waiver release. I then read a photo line-up instruction form to [REDACTED]. I then showed [REDACTED] a photo line-up I created via CalPhoto. I placed S [REDACTED]'s DMV photo in the number four position with five similar DMV photographs. I gave [REDACTED] the photo line-up that was inside a manila folder. [REDACTED] opened the folder and reviewed the line-up. [REDACTED] immediately pointed to photo number four and said that was Kevin who was in his garage and who struck him with the skateboard according to [REDACTED] and [REDACTED]. [REDACTED] told me he remembered the skateboard being a standard wooden skateboard with black skid resistant tape on top and having small wheels.

I took photographs of [REDACTED] head with the staples. I also took photographs of the text message allegedly from [REDACTED]. [REDACTED] had the text message on his phone and forwarded it to his mother's cell phone to keep it safe. However, after forwarding the text message, [REDACTED] was no longer able to find the message in his cell phone, so I photographed the text message in [REDACTED] cell phone. The text message read, "I suggest u dnt press charges or u will have a molestation charge against u and will be a sexual offender ur choice."

I booked the photo line-up and instruction form, photographs and medical records into evidence at S.V.P.D. The medical records indicated [REDACTED] had bleeding on his brain and had two non-displaced skull fractures.

On May 25, 2011, about 4:10 P.M., I contacted [REDACTED] telephone. I talked with Devon about the assault against [REDACTED] the night of May 18, 2011.

[REDACTED] said he arrived at [REDACTED] residence about 8:30 P.M. [REDACTED] were already in the garage. Devon said he did not notice any problems between anyone when he first arrived.

Devon said he was sitting down in the garage doing his own thing and [REDACTED] was doing something and not saying anything to anyone, as was [REDACTED]. Devon noticed [REDACTED] was fidgeting with a skateboard.

Devon was looking down and several seconds later he heard a bang. [REDACTED] was startled and jumped up. Devon noticed [REDACTED] had fallen on the couch and [REDACTED] was running out of the garage. Devon noticed that [REDACTED] was bleeding on the side of his head. Devon said he did not see, or hear any confrontation between anyone prior to seeing [REDACTED] fall on the couch. [REDACTED] said all of them were within a few feet of each other when the assault occurred.

I asked [REDACTED] was riding a skateboard or running when he fled out the garage. Devon said he did not know. I asked [REDACTED] had a skateboard with him. Devon was not sure and said it was his skateboard that [REDACTED] used to hit [REDACTED] with. Devon was not sure if [REDACTED] fled with his skateboard, or if it was still in [REDACTED] garage. (Refer to digital recording for further details of interview with Devon).

I immediately contacted [REDACTED] via telephone. I told [REDACTED] how [REDACTED] skateboard to hit him with. I asked [REDACTED] if the skateboard was still in his garage. [REDACTED] went into his garage and located a skateboard that had the name [REDACTED] written on the bottom. [REDACTED] said that skateboard was not his. I immediately contacted Devon via telephone. I told Devon about the [REDACTED] skateboard. Devon said that skateboard was not his.

On May 26, 2011, I contacted [REDACTED] probation officer, Leah Valledor, via telephone. I talked with P.O. Valledor regarding my investigation with [REDACTED]. P.O. Valledor said she last saw [REDACTED] on May 17, 2011, at his scheduled meeting. [REDACTED] has mandatory meetings on Tuesdays and Thursdays. Last Tuesday, May 24, 2011, [REDACTED] called P.O. Valledor and said he was ill and could not make the meeting. P.O. Valledor said [REDACTED] was scheduled for today's meeting at 11:00 A.M. and would call me [REDACTED] showed up. P.O. Valledor told me their records showed [REDACTED] living at [REDACTED] Simi Valley, with his girlfriend, [REDACTED].

On May 26, 2011, about 2:00 P.M., I went to [REDACTED] residence to conduct a probation search, since I did not hear from P.O. Valledor regarding [REDACTED] scheduled meeting today. With me at the search was Sgt. Foushee, Detective Shatz, Detective Nicholson, Senior Officer Shorts and his trainee Officer Schlect.

I knocked on the front and back doors numerous times and announced my presence. I did not receive a response, but I heard someone inside coughing. The back door was unlocked, so I opened it and yelled inside who I was and asked the occupant to make himself known. Tenant [REDACTED] came out and said he did not know if anyone else was inside. [REDACTED] live at the location.

I had [REDACTED] step outside so we could conduct the probation search regarding [REDACTED] terms. We conducted a sweep of the residence for safety reasons, as [REDACTED] was wanted for a violent crime and was on probation for stealing a gun. The only other person located inside the residence was home owner [REDACTED] who was in a back bedroom. I asked [REDACTED] to step outside as well. No one else was located inside the residence. Both [REDACTED] and [REDACTED] identified [REDACTED] bedroom for me. Only that bedroom was searched per [REDACTED] probation terms. I located a skateboard inside the bedroom. I took photographs of the bedroom and skateboard and seized it for evidence. I gave my business card to [REDACTED] and asked him to have [REDACTED] contact me.

I contacted [REDACTED] via telephone. I described the long skateboard to Devon with the name "GORDON&SMITH" written on the bottom. [REDACTED] said that was not his skateboard. I booked the skateboard into evidence at S.V.P.D. pending contact with [REDACTED].

On May 27, 2011, about 8:30 A.M., I received a phone call at home from Sgt. Foushee. Sgt. Foushee told me [REDACTED] was arrested by Senior Officer Shorts and his trainee Officer Schlect.

I responded to S.V.P.D. to interview Kevin. I contacted [REDACTED] and read him his rights per Miranda. I asked [REDACTED] if he was willing to talk about what happened in the garage at [REDACTED] responded by asking what charges were being brought against him. I told [REDACTED] the people that were there told me he hit [REDACTED] in the head with a skateboard when he wasn't looking. I told [REDACTED] he put [REDACTED] in the hospital.

I told [REDACTED] that was pretty much it and that I heard it was probably over [REDACTED] sitting on [REDACTED] I told [REDACTED] he could not do that because he was mad at someone. I asked [REDACTED] if he still had the skateboard. [REDACTED] said he didn't know anything about that.

[REDACTED] said all he knew was his skateboard was missing from his house. I asked [REDACTED] if that was the board he used to hit [REDACTED] said he did not think anyone knew who hit [REDACTED] because the lights were off. [REDACTED] said he would wait to see what happens at trial.

I told [REDACTED] that his statement implies he could have done it as well because he did not deny it and was blaming others. [REDACTED] he wasn't blaming anyone else and no one was blaming him. I told [REDACTED] everyone was putting the blame on him. [REDACTED] said I could tell him what I wanted and he knew what was going on. [REDACTED] was a drug dealer and has sex with sixteen year old girls. [REDACTED] said he was a good man and shouldn't be here for this crime.

I told [REDACTED] that's why we were talking and if something else happened I would be glad to hear it. [REDACTED] said we'll wait till court and then asked if he would be spending a long time in jail. I explained the judicial process to [REDACTED] and all the different possibilities that could occur.

I told [REDACTED] if he did not do this and wanted to tell me anything that would help his case, I would be glad to verify and prove it for him. [REDACTED] asked me if I had a toxicology report on [REDACTED] I told [REDACTED] that [REDACTED] was a different issue and could be dealt with another time. the head with a skateboard. [REDACTED] said he did not think there was any legal justification for hitting anyone in the head. [REDACTED] said he did not think there was enough proof and would wait.

I told [REDACTED] about the booking process and what was going to happen now. Kevin then said it was worth a check up to go by [REDACTED] house and watch it for drug activity. I told [REDACTED] I believed there was some type of drug activity going on, but that did not give legal justification to hit someone in the head with a skateboard and that was why we were here. [REDACTED] then replied, "Maybe rape." I told [REDACTED] I heard about that and would be willing to talk with anyone about it. [REDACTED] said he would wait till court.  Narrative:{On 05/27/11, at approximately 0811 hours, Senior Officer Shorts (serial #359), Officer Vigil (serial #264) and I (Officer Schlecht, serial #434) were working uniformed patrol in marked black and white police vehicles in the City of Simi Valley. We responded to S- [REDACTED] residence located at [REDACTED]. Senior Officer Shorts and I conducted a probation search at [REDACTED] residence with Detective Delmarto on 05/26/11. Detective Delmarto told us that [REDACTED] as arrestable for Assault With A Deadly Weapon based on a case he is investigating (refer to DR #11-21389). We conducted a records check on [REDACTED] and confirmed he was on probation with search terms for weapons and narcotics.

When we arrived at the residence, Senior Officer Shorts knocked on the back door and announced our presence. A roommate answered the door and verified [REDACTED] was in his bedroom sleeping. We entered the residence and arrested Cunningham for 245(a)(1) PC - Assault With A Deadly Weapon without incident.

We transported [REDACTED] to the station and Detective Delmarto interviewed him. Refer to Detective Delmarto's report for further details. After the interview, we transported [REDACTED] to the East Valley Jail and booked him.

Subject: ATTEMPTED THEFT NARRATIVE

On 05-04-11 at approximately 1840 hours, I received a call of a suspicious incident at 5956 E Los Angeles Ave. (Cigarettes for less).

Upon my arrival, I made contact with RP- [REDACTED] who stated a customer came into the store and advised him a gold Saab [REDACTED] pulled up next to his vehicle [REDACTED] that was parked on the East side of the building. A male got out of the car and pulled on the door handles of the passenger side doors of his van. The customer then asked the subject if that was his car. The subject told him it was a friend's car. The customer then told them to leave or he was calling the Police.

[REDACTED] did not know the customers name and does not know who the subject could have been. He stated no one else but him was allowed to be in the vehicle. I dusted for latent fingerprints, which yielded negative results. Photos of the vehicle were booked into SVPD evidence.

In conclusion, because the subject attempted to enter the vehicle without permission to possibly tamper with the vehicle, which is in violation of 10852 VC (tampering of vehicle without owners permission).

The gold Saab is registered to a Devon Costa [REDACTED] in Simi Valley, CA. The vehicle was not at the residence.

Case Status: Open pending contact with Devon Costa.

I attempted to get in contact with Devon Costa numerous times but I was unable too. I went to his residence numerous times but no one ever came to the door when I attempted to contact him. I left my card at the residence and wrote on it requesting Devon to contact me. I then called and left a message with his probation officer advising him of the incident. I never received a call back.

Subject: INCIDENT REPORT

Related date/time: Jul-26-2012 (Thu.) 1

On 07/25/2012 at approximately 1855 hours, Sr. Officer Buchanan and I (Officer O'Leary #441) were responding to the area of Amarillo Ave. and Fort Worth Dr. regarding a Suspicious Incident that just occurred. A resident called to inform dispatch that a green sedan "blew" past his house, and the vehicle appeared to have fresh damage and leakage as though it was just involved in a traffic collision.

At approximately 1857 hours, Officer Dykes initiated a traffic stop on a vehicle, a green Saab [REDACTED], on Alamo St., east of Texas Ave. The Saab was leaking fluid from under the front of the vehicle, the hood was pushed in, and the right front headlight was significantly smashed. The driver of the vehicle, Devon Costa [REDACTED] told Officer Dykes that he hit a pole at a gas station off of Stearns St. After hitting the pole, he drove to his father's house on Hempstead Ave. When his father was not home, Devon then decided to leave the area, which was at the time Officer Dykes stopped him.

Upon contacting Devon, he informed us that he was on probation. A records check confirmed his status. Officer Allegra, the K-9 Unit, utilized his dog to search Devon's vehicle per his probation search terms. The search yielded a marijuana pipe, but no other contraband. During this time, Officer Haesy went to several gas stations in the area that Devon had indicated the accident took place. The gas station personnel that Officer Haesy contacted said they had not seen or heard of any accidents in their area. Officer Haesy also checked the poles at the gas station for any signs of damage, which yielded negative results. Officer Haesy was unable to locate any debris that would indicate an accident occurred in the area.

During a search of his cell phone, it was determined that Devon was driving north on Tapo St. to meet up with someone to buy marijuana. Given the origin of the original call for service, the information obtained from Devon's cell phone, and Devon's admissions, Officer Vanfleet drove through the Texas track area to look for signs of a traffic accident. Near the entrance to The Treehouse parking lot, just north of Alamo St. on Tapo St., Officer Vanfleet discovered a fluid trail, and debris from what appeared to be a traffic collision. Amongst the debris, Officer Vanfleet found a broken headlamp casing. Both he and Officer Haesy brought the headlamp casing back to the Saab, which matched the damage to the Saab's right front

end.

Devon continued to deny having been in a traffic accident with another vehicle.

At this time, Devon was released and drove his Saab away from the area.

Forward to Ventura County Probation.

Subject: INCIDENT REPORT - MISC

Related date/time: May-11-2013 (Sat.) 420

At approximately 0039 hours on 5/11/13, I was working full uniformed patrol in a marked black and white patrol vehicle in the City of Simi Valley.

Officer Combs #432 and I responded to Denny's, 2460 Sycamore Dr., regarding a subject causing a disturbance in the restaurant.

Upon our arrival, I contacted the subject, later identified as Devon Costa [REDACTED]. The following is a synopsis of what he said: Costa had been drinking with friends on the evening of 5/10/13. His friends dropped off at Denny's. Another patron inside of Denny's was making fun of him and he did not like it. He was "expressing" himself, and stated that he just wanted to let the other person know how he felt.

While speaking with Costa, I could smell a strong odor of an alcoholic beverage coming from his exhaled breathe. His eyes were red and watery and he stumbled as he walked. Despite these observations, Costa appeared to be able to take care of himself. A check through SVPD Records showed Costa to be on probation. A search of Costa's person was negative for any contraband.

Costa requested that a taxi-cab respond to the location and drive him to his friend's house in Thousand Oaks. I advised SVPD Communications of Costa's request and shortly after, Costa left the scene, in a taxi-cab, without incident.

On 7-20-10 at approximately 0815 hours I was patrolling in the area of Erringer Rd and Gibson Ave when I observed two male subjects on bicycles riding towards me. As they passed by me I observed both of them had back packs on their backs. They also appeared to have not bathed in a couple of days. Due to the fact that summer school session had started at 0800 hours and recent vehicle burglaries in the area I conducted a stop on the subjects to the front of 1790 Fitzgerald Rd.

When I made contact with Subj-[REDACTED] and asked what was going on he stated they he and his friend were going to the friends house to eat breakfast. When I asked Subj-Costa where he lived he stated on Sunnydale Ct, which is the area that I had orginally observed the subjects. I then asked them if they were on probation and Subj-[REDACTED] stated that he was currently on probation and his probation officer was Daniel Anaya. Both subjects also smelled like smoke from possibly being near a fire. They stated that they slept in the hills the night before and were near a campfire.

Officers A McCord and M. Rendahl assisted with my stop.

Both subjects and their backpacks were searched and checked okay. Both subjects were checked and cleared for wants and warrants and sent on their way.

On 12/20/10, I observed a pedestrian (later identified as Devon Costa) walking s/b on Kuehner from the 118 freeway on the west side of the road. From where he had come from, there were no businesses or houses that he would have been walking from, with the exception of Hummingbird Ranch. It was raining outside so it seemed unlikely that he had been hiking.

I contacted Costa and asked what he was doing. He said he was going to a friend's house in the Texas tract. He claimed he had been hiking in the hills. Costa was soaked and very dirty. Although odd, his claim appeared to be plausible.

When asked, he stated he was on probation for theft. He consented to a search of his backpack and person. Nothing significant was found and he had no warrants.

Subject was contacted to the rear of the Regal Center near Baja Fresh on a radio call that a subject fitting his description was loitering and begging for cigarettes.

I located the subject sitting on the raised planter to the rear. While he was cooperative, his demeanor lead me to believe he may have some type of mental health issue. All the questions posed to him were met with a smirk and slow methodical answer. Some questions he simply repeated and did not answer.

He told me he still lived on Sunnydale, although I suspect, based on his dirty appearance that he is actually homeless.

He was clear wants/warrants. He is on probation, his terms were exercised, but a search did not reveal any contraband. He was advised regarding loitering and left the area on foot.

On the indicated date and time, I contacted active probationer Subj.- Devon Costa for a vehicle code violation.

Costa stated he was just driving around because he was bored. While I was talking to him further he would change his story and he became uncooperative.

I exercised his probation terms and searched his vehicle and person for contraband, which yielded negative results.

Costa was not UI and he checked clear for any warrants.

On the indicated date and time, Officer Dykes and I (Officer Dee) observed Devon Costa sitting on a bench to the front of 5702 Los Angeles Street. Officer Dykes and I initiated a consensual contact on the subject. Costa stated he was on probation. Officer Dykes confirmed Costa's probation status.

I searched Costa and found nothing illegal on his person. Costa stated he drove to the area and parked his vehicle in the Vons parking lot at 5805 Los Angeles Avenue. Due to Costa's search terms, we transported Costa to his vehicle and I searched his vehicle. I found nothing illegal inside of Costa's vehicle and he left the scene without incident.

On the listed date and time, I contacted a subject sleeping on the ground at the intersection of Sunnydale Ave. and Azure Hills Dr. The subject identified himself as Subj-Devon Costa. I conducted a records check for wants and warrants, with negative results; however it indicated Costa was on probation in Ventura County. Costa stated he got into an argument with his brother earlier and his mom kicked him out of the house (██████████ Ave.). He went further to say he was currently a transient in Los Angeles and was in Simi Valley to take a shower and pick up some clean underwear and socks. Costa stated he would find another place to sleep for the remainder of the night and was going to have his mom drive him back to Los Angeles in the morning. I released him from the scene. It should be noted that I was dispatched to a Family Dispute between two brothers at the above listed address and prior to our arrival, I was canceled per the reporting party.

On the indicated date and time, I (Officer Dee) was backing Officer Neumann on a traffic stop near the intersection of Cochran St. and Colonial Way when I observed Devon Costa standing in a nearby parking lot watching the traffic stop.

I approached Costa and engaged him in casual conversation. During my conversation with Costa, I discovered he was on probation. I searched Costa and found nothing illegal.

During my contact with Costa his attitude changed rapidly. Costa would be smiling at one moment and then become extremely agitated a moment later for no obvious reason. I asked Costa to explain why he was upset and he was unable to do so. Costa denied any mental health issues.

Costa checked clear of wants and warrants and left the area.

On 5-11-13 at 1123 hours, I responded to the Jefferson Apartments regarding a subject trespassing in the pool area. The subject was not a resident, appeared under the influence, and was only wearing underwear.

Upon arrival, I located Devon Costa sun-bathing and apparently drying his underwear which he was still wearing. Costa advised that he hopped the fence at the location to take a shower. He arrived at the location after leaving the area of Vons at Erringer Rd. and Cochran St.

Costa was not intoxicated. He was on probation for burglary and checked okay. Costa was asked to put his clothes on and leave the complex. He was warned that he could face trespassing charges if he were to return. Costa was referred to the Samaritan Center for resources. Costa was cooperative through the contact and sent on his way.

WE RESPONDED TO THE INDICATED LOCATION REGARDING A DISTURBANCE (BUSINESS) CALL (TAG # 336).

UPON OUR ARRIVAL WE CONTACTED THE DISTURBING PARTY, S/I (COSTA, DEVON), AND IMMEDIATELY SMELLED THE OOR OF AN ALCOHOLIC BEVERAGE EMITTING FROM HIS BREATH AND PERSON. WE ASKED S/I HOW MUCH HE HAD TO DRINK TONIGHT, HE RESPONDED "ABOUT 6 BEERS."

S/I EXHIBITED THE FOLLOWING SYMPTOMS OF SOMEONE UNDER THE INFLUENCE OF AN ALCOHOLIC BEVERAGE; 1.) SLOW, SLURRED SPEECH. 2.) BLOODSHOT WATERLY EYES. 3.) UNSTEADY GAIT, AS HE SWAYED FROM SIDE TO SIDE.

S/I TOLD US THAT HE WAS A TRANSIENT AND DID NOT HAVE ANYONE IN THE AREA HE COULD CALL TO TAKE CARE OF HIM.

DUE TO THE LEVEL OF HIS INTOXICATION COUPLED WITH THE FACT THAT S/I HAD NO ONE TO CARE FOR HIM AND HE WAS UNABLE TO CARE FOR HIMSELF OR OTHERS, WE PLACED HIM UNDER ARREST FOR DRUNK IN PUBLIC, VIOLATION OF 207(F) PC.

WE TRANSPORTED S/I TO WEST HILLS STATION, STAFFORD AND RELEASED HIM ON THE INDICATED CITATIONS, WITH THE

**Age**

[REDACTED]

**Narrative:**

A man was shot and killed Saturday afternoon after he attacked a deputy and tried to take her firearm.

The Sheriff's Office had received a call that the suspect was walking in the middle of Ventura Avenue, shouting and waving his hands.

When a deputy arrived at the scene, the suspect would not respond to anything the deputy said. An independent eyewitness at the scene said the suspect physically attacked the deputy and punched her in the face, nearly knocking her to the ground. The suspect then tried to grab the deputy's firearm and threatened to kill her.

Injured, bleeding, and fearing for her life, the deputy drew her firearm and shot the suspect, who later died at a local hospital. The suspect's identity has not been released pending notification of next of kin.

## Suspect killed in struggle with deputy

■ Officials: Man caused disruption in the street

By Mercedes Agullar

A man died at a hospital Saturday night after being shot by a sheriff's deputy during a struggle in a street north of Ventura, authorities said.

The incident occurred about 4:45 p.m. near Ventura Avenue between Fraser and Los Cabos lanes, officials said.

Authorities received a report of a man causing a disturbance in the middle of

the street, waving his hands and shouting, said Eric Buschow, a spokesman for the Ventura County Sheriff's Office. A K-9 female deputy responded and contacted the man, and a struggle ensued, officials said.

The man was shot during the struggle and was taken to Ventura County Medical Center, where he later died, Buschow said. The man's identity is being withheld, pending notification of relatives, Buschow said.

The deputy suffered injuries to her face and was treated at the hospital, Buschow said.
