Subject: Assault with a Deadly Weapon on a Police Officer / Officer-Involved Shooting

Date Occurred: October 9, 2018 @ 08:46 a.m.

Location: Cortez Street @ East Stroube Street, El Rio

Victims: Ventura County Deputy Sheriff Nickolai Castaneda [REDACTED]

Suspect: Corrina Reyes [REDACTED]

Summary of Incident

On 10-09-18, at approximately 0846 hours, Deputy Nickolai Castaneda was patrolling the area of East Stroube Street and Cortez Street in the unincorporated area of Oxnard known as El Rio. While on patrol, Deputy Castaneda saw a subject he has known from numerous prior contacts as Corrina Reyes [REDACTED] at the intersection of East Stroube Street and Cortez Street. Reyes was pushing a bicycle [REDACTED] Deputy Castaneda saw her. Deputy Castaneda knew Reyes had an active felony warrant for battery on a firefighter (violation of probation). Deputy Castaneda stopped his patrol car and called [REDACTED] Reyes several times. Reyes ignored Deputy Castaneda and dropped the bicycle in front of [REDACTED] East Stroube Street and went through a gate into the backyard. Deputy Castaneda called out to Reyes to stop so he could talk her and activated his department issued Body Worn Camera (BWC). Deputy Castaneda followed Reyes into the backyard of [REDACTED] East Stroube Street because he was actively pursuing a subject with a felony warrant.

Deputy Castaneda called out to Reyes several more times while in the backyard and Reyes tried to hide behind a large tree located on the property. Deputy Castaneda attempted to get an angle to view Reyes. When Reyes saw Deputy Castaneda approaching her, she started to run back

towards East Stroube Street. Deputy Castaneda advised Sheriff's Dispatch that he was in foot pursuit of a "Code 6 Frank" suspect and a 10-33 was initiated. Deputy Castaneda chased Reyes back onto [REDACTED] Stroube Street and they ran in a southeast direction towards Cortez Street. Around the area of [REDACTED] East Stroube Street, Reyes reached into a bag she was carrying and removed a claw ham [REDACTED]. Reyes turned towards Deputy Castaneda, cocked the hammer back in her right arm and appeared like she was going to swing or throw the hammer at Deputy Castaneda. Deputy Castaneda removed his gun from his holster and pointed his gun in Reyes' direction but she turned around and continued to run southeast on East Stroube Street.

While Deputy Castaneda was following Reyes, she ran with the hammer in her right hand. Reyes ran to the corner of East Stroube Street at Cortez Street and went into the porch area of [REDACTED] East Stroube Street where she turned towards Deputy Castaneda and raised the hammer. Reyes tried to open a door on the porch and then attempted to open the nearby sliding glass door, but both doors were locked. Reyes then kneeled behind a wooden chair that was in the porch area and held the hammer with her right hand. Deputy Castaneda pleaded with Reyes several times to drop the hammer but she failed to comply. After a few minutes sirens could be heard approaching Deputy Castaneda's location. (I know this from reviewing the BWC.) Reyes stood up and started to walk towards Deputy Castaneda with the hammer raised above her head as if she were going to swing or throw it at him. Deputy Castaneda retreated from the entrance of the porch and held his gun pointed in Reyes' direction.

As Reyes exited the gate, she began walking between the garage and a vehicle parked in the driveway. She turned her lower body and appeared like she was going to flee from Deputy Castaneda again. Deputy Castaneda immediately took a step in Reyes' direction and Reyes turned her upper body back towards Deputy Castaneda, raised the hammer further above her head and cocked the hammer behind her head. I would describe this motion as what a baseball player would use to throw a baseball. Deputy Castaneda stopped and fired one shot in Reyes' direction. Deputy Castaneda's round struck Reyes in the left hand. Reyes turned away and ran northwest with the hammer still in her right hand. Deputy Castaneda ran after Reyes and yelled at her several more times for Reyes to drop the hammer. Reyes finally complied and dropped the hammer in a church parking lot located at [REDACTED] Cortez Street. Deputy Castaneda holstered his handgun and grabbed Reyes from the rear by her left and right arm, above the elbow and below her shoulders. Reyes went down to the ground in the church parking lot and Deputy Castaneda landed on top of her. Deputy Castaneda held on to her with his left hand and immediately used his radio to request that paramedics respond to his location. Reyes began to scream, "November 2017, he shot me!" Deputy Castaneda put on black latex gloves and then placed handcuffs on Reyes. Deputy Castaneda continued to tell Reyes, "I told you to drop it. I told you to drop it." Deputy Castaneda turned Reyes and her back and said, "Let me see where it's (The bullet hole) is at." Deputy Castaneda began checking her upper body for the bullet hole. Deputy Bautista arrived on scene and also assisted with first aid. Deputy Castaneda told Deputy Bautista he did not know where the "wound" was and Reyes replied, "The wound is my hand you fucking bastard." Emergency personnel arrived and Reyes was taken to Los Robles Medical Center in Thousand Oaks.

Suspect's Background

Corrina Jessica Reyes, DOB: [REDACTED] is a Hispanic female [REDACTED] an [REDACTED] pounds. Reyes periodically stays with her parents at [REDACTED] El Rio, CA; but is mostly a transient in the El Rio area. Reyes had the following past arrests, and / or detentions:

- On 05-26-18, Reyes was arrested by the Ventura Police Department for 69 PC-Obstructing/Resist Executive Officer and 594(B)(1)-Vandalism. She received two days in County Jail.
- On 07-30-18, Reyes was arrested by the Ventura Sheriff's Department for PC 243(C)(1)-Battery to Emergency Personnel. She later received 36 months of probation and 180 days in the County Jail.
- Numerous drug related charges including this incident where amphetamines were found in her system and methamphetamine was found in her possession at the time of her arrest.
- On 03-23-18, Reyes was placed on probation for 36 months with unconditional search terms.

Scene

Detective Matt Ogonowski documented the area and evidence at the scene. Deputy and witness statements, the presence of a blood trail that extended from [REDACTED] East Stroube Street to [REDACTED] Cortez Street, and body camera footage yielded the conclusion that the crime and shooting occurred at the following addresses:

* [REDACTED] East Stroube Street

* [REDACTED] East Stroube Street

* [REDACTED] East Stroube Street

* [REDACTED] Cortez Street

All four addresses are within an unincorporated residential neighborhood northeast of Oxnard, commonly referred to as El Rio. East Stroube Street runs in a northwest to southeast direction and Cortez Street runs in a northeast to southwest direction. Both East Stroube Street and Cortez Street are publicly maintained roadways.

[REDACTED] East Stroube Street is on the north corner of East Stroube Street and Cortez Street. East Stroube Street connects this neighborhood to East Vineyard Avenue (State Route 232), a main highway.

The private property at [REDACTED] East Stroube Street is a smaller detached single story home on a large ½ acre lot. The property is on the northeast side of East Stroube Street. The lot measures approximately 22 meters by 92 meters. The home has a light stucco exterior and a composite roof. The home has a one car garage attached to the southeast side, along with one car concrete driveway. The home has a small chain link fence in the front that encloses a small grass front lawn. The home sits back approximately 33 feet from the roadway. A dirt and asphalt driveway runs along the property line on the northwest side of the home and extends back into the property where it connects to a second structure. At the time of the incident, there were various debris, vehicles and smaller structures on the northeast end of the property, away from the street.

Between the chain-link fence and the roadway of [REDACTED] East Stroube Street is a dirt parking area or roadway shoulder that connects this property to East Stroube Street. This area is approximately 15 feet in length. It is unclear how much of this area is private property or public property for utility easements/parking. From looking around this neighborhood, I noticed this same dirt area lies in front of most homes and is used for parking. The first pieces of evidence were recovered in this dirt area between the home and roadway of East Stroube Street.

The private property at [REDACTED] East Stroube Street is a detached single story home on a large ½ acre lot. The property is on the northeast side of East Stroube Street. The lot measures approximately 22 meters by 92 meters. The home is a one story home, with a red brick exterior and a light red tile roof. The home has a small brick wall in the front that encloses a small grass front lawn and a concrete pathway that leads to the front door. The home sits back approximately 33 feet from the roadway. A dirt and asphalt driveway runs along the property line on the northwest side of the home and extends back into the property where it connects to a second detached structure. At the time of the incident, there were various debris, vehicles and smaller structures on the northeast end of the property, away from the street.

This area is approximately 15 feet in length. It is unclear how much of this area is private property or public property for utility easements/parking. From looking around this neighborhood, I noticed this same dirt area lies in front of most homes and is used for parking. Evidence was recovered in this dirt area between the home and roadway of East Stroube Street.

The private property at [REDACTED] East Stroube Street is a detached single story home and church on a large 1.4 acre lot. The lot measures approximately 59 meters by 99 meters. The property is at the north corner of the intersection of East Stroube Street and Cortez Street. The property lies on the northeast side of East Stroube Street and the northwest side of Cortez Street. This property is large for a residential neighborhood and has three main or defining features to it. This property consists of a detached home, a small church and an asphalt parking lot.

Although this property has an East Stroube Street address, the home, church and parking lot all share Cortez Street access. The residence of [REDACTED] East Stroube Street is a one story home, with a light stucco exterior and a composite roof. The front door faces East Stroube Street. There is no front or backyard fence and the home is separated from the intersection of East Stroube Street and Cortez Street by a large front yard that consists of grass, weeds, dirt and several larger mature trees. The home sits back approximately 35 feet from roadway of East Stroube Street and approximately 35 feet from the roadway of Cortez Street. There is a two car attached garage on the northeast side of the home with a concrete driveway that connects it to Cortez Street. There is a small inner courtyard in the middle of the residence. This courtyard is enclosed on three sides by the home and is open to the Cortez Street side of the home. The courtyard is shielded from the roadway by an open concrete wall that provides limited visibility from the street. At the time of the incident, there was a GMC sport utility vehicle, a one axle open trailer and a Ford Expedition in the driveway. Both cars were pointed toward the garage.

There is smaller church in the middle of the property, to the northeast of the residence. The church is accessed by Cortez Street and is connected to Cortez Street via a concrete pathway. There is also a concrete pathway in front of the church that runs from the residence to the parking lot in a northeast by southwest direction. A grassy area separates the church from Cortez Street.

The northeast end of the property is the church parking lot. This asphalt parking lot is approximately 80 feet long and 160 feet deep. The northeast end of the parking lot forms the end of the property line. The parking lot goes up to and connects to another parking lot at [REDACTED] Cortez Street. [REDACTED] Cortez Street consists of a church and church parking lot. Reyes was ultimately arrested by deputies in the southwest end of the parking lot of [REDACTED] Cortez Street. It is easy to distinguish the property lines between [REDACTED] East Stroube Street and [REDACTED] Cortez Street due to a white fence that divides the two properties. The parking lot at [REDACTED] East Stroube Street is a mixture of asphalt and appears unkempt. The parking lot of [REDACTED] Cortez Street is darker in color, better maintained, had a more recent asphalt slurry seal and had individual parking stalls outlined with white paint.

The same dirt area or shoulder exists between the property and East Stroube Street. It is not present between the property and Cortez Street.

The [REDACTED] block of Cortez Street lies between East Collins Street and East Stroube Street. The northwest side of the [REDACTED] block of Cortez Street is comprised of two physical addresses, [REDACTED] East Stroube Street and [REDACTED] Cortez Street. Both addresses have churches and accompanying parking lots.

The outer perimeter of this crime scene was closed off by yellow crime scene tape and patrol vehicles displaying flashing lights. The outer perimeter was closed to public entry. Yellow crime scene tape closed off the entire [REDACTED] block of Cortez Street, including the intersection of Cortez

Street and East Stroube Street. Cortez Street was closed to entry at East Collins Street and at the intersection with East Stroube Street. East Stroube Street was closed to entry approximately 100 yards northwest of [REDACTED] East Stroube Street.

The inner perimeter of the crime scene was secured with "red" crime scene tape. This tape extended from the real property at [REDACTED] East Stroube Street and stretched south across East Stroube Street securing both [REDACTED] and [REDACTED] East Stroube Street. The red tape wrapped completely around the property of [REDACTED] East Stroube Street.

The red tape also secured the involved area of the parking lot at [REDACTED] Cortez Street. All evidence, including all the blood drops left by Reyes were inside the red crime scene tape. The red crime scene tape was put in place by Detective Cadman #3960 and Detective Zadeh #4339 at approximately 0910 hours.

Weather and Lighting Conditions

I arrived just after 0910 hours on 10/09/2018. When I arrived it was light with full sun. The sky was clear and the temperature was in the 70's. The weather was not a factor and stayed mild until the scene was secured around 1800 hours.

Evidence

Deputy Castaneda's Body Worn Camera Video

Deputy Castaneda turned on his department issued body worn cameras (BWC) during the incident. The BWC video captured Deputy Castaneda's approach to the suspect, the foot pursuit, the felonious assault, the lethal use of force, and medical treatment for the suspect after the incident. The video had a total length of 12 minutes and 28 seconds. The video was downloaded and submitted as evidence.

Additional Officers' Body Worn Camera Video

Additional responding Sheriff's Deputies had BWC video of their response, the scene, medical treatment of the suspect, suspects' statements, and Deputy Castaneda's statements. The BWC video was downloaded and submitted as evidence. The following Ventura County Sheriff's Deputies were wearing BWC and turned them on to capture their response to the incident: Deputies Rodriguez #5073, Gonzalez #3852, Turrubiarres #3334, Bautista #4808, Dent #4451 and Sergeant Guilin #2920. The videos were reviewed by investigators. Reyes' spontaneous statements about the incident were also recorded by responding deputies. The other deputies' videos did not display the officer involved shooting or the events that led up to it.

Surveillance Video

Detective Beau Rodriguez #3591 collected a home surveillance video from [REDACTED] Cortez Street. At 07:40:24 Reyes comes into frame and she is walking her bicycle Southwest on Cortez Street.

At 07:41:15 Reyes goes out of view around the area of East Stroube Street. At 07:42:37 Deputy Castaneda's unit is southwest on Cortez Street towards East Stroube Street and out of view. At 07:47:42 Reyes is running northeast on Cortez Street followed by Deputy Castaneda. At 07:47:58 Deputy Castaneda takes Reyes to the ground in front of the church parking lot located at 2857 Cortez Street. Several units responded to this location.

Vehicles

No vehicles were involved in the incident.

Miscellaneous Items Found at the Scene

Miscellaneous items were found lying around the large area of the foot pursuit and are indicated as follows:

- One black hammer with blood in the church parking lot of [REDACTED] Cortez Street.
- One spent .40 caliber shell casings under a trailer at [REDACTED] East Stroube Street.
- Numerous blood drops from [REDACTED] E. Stroube Street to [REDACTED] Cortez Street.

Bullets

A partial bullet jacket/fragment was removed from the weather stripping of the garage door located at [REDACTED] East Stroube Street. A spent round was recovered from a 5 gallon bucket of white "Killz" paint that was inside the garage of [REDACTED] East Stroube Street.

Officer's Firearm and Patrol Equipment

Deputy Castaneda was in a full Sheriff's uniform with patches and a badge that were clearly visible. His patrol vehicle was clearly marked as a black and white Sheriff's patrol unit. Deputy Castaneda's department issued handgun was identified as a black Sig Sauer .40 caliber P226 serial [REDACTED] with a mounted X300 Surefire Light. One 12-round magazine was removed from the firearm. Eleven S&W Speer .40 caliber rounds were found inside this magazine and one round was found in the chamber of the Sig Sauer. Two 12-round magazines were removed from the magazine pouch of Deputy Castaneda's patrol belt. These two magazines were each loaded with twelve S&W Speer .40 caliber rounds for a total of twenty four. Based on the witness statements, body worn camera video and the officer's statement, only one round was fired.

Deputy Castaneda's Injuries

Deputy Castaneda did not receive any injuries from this incident.

Reyes' Injuries

Reyes suffered one gunshot wound to her left hand. The bullet hole entered the back of her left hand and went through her palm.

Deputy Castaneda's BWC Video Summary

Detective Sergeant Clark downloaded the incident from Deputy Castaneda's body worn camera and provided me with a copy of the downloaded video, and several photos of Deputy Castaneda's uniform. I later reviewed the body worn camera video footage and the following is a detailed description of the incident.

The video starts as Deputy Castaneda opens a gate to go to the rear of [REDACTED] East Stroube Street. The video has a 30 second playback so there is no sound in the beginning of the video. When I compared the incident to the "Calls for Service Summary," I saw at 08:46:36 hours, Deputy Castaneda broadcasted, "With One." The sound on Deputy Castaneda's body worn camera starts and I can see him walking through the backyard, and hear a female subject (Reyes) say, "I already said I want my fucking lawyer." Deputy Castaneda says, "Corrina stop," in a very low key non-threatening voice. I can see Reyes is wearing a black t-shirt with dark colored pants, carrying a black jacket and two large bags. Deputy Castaneda tells Reyes to stop again and Reyes says, "Leave me alone. No leave me the fuck alone," as she walks behind a large tree that has a lot of foliage. From where Reyes is now standing, I cannot tell if Deputy Castaneda can see Reyes but she is out of view of the body worn camera. Deputy Castaneda walks slowly to his right as if he cannot see what Reyes is doing behind the tree.

Deputy Castaneda tells Reyes, "Corrina you have a warrant, what are you....You have a warrant." Reyes said something that I could not understand and Deputy Castaneda says, "No I'm not. I have nothing against you." Deputy Castaneda's voice is still non-stressful and he is talking to Reyes in a calm voice. Deputy Castaneda takes a wider angle of the tree and tells Reyes to stop again. Reyes says, "No." When Deputy Castaneda gets to the right side of the tree, the body worn camera shows Reyes running away from Deputy Castaneda back towards East Stroube Street. Deputy Castaneda starts running after Reyes and begins the foot pursuit.

Deputy Castaneda gains ground on Reyes quickly and when Reyes reaches East Stroube Street, she drops a large black bag, pulls an object from a multi-colored bag and turns to face Deputy Castaneda. I know from the investigation that the object is a black and red handled claw hammer. Reyes raises the hammer above her head like she is going to either throw the hammer at Deputy Castaneda or hit him. Reyes yells, "Don't!", as she turns. Reyes starts to backpedal and Deputy Castaneda yells "Stop!" as he draws his handgun. I hear Deputy Castaneda say, "Station one, Three-David-Twelve, I need a 10-33. I got one at gunpoint. Code Six Frank subject." This happens at 00:42 on the body worn camera footage and the summary log shows this happened at 08:49:10 hours.

Reyes turns around, drops everything (multi-colored bag and jacket) but the hammer at [REDACTED] East Stroube Street and runs away from Deputy Castaneda, heading east on East Stroube Street. Deputy Castaneda begins to run after Reyes while he is holding his handgun in his right hand, yelling, "Drop it Corrina." Reyes runs through the front yard of [REDACTED] East Stroube Street and makes a left turn at the number one/four corner of the house. [REDACTED] East Stroube Street is located in the northwest corner of the intersection of East Stroube Street and Cortez Street. Reyes is now running northbound through the yard.

Reyes then runs through a three foot high chain link open gate into a rear porch area of [REDACTED] East Stroube Street and Deputy Castaneda yells, "Corrina, drop it, drop it." The porch area was enclosed and had several chairs, a white wooden rocking chair, children's toys, and other miscellaneous item. There was a white wooden door to the south, a sliding glass door to the north and white French doors to the west in the porch area.

When Reyes entered the porch area, she again turned towards Deputy Castaneda and raised the hammer above her head, using her right hand in a cocking motion, like she was either going to swing at Deputy Castaneda or throw the hammer at him. Deputy Castaneda held his position at the chain link gate and I could hear, "Three-David-One responding code three," coming from a police radio. Reyes yelled at Deputy Castaneda, "Leave me alone. I'm not going back to jail!" Reyes began knocking on the sliding glass window with her left hand and moved behind the white wooden rocking chair. Reyes still had the hammer cocked with her right hand and squatted behind the chair, putting the chair between Deputy Castaneda and herself. It then appeared like Deputy Castaneda reached for a handheld mic and said, "It's going to be subject last of Reyes, first of Corrina. I'm going to be at the corner house. Subject has a hammer and refusing to put it down." Deputy Castaneda's voice is now winded but he is still speaking calmly. The summary log shows this happened at 08:49:38 and 08:49:54 hours.

Deputy Castaneda engages Reyes and tells her, "Stop. Put it down." Reyes says, "Let me go", and Deputy Castaneda says, "You have a warrant." Reyes says, "No, let me go." I can now hear chatter coming from the police radio of units responding "code three" to Deputy Castaneda's location. As radio traffic is happening, Deputy Castaneda is holding his position at the chain link gate and is pointing his handgun at Reyes. Deputy Castaneda waits for a few seconds then moves inside the porch area and makes a movement towards the left. Deputy Castaneda says, "Corrina put it down, just stop" in a commanding voice. Reyes says, "No. I'll fucking kill myself." Deputy Castaneda replies, "No, we don't want you to do that." Reyes says, "Fuck that, you guys know what you are doing. Fuck that." Deputy Castaneda tried to calm Reyes down and says, "Corrina, we're not trying to get hurt here okay." As Deputy Castaneda is talking, I can hear emergency sirens in the background. Deputy Castaneda moved back to the porch entrance by the chain link gate and said, "Come on, just put it down." Reyes replied, "Nope." Reyes then started asking for a subject named [REDACTED] I was later told Reyes was referring to a family law lawyer named [REDACTED] Reyes believed [REDACTED] was her appointed lawyer. Reyes said, "I'll murder myself right now", and Deputy Castaneda said, "No we don't want you to do that."

Reyes said, "Well call my lawyer." Deputy Castaneda said, "We will deal with all that once you drop that." Reyes said, "Fuck I just hit my head hard. Call my lawyer. Why won't you call my lawyer." Deputy Castaneda says, "Just drop it, come on." Reyes jumps up from behind the rocking chair and starts walking towards Deputy Castaneda very quickly as she raises the hammer with her right hand cocking it behind her head. Reyes moves very quickly towards the chain link gate and turns left exiting the porch area. Deputy Castaneda backed up and started yelling at Reyes, "NO STOP! PUT IT DOWN! Put it down! Corrina! Put it down!" Reyes tells Deputy Castaneda, "NO!" several times as she was walking towards him. This happens at approximately 02:53 on the body worn camera.

As Reyes comes out of the porch area, she has the hammer cocked behind her head with her right hand and is looking to her left and right. Deputy Castaneda's shadow is on the wall and he is pointing his handgun at Reyes. Reyes turns her upper body north and appears like she is going to flee from Deputy Castaneda again. Deputy Castaneda takes a step at Reyes and at 02:54 in the body worn camera footage, Reyes turns her shoulders and squares up to Deputy Castaneda. At the same time, Reyes raises the hammer further behind her head and appears like she is going to swing or throw the hammer at Deputy Castaneda.

I captured several still photos of Reyes from the body worn video and her movements while she was exiting the porch. These photos make it easier to see Reyes' actions.

At 02:55, the still photo showed Reyes' shoulders now squared with Deputy Castaneda and her right arm is in a baseball pitchers motion. Her right arm is back and her left hand is parallel to the ground at approximately her chest level. In the next frame of the video, the time still shows 02:55 on the body worn camera, a still photo shows Reyes' left hand is a little further down towards the ground and you now see a small hole in Reyes' left hand and the garage door behind Reyes. At the same time, I can also see Deputy Castaneda raise his handgun to eye level and I hear what I believe is one shot fired from Deputy Castaneda's handgun. Reyes turns north and runs away from Deputy Castaneda while yelling, "Ohhh fuck! Oh my fucking God, you shot me!"

Reyes continued to run north while still possessing the hammer in her right hand. Deputy Castaneda continued to run after Reyes with his handgun in his right hand and his left hand free. I can hear Deputy Castaneda say, "Shots fired" as he was running. The summary log shows Deputy Castaneda said "Shots fired" at 08:51:00 hours. Deputy Castaneda chased Reyes north through a grass yard of a church located at [REDACTED] Cortez Street. Deputy Castaneda was yelling at Reyes to "put it down" as he was chasing after her. When Reyes reached the south parking lot of [REDACTED] Cortez Street, Reyes dropped the hammer on the ground. Deputy Castaneda immediately holstered his handgun. Deputy Castaneda was able to catch up to Reyes in the middle of the parking lot, located at [REDACTED] Cortez Street, and grabs her by both her arms between the shoulders and elbows. When Deputy Castaneda grabbed her, Reyes went to the ground in a fetal position. Reyes was screaming, "I only hit my head! He fucking shot me! November...November 2017, he

shot me," Deputy Castaneda immediately said, "Station One, I need paramedics, subjects been shot," prior to placing Reyes in handcuffs. The summary log showed this happened at 08:51:22 hours. At 08:52:13 hours Dispatch asked Deputy Castaneda if "Fire" was clear to enter or stage. Deputy Castaneda said, "Subject is in custody. They can enter."

Deputy Castaneda placed Reyes in handcuffs and said, "I told you to drop it. Corrina, I told you to drop it." Deputy Castaneda turned Reyes on her back and said, "Let me see where it's at. Where's it at? Fuck." as he lifted her t-shirt and bra. Deputy Castaneda appeared to be looking for a bullet wound on her torso as he didn't know she had been shot in the left hand. As Deputy Castaneda was searching for the bullet wound you could hear the concern in his voice out of an apparent desire to provide first aid to Reyes. At 05:18 on the video, Deputy Oscar Bautista arrived and Deputy Castaneda said, "I don't know where I shot her, where the wound is?" Reyes said, "The wound is my hand you fucking bastard." Deputy Castaneda then told dispatch, "The subject has been shot in the left hand. A single gunshot wound." The summary log shows this happened at 08:53:25 hours. I can see Deputy Bautista has his first aid kit out and is providing first aid to Reyes. At 08:09 of the video, I heard the distinct sound of a fire engines horn and believed the Fire Department arrived on scene. Several units began to arrive, including Patrol Sergeant Gulin. Sergeant Gulin took over as incident commander until Major Crimes detectives arrived.

Witness Interviews

There were no actual witnesses that saw Deputy Castaneda and Reyes when the shooting occurred. Numerous residential canvasses were conducted and statements were obtained. Several citizens saw Deputy Castaneda chasing Reyes and heard the shot but no one actually witnessed the shooting.

Officer Statement

Deputy Nikolai Castaneda

On 10-09-18, Major Crime Detective Sergeant Dean Worthy and Detective Greg Cadman conducted an audio recorded interview with Deputy Castaneda at the Ventura County Sheriff's Headquarters Station. Deputy Castaneda confirmed he had spoken to legal counsel and he had time to review the body worn camera footage from the incident. Deputy Castaneda agreed to give a voluntary statement.

Deputy Castaneda provided the following statement: Detective Sergeant Worthy asked Deputy Castaneda a series of preliminary questions regarding his day prior to the incident, his health, and his mental state.

Detective Sergeant Worthy asked Deputy Castaneda how many years he has been a deputy sheriff and he told them he has been a deputy since 2012. Deputy Castaneda said he has been a deputy for six to six and a half years. Detective Sergeant Worthy asked Deputy Castaneda if he had any prior law enforcement experience with any other agencies prior to becoming employed by the Ventura County Sheriff's Office. Deputy Castaneda told them he worked for the Ventura County Probation Department, where he was assigned to the Juvenile Justice Center as a Correctional Officer from 2007 until he went to the Ventura County Sheriff's Academy in 2012.

Detective Sergeant Worthy had Deputy Castaneda explain how he got ready for work. Deputy Castaneda explained his normal routine on how he got dressed and wore his uniform and gun belt.

Detective Sergeant Worthy then asked Deputy Castaneda if his gun had a round in the chamber when he checked it this morning (10-09-18) and he said yes. Detective Sergeant Worthy brought up the magazine which was inserted into Deputy Castaneda's gun. Detective Sergeant Worthy asked him to explain how that magazine (the one inserted in his gun) was set up and if he recalled the last time he had manipulated it. Deputy Castaneda said he had 12 rounds in that magazine and he explained that he last loaded it when he was at the range. Deputy Castaneda said, "Usually when I'm done with the range, um, and then um, I'll rack one in (pull the slide back on the gun which feeds a bullet from the magazine into the barrel/firing chamber) take, take the magazine out and top it off, so that I have 12 plus one, which makes 13 and then I, I holster it and, I really have no reason to take it out again."

Detective Sergeant Worthy asked Deputy Castaneda if he carried any additional magazines, in addition to the magazine inserted in his gun. Deputy Castaneda said, "Yes, I have two magazines, which are the same make and model...that are um, left side in my magazine pouches, there's two of them and they both have 12 rounds each." Detective Sergeant Worthy asked Deputy Castaneda when the last time he loaded those magazines was and he said it was during his last range qualification. Deputy Castaneda reiterated that each of those two additional magazines contained 12 rounds.

Deputy Castaneda said briefing began at around 7:00 AM and it was held by Sergeant Greg Guilin, whom he described as his regular patrol sergeant. Deputy Castaneda said briefing typically ends between 7:00 AM and 7:30 AM. Deputy Castaneda checked out his assigned patrol vehicle and signed onto the vehicles MDC system. Deputy Castaneda left the Headquarters Station and began his day assigned to the 3D2 area. (El Rio neighborhood beat).

Deputy Castaneda said he arrived in the area of El Rio and he thinks he may have entered into the community on Simon Way. Deputy Castaneda recalled driving southwest on Cortez Street passing Collins Street. He continued traveling southwest and approached East Stroube Street. As

he arrived at East Stroube Street, he observed a female subject walking a bicycle. He recalled stopping at the stop sign, while facing south, as he saw the female walk right past the front of his patrol vehicle. He commented to himself, "It looked like Corrina Reyes, which I knew, uh, from checking the Warrant Mapper, and from the previous day, that she had a warrant for her arrest, um I turn right, I put my, uh, window down, I called out." Detective Sergeant Worthy told Deputy Castaneda that he mentioned the name Corrina Reyes and he asked Deputy Castaneda, "So you see somebody you recognize?" to which Deputy Castaneda said "correct." Detective Sergeant Worthy asked Deputy Castaneda if he knew Reyes had a warrant, to which Deputy Castaneda said, "Yes," because he checked the Warrant Mapper and his ICop application on his department issued iPhone.

Detective Sergeant Worthy asked Deputy Castaneda to tell them what he knows about Reyes. Deputy Castaneda said, "I know she's a drug user, I know she's had a long history of drug use. I know her to hang out and associate with drug users. I also know that she's, um, resistant toward law enforcement and she's violent. Um...once, instance that comes to mind is the last time I, I contacted her. Um...she ran through a house....she also had a warrant at that time. Uh, her mother was the one that told us she (Reyes) was there. I go through the house and she, she ended up running from us, um...into a bedroom, she went underneath a, a mattress, we, there was a short struggle, a fight, to get her out from underneath there. We ended up taking her into custody at that point, but there was a, a significant amount of struggle and that was the last time that I uh, contacted her. I also know from talking with other deputies that I work with, um, I don't remember if this was in briefing, or on, on, just on the street talking, from, with my partners, but I remember there was an incident where um, she also resisted arrest. She was in the back of her house and breaking glass, um, so I, I know that she is violent and I also, I have a good rapport with her mother, um from working in that area. Her mother understands, has told me that she knows she is, she's violent, she has um, drug use problem. I've, you know I've agreed, even the last time I arrested her I, I told her mom that I would, I would try to get ahold of the mental health in the jail to get her help if she wanted to...um...and I remember on that particular day she refused it. I even drove back to her, to her mother's house and told her 'hey, you know, I tried, you know, to get her help but she didn't want the mental health and she didn't want the help.' So, I remember her mom, her name's [REDACTED] she, she appreciated that, um, so I, I was familiar, I'm familiar with her, her family and the family dynamics of Corrina."

Detective Sergeant Worthy told Deputy Castaneda that he wanted to go back to the point where he first observed Reyes today (10-09-18). Detective Sergeant Worthy asked Deputy Castaneda to start from when he saw Reyes in his patrol unit at the intersection of Cortez Street and East Stroube Street. Deputy Castaneda again said that Reyes was walking northwest with a bicycle when he saw her. Detective Sergeant Worthy asked, "You recognized her right away?" Deputy Castaneda said, "Um, not like right away, I see, you know in my head I was like 'That looks like Corrina' um...when I turn right (northwest on East Stroube Street) and I pull up alongside of her

I'm 'Uh...that is Corrina,' I pull my window down and I try to be, you know say 'hey Corrina what's going on?' I said you know 'your mother's worried about you, she wants to talk to you' just kind of, just try to put her at ease, you know, so that she wouldn't get upset."

Deputy Castaneda continued to describe how he drove along side of Reyes and tried to put her at ease so she would not run. Deputy Castaneda said, Reyes turned towards [REDACTED] East Stroube Street placed her bike on the ground and went into the backyard. Deputy Castaneda parked his patrol unit and confirmed once more that Reyes had the felony warrant. Deputy Castaneda could hear people talking to Reyes in the backyard and Deputy Castaneda activated his BWC and went into the backyard. Deputy Castaneda saw Reyes and told her she had a warrant for her arrest. Castaneda claimed that Reyes said something to the effect of, "Leave me the fuck alone' or 'I want my lawyer.'" Deputy Castaneda said Reyes was behind a tree and when he approached the tree, Reyes fled away from him on foot.

Deputy Castaneda said he ran after Reyes towards East Stroube Street. At some point, Deputy Castaneda advised Sheriff's Dispatch he was in foot pursuit and exited the backyard of [REDACTED] East Stroube Street. Deputy Castaneda said as they ran onto East Stroube Street, he saw what appeared to be a hammer in her right hand. Reyes raised the hammer and turned towards Deputy Castaneda. Deputy Castaneda said he was a few feet away from Reyes and he drew his gun. Deputy Castaneda asked dispatch for a 10-33. Detective Sergeant Worthy asked Deputy Castaneda what was going through his mind at this time and Deputy Castaneda said, "I'm thinking that, that hammer can, can seriously, injure me, or hurt me, or cause death. I, that's why I pulled my, my, my handgun out and I was ready to, I wasn't gonna retreat, but I was ready to use it if I needed to."

Deputy Castaneda said Reyes turned away from him and kept running. Deputy Castaneda ran after Reyes with his gun in his right hand. Reyes continued towards Cortez Street and ran through a yard located at [REDACTED] East Stroube Street. Deputy Castaneda said he continued to chase Reyes and she ran into a patio area of [REDACTED] East Stroube Street and knelt down behind a white chair with the hammer in her hand. Deputy Castaneda described the patio as an enclosed area with a block wall.

Detective Sergeant Worthy asked what Deputy Castaneda saw when he first looked into the patio area. Deputy Castaneda said, "When I first came around and set eyes, she was standing with the hammer...um...and then she quickly went down into the corner, I call it the right corner, to my right and she got behind a wooden (chair)." Detective Sergeant Worthy asked Deputy Castaneda if he could elaborate on Reyes' actions regarding the hammer. Deputy Castaneda said, "She's standing and she has it raised." (Note: Deputy Castaneda held up his right arm to where he had a 90 degree angle from his bicep to his forearm. His right hand was clenched into a fist, as if to simulate he was holding something, and the positioning of his right fist was slightly above his

head). Detective Sergeant Worthy asked if Reyes was holding the hammer in her right hand and Deputy Castaneda said "correct." Detective Sergeant Worthy asked him what was going through his mind at this point in time, to which he said, "I'm thinking that...from where I'm at...I'm still, you know, behind the, the, the pillar I guess, or the wall and, that raise was real quick but I, in my mind I'm saying okay if she comes forward at me, or, or throws it at me, it's gonna, it's gonna kill me, you know, I had that fear that it was gonna hurt me, or cause, you know some...damage that it you know, I don't know what, what she, in my mind her intentions was to hurt me. You know, and I didn't want to get hit in the head or something like that happen to me and, and she takes my gun or something, you know. So...but, at that particular point it was real quick and she jumped down in the corner. I think that she saw that I had my gun out, I don't know."

Detective Sergeant Worthy asked him if he could provide a bit more description when he referred to Corrina going "down in the corner." Deputy Castaneda said, "She's crouched down, behind a, she's crouched down and then she grabbed the, a, a wooden chair, like a white chair and put it in front of her. And she's saying I want to die, something to the effect I wanna die and I said I don't want to hurt you, I'm not here to hurt you. That's not what this, I didn't want her to get hurt...I didn't want you know, I, I, I, told her that and I told her that and I told her that, you know, I don't, I'm not here to hurt you. I just, I just kept telling her drop it, drop it."

Detective Sergeant Worthy asked Deputy Castaneda if Reyes did or said anything in response to him telling her to drop the hammer and Deputy Castaneda said, "Something about her lawyer and that a, you know, she didn't want to die." Detective Sergeant Worthy asked, "So as she's crouched down behind this wooden chair, are you still at the...we'll call it a threshold, the opening of this patio?" Deputy Castaneda said yes. Detective Sergeant Worthy asked him if he had any cover and he said, "Yeah, I had a, I had a, initially I didn't I was inside. Um...and I backed out, um, to where my left shoulder was, was on the, the brown wall, um, I could hear units coming, I remember units coming, um and I can remember hearing that they were kind of wanting to know where I was at. So I put myself out a little bit so they could see me, um, I also remember at some point in that time that, there was a house right there, you know, that I didn't, I need, I needed, if there was somebody in that house, I remember movement, that I didn't want the backdrop, I didn't want them to be affected, to get shot or, or injured. Um...so I, I did back up, and then the next thing I remember is I saw a K-9 unit come down East Stroube. I believe that was Bautista." (Referring to K-9 handler Deputy Bautista).

Detective Sergeant Worthy asked Deputy Castaneda what Reyes did next. Deputy Castaneda said, "She gets up, um, and starts to come out of the courtyard, towards me, cuz' I'm still at the threshold right here." Detective Sergeant Worthy asked, "Okay, and where is the hammer?" to which he said, "The hammer is raised above her, in her right hand." Detective Sergeant Worthy asked, "What's going on in your mind now that she left that position behind the chair and now she's up, coming toward you with the hammer above her head, what are some of the things going

on with your mind and other considerations you have?" Deputy Castaneda said, "My thought was that she was gonna come directly at me and hit me with the hammer. I was, I was in fear that it was gonna kill me. I thought it was gonna, she wanted to hit me in the head and kill me or, injure me seriously, you know, and then, I, but at the same time, I...re...I don't know why I thought about this but I, I was like hey, you know, there's, there's somebody in that house, so I need to, I need to step to my right if I have to shoot her. It's, I gotta be to my right, I, that was the only choice that...you know...at that point that I had. I wanted there to be another choice, but there wasn't another choice."

Detective Sergeant Worthy asked Deputy Castaneda to continue explaining what happened next. Deputy Castaneda said, "So, with consideration of the, my backdrop, um...you know and her coming at me, I, I remember stepping to my right, like opening up my stance and her coming along...going along like another window, which is this window right here." Deputy Castaneda continued, "I also had that in consideration, that, that's a room, like, I know there's a garage right there but, that area, if you've worked that area you know that a lot of people use those as rooms; so that was another concern of mine, with also, with in the belief that she was gonna hit me with it. I knew she, I had no doubt in my mind that she wanted to kill me, or hurt me seriously. So as I opened up my, my stance to the right, she went along side towards the garage, um...she turned it again, she turned again, and she even, she cocked it back. As she cocked it back, I, f...okay."

Detective Sergeant Worthy brought up Deputy Castaneda's recent description he had just provided where he said that Reyes "turned again." Deputy Castaneda said, "So as she's, as she's moved to her left along the house. I thought she was repositioning herself to come at me or throw it. I never thought at that point that she was trying to get away. But I, I knew she was gonna hit me with it. I had my, my gun raised and as soon as she cocked it back, I had no other ch...no other option that." (Note: Detective Sergeant Worthy told me later that Deputy Castaneda became emotional at this point. His eyes welled up and it was obvious he was trying to hold back tears). Deputy Castaneda continued, "That she was gonna fucking hit me with it."

Detective Sergeant Worthy asked, "So, how many rounds did you fire?" to which he said, "I shot once, um, and uh, I remember her, after I shot it, she came back down and crouched down so I knew it had the desired effect and then she kept running, she took off running and uh, towards the church, and in my head I'm like fuck you know, fuck, like why, why did she do that shit you know." (Detective Sergeant Worthy told me Deputy Castaneda became emotional again at this point in the interview).

Detective Sergeant Worthy told Deputy Castaneda that he had an understanding of Reyes' body positioning in relation to Deputy Castaneda. Detective Sergeant Worthy again asked Deputy Castaneda how many rounds he fired and he said "one round." Detective Sergeant Worthy asked, "What was your target, do you recall?" to which Deputy Castaneda said, "Uh, center mass, like

where I was taught." Detective Sergeant Worthy asked, "So you were aiming or her center mass?" and Deputy Castaneda said yes.

Detective Sergeant Worthy went over the hammer position again and Deputy Castaneda explained in detail how Reyes had the hammer in a throwing position. Refer to Detective Sergeant Worthy's report.

Deputy Castaneda said he fired his gun while Reyes was standing in front of the garage door. Deputy Castaneda said when he fired he was out of cover. Detective Sergeant Worthy asked, "Did you have or did you consider any other options at the time?" to which he said, "I had no other options, it was, it happened fast. You know I, I even looked at the body camera and it's, you know it's reasonably fast there, but you know in reality and things are going through your head and, you know, I remember having my finger on the trigger and then it just...it just seemed like it was all, it was just quick like you know seconds."

Deputy Castaneda said he moved to the right after firing the one shot and Reyes turned and ran away from him. Deputy Castaneda said he still had his gun in his hand and began to chase Reyes again. Deputy Castaneda said as he was running after Reyes he kept yelling at her to stop. When they got to the church area, Reyes threw the hammer down. Deputy Castaneda said, "So when she threw the hammer down, there was no weapon, so I re, I holstered my handgun so that I could, I could try to grab her, run better, and, and I grabbed her upper body and she went down with me and she's screaming, 'you fuckin' shot me', something to that effect, 'this fucker shot me.'"

Detective Sergeant Worthy asked, "When you say 'went down together' do you mean you, you fell and she fell too?" and he said, "She went down on her own. Um...and then, so she's laying there, I see blood, um, and she's saying 'fuckin' shot me, this fucker shot me.' I didn't know where the, where the wound was. Her hands were bleeding. I roll her over and I think Deputy Bautista had gotten there at that point. I roll her over, I put handcuffs on her...um...I didn't look at her hands, I see, I just saw the blood on her hands, but I didn't know where the wound was, so I physically was checking and I saw some blood up here (Deputy Castaneda pointed to the area of his lower neck region) so I'm thinking...okay, did I shoot her in the chest?"

Deputy Castaneda continued, "So she had blood right here by the neck. So I'm thinking that she got shot in the chest, so I need to, I need to do life-saving measures, you know, I need to figure out where the wound is. So I'm checking her, I'm checking her, I'm not seeing it, I'm not seeing it and then at some point she said 'you shot me in the fuckin' hand.' So I roll her over and I see her finger has been shot, okay. I also hear they're (Dispatch) asking if EMS can enter, or if fire can enter...um...so I, I either, I said to, it's okay to enter or Bautista did. I think I did, that it was, she

was in custody and that they can come in and at that point...um...he (Deputy Bautista) took over with, I think Deputy Rodriguez was there too and I stepped away."

Detective Sergeant Worthy clarified some of Deputy Castaneda's responses and then concluded his voluntary statement.

Conclusion

Corrina Reyes [REDACTED] is a Ventura County transient who frequents the unincorporated area of Oxnard called El Rio. Reyes is a chronic drug user and has a history of violence with both Law Enforcement and Emergency Rescue personnel. On 10-09-18, Reyes had an active felony warrant for a violation of probation related to a conviction for violating California Penal Code section 243(C)(1) – Battery upon Emergency Personnel (Firefighter).

On 10-09-18, Deputy Castaneda was on patrol in the El Rio area. Deputy Castaneda was in a full Sheriff's uniform with patches and a badge that were clearly visible. The patrol vehicle was clearly marked as a black and white Sheriff's patrol unit.

Deputy Castaneda recognized an individual he has had several contacts with named Corrina Reyes. Deputy Castaneda has arrested Reyes before, he knows she is on probation, he knows Reyes can be combative, and knows Reyes is a drug user. Additionally he has spoken to Reyes' mother about drug treatment programs for Reyes and knows that she has an outstanding felony warrant for her arrest. Deputy Castaneda articulated several reasons to detain Reyes and knew he had probable cause to arrest her during his voluntary statement to detectives. Deputy Castaneda believed he had the legal obligation to arrest Reyes and clearly had the lawful right to arrest Reyes.

During the initial contact with Reyes, Deputy Castaneda felt comfortable enough with her to talk to her through the passenger window of his patrol vehicle. When Reyes refused to communicate with Deputy Castaneda, he followed her to the rear of [REDACTED] East Stroube Street because he was in fresh pursuit of a subject with a felony warrant. At that point, Deputy Castaneda still felt safe enough to approach Reyes without drawing his weapon. While in the backyard of [REDACTED] East Stroube Street, Deputy Castaneda told Reyes she had a warrant for her arrest. Reyes then ran from Deputy Castaneda. Even when Deputy Castaneda was in foot pursuit of Reyes, he did not draw his gun. Deputy Castaneda gave Reyes lawful verbal orders numerous times to stop running and comply with his commands; however Reyes continued to flee from Deputy Castaneda.

It was only at the point when Reyes retrieved the hammer from her purse in an aggressive manner that Deputy Castaneda felt threatened enough to remove his gun and point it at Reyes. Deputy Castaneda held his position and didn't advance until Reyes turned around and continued to flee towards Cortez Street. Deputy Castaneda continued the foot pursuit with his weapon out

and in his right hand. When Deputy Castaneda cornered Reyes in the porch area of [REDACTED] East Stroube, Reyes attempted to enter the house through the wooden door and the glass slider on the porch. During the interaction on the porch, Deputy Castaneda pleaded with Reyes to drop the hammer and comply with his orders; however; Reyes ignored Deputy Castaneda's lawful commands and knelt behind a wooden chair with the hammer in front of her. As sirens could be heard getting closer to their location, Reyes chose to stand up and walk towards Deputy Castaneda in an aggressive manner with the hammer raised above her head. Deputy Castaneda moved back from the entrance of the porch area to give Reyes room and lessen the threat between himself and Reyes.

When Reyes saw a clear path and the opportunity to run, she continued to flee from Deputy Castaneda. Deputy Castaneda took a step toward Reyes to run after her, but Reyes turned her upper body back toward Deputy Castaneda and moved the hammer further behind her head which put her in a throwing position. At that time, Deputy Castaneda feared for his safety and fired one round at Reyes. Deputy Castaneda said, "I got the desired effect", because Reyes turned away from him and continued to run away.

I believe Deputy Castaneda used reasonable force to protect himself from the threat during that split second Reyes turned her upper body at Deputy Castaneda and put the hammer in a swinging or throwing position. Deputy Castaneda was asked about transitioning to his Taser, but felt there was no time during that moment as Reyes turned and held the hammer above her head. I believed Reyes escalated the incident by fleeing from Deputy Castaneda, removing a hammer from her purse, and on several occasions raising the hammer above her head and appearing like she was going to strike or throw the hammer at Deputy Castaneda.

I believe Deputy Castaneda's use of lethal force was objectively reasonable under the circumstances Reyes placed on Deputy Castaneda. Reyes posed a significant threat to cause great bodily injury and / or death to Deputy Castaneda by striking him in the head with the hammer. I believe Reyes committed the crime of a violation of California Penal Code Section PC 245(c) – Assault with a Deadly Weapon upon a Peace Officer.

OFFICER'S NARRATIVE

On 10/9/18, I was working uniformed patrol in a marked patrol unit in the unincorporated areas of Ventura and Oxnard as 3D11. At approximately 0848 hours, I was dispatched, to assist 3D12 on a pedestrian stop in the area of Cortez Street and Stroube Street in El Rio.

Prior to arrival, I heard Deputy Castaneda tell dispatch, "give me a 33," and sounded out of breath which made me believe he was in foot pursuit. I advised dispatch I would be responding Code 3, lights and sirens. I heard Deputy Castaneda (4998) say "subject last of Reyes, has a hammer. Refusing to put it down." A short time later, I then heard, "shots fired." Dispatch advised Fire was staging until it was safe to enter.

At approximately 0852 hours, I arrived on scene [REDACTED] Deputy Castaneda advised dispatch the subject was in handcuffs. Deputy Bautista(4 [REDACTED] my arrival and was attending to the suspect, later identified as (S) Corrina Reyes [REDACTED] Deputy Castaneda was standing next to the Reyes. Deputy Castaneda told dispatch the scene w [REDACTED] could enter to render aid to Reyes.

I saw Reyes laying on her back in handcuffs with a wound to her left hand. Reyes was awake, with her eyes open, crying and mumbling. I noticed Reyes eyes were dilated and Reyes was dirty and had an unkempt appearance.

I asked Deputy Castaneda if he was "ok." Deputy Castaneda did not respond. I began taking several photos of the scene while waiting for EMS to arrive.

Gold Coast Ambulance and Fire arrived on scene. Deputy Bautista asked me to stay with Reyes. While paramedics were attending to Reyes, they attempted multiple times to get information from her. Reyes would not answer their questions. Reyes was crying and mumbling incoherent statements.

Sergeant Guilin (2920) told me to ride in the ambulance with Reyes while she gets transported to the hospital. Paramedics said they were transporting Reyes to Los Robles Hospital in Thousand Oaks due to the injury to her hand.

Note: I had my body worn camera recording while in the ambulance to the hospital and periodically while at the hospital.

While in the ambulance, Reyes continued to cry and talk to herself, making incoherent statements I could not understand. When the paramedic tried to talk to Reyes, she would continue to mumble and not listen. Reyes was fidgety and could not stay still. Through my training and experience, Reyes behavior was similar to someone who was under the influence of a controlled substance.

Prior to arriving at the hospital, the paramedic tried to explain to Reyes what will happen once she arrive's at the hospital, Reyes did not reply. Reyes continued to talk to herself.

At approximately 1000 hours, we arrived at the hospital. Reyes continued to talk to herself, making incoherent statements. Several hospital staff attempted to talk to Reyes, Reyes would not respond to them.

Reyes was removed from the paramedics care and placed in a room in the emergency room. Reyes was now under the care of hospital staff. Reyes had her right hand cuffed to the bed. Reyes continued to not sit still and had to be asked several times to lay on her back. Reyes would not listen.

A short time after our arrival, Sergeant Harwood (2654) from Major Crimes arrived at the hospital. He attempted to explain to Reyes she was shot in the hand and was at the hospital. Reyes made an outburst to the effect of, "so she's missing?" Reyes then continued to talk to herself. Sergeant Harwood asked Reyes if he could take pictures of her hand. Reyes would not respond.

Medical staff asked Reyes several more times to lay back on her back. Reyes would not listen. Reyes continued to talk to herself and make incoherent outbursts.

X-Ray technicians arrived to take pictures of Reyes' hand. When they tried to asked her what her name was, Reyes would not answer. Reyes could not stay still, making it difficult for medical staff to take pictures and attend to her wound.

Senior Deputy Saleh (3702) from Major Crimes also arrived at the hospital. Senior Deputy Saleh asked Reyes if she would like her to call her mom. Reyes said she would. Senior Deputy Saleh asked Reyes several times what her mom's name and number was. It was difficult to understand what Reyes was saying.

While medical staff attempted to draw blood from Reyes, she had to be held down because she would not stay still. Reyes continued to yell and make incoherent statements.

Refer to Sergeant Harwood and Senior Deputy Saleh's report for further details.

At approximately 1038 hours, Bureau of Investigations (BI) tech [REDACTED] arrive to collect evidence from Reyes. Refer to his report for further details.

While [REDACTED] was taking photos of Reyes, at one point she sits up and says, "sorry," randomly and lays back down. [REDACTED] es were wide and appeared to have a blank stare. Reyes began to look in different directions making faces that caused her face to be contorted.

[REDACTED] needed Reyes' clothes to be collected as evidence. With the help from the nurse, Senior Deputy Saleh and [REDACTED] d clothing from Reyes. While removing the clothing, it smelled of urine and feces. While removing her pants, Senior Deputy Saleh found a broken meth pipe in her left pants pocket. Reyes said, "sorry I forgot it was there, be careful don't cut yourself." The contents of the pants were collected as evidence.

A doctor came in to the room to speak with Reyes. While asking her medical questions, Reyes would not answer. The doctor had to ask her the same questions multiple times. When the doctor asked if she had any used any drugs, Reyes admitted to smoking meth the night prior.

Note: Reyes was in the emergency room for several hours prior to being moved into a private room upstairs. While waiting to be moved from the emergency room I discontinued recording several times while Reyes was laying on the bed.

At approximately 1300 hours, Reyes was moved from the emergency room to the fourth floor prior to surgery. Reyes surgery was scheduled for 1630 hours.

Throughout the time we were waiting, Reyes continued to speak to herself and make random outbursts speaking incoherent statements.

At approximately 1500 hours, Reyes was taken downstairs to be prepped for surgery. At approximately 1700 hours, Reyes was taken into surgery and I waited outside the operating room.

At approximately 1730 hours, Deputy Lyman(4633) arrived to relieve me.

I uploaded several photos via iShot. My BWC is available.

VENTURA COUNTY SHERIFF'S OFFICE / OFFICER INVOLVED SHOOTING / EL RIO

Location of Occurrence: [REDACTED] Stroube Street Ox r

PURPOSE OF REPORT: Interview of Deputy Nikolai "Nick" Castane

Source of Activity:

On the morning of October 9, 2018, just before 9:00 a.m., officer involved shooting occurred in the jurisdiction of Ventura County known as El Rio. I've teamed with the Ventura County Sheriff's Office' Major Crime Bureau to take control of the subsequent investigation. I reported to the scene in a police vehicle. The involved officer was Deputy Nikolai "Nick" Castane. Upon my arrival, Deputy Castane was still on scene. Shortly thereafter, he was transported to the Hospital. Protected by Patrol Sergeant A. Ramirez. I further learned that the subject who was shot was woman named Corri Rey [REDACTED]. He was transported to Los Robles Hospital. Thank you for your life-threatening gunshot wound to the head. I continue to gather information related to the shooting, which includes physically walking through the scene with other Major Crime investigators. Additionally, I viewed Deputy Castane's Body Worn Camera (BWC) footage, which captures his interaction with the subject during the shooting event which followed shortly thereafter.

In the afternoon hours I reported to the Hospital where I contacted Deputy Castane's attorney, Kay Sirogy. Ms. Sirogy informed me that Deputy Castane was not willing to cooperate with the

through interview" of the case where the homicide occurred; however, he testified he would be willing to provide Major Crime investigation with valuable information. It was discussed the interview would take place at the West County/Headquarters Patrol Commander's Office. The interview began approximately 1608 hours. Deputy Castaneda's information was generally received (unfiled). The following summary of Deputy Castaneda's information from the interview, refer to the attached file for the transcript.

At the beginning of the interview, transcripts were made together with the report; which include myself, Major Crime Detective G. Castaneda, Deputy Nikol "Nick" Castaneda, and Legal Representative, Kaye Siry.

I told Deputy Castaneda that I was my informant with the homicide met met Jackson (Mrs. Stry) he identified to I further told Deputy Castaneda that I was informant with the information given to Mrs. Stry he had given to review with valuable information that occurred by El Rio. I like him from the identification.

I told Deputy Castaneda that before we proceed I would like to know with this information during the interview he had to be broken, rather than a culture with the information may let us know we would communicate such request Deputy Castaneda he understood.

I told Deputy Castaneda that the information regarding the information, likely will be pertinent to the victim's side, but I explained I see it but little bit background information but his prior information given to me. I told Deputy Castaneda that if he understood the information, the information that I received nothing I had from the information we met I would like to know Deputy Castaneda in the information, the information he understood.

I like Deputy Castaneda how many years he has been employed here he told us he has been employed since 2012 Deputy Castaneda he has been employed for six years. I like Deputy Castaneda from his prior law enforcement experience with the other agencies he has been employed by the Ventura County Sheriff's Office. Deputy Castaneda told us he worked for the Ventura County Probation Department where he was assigned to the Juvenile Justice Center as a Correctional Officer from 2007 until he went to the Ventura County Sheriff's Academy in 2012. I asked him if he could explain for us his duties, responsibilities and functions he performed while employed as a Correctional Officer. Deputy Castaneda said it was quite similar to what is required of a deputy sheriff while assigned to Detention Services (Custodial Jail Facilities) the only difference being he interacted with juveniles instead of adults.

I asked Deputy Castaneda what his current rank and assignment was and he told us he is currently the rank of deputy sheriff and he is assigned to the Headquarters Station as a patrol deputy. I asked Deputy Castaneda to explain for us some of his duties and responsibilities as a patrol deputy at the Headquarters Patrol Station. Deputy Castaneda said, "Assigned to a certain beat area, um...responsible for answering calls for service...um...which are, a wide variety of things...um...public safety, uh, traffic stops, you know, consensual encounters, um, investigating crimes...um...basic police work." I told Deputy Castaneda that I would touch on his current assignment and duties at his current station in a moment, but first I wanted to talk about yesterday (Monday Oct. 8, 2018). I asked Deputy Castaneda if he worked yesterday and he said he did. Deputy Castaneda said he worked patrol yesterday and the Beat Car he was assigned to was Three David Twelve (3D12), further stating, "This is the El Rio area, unincorporated areas of Oxnard, also known as El Rio."

I asked Deputy Castaneda if he was currently on dayshift and he said yes and that his hours are from 07:00 am to 7:30 pm. I asked Deputy Castaneda if he worked the day before yesterday (which would have been Sunday Oct.

To: Major Crimes **Date:** October 13, 2018

From: Sergeant Dean Worthy

Subject: Nikolai Castaneda OIS

Re: 18-158434

Date of Interview: October 9, 2018

Time of Interview: 1608 hrs

Case Catalyst Operator: 

Legend: DW = Dean Worthy
GC = Greg Cadman
KS = Kasey Sirody
NC = Nikolai Castaneda

The below transcription was reviewed by Detective Greg Cadman on October 15, 2018; and found to be a true and accurate account of the interview of Deputy Nikolai Castaneda.

CONFIDENTIAL

1 DW: All right, now. I got it. Everybody on?

2 KS: Uh-huh.

3 DW: Okay. The date is October 9th, 2018; it is
4 approximately 4:08 in the afternoon. We're at the
5 Headquarters office, in the office of one of the
6 commanders here. I am Detective Sergeant Dean Worthy and
7 I am with my partner.

8 GC: Greg Cadman.

9 DW: And we are with Deputy --

10 NC: Nikolai Castaneda.

11 DW: And he is here with his attorney.

12 KS: Kasey Sirody, S-i-r-o-d-y.

13 DW: Okay. All right.

14 Nick, I understand you had an opportunity to sit
15 down and spend some time with your attorney; is that true?

16 NC: Yes.

17 DW: Okay. And in doing so, I also understand
18 that you've agreed to provide us with a voluntary
19 statement this afternoon as to what occurred today out in
20 El Rio; is that accurate?

21 NC: Yes.

22 DW: Okay. All right. Before we get going, if
23 you need to take a break or you need to consult with your
24 attorney at any time, just tell me and we can just pause;
25 if you need to use the restroom. Do you have water?

26 NC: Yes.

27 DW: Okay. If you need anything at all, just let

CONFIDENTIAL

1 us know, okay?

2 NC: Okay.

3 DW: Okay. Some of the preliminary questions I'm
4 going to ask you, in your mind might not pertain to
5 today's incident, but it's just to get a little background
6 information about you. Okay? If you don't understand a
7 question or you want me to slow down, you want me to
8 repeat something, this is real easy, just tell me and I
9 will. Okay? All right.

10 And let's start with this. How many years have
11 you been a -- a deputy sheriff?

12 NC: Since 2012. So six years, six and a half
13 years.

14 DW: Okay. Any prior law enforcement experience
15 with any other agencies besides ours?

16 NC: Yes.

17 DW: Can you tell us about that?

18 NC: Yes. I was with Ventura County Probation
19 Department. I worked at the Juvenile Justice Center as a
20 correctional officer. I was there from 2007 to 20--
21 until I went to the academy, 2012.

22 DW: Okay. All right. What kind of -- what kind
23 of jobs or functions, responsibilities did you have in
24 that assignment?

25 NC: Like similar to custody here but with
26 juveniles.

27 DW: Okay. Okay. What's your current rank and

CONFIDENTIAL

1 assignment right now?

2 NC: Deputy sheriff, work the Headquarters
3 Station, West County Patrol Services.

4 DW: What are your -- what are some of your
5 duties and responsibilities as a police officer?

6 NC: Assigned to a certain beat area, responsible
7 for answering calls for service, which are a wide -- a
8 wide variety of things; public safety, traffic stops. You
9 know, consensual encounters, investigating crimes.

10 DW: Okay.

11 NC: Just basic police work.

12 DW: Okay. Patrol officer, right?

13 NC: Patrol officer.

14 DW: Okay. All right. I'm going to get back to
15 some of your duties and responsibilities in -- in a second
16 and the station you work at and kind of the ins and outs
17 of the station and the -- the respective beats that you --
18 you go patrol.

19 Let's -- let's recap a little bit and back up.
20 Let's talk about yesterday. Did you work yesterday?

21 NC: Yes.

22 DW: Okay. Did you work a patrol assignment
23 yesterday?

24 NC: Yes.

25 DW: Okay. What car did you work yesterday?

26 NC: I was 3D12; this is the El Rio area,
27 unincorporated areas of Oxnard, also known as El Rio.

CONFIDENTIAL

1 DW: Okay. Are you on dayshift right now?

2 NC: Yes.

3 DW: What are those hours?

4 NC: It's from 0700 to 1930.

5 DW: Okay, gotcha. And yesterday was Monday,
6 correct?

7 NC: Correct.

8 DW: Okay. Did you work the day before Monday?

9 NC: No.

10 DW: Okay. So yesterday was your first day to
11 work on your series of shifts?

12 NC: Correct.

13 DW: Okay. Tell me about your shift yesterday.
14 Anything out of the ordinary happen? Any events, any
15 incidents, anything? Both good and bad, anything that
16 occurred throughout your shift yesterday that you might
17 take note of?

18 NC: No. Just, it was pretty typical. You know,
19 answered a few calls, made a few arrests. But there was
20 nothing out of the ordinary that I wouldn't normally do.

21 DW: Okay. Tell me about the end of your shift
22 yesterday. What happened after you ended your shift?

23 NC: I ended my shift. I came here, un- --
24 unloaded my -- my patrol vehicle like I always do, came
25 here for -- for the -- the evening briefing. After that,
26 I had some time left over. I finished up a couple of
27 arrest reports that I had and then I went home.

CONFIDENTIAL

1 DW: Okay. What'd you do when you got home?

2 NC: I -- I came home and greeted my wife and
3 kids and, like I always do, and -- and I ate dinner,
4 watched some TV. Got them ready for bed and then -- and
5 then spent some time with my wife and then we went to bed.

6 DW: Okay. Do you recall about when you went to
7 sleep?

8 NC: I think it was around like 2200.

9 DW: Okay. So 10:00 o'clock?

10 NC: I'm not a hundred percent sure.

11 DW: Okay.

12 NC: But it's normal time, at about 10:00.

13 DW: Okay. 10:00 o'clock Monday night, so last
14 night?

15 NC: Correct.

16 DW: Okay. Did you get a good night's sleep?

17 NC: Yes.

18 DW: You did, okay. Any ailments going on with
19 you or issues like that?

20 NC: No.

21 DW: [REDACTED] ?

22 NC: No.

23 DW: Okay. Before I forget to ask this later, as
24 I may, how are you feeling right now? Are you injured or
25 anything right now?

26 NC: Not injured.

27 DW: Anything going on physically with you?

CONFIDENTIAL

1 NC: No.

2 DW: No?

3 NC: No.

4 DW: Okay. And this may sound like a personal
5 question, it's just -- I [REDACTED]

6 [REDACTED]

7 [REDACTED]

8 [REDACTED] ?

9 NC: No.

10 DW: No?

11 NC: No.

12 DW: Okay. Same question, but as it relates to
13 your profession as a law enforcement officer. Have you
14 had any issues recently as a deputy sheriff here at the
15 Headquarters Station? Any -- any issues that have caused
16 you concern or stress or anything like that? Anything
17 going on?

18 NC: No.

19 DW: Okay. All right. Let's get into today, all
20 right? So what time did you wake up this morning?

21 NC: I woke up this morning about 4:30.

22 DW: Okay.

23 NC: Woke up and went and worked out like I
24 normally do. Lifted weights.

25 DW: So you woke up at 4:30?

26 NC: 4:30.

27 DW: Where did you work out at?

CONFIDENTIAL

1 NC: I worked out at my friend's house.

2 DW: Okay. And is that a normal --

3 NC: It's a --

4 DW: -- routine for you?

5 NC: Normal routine.

6 DW: Okay. What time were you done working out?

7 NC: Close to 6:00.

8 DW: Okay.

9 NC: Came home and then got ready for work and
10 came to work about 6:40-ish.

11 DW: Okay. Walk me through your routine when you
12 get home and how you prepare for your shift for the day.

13 NC: Came home, took a shower, put on my white
14 shirt. Went and got -- got a little bit of something to
15 eat. Then got my -- my lunchbox, which my wife gives me.
16 Say good-bye to all them as they're getting ready. Got my
17 co- -- coffee and I just drove to work.

18 DW: Okay. What time did you arrive to here at
19 Headquarters?

20 NC: I want to say like 6:40.

21 DW: Okay. Where'd you go first when you got
22 here?

23 NC: I went to the locker room.

24 DW: Okay. And what'd you do in the locker room?

25 NC: Just got ready, got my uniform on, got my
26 belt on and checked my -- my weapon to make sure there was
27 a round in the chamber. Made sure I had all my proper

CONFIDENTIAL

1 equipment and I came up to briefing, walked upstairs to
2 briefing.

3 DW: Okay. Let's go back to that in the locker
4 room when you're -- you're checking your gear and you're
5 equipment and you mentioned your gun. Walk me through
6 that process. There, being in law enforcement myself,
7 I know that deputies have a system; some people do
8 different -- have different methods or techniques that
9 they do on a daily basis to check their -- their gear to
10 make sure it's functioning and that they have it. Can you
11 kind of walk me through your routine?

12 NC: Yes. So I -- I put on my -- my -- my vest.

13 DW: Uh-huh.

14 NC: My shirt, and then I -- you know, I have the
15 shirt stays on, I step through the shirt stays. I put on
16 my pants, then I -- I have my Sam Browne, which is hanging
17 on the -- the inside of my locker. I grab that, I put
18 that on. I visually look to see if I have everything.
19 I -- I don't normally change anything out, take anything
20 out. The only thing I do take out every day is -- is my
21 weapon and my baton, which I put on the top shelf.

22 DW: Uh-huh.

23 NC: So I put all that on. I put my keepers on
24 and the last two things I do is, I grab my baton, I put my
25 baton in, I grab my weapon, I point it at a safe direction
26 down and I check to see if I have a -- a round in the
27 chamber. I decock it, I put it in, I shut my locker,

CONFIDENTIAL

1 and -- and go back up to briefing.

2 DW: Okay. So your -- your gun isn't in your
3 holster when it's hanging up? You separate it and put it
4 on your shelf?

5 NC: Yes.

6 DW: And then do what we call a press check
7 before you holster it to make sure you have a round in the
8 chamber?

9 NC: Correct.

10 DW: Okay. Was there a round in the chamber this
11 morning?

12 NC: Yes.

13 DW: What about the magazine that was in your
14 gun? Did you -- did you do anything with that?

15 NC: No.

16 DW: How -- how is that set up and do you recall
17 the last time you did set that magazine up?

18 NC: I have twelve -- I put twelve rounds in
19 there. When I'm done, usually when I'm done with the
20 range and then I'll -- I'll rack one in, take -- take the
21 magazine out and top it off so that I have twelve plus
22 one.

23 DW: Okay.

24 NC: Which makes thirteen, and then I -- I
25 holster it and get -- and --

26 DW: Okay.

27 NC: -- I really have no reason to take it out

CONFIDENTIAL

1 again.

2 DW: Okay. Do you have any additional magazines
3 other than the one that's in your gun?

4 NC: Yes.

5 DW: Okay. Can you describe those for me?

6 NC: I have two magazines, which are the same
7 make and model that are on the left side in my magazine
8 pouches. There's two of them and they both have twelve
9 rounds each.

10 DW: Okay. And the last time you loaded those?

11 NC: Was after the last time I qualified with the
12 range.

13 DW: Okay. And each -- each magazine had how
14 many rounds in them?

15 NC: Twelve.

16 DW: Okay. What other -- what other types of
17 things do you carry on your belt, your gun belt, refer to
18 it as a Sam Browne.

19 NC: I have my pepper spray, mag holsters, my --
20 my baton.

21 DW: When you say your "holsters," what do you
22 mean?

23 NC: Like for my magazine pouches.

24 DW: Gotcha.

25 NC: Sorry.

26 DW: Okay.

27 NC: Then I have my -- my baton, I have my --

CONFIDENTIAL

1 it's a ring that hooks on, it's for my -- my flashlight.
2 I have my taser and then my radio, and my two handcuffs.
3 And then the very right side, I have my key clip for my
4 keys.

5 DW: Uh-huh.

6 NC: Then my gun.

7 DW: And then your gun?

8 NC: Yeah.

9 DW: Okay. Do you carry any other firearms on
10 your person when you work?

11 NC: No.

12 DW: Like -- like a backup gun or an ankle gun or
13 a pocket gun or --

14 NC: No.

15 DW: You do not?

16 NC: I do not.

17 DW: And you didn't have any on today?

18 NC: No.

19 DW: Just your duty weapon?

20 NC: Just my duty weapon and the shotgun in my
21 vehicle.

22 DW: Do you know what kind of weapon your duty
23 weapon is?

24 NC: It's a Sig Sauer P226.

25 DW: Okay. So you had your duty weapon loaded,
26 one in the chamber with two ex- -- spare magazines?

27 NC: Yes.

CONFIDENTIAL

1 DW: Okay. All right. So after you -- did
2 you -- do you do any manipulation with your taser at all
3 at the beginning of your shift or anything like that?

4 NC: I do periodically. Not every day.

5 DW: Okay. What is that?

6 NC: It's a spark check.

7 DW: Okay. How does that work?

8 NC: Turn -- take it out, turn it on, and you --
9 you hit the side button, spark check it. It's like the
10 cycle for five seconds, then shut it off.

11 DW: Okay. I understand. So walk me through.
12 Once you're done, you got all your gear on. Walk me
13 through what happens then.

14 NC: So I walk upstairs to briefing. I come to
15 an additional smaller locker, which is in our briefing
16 room. I walk over there, I open that locker, and I grab
17 my radio and my flashlight, which are on chargers. And
18 I -- I put that in there. I come back, I sit down, grab
19 my -- my log sheet, patrol log sheet. I fill out at the
20 top and I sit there and get ready for -- wait for a
21 sergeant to come to briefing.

22 DW: Okay. Anything different today than any
23 other day regarding filling out your log sheet or --

24 NC: No.

25 DW: -- preparing for briefing?

26 NC: No.

27 DW: Okay. At some point briefing begins?

CONFIDENTIAL

1 NC: Yes.

2 DW: Can you tell me what time that was?

3 NC: It starts typically at the top of the hour.
4 Seven hundred.

5 DW: Okay.

6 NC: 0700.

7 DW: And who was the supervisor and who gave the
8 briefing?

9 NC: Sergeant Guilin, Greg Guilin.

10 DW: Okay. Is he your regular patrol sergeant?

11 NC: He is.

12 DW: Okay. And how many other people are in
13 attendance at this briefing?

14 NC: The other patrol partners, the other cars
15 working that day.

16 DW: Okay.

17 NC: So typically it's two others.

18 DW: Okay. I'm not super familiar with the
19 Headquarters Station. So how many beats, how many patrol
20 cars are there at the station?

21 NC: There's three patrol cars for three areas.

22 DW: And those --

23 NC: Plus the sergeant.

24 DW: And those cars are --

25 NC: So it would be a day shift, so it would be
26 3D11, myself, 3D12, and 3D13 and 3S4.

27 DW: Okay. And who was 3D11 today?

CONFIDENTIAL

1 NC: Deputy Roxy Rodriguez.

2 DW: And 3D13?

3 NC: It was Gonzales.

4 DW: Okay. And you're D12?

5 NC: Correct.

6 DW: Okay. Tell me about briefing. Anything
7 come up in briefing, anything discussed that you recall?

8 NC: Nothing that -- not that I can remember that
9 was anything that was unusual or that we needed to look
10 out for or anything like that. It was pretty --

11 DW: All right.

12 NC: Just pa- -- the -- the night shift would
13 pass on what they -- what they passed on, which wasn't
14 anything that I could remember stood out.

15 DW: Okay. All right. So when -- when does
16 briefing end about?

17 NC: Anywhere between 0700 and 0730.

18 DW: Okay. So at one point briefing ends. What
19 happens then?

20 NC: You go grab -- if you need more forms or if
21 you need like forms or gloves or any of that type of
22 stuff, you would go in the report writing room, grab it if
23 you need it, go downstairs and load up and get ready for
24 the day.

25 DW: Okay. How about today? Anything? Did you
26 do that today?

27 NC: I -- I went in, I grabbed some additional

CONFIDENTIAL

1 gloves.

2 DW: Uh-huh.

3 NC: And I don't -- I didn't grab any forms, I
4 don't remember if I did. I don't think so.

5 DW: Are those like rubber gloves?

6 NC: Yeah. They're rubber gloves.

7 DW: Okay. And from -- from -- after grabbing
8 the gloves, where'd you go?

9 NC: Downstairs. Grabbed my bags. Or I went
10 downstairs, opened the door, turned on the car, did a -- a
11 check of the vehicle. Went, grabbed my bags and my
12 shotgun. And then I did a -- a check of the lights. Then
13 go out and hit the -- the walls and the yelp, make sure
14 those are working. Drove upstairs, up the ramp, turned
15 right. I think I parked in the -- the parking lot today,
16 the employee parking lot and I signed in.

17 DW: What does that mean, you "signed in"?

18 NC: I take my -- my key card, just like the one
19 you have right there.

20 DW: Uh-huh.

21 NC: And put it on the -- the machine, which is
22 the computer. Turned it on.

23 DW: Okay.

24 NC: And I -- I logged in.

25 DW: Okay. Do you recall about what time that
26 would have been?

27 NC: 7:30, 20. I don't remember.

CONFIDENTIAL

1 DW: Okay. And so we use the term 10-8, right?

2 NC: Yeah.

3 DW: You start -- you started your shift --

4 NC: Correct.

5 DW: -- around that time? Okay. Why don't you
6 tell me what you recall after starting your shift,
7 anything occurring or any calls you might have went to or
8 what you did or where you went. Kind of walk me through
9 that if you would, please.

10 NC: Yeah. So I -- I remember looking up the --
11 the Warrant Mapper.

12 DW: Uh-huh.

13 NC: Warrant subjects in our area.

14 DW: Can you do me a favor?

15 NC: Yes.

16 DW: Sorry to interrupt. I don't know what that
17 is.

18 NC: So --

19 DW: And I truly don't.

20 NC: Okay. So --

21 DW: Can you walk me through that?

22 NC: So you -- we have like what's called a
23 Warrant Mapper, it's a icon on the computer. You can
24 click on it. You log in and you'll have like the dates
25 that pop up, like from this time to that time. So I did
26 January of 2018 all the way to the present day. I put in
27 Oxnard 'cause that's my area.

CONFIDENTIAL

1 DW: Uh-huh.

2 NC: And it'll pop up like an M or F for
3 misdemeanor or felony and it gives the -- the addresses of
4 the subject. You can click on it and it'll pull that
5 person's picture up and the warrant they have; what it's
6 for and their address or their last known address.

7 DW: Okay.

8 NC: So I did that. After I did that, I -- I
9 talked with my partner, 3D11. We decided to go do a
10 probation search in Saticoy.

11 DW: And that's Deputy Rodriguez?

12 NC: Deputy Rodriguez, sorry.

13 DW: Okay.

14 NC: And we chose to go to a -- a known
15 probationer's house in Saticoy. We went there, there was
16 no answer.

17 DW: And what time was that? Was it right at the
18 beginning of your shift?

19 NC: Yeah. Like -- like 8:00 o'clock maybe.

20 DW: Okay.

21 NC: A little after 8:00.

22 DW: Okay.

23 NC: That was -- that was it. Drove out and I
24 headed towards -- I went and stopped at the county yard to
25 use the restroom.

26 DW: Uh-huh.

27 NC: After that, I was going to drive to my area.

CONFIDENTIAL

1 I drove to my area actually, wasn't going to drive, I
2 drove there. And I -- I went right to my beat area and
3 started driving around.

4 DW: And -- and your beat area is what again?

5 NC: Is the El Rio area, unincorporated area is
6 Oxnard, it's El Rio.

7 DW: Okay.

8 NC: So --

9 DW: How -- how many years have you worked in
10 that area?

11 NC: A year and a half.

12 DW: Okay. How many beat cars are assigned to
13 that area?

14 NC: Just mine.

15 DW: It's just you?

16 NC: Yes.

17 DW: Okay. Is this -- can you describe the area
18 to me or anything you know about it?

19 NC: Yeah. So to give you like a geographical,
20 it'd be -- where Central and Vineyard is, all the way
21 south to the freeway and east of Vineyard, so the
22 community in that area.

23 The -- the area is -- particular area is -- is
24 known to have, you know, drugs, usage; just, there's been
25 violent crime there since I've worked there. Known gang
26 members. There's a -- there's a big gang problem there.
27 Parolees. I've done numerous probation searches and

CONFIDENTIAL

1 parolees. I've made a lot of drug arrests in just that
2 area. It's a high crime area, just to put it simpler.

3 DW: Yeah. Okay.

4 NC: I've also -- I've also, you know, taken
5 weapons out of there; handguns, those type of -- those
6 type of issues and crimes happen there.

7 DW: Okay. Do you remember what vehicle you were
8 driving?

9 NC: Yeah. It was 3129.

10 DW: 3129? Is that an SUV or like a Crown Vic?

11 NC: It's a SUV.

12 DW: It's an SUV, okay.

13 NC: Chevy Tahoe.

14 DW: Okay. And you mentioned earlier that you
15 had loaded your gear, you did an inspection, you grabbed
16 your -- your bag, your war bag. We used to call it a war
17 bag. There's other --

18 NC: Yeah.

19 DW: -- items in it. And you grabbed your
20 shotgun.

21 NC: Yeah, correct.

22 DW: You -- I -- did you -- do you have an AR-15
23 or not?

24 NC: I don't have a AR-15.

25 DW: Okay. So you just grabbed a shotgun and
26 checked it out?

27 NC: Uh-huh.

CONFIDENTIAL

1 DW: Okay. I understand. So getting back to
2 after leaving Saticoy and using the restroom, you head to
3 your beat.

4 NC: Uh-huh, correct.

5 DW: Which is El Rio?

6 NC: Correct.

7 DW: At about, what time was that?

8 NC: I would estimate like 8:15 maybe.

9 DW: Okay, okay. Why don't you tell me where you
10 went first when you got to El Rio.

11 NC: I drove -- I don't know exactly what street
12 I took down. I think it was Simon, but I -- I remember
13 driving south on Cortez. I passed Collins, I kept driving
14 south towards Stroube.

15 When I came to Stroube and Cortez I -- I saw a
16 female subject on a -- walking a bike. As I came to the
17 intersection, I stopped at the stop sign. The female went
18 right in front of me. It looked like Corrina Reyes, which
19 I knew from checking the Warrant Mapper and from the
20 previous day, that she had a warrant for her arrest. I
21 turned right, I put my -- my window down. I called out.

22 DW: So you mention the name Corrina Reyes.

23 NC: Correct.

24 DW: Okay. So you see somebody you recognize?

25 NC: Correct.

26 DW: Is that what you're saying? Okay. And --
27 and you know -- do you say you know this person to have a

CONFIDENTIAL

1 warrant?

2 NC: I knew this person to have a warrant.

3 DW: Based on that machine you talked about
4 earlier?

5 NC: Based on the Warrant Mapper and from -- also
6 from iCop. I utilize iCop on a daily basis.

7 DW: Okay. Again, not being super, super
8 familiar with your beat, but I'm trying to understand it.
9 So we have photos that can help us. In fact, let's grab
10 that right now. This might help. Is that the
11 intersection you were talking about?

12 NC: Oh, this is -- is this the church right
13 here?

14 DW: That's the church.

15 NC: Yes.

16 DW: Yeah.

17 NC: Yes, it is.

18 DW: So if you wouldn't mind marking -- there's a
19 red Sharpie there. If you'd be willing to show me the
20 direction and where your vehicle was at when you observed
21 her.

22 NC: I'd say somewhere about right here.

23 DW: Just -- okay. And then maybe put an "X"
24 where she was walking the bike when you observed her.

25 NC: Let's see. Right in this area, about right
26 in that area.

27 DW: Okay. So is she go- -- which direction is

CONFIDENTIAL

1 she headed? East or west?

2 NC: She's heading -- no, west.

3 DW: She's going west?

4 NC: Yes.

5 DW: So did she cross in front of your car when
6 you --

7 NC: She was --

8 DW: -- saw her?

9 NC: She was already -- from what I remember, she
10 was already over in this area here when I came to the stop
11 sign here.

12 DW: So that'd be to your right?

13 NC: To my right.

14 DW: Okay. And you -- you recognize her?

15 NC: I recognized her.

16 DW: Tell me -- tell me what you know about this
17 individual.

18 NC: I know she's a drug user. I know she's had
19 a long history of drug use. I know her to hang out and
20 associate with drug users. I also know that she's
21 resistive towards law enforcement, she's violent.

22 One instance that comes to mind is, is the last
23 time I -- I contacted her, she ran through a house. She
24 also had a warrant that time. Her mother was the one that
25 told us she was there. I go through the house and she --
26 she ended up running from us into a bedroom. She went
27 underneath a -- a mattress. We -- there was a short

CONFIDENTIAL

1 struggle, a fight to get her out from underneath there.
2 We ended up taking her into -- into custody at that
3 point. But there was a -- a significant amount of
4 struggle and that was the last time that I contacted her.
5

6 I also know from talking with other deputies that
7 I work with, I don't remember if this was in briefing or
8 on -- on, just on the street talking with my partners, but
9 I remember there was an incident where she also resisted
10 arrest. She was in the back of her house and breaking
11 glass.

12 So I -- I know that she is violent and I also
13 have -- I have a good rapport with her mother from working
14 in that area. Her mother understands, has told me that
15 she knows she is -- she's violent and she has drug use
16 problem.

17 I've -- you know, I've agreed, even the last time
18 I arrested her, I -- I told her mom that I would -- I
19 would try to get a hold of the mental health in the jail
20 to get her help if she wanted to. And I remember on that
21 particular day she refused it.

22 I even drove back to -- to her mother's house and
23 told her hey, you know, I tried, you know, to get her help
24 but she didn't want the mental health and she didn't want
25 the help. So I remember her mom, hers also name's
26 Corrina, she -- she appreciated that. So I -- I was
27 familiar -- I'm familiar with her, her family, and the

CONFIDENTIAL

1 family dynamics of -- of Corrina.

2 DW: Okay. This -- this prior incident you --
3 you spoke about where you had to arrest her and she
4 fought, how -- when was that; do you recall?

5 NC: I don't know exact date. Roughly within the
6 past six months.

7 DW: Okay. Any other dealings with her prior to
8 that?

9 NC: Yes. I want to say about a year ago, there
10 was a call for service and she was at a house on Simon
11 near -- Simon near Rose. And she was in a car, I believe
12 from recalling this incident, that the family member or
13 somebody called to say that she was there creating a
14 disturbance and that she had a warrant. And she did have
15 a warrant.

16 When I arrived there, she was in the vehicle
17 refusing to come out. She eventually did come out. She
18 was very visibly upset, but fortunately that day, we -- we
19 took her in, I took her in to custody without any
20 incident. But --

21 DW: Okay.

22 NC: -- she -- she's usually, you know, verbally
23 cursing and -- and stuff like that and --

24 DW: Any other dealings with her?

25 NC: Not that I can remember, no.

26 DW: Okay. So you have the incident a year ago,
27 the incident fol- -- roughly six months ago where you

CONFIDENTIAL

1 arrested her.

2 NC: Correct.

3 DW: Were you the arresting officer on that
4 incident?

5 NC: Yes.

6 DW: Tell me a little bit more about, you said
7 she -- she fought with you guys. Can you walk me through
8 that? Did -- was any officers injured or can you tell
9 me --

10 NC: No, there was --

11 DW: -- was there any force that had to be used
12 to arrest her?

13 NC: It was minimal. So when I -- when I came
14 through the back house, she instantly started running. I
15 went to grab her, she went through the kitchen area and
16 around the refrigerator. She jumped into a bedroom and
17 underneath a -- a bed. I remember lifting the bed up.
18 There was -- Deputy Holmes was with me and Sergeant Guilin
19 ended up coming. I tried to pull to get her off. She was
20 holding on to a bed frame. She was screaming and yelling
21 and cursing. We got her off the bed frame and she refused
22 to give her hands up. We ultimately got her hands. And
23 we -- we got her into custody, but it was a -- it was a
24 fight. You know, it wasn't -- it wasn't easy.

25 DW: Uh-huh.

26 NC: What -- that's what I can remember from
27 that.

CONFIDENTIAL

1 DW: What was she arrested for that day?

2 NC: The felony -- or not felony warrant. I
3 believe it was a misdemeanor warrant and misdemeanor 148.

4 DW: Okay. Which is resisting arrest?

5 NC: Resisting arrest.

6 DW: Okay. And then other than today, no
7 dealings with her in the last six months?

8 NC: Not that I can remember, no.

9 DW: Okay. So you got us caught up to today and
10 your -- your knowledge of her and your experience with
11 her. Let's go back to when you first observe her. You're
12 in your patrol car.

13 NC: Okay.

14 DW: And you're southbound on Cortez --

15 NC: Uh-huh.

16 DW: -- at Stroube and she's to your right
17 walking her bike.

18 NC: Correct.

19 DW: And you say she's walking westbound.

20 NC: She's walking westbound.

21 DW: Do you recognize her right away?

22 NC: Not like right away. I -- you know, in my
23 head I was like hey, that looks like Corrina. When I
24 turned right and I pulled up alongside of her, oh, that is
25 Corrina. I pull my window down and I try to be -- you
26 know, say hey, Corrina, what's going on? And I said, you
27 know, your mother's worried about you. She wants to talk

CONFIDENTIAL

1 to you, just kind of to try to put her as ease, you know,
2 so that she wouldn't get upset and --

3 DW: So when -- when you -- when you recognize
4 her and you see her, and I'll have you describe, you know,
5 what she's carrying and what she has on her and what she
6 looks like, but what's going through your mind when you
7 see her base -- based on what you know about her? When
8 you see her, does anything come to mind?

9 NC: When I see her, I'm thinking okay, you know,
10 let's try to, you know, be calm 'cause I know she's either
11 probably going to run or she might -- may fight. Let's
12 try to -- you know, I was trying to downplay it a little
13 bit and just kind of use her mom. Say her mom was -- is
14 worried about her and wants -- wants to talk to her,
15 hoping that that would make her stop. I did tell her to
16 stop, you know, but hoping that that would key in her
17 mind, okay, maybe you know, I want to listen to what he
18 has to say.

19 And it was true, her mom was worried about her.
20 I talked to her mom about a week ago and she was asking
21 about her. And I said I don't know, I haven't seen her.
22 You know, I'll look for her.

23 DW: Uh-huh.

24 NC: And her mom has like told me that, you know,
25 if she goes to jail, that's fine because I'd rather have
26 her in jail safe than out on the streets. And I said
27 okay, I will -- I would let you, you know, if I heard

1 anything.

2 And so I used that to try to get her to stop
3 while also telling her to stop, if that makes sense.

4 DW: Before we discuss any communication you had
5 with her, walk us through what -- what she looks like,
6 what she's wearing or any items or belongings she has with
7 her, if any.

8 NC: I just remember dark clothing or like a
9 Raider shirt. And she -- she had like a bike.

10 DW: Okay.

11 NC: I don't remember the belongings initially.

12 DW: Okay. Do you remember belongings later on
13 'cause we can wait till that point if you -- if you do.

14 NC: No. I don't remember like, no.

15 DW: Okay. Understood. All right. So do you
16 pull up alongside of her?

17 NC: Correct.

18 DW: And then walk me through the conversation
19 you had with her.

20 NC: I say Corrina, you know, stop. Your mom's
21 worried about you. Let me talk to you. And she said
22 fuckin' leave me the fuck alone. I -- and I said just
23 stop, you know, let me talk to you.

24 And she kept walking, she started turning right
25 towards a house. I know that house because I know a
26 parolee used to live, I don't know if he lives there
27 anymore. But he used -- a former parolee used to live

CONFIDENTIAL

1 there so I've been in that -- I'm familiar with that
2 house. She started walking there. I --

3 DW: Do you know the address?

4 NC: I want to say it's [REDACTED]

5 DW: Okay.

6 NC: I know the house.

7 DW: Okay, gotcha.

8 NC: Yeah.

9 DW: All right.

10 NC: So --

11 DW: Is it in that photo you have in front of
12 you?

13 NC: Yes. I believe it's -- it's one of these
14 two.

15 DW: Okay. We have actually a better photo.

16 GC: They're all underneath the packet there.

17 DW: The one that's closer. I have a better
18 photo right there.

19 NC: It's -- where we at right here, on Stroube?
20 This --

21 DW: So this is -- you're looking at --

22 GC: Here's Cortez.

23 DW: You're looking at these two right here.

24 NC: Okay.

25 DW: And then we also have a --

26 NC: Let me see the front.

27 DW: -- ground view.

CONFIDENTIAL

1 NC: It's this house right here.

2 DW: Okay.

3 NC: So this one.

4 DW: Yes.

5 NC: Yeah.

6 DW: Okay. Why don't you take that red Sharpie
7 you had and you can -- you can put a "P" for parolee
8 'cause you call -- you referred to that as a parolee
9 house, that house. Okay. Also, if you could put an arrow
10 facing which side or where -- how she accessed the
11 property; whether it was from a side yard or whether she
12 walked through the front door.

13 NC: Oh, the side one right here. So I guess it
14 would be right here.

15 DW: Okay. So is there a gate there or is it
16 wide open only?

17 NC: No, there's a gate. It's --

18 DW: There is?

19 NC: -- a gate like in this picture.

20 DW: Okay. Okay. Understood. So keep going.
21 Walk me through. And then --

22 NC: So I -- she started to turn towards the
23 house. I was still driving so I -- I actually passed her
24 a little bit. I got up, parked. Put it in park, got out.
25 She -- I saw her put her bike, she went into the -- the
26 backyard. And I said -- you know, I -- I went to my -- my
27 phone just to confirm the warrant, that it was a felony

CONFIDENTIAL

1 warrant --

2 DW: Uh-huh.

3 NC: -- and what it was for. And it was for
4 battery on a -- a EMT.

5 DW: Okay.

6 NC: So I confirmed the felony. I could still
7 her back there on the side talking to somebody. I heard
8 voices so I knew she didn't go far. I went towards the
9 gate, I opened the gate, I walked back there. I could
10 see, I believe it was a male there and he said something
11 to the effect of you see, you see, Corrina, or you see,
12 something like that. And then she was standing there
13 behind a tree.

14 I told her hey, Corrina, you know, stop, you have
15 a -- you have a warrant, you know? And she -- I believe
16 she said something to the effect like leave me the fuck
17 alone or I want my lawyer. And I was like, well yeah,
18 well, you have a warrant.

19 I came around the tree, to the right of the tree
20 and she took off running.

21 DW: Can you maybe draw an arrow around the tree
22 and the direction she went running? Probably better from
23 this one.

24 NC: Maybe it's this one right here. She was
25 somewhere in -- like right around here.

26 DW: Okay.

27 NC: And I came --

CONFIDENTIAL

1 DW: Just draw a line from where you started.

2 NC: Somewhere in this area --

3 DW: Okay.

4 NC: -- was where I was standing.

5 DW: Okay.

6 NC: And she came around, I went in foot pursuit
7 of her.

8 DW: Can you draw the direction she left the
9 property, if you wouldn't mind?

10 NC: Absolutely (INAUDIBLE).

11 DW: Okay. And you can keep going with that line
12 if you want.

13 NC: Okay.

14 DW: We can get you another photo later.

15 NC: And we came down this way.

16 DW: Okay. And let -- thank you for that
17 drawing.

18 NC: Uh-huh.

19 DW: That helps us out. We appreciate it. We're
20 going to walk through that a little slower what you just
21 told me. So you were -- once she goes down in the side
22 yard, you got on your phone to confirm she had a warrant.

23 NC: Yeah.

24 DW: And --

25 NC: So I was standing still in front of the
26 house.

27 DW: Okay. You hadn't entered the -- the

CONFIDENTIAL

1 property yet?

2 NC: No.

3 DW: Okay. Once you confirm she has a warrant,
4 you --

5 NC: I entered.

6 DW: (INAUDIBLE) in there? Okay.

7 NC: 'Cause I could still hear --

8 DW: Okay.

9 NC: -- that she was still in the area.

10 DW: What -- what's -- what's going through your
11 mind as you -- you're entering this backyard of a known
12 parolee with now a person who has a felony warrant who
13 didn't stay put? You know, she walked in the back.
14 What -- what -- what kind of things are you thinking
15 about?

16 NC: What I was thinking is that I'm not going to
17 let her go too far 'cause I know she's going to run. If I
18 could still hear her voice, I could still -- I can still
19 go and get her. That's what I was thinking.

20 As far as the parolee, I don't know at this date
21 if he actually still lives there. I just -- this was a
22 while back.

23 DW: Uh-huh.

24 NC: That's how I know the house.

25 DW: Okay.

26 NC: When I was going to the back, you know, I
27 still -- I still saw her there, so I was like okay, I

CONFIDENTIAL

1 could still apprehend her. That's kind of what was going
2 through my head.

3 DW: Okay. And when the --

4 NC: That I was still close enough to -- to
5 affect an arrest on her and take her into custody.

6 DW: Okay. Our -- our deputies on patrol wear
7 body worn camera systems. Did you have one on you?

8 NC: I did.

9 DW: Okay. Did you activate this at one point?

10 NC: I did.

11 DW: Can you walk me through at what point you
12 were at when you did that?

13 NC: I was towards the front of the house, near
14 the side house. Near the side of the house, in the front.

15 DW: Okay. Also, did you -- at any point, did
16 you communicate anything with sheriff's dispatch about
17 this individual who had a warrant?

18 NC: I did.

19 DW: Do you recall at what point that was?

20 NC: I -- I don't recall exactly the -- the time.
21 I know I did.

22 DW: Okay.

23 NC: So I -- I put out her last name and first
24 name.

25 DW: Okay.

26 NC: It happened real fast and --

27 DW: Okay.

CONFIDENTIAL

1 NC: -- so it was a evolving situation. I don't
2 remember exactly at what point, but I know I -- I did.

3 DW: Do you remember what you -- what information
4 you got out?

5 NC: From what I can remember is a felony warrant
6 subject, last of Reyes, first of Corrina.

7 DW: Okay. All right. So now we're kind of
8 getting to the point where you -- you drew on this where
9 you're walking next to these cars right here.

10 NC: Uh-huh.

11 DW: And I don't know if these cars are
12 necessarily here right now.

13 NC: Yeah.

14 DW: But that -- that area of the backyard, you
15 have this tree or hedge or bush here.

16 NC: Uh-huh.

17 DW: You're saying she's on the other side of
18 that?

19 NC: Correct.

20 DW: Are you having trouble seeing her?

21 NC: I did. I knew she was still there, but for
22 maybe a few seconds, it -- I was kind of out of my view.
23 I kind of felt that she was going to run. As she was
24 moving and -- and not stopping, I told her to stop.

25 DW: Uh-huh. You mention -- you just mentioned
26 you thought she was going to run.

27 NC: It was a possibility that she could have

CONFIDENTIAL

1 ran --

2 DW: Well --

3 NC: -- is a better way to say it.

4 DW: Okay. Well, what's going through your mind,
5 thinking that she might run? What -- what are you
6 thinking about, what you might need to do?

7 NC: Put out radio traffic that I'm going to be
8 in foot pursuit.

9 DW: Okay.

10 NC: And the direction.

11 DW: Okay. All right. At this point, have you
12 told anybody that you're with her yet on the radio?

13 NC: I've already told her that I was --

14 DW: On the radio, I mean, to dispatch?

15 NC: I didn't say -- I didn't say that, who the
16 subject was, but --

17 DW: Okay.

18 NC: -- I had put out that I was with a subject.

19 DW: Okay. And you gave your location?

20 NC: Yes.

21 DW: Okay. Do you remember what location you
22 gave?

23 NC: I don't. I think I may have said Stroube
24 and Vineyard.

25 DW: Okay.

26 NC: I'm not sure. I'd have to look at the --

27 DW: Okay. All right. And --

CONFIDENTIAL

1 NC: -- call slip now.

2 DW: -- so we're to the point where she takes off
3 running.

4 NC: Correct.

5 DW: Walk us through that.

6 NC: When I -- when she took off running through
7 the driveway back towards Stroube, I remember running
8 after her. And at some point in time I say I'm foot
9 pursuit.

10 DW: Just --

11 NC: As --

12 DW: -- to the -- to sheriff --

13 NC: To dis- -- sheriff's dispatch.

14 DW: Okay.

15 NC: As we rounded around the corner and headed
16 back east on Stroube, I saw that she had a, what looked
17 like a hammer in her hand, in her right hand.

18 DW: Okay.

19 NC: And she had raised it at that -- and turned
20 towards me. I was still a few feet away. I pull my gun
21 and I ask for a 10-33. I'm in foot pursuit of a felony
22 subject -- or yeah. Code 6F subject, which is a felony
23 warrant subject. She turned away from me and kept
24 running. I ran after her with my gun out.

25 DW: Uh-huh.

26 NC: She -- her headed east and then cut through
27 a house, I guess headed north. Northeast through a yard.

CONFIDENTIAL

1 DW: Okay.

2 NC: You want me to keep going?

3 DW: Yes. Are you familiar with that -- that
4 property?

5 NC: Yes.

6 DW: Have you been there before to that house?

7 NC: I haven't been there, that -- to that
8 property for -- I haven't been to that property.

9 DW: Okay.

10 NC: I'm familiar from driving the area and
11 seeing it.

12 DW: Uh-huh. So as you're chasing her eastbound
13 on Stroube, you explained she stops at one point and she's
14 got a hammer in her hand?

15 NC: Correct.

16 DW: Her right hand, which in turn caused you to
17 pull your -- your department handgun?

18 NC: Correct.

19 DW: Do -- did you see that hammer prior to -- to
20 any of this -- this action before?

21 NC: No, I didn't. Not till we got out towards
22 the street.

23 DW: Okay. What is going through your mind now
24 that you see this hammer?

25 NC: I'm thinking that that hammer can -- can
26 seriously injure me or hurt me or cause death. I --
27 that's why I pulled my -- my -- my handgun out and I was

CONFIDENTIAL

1 ready to -- I wasn't going to retreat, but I was ready
2 to -- to use it if I needed to.

3 DW: All right. Okay. So she runs onto that
4 property described and we have a better picture of it.
5 Excuse me. Here, okay. Maybe you could put a -- a square
6 where the property is we're talking about or just around
7 the whole -- the whole property. Okay. Circle around the
8 property. That's the property you're talking about?

9 NC: Yes.

10 DW: Okay. Go ahead and walk me through as
11 you're chasing her.

12 NC: So she's coming east. She cuts through this
13 tree line right here.

14 DW: Uh-huh.

15 NC: And this yard and then she takes a hard left
16 into the -- I -- I call it a courtyard of the property.

17 DW: Okay. Here we go.

18 NC: Yes. So she comes across here, I'm -- I'm
19 behind her. She cuts over here and goes into this -- I
20 call it a courtyard or patio, which has a -- this brown
21 wall here.

22 DW: Uh-huh.

23 NC: She goes into the back right corner and I
24 believe she stopped at one point in the middle of the --
25 the patio.

26 DW: Okay.

27 NC: And -- and said something, with the -- with

CONFIDENTIAL

1 the hammer. And then she quickly goes down and hunkers
2 down to the right corner behind a white --

3 DW: Okay.

4 NC: -- chair.

5 DW: All right. Let's -- let's back up to the
6 point where she runs across this property. Are you
7 yelling anything at her or is she yelling anything at you?

8 NC: From what I remember, yes. I'm telling her
9 to stop.

10 DW: Okay.

11 NC: Stop, stop. Drop it.

12 DW: Okay.

13 NC: I remember saying that.

14 DW: Is she doing anything in response to your
15 commands for her to stop?

16 NC: No. She just continued to run.

17 DW: Okay. And still has the hammer?

18 NC: Correct.

19 DW: And goes into this -- does a little left
20 turn, which you described into this courtyard. A little
21 courtyard, or a porch or --

22 NC: Courtyard, patio.

23 DW: Patio, there you go. We'll call it a patio.
24 How -- how far behind her were you when she made the end
25 of that patio?

26 NC: How far behind was I?

27 DW: Were you close to her, to catching her at

CONFIDENTIAL

1 this point? I know you said you were chasing after her.

2 NC: Yeah. I was chasing after her but she
3 was -- the initial chase, she was probably, I mean, about
4 thirty, forty feet away from me.

5 DW: Okay.

6 NC: I had to catch up to her a little bit. You
7 know, even -- I was still a -- a good distance behind her
8 when she turned in to the courtyard.

9 DW: Okay.

10 NC: So I had to catch up.

11 DW: Okay. Now we'll get to the point where she
12 goes into a courtyard area and you showing it, us on the
13 photo, it's got a block wall. Can you see into that
14 courtyard from the street?

15 NC: No.

16 DW: Or even the front yard?

17 NC: No.

18 DW: So you get up to where you give her -- get
19 up to where you can see into that courtyard?

20 NC: Yes.

21 DW: How close do you have to be to the entrance
22 of that courtyard before you can see inside of it?

23 NC: You have to be -- to see all the way inside
24 of it, you have to be inside of it. I mean --

25 DW: Okay.

26 NC: -- you have to be a couple feet inside of it
27 to actually see the whole thing.

CONFIDENTIAL

1 DW: Okay.

2 NC: Just --

3 DW: And at one point did you get in -- inside --

4 NC: Yeah.

5 DW: -- to where you had a view of that patio?

6 NC: I did.

7 DW: Okay. What did you see when you -- when you
8 first set eyes on that patio?

9 NC: When I first came around and set eyes, she
10 was standing with the hammer.

11 DW: Okay.

12 NC: And then she quickly went down into the
13 corner, I call it the right corner to my right and she got
14 behind a wooden --

15 DW: Well, walk me through, "she's standing with
16 a hammer." What do you mean? Describe it for me.

17 NC: She's standing and she has it raised.

18 DW: She still in -- in her right hand?

19 NC: Correct.

20 DW: Raised? What's going through your head when
21 you see that, the hammer raised, what are you thinking?

22 NC: I'm thinking that from where I'm at, I'm
23 still, you know, behind the -- the -- the pillar I guess
24 or the wall and that raise was -- was real quick. But I,
25 in my mind I'm saying, okay, if she comes forward at me
26 or -- or throws it at me, it's going to -- it's going to
27 kill me. You know, I had that fear that it was going to

CONFIDENTIAL

1 hurt me.

2 DW: Okay.

3 NC: Or cause, you know, some damage. And you
4 know, I don't know what -- what she -- in my mind, her
5 intention was to hurt me.

6 DW: Okay.

7 NC: You know? And I didn't want to get hit in
8 the head or something like that happen to me and -- and
9 she takes my gun or something. You know? So, but at that
10 particular point it was real quick.

11 DW: Right.

12 NC: And she jumped down in the corner.

13 DW: Okay.

14 NC: I think that she saw that I had my gun out,
15 I don't know.

16 DW: Okay. Are you at this point, after she goes
17 down in the corner, when you say "down," can you describe
18 down? Is she crouching or is she laying down?

19 NC: She's -- she's crouched down --

20 DW: Okay.

21 NC: -- behind a -- she's crouched down and then
22 she grabbed the -- a wooden chair, like a white chair and
23 put it in front of her.

24 DW: Okay. Okay.

25 NC: And she's saying I want to die. Something
26 to the effect, I want to die. And I said I don't want to
27 hurt you. I'm not here to hurt you. That's not what -- I

CONFIDENTIAL

1 didn't want her to get hurt.

2 DW: Okay.

3 NC: I didn't want -- you know? I -- I -- I told
4 her that and I told her that and I told her that. Hey, I
5 don't -- I'm not here to hurt you.

6 DW: Okay.

7 NC: I just -- and I just kept telling her, drop
8 it, drop it. You know?

9 DW: Drop the hammer?

10 NC: Drop -- drop it.

11 DW: Okay. Do you remember when you told her to
12 drop the hammer, anything she said in response?

13 NC: Something about her lawyer and that, you
14 know, she didn't want to die.

15 DW: Okay. So as she's crouched down behind this
16 wooden chair, are you still at the -- we'll call it a
17 threshold, the opening of this patio?

18 NC: Yeah.

19 DW: Do you have any cover?

20 NC: Yeah. I had a -- I had a -- initially I
21 didn't, I was inside. And I -- I backed out to where my
22 left shoulder was -- was on the -- the brown wall.

23 DW: Uh-huh.

24 NC: I could hear units coming. I remember units
25 coming. And I can remember hearing that they were kind of
26 wanting to know where I was at so I put myself out a
27 little bit so they could see me.

CONFIDENTIAL

1 I also remember at some point in that time that
2 there is a house right there, you know, that I didn't -- I
3 need -- I needed, if there was somebody in that house, I
4 remember movement, that I didn't want the backdrop, I
5 didn't want them to be affected, to get shot or -- or
6 injured.

7 So I -- I did back up and the next thing I
8 remember is I saw a canine unit come down Stroube. And I
9 believe that was Bautista.

10 DW: Okay. Is the suspect still crouched down
11 behind the chair at this point?

12 NC: Yes.

13 DW: Okay. You're giving her commands to -- to
14 drop the hammer --

15 NC: Yes, I didn't want to hurt her.

16 DW: -- and she's crouched.

17 NC: And I told --

18 DW: She brings up her lawyer. You told her you
19 didn't want to hurt her. She --

20 NC: I said we can handle all that after with
21 your lawyer. We'll talk about it or I said something like
22 that. Like we can worry about that after, but you just
23 need to drop it.

24 DW: What does she do next?

25 NC: She gets up and starts to come out of the
26 courtyard towards me 'cause I'm still at the threshold
27 right here.

CONFIDENTIAL

1 DW: Okay. And where's the hammer?

2 NC: The hammer's raised above her in her right
3 hand.

4 DW: Okay. What's going on through your mind now
5 that she left that position behind the chair and now she's
6 up, coming towards you with a hammer above your head?

7 NC: I thought --

8 DW: What are some of the things going on in your
9 minds and other considerations you had?

10 NC: My thought was that she was going to come
11 directly at me and hit me with the hammer. I was -- I was
12 in fear that it was going to kill me.

13 DW: Okay.

14 NC: I thought it was going to -- she wanted to
15 hit me in the head and kill me or injure me seriously, you
16 know? And then, I -- but at the same time, I -- in -- I
17 don't know why I thought about this, but I was like hey,
18 you know, there's -- there's somebody in that house. So I
19 need to -- I need to step to my right. If I have to shoot
20 her, it's -- I got to be to my right.

21 I -- it was the only choice that, you know, at
22 that point, that I had. I wanted there to be another
23 choice, but there wasn't another choice.

24 DW: Okay. She -- as she's coming at you to
25 where you're standing at this threshold or opening of the
26 patio with the hammer raised in her right hand, is she
27 saying anything that you can recall?

CONFIDENTIAL

1 NC: I just remember yelling.

2 DW: You remember you yelling or her yelling?

3 NC: Her yelling.

4 DW: Okay.

5 NC: I don't remember exact words.

6 DW: Okay.

7 NC: And I also had -- yeah.

8 DW: All right. So I -- I have a good
9 understanding of what's occurred to this point and where
10 your location is based on these photos and where she's at.
11 Walk me through that -- that.

12 NC: So with consideration of the -- my backdrop,
13 you know, and her coming at me, I -- I remember stepping
14 to my right, like opening up my stance and her coming
15 along, going along like another window, which is this
16 window right here. I also had that in consideration that
17 that's a room. Like I know there's a garage right there,
18 but it -- that area, if you've worked that area, you know
19 that a lot of people use those as rooms.

20 DW: Uh-huh.

21 NC: So that was another concern of mine, with
22 also -- in the belief that she was going to hit me with
23 it. I knew she -- I had no doubt in my mind that she
24 wanted to kill me or hurt me seriously.

25 DW: Okay.

26 NC: So as I opened up my -- my stance to the
27 right, she went alongside towards the garage. She turned

CONFIDENTIAL

1 it again -- she turned again and she even -- she cocked it
2 back. As she cocked it back, I -- okay.

3 DW: Okay, I'm sorry. I didn't mean to slow you
4 down. But I need -- you need to kind of put me there with
5 you, you know what I mean? So when you say "she turned
6 again," describe what direction she's turning. Is she --

7 NC: Well, she never --

8 DW: -- turning toward you, away from you or
9 what?

10 NC: She starts -- she starts moving alongside
11 the house.

12 KS: What's happening?

13 NC: That wasn't --

14 DW: Hold on a sec. I --

15 GC: Oh, that's the front window. The -- the
16 gate.

17 KS: Oh.

18 DW: Oh, okay.

19 GC: Sorry.

20 DW: It'll be done in a second. Yeah, okay.

21 Sorry. Thought it was an earthquake. Okay.

22 KS: Had one yesterday.

23 NC: So as she -- as she moved to her left along
24 the house --

25 DW: Okay.

26 NC: -- I thought she was repositioning herself
27 to -- to come at me or throw it.

CONFIDENTIAL

1 DW: Okay.

2 NC: I never thought at that point she was trying
3 to get away.

4 DW: Okay.

5 NC: But I -- I knew she was going to hit me with
6 it.

7 DW: Okay.

8 NC: I had my -- my gun raised and as soon as
9 she cocked it back, I had no other ch- -- no other option
10 that -- that she was going to fuckin' hit me with it.

11 DW: Okay. So how many rounds did you fire?

12 NC: I shot once.

13 DW: Okay.

14 NC: And I remember her -- after I shot it, she
15 came back down and crouched down. So I knew it had the
16 desired effect. And she kept running, she took off
17 running and towards the church. And I mean, I'm like
18 fuck, you know? Fuck. Like why, why did she do that
19 shit, you know?

20 DW: I appreciate you walking us through this,
21 man.

22 NC: Fuck.

23 DW: Okay. Let's -- we'll get to --

24 NC: So I didn't -- I didn't want to shoot her,
25 you know? I didn't -- but fuck, she didn't leave me any
26 choice. You know, I didn't want to shoot her. I know --
27 like, I know she's -- you know, she's a drug user and I --

CONFIDENTIAL

1 what, I -- I wasn't going to get -- I wasn't going to get
2 hurt. Wasn't going to let her hurt me. Wasn't going to
3 let her kill me. So I wish there was another choice, but
4 that was the only choice.

5 DW: So get -- I'm understanding now that her
6 body positioning makes -- you know, and she's faced you
7 at this point, she holds it up with her right hand and
8 you believe she's going to throw it at you? Okay. And
9 with -- I asked you how many rounds did you fire.

10 NC: One round.

11 DW: One round. Okay. What was your target, do
12 you recall?

13 NC: Center mass like we're always taught.

14 DW: So you were aiming for her center mass?

15 NC: I was aiming for her center mass.

16 DW: Okay. You describe her -- you know, we're
17 recording this and there's no video camera in here, but
18 you kind of describe after you shot, the hammer in that
19 right hand went down. Can you use your words to explain
20 that?

21 NC: So it was to me --

22 DW: So --

23 NC: -- how I describe it, is that once I shot,
24 I -- I could see that it had its desired affect because
25 it -- it was like a crouch down, like she crouched the
26 hammer back down, crouched down. So I was -- in my head I
27 was like okay, it's working. As she crouched down, she

CONFIDENTIAL

1 turned her body away from me and continued running.

2 DW: Okay.

3 KS: Can I describe what I saw?

4 DW: Sure, please.

5 KS: Just now he had -- when he said the hammer
6 was back before he shot her, he had his right hand in the
7 air at about a 90-degree angle, the elbow and the forearm
8 with some -- with his fist closed like something was in
9 it. And then he said when he crouched down, he took his
10 right hand and put it towards his center of his torso like
11 she was clutching the object to her torso.

12 Does that --

13 DW: I would agree -- I --

14 KS: -- accurately describe what you saw?

15 DW: I will agree with that, yes.

16 KS: Thanks.

17 DW: Thank you for -- all right.

18 So what -- where was the suspect in relation to
19 you when you fired, if you recall, distance wise?

20 NC: So what I remember, it was about three to
21 five feet. And I was surprised when I looked at the body
22 camera that it looks a lot further away. But in reality,
23 it wasn't. It was a lot closer proximity, when I
24 remember.

25 DW: Okay. Okay. Do you recall your direction
26 of fire?

27 NC: Like north, south, east, west?

CONFIDENTIAL

1 DW: Yeah, basically. Or if you could say house,
2 car?

3 NC: It was towards this garage right here.

4 DW: Okay. Okay. That would be my next
5 question, your backdrop.

6 NC: Backdrop would -- would be the garage door.

7 DW: That garage door?

8 NC: If I remember. Northeast garage door.
9 Somewhere in that area.

10 DW: Okay. When you -- when you -- when you
11 fired the one round, you were out? Were you away from
12 that wall now? Did you have any cover or concealment from
13 when you --

14 NC: No.

15 DW: Where you were standing?

16 NC: Did not.

17 DW: Did you have or did you consider any other
18 options at the time?

19 NC: I had no other options. It was -- it
20 happened fast and I -- I even looked at the body camera
21 and it's -- you know, it's -- it's reasonably fast there,
22 but you know, in reality, and things are going through
23 your head and, you know, it -- I remember having my finger
24 on the trigger and then it just -- it just seemed like it
25 was all -- it was just quick. Like you know, seconds.

26 DW: Okay.

27 NC: And it --

CONFIDENTIAL

1 DW: After -- after you fired, did you change
2 your body positioning or your stance or your movement
3 either before, during, or after you fired, if you recall?

4 NC: I -- no, I don't remember changing my body.
5 What do you mean? I don't understand.

6 DW: Okay. Well, your position of your stance.
7 Did you move right after firing or move left after firing
8 or -- or --

9 NC: I -- so when I moved right, I -- I kind of
10 had a open stance. And then I fired and then I turned
11 towards her. I still had my gun and then when she started
12 running, I ran after her.

13 DW: Okay.

14 NC: I still had my gun out and when she --

15 DW: Okay.

16 NC: -- dropped the hammer, I reholstered it.

17 DW: And I saw the -- you referenced it earlier,
18 the body worn camera, I viewed it too. So I know you --
19 she ran off after that. But we're still at the moment --

20 NC: All right.

21 DW: -- right around the time of the shot being
22 fired. Do you recall your -- how you were gripping the
23 firearm when you shot? Were you holding with one hand or
24 two hands or do you recall?

25 NC: I remember two hands.

26 DW: Two hands?

27 NC: Yeah.

CONFIDENTIAL

1 DW: Are you right-handed?

2 NC: I'm right-handed.

3 DW: Okay. Were you standing or kneeling or
4 crouched?

5 NC: Standing.

6 DW: You were standing?

7 NC: Yes.

8 DW: You were standing straight up?

9 NC: Straight up.

10 DW: Okay. Did you manipulate your gun at all
11 after firing it? And that could be a -- a reload.

12 NC: No.

13 DW: A speed load.

14 NC: No.

15 DW: A decock or any of that?

16 NC: No, I didn't decock it.

17 DW: Okay.

18 NC: I just started running after her.

19 DW: Okay. So you use the phrase earlier, "it
20 had the desired effect," meaning the -- the knife -- or
21 I'm sorry, the hammer was down here and was no longer up.

22 NC: Was no longer up, correct.

23 DW: So what hap- --

24 NC: And she was turned away from me.

25 DW: Okay. Walk me -- walk us through what
26 happens then?

27 NC: So she's turned away from me. I still had

CONFIDENTIAL

1 it out and --

2 DW: Your -- your gun?

3 NC: My gun.

4 DW: Okay. And I was reassessing, you know, if
5 she was going to turn around or -- and try to throw it at
6 me again or come at me. She didn't, she kept her back to
7 me and started running.

8 DW: Okay. What are you thinking at this point?

9 NC: I'm thinking she still has a hammer in her
10 hand. She could still turn around and hit me with it but
11 I have to -- I have to get her in custody. So I ran after
12 her while still having my weapon in my hand.

13 DW: Any other thoughts going through your head
14 on -- while she's still got the hammer and running away
15 from you?

16 NC: I'm thinking I hope she's not going to go
17 hit anybody else or try to injure anybody else with it. I
18 mean, I think she's going towards a church. Church's not
19 in session but I know there's -- there's other citizens
20 out. But --

21 DW: Okay.

22 NC: And that was pretty much it.

23 DW: Okay. So as I understand it, at this point
24 in the story, she's got her back to you, she's running
25 away from you and --

26 NC: Correct.

27 DW: -- you're chasing her with your handgun

CONFIDENTIAL

1 still out?

2 NC: Correct.

3 DW: And it's -- one round's been fired and so
4 the hammer's still back? It's in single action right now.

5 NC: Yes.

6 DW: Correct? Okay. Continue on.

7 NC: As I'm running, telling her to stop. She's
8 still running. As we get to like the church parking lot I
9 think it was, she ended up throwing -- she threw the
10 hammer down.

11 DW: Okay.

12 NC: So when she threw the hammer down, there was
13 no weapon, so I re- -- I holstered my handgun so that I
14 could -- I could try to grab her.

15 DW: Okay.

16 NC: Run better. And I grabbed her upper body
17 and -- and she went down with me.

18 DW: Okay.

19 NC: And she's screaming, you fuckin' shot me or
20 something to that effect. This fucker shot me.

21 DW: Okay. Walk me through affecting the arrest.

22 NC: When I --

23 DW: How'd you get her in custody?

24 NC: I grabbed her shoulders and I was going
25 down, but she actually went down with me. So she's down,
26 she's like on her -- her left side, I saw blood and she's
27 screaming you fuckin' shot me.

CONFIDENTIAL

1 DW: Did you -- did you physically have to force
2 her to the ground like --

3 NC: No.

4 DW: -- pushing her or --

5 NC: It looks that way in the body camera, but
6 actually from grabbing her, we actually just went down
7 together. It wasn't like I had to throw her down.

8 DW: Okay.

9 NC: But I did have my hands on -- on her
10 shoulders. So as --

11 DW: When you say "went down together," do you
12 mean you -- you fell and she fell too?

13 NC: She went down on her own.

14 DW: Gotcha. Okay.

15 NC: And then so she's laying there. I see blood
16 and she's saying fuckin' shot me, this fucker shot me. I
17 didn't know where the -- where the wound was. Her hands
18 are bleeding, I roll over and I think Deputy Bautista had
19 gotten there at that point. I roll her over, I put
20 handcuffs on her. I -- I didn't look at her hands to
21 see -- I just saw the blood on her hands. But I didn't
22 know where the wound was. So I physically was checking
23 and I saw some blood up here, so I'm thinking okay, did I
24 shoot her in the chest? I thought I shot her in this
25 area.

26 DW: Just for the -- he pointed to the area of
27 his neck where he thought he saw blood. There, his own

CONFIDENTIAL

1 neck.

2 Okay.

3 NC: So she had blood right here by the neck.

4 So I'm thinking that she got shot in the chest. So I need
5 to -- I need to do life saving measures, you know? I need
6 to figure out where the wound is. So I'm checking her,
7 I'm checking her. I'm not seeing it, I'm not seeing it.
8 And then at some point she says you shot me in the fuckin'
9 hand. So I roll her over and I see her finger has been
10 shot.

11 DW: Okay.

12 NC: Okay? I also hear there's -- they're asking
13 if EMS can enter or fire can enter. So I -- I -- either I
14 said to -- it's okay to enter or Bautista did. I think I
15 did. That it was -- she was in custody and that they can
16 come in.

17 DW: Okay.

18 NC: And at that point, he took over with -- I
19 think Deputy Rodriguez was there too and I stepped away.

20 DW: Okay. So Deputy Bautista was the first
21 officer on scene?

22 NC: Yes.

23 DW: Okay. And he's not one of your --

24 NC: No.

25 DW: -- beat partners, right?

26 NC: No.

27 DW: Okay.

CONFIDENTIAL

1 NC: I think he was in the area or --

2 DW: Do you recall what, if anything, you might
3 have said to him about the incident?

4 NC: I -- I may have said like oh, you know, she
5 came at me with a -- with a hammer. Something like that.
6 It was real brief, whatever I said.

7 DW: Okay. And what did -- what did Deputy
8 Bautista do, if anything?

9 NC: I think he asked me if there was any other
10 outstanding suspects.

11 DW: Okay.

12 NC: And I said no. And he said hey, let
13 dispatch know that you're okay, that you're not hit. I
14 tried to put it out, but it was, people were stepping on
15 each other. And then I think he put it out.

16 DW: Okay. Okay. Now, is Bautista taking over
17 at this point --

18 NC: Yes.

19 DW: -- with --

20 NC: With her.

21 DW: -- the suspect?

22 NC: Yes. And I stepped away.

23 DW: Okay. What -- what -- what's your thought
24 process now? What are you -- what are you thinking about
25 at this point?

26 NC: I'm thinking if -- if somebody else is maybe
27 injured in the house or where the round went. There's a

CONFIDENTIAL

1 lot of thoughts going through my head; perimeter, which
2 was actually already getting set up. But I was thinking,
3 okay, where did that round go, you know? Did it go in the
4 garage, did it go -- I didn't know where it went. Where,
5 it could have ricocheted. I -- I believe I said it a
6 couple times to Dent. I remember telling Dent hey, we
7 need to check the house and see where -- I think there's
8 somebody in that house. So that was my thought process.

9 DW: Okay. Now, was it -- it was you -- was it
10 you that placed the suspect in custody with the cuffs?

11 NC: I did. I put cuffs on her.

12 DW: Okay. All right. Regarding your -- your
13 body worn camera, that's a -- I don't -- what kind is it?
14 It's a -- who makes it, is it Taser? It's a Taser, right?

15 NC: It's Axon.

16 DW: Axon, I'm sorry.

17 NC: Yeah.

18 DW: I never wore one before. Axon, yeah. Did
19 you check that out at the beginning of your shift?

20 NC: Yes.

21 DW: Okay. And you kind of explained to me at
22 the point where you believe you activated it toward the
23 earlier part of the incident with the suspect. Do you
24 recall at what point you deactivated it and turned it off?

25 NC: I think it's after I -- Sergeant Guilin
26 arrive -- arrived on scene. And --

27 DW: Okay.

CONFIDENTIAL

1 NC: -- I think Detective Arteaga was taking like
2 pictures of me. Somewhere after that where the incident
3 was over as I saw it --

4 DW: Right.

5 NC: -- for as far as my involvement, so I turned
6 it off.

7 DW: Okay. At some point following the shooting,
8 were you transported here to the Headquarters Station?

9 NC: Yes.

10 DW: Do you remember who transported you?

11 NC: Sergeant -- damn, why can't I remember his
12 name.

13 DW: Is it Ramirez?

14 NC: Ramirez, Sergeant Ramirez.

15 DW: Okay. And at some point, did someone take
16 your body worn camera from you?

17 NC: Yes.

18 DW: Do you recall who did that?

19 NC: I believe it was Sergeant Clark.

20 DW: Sergeant Ryan Clark from Major Crimes?

21 NC: Yes.

22 DW: Okay. Did someone remain with you at all
23 times until your gun was collected from you?

24 NC: Yes.

25 DW: Yeah? Okay. All right. Have you -- and I
26 already discussed it so I know you have but I'm going to
27 ask it for the record. You had an opportunity to view the

CONFIDENTIAL

1 body worn camera footage, correct?

2 NC: Yes.

3 DW: Okay. Couple things 'cause I watched it
4 too. A couple things I just would like to ask you for
5 some further description on or -- or clarification.

6 So at one point when the suspect is in the patio
7 and you're -- you were holding your firearm pointed at her
8 and giving her commands to drop the hammer, it appears as
9 though you cocked the hammer and put it in single action
10 or --

11 NC: I didn't.

12 DW: You did not?

13 NC: No.

14 DW: Okay, all right. Or maybe you were hitting
15 your decock with your left thumb is --

16 NC: Possibly.

17 DW: To -- to make sure the --

18 NC: I don't remember cocking it at all.

19 DW: Okay, all right. You don't recall?

20 NC: No, I don't.

21 DW: Okay. And then just prior to the shooting
22 and I don't know if you noticed this in viewing the
23 footage, but it -- you can see you lower -- you're holding
24 the firearm with both hands.

25 NC: Uh-huh.

26 DW: You're right-hand dominate, using your left
27 hand as the support hand and you drop your left hand down

CONFIDENTIAL

1 and a noise can be heard and I'm not sure if it's a snap
2 or a clip or I don't know, but do you recall taking your
3 gun, your hand off your gun --

4 NC: No.

5 DW: -- for a moment, just prior to the shooting
6 taking place, for any reason? And I was just curious
7 if -- if that --

8 NC: I don't remember that.

9 DW: -- sounded familiar?

10 NC: I don't remember that.

11 DW: Okay.

12 NC: What I remember, is I had -- like I open --
13 like my hand's up, like holding my weapon. That's what I
14 remember. But --

15 DW: Okay.

16 NC: -- I didn't pay attention to that in the --
17 when reviewing my body camera, if that's the case, I mean,
18 okay.

19 DW: Okay.

20 NC: Wasn't for any reason or anything.

21 DW: Okay. And just before the video ends and
22 prior to Sergeant Guilin showing up on scene, fire shows
23 up.

24 NC: Uh-huh.

25 DW: County fire rolls up.

26 NC: Okay.

27 DW: 'Cause you could see the rig kind of in the

CONFIDENTIAL

1 back, peripheral of your camera view. And you're on --
2 you pick up what looks like your assigned cellphone and
3 you -- it looks like you're manipulating the phone.

4 NC: Yeah.

5 DW: Do -- do you recall?

6 NC: Yes, I do.

7 DW: Do you -- can you tell us what -- what
8 happened?

9 NC: Yes. I was double checking and like triple
10 checking to make sure that that warrant was a felony, you
11 know?

12 DW: Okay.

13 NC: And I was like yeah, that's -- it's a felony
14 for battery. Like that's what I was doing, was double,
15 triple checking I guess.

16 DW: Triple check. 'Cause you did it --

17 NC: I did it twice. I mean, I --

18 DW: Just --

19 NC: -- knew about it. I checked my Warrant
20 Mapper, I checked it on iCop for --

21 DW: I want to --

22 NC: Go ahead.

23 DW: Right. I want to recap and I want to be
24 clear. If I'm wrong, correct me 'cause I'm -- I do not
25 want to put words in your mouth. But what you described
26 so far is you had knowledge, prior knowledge from the day
27 before that this person was wanted.

CONFIDENTIAL

1 NC: Correct.

2 DW: The day you saw her, you knew she was still
3 wanted. You confirmed it from your iCop application
4 before going to the backyard.

5 NC: Correct.

6 DW: Then the incident -- stop me if I'm wrong at
7 any point here. Am I?

8 NC: Well, I just want to say that what I was
9 confirming to you, it was a warrant and what the warrant
10 was for.

11 DW: Okay.

12 NC: That it was a felony. When I looked at it,
13 when I confirmed it, you know, before I went to -- to
14 contact her --

15 DW: Uh-huh.

16 NC: -- confirm, okay, that's a felony.

17 DW: Okay. Understood.

18 NC: Battery. So --

19 DW: So your knowledge that it was a felony
20 warrant wasn't --

21 NC: Was --

22 DW: -- until --

23 NC: Until --

24 DW: -- before you went in the backyard today?

25 NC: Correct.

26 DW: Okay. And then and after the shooting --

27 NC: To double firm --

CONFIDENTIAL

1 DW: Okay.
2 NC: Confirm that it was a felony warrant.
3 DW: Okay, okay.
4 NC: Why I did that, I don't know. But --

5 DW: Okay.
6 Take a little quick break?

7 KS: Okay.

8 DW: You okay with that?

9 NC: Yeah.

10 DW: Okay.

11 Take a -- we'll take a break and regroup in a
12 minute, okay? Just would you do me a favor? Raise --

13

14 (BREAK TAKEN)

15

16 KS: Hang up?

17 DW: Yeah.

18 Just --

19 Is everybody back recording?

20 KS: Back on.

21 DW: Okay. This is Detective Sergeant Dean
22 Worthy. Again, October 9th, 2018, it is now 5:51 in the
23 afternoon. We took a short intermission. We are back
24 from that intermission now with Deputy Nick Castaneda and
25 we have no more further questions.

26 And we -- we thank you for giving us your time
27 today and explaining what happened. Okay?

1 NC: Okay. Thank you.

Please refer to the supplemental report written by the vehicle operator for details regarding the robbery and how they secure the crime scene.

Because of the involvement of Officer Ivonne Santiago, I did not take photos of the robbery scene.

As mentioned earlier, the crime scene is located by Deputy Nune (ID #4896) at Cortez Street, northwest of the intersection of Cortez Street and Hill Street. Because of the nature of the crime scene, the crime scene is located by Deputy Scott at the intersection of Cortez Street and East Strube Street. From the northwest, the scene is located by Deputy Scott at the intersection of Cortez Street and East Strube Street. Please refer to the crime scene log for complete details of the scene. All crime scene logs were booked to evidence by Deputy Nune. Item #998.

From what I hear, but with the help of the police, the scene was secured from what I was told the scene, I was told the integrity of the scene is preserved. Contact me if the scene is not secure for the investigation.

The bureau of the crime scene is the location of the crime scene, as described in the report.

OFFICER'S NARRATIVE - OFFICER INVOLVED SHOOTING

**Officer Involved Shooting
Response Report
Cortez Street & Stroube Street
10/09/2018 - 1043 hours
RB#18-158434**

NOTIFICATION

On 10/09/2018 at approximately 1000 hours, I was dispatched to the area of Cortez Street and Stroube Street in El Rio reference an Officer Involved Shooting investigation Major Crimes detectives were conducting. I arrived on scene at approximately 1043 hours, and met with Major Crimes Detective Senior Deputy Ogonowski who explained the circumstances as he understood them. The scene consisted of two intersecting residential streets and several adjacent properties.

SCENE WORK

After being briefed, I was asked to generate a factual to-scale diagram of the residential street which contained evidence. Personnel from the Ventura County Sheriff's Forensic Lab along with Major Crimes Detective Senior Deputy Ogonowski determined what evidence was to be documented. I began documenting the scene using a Leica GeoSystems TS15 total station and a Rol-a-tape measuring wheel. I was inside the crime scene taking measurements for approximately 4 hours.

After obtaining the measurements from the residential street and adjacent properties, I later used a computer aided diagramming program (Crash Zone) to produce a to-scale diagram. The completed diagram was sent to Major Crimes Detective F. Saleh.

MEASUREMENTS

The crime scene was located on residential streets north and west of the intersection of Cortez Street and Stroube Street, in the unincorporated area of El Rio. Cortez Street runs primarily north/south, and Stroube Street runs primarily east/west.

All measurements were taken from a base point (instrument station point) using a Leica GeoSystems TS15 total station and a Rol-a-tape measuring wheel.

The Station Point is the center of Reference Line 1 (RL1) and Reference Line 2 (RL2). RL1 and RL2 create base lines within the scene using the computers selected north. All measurements referred to as RL1 are east (+) and west (-) of baseline RL2. All measurements referred to as RL2 are north (+) and south (-) of baseline RL1.

OFFICER'S NARRATIVE

NOTIFICATION AND RESPONSE

On 10-9-18, I was assigned as a Field Evidence Technician (FET) for the Ventura County Sheriff's Crime Scene Investigations Unit. At approximately 0850 hours, FET [REDACTED] received a call from Sheriff's Dispatch requesting a response to the scene of an officer involved shooting that had occurred near the area of [REDACTED] Cortez Street, in the city of Oxnard. [REDACTED] Cortez Street is in the unincorporated area of Oxnard known as El Rio.

SCENE

All references to blood are based on visual appearance and not on chemical testing (unless otherwise noted).

At approximately 0940 hours, FET [REDACTED] FET [REDACTED] and I arrived on scene and met with Detective Sergeant Macias and Detective Ogonowski. Upon our arrival, Macias requested that FET [REDACTED] respond to Headquarters Station to process the involved deputy and then respond to Los Robles Hospital to process the suspect. Macias then told FET [REDACTED] and I the following: Deputy Castaneda attempted to contact the suspect, later identified as Corrina Jessica Reyes, as she was in front of [REDACTED] Stroube Street. The suspect was on a bicycle and when approached by the deputy, the suspect dropped her bicycle and belongings and fled heading east on Stroube Street then north on Cortez Street. Once on Cortez Street and in front of the garage at [REDACTED] Stroube Street, the suspect produced a hammer and reportedly attempted to assault the deputy and was shot as a result. The suspect then continued to flee north on Cortez Street before being taken into custody in the parking lot area between two churches where she finally dropped the hammer.

Forensic Scientists [REDACTED] and [REDACTED] were also called to the scene for firearm trajectory analysis. Refer to their report for further information on the trajectory analysis.

The scene consisted of the area near the corner of Stroube Street and Cortez Street. The shooting occurred outside of the closed garage of the residence at [REDACTED] Stroube Street. A possible bullet strike was located on the southernmost garage door. A cartridge case (Speer 40 S&W caliber) was located on the ground under a trailer located in front of the garage. Possible blood was located on both garage doors, the ground in front of the garage, and the vehicle in front of the garage. The vehicle in front of the garage was a white, four-door GMC Terrain SUV, California Lic # [REDACTED]. A possible blood trail led north on the sidewalk in front of the church located at [REDACTED] Stroube Street and into the parking lot between two churches. This was where a hammer was located and reported to be the area where the suspect was taken into custody. The original address given by dispatch was the residence across the street from where the suspect was taken into custody, which had no other involvement with the call.

Upon entering the garage at [REDACTED] Stroube Street, it appeared that there was a possible bullet strike into a five-gallon bucket of paint. Upon sifting through the paint inside of the bucket, a bullet fragment was located and recovered.

PHOTOGRAPHS

I took overall and midrange photographs of the scene and of located evidence labeled with photo markers (PM) 1-27.

I took close-up photographs of the located evidence including the following:

- The exterior and interior of Deputy Castaneda's patrol vehicle
- The view from inside of [REDACTED] Stroube Street where the residents reportedly saw the suspect attempt to hide in the back patio
- The bullet fragment removed from the bucket of paint
- PM 1 - suspect's green bag containing miscellaneous personal items
- PM 2 - suspect's green "Kona Blast" bicycle
- PM 3 - suspect's black jacket
- PM 4 - suspect's blue bag containing miscellaneous personal items
- PM 6 - possible bullet strike on garage door of [REDACTED] Stroube Street
- PM 9 - possible blood on garage door
- PM 10 - possible blood on ground next to the driver's side of the GMC Terrain
- PM 11 - possible blood on hood of GMC Terrain
- PM 13 - possible blood on ground in front of GMC Terrain
- PM 14 - possible blood on passenger side front quarter panel of GMC Terrain
- PM 16 - possible blood on ground next to the passenger's side of the GMC Terrain
- PMs 17 and 18 - possible blood on ground in front of the church
- PMs 21 through 25 and PM 27- possible blood on ground in church parking lot

PROCESSING/COLLECTION

While at the scene I received the following items of evidence from Detectives Jauregui and Ogonowski:

- Bullet fragment removed from the bucket of paint
- Bullet fragment from garage door weather strip (PM 12)
- Speer 40 S&W caliber cartridge case (PM 7)
- Swabs of possible blood and tissue from windshield of GMC Terrain (PM 15)
- Swabs of possible blood from ground in front of garage doors (PM 8)
- Suspect's personal belongings consisting of items identified as PMs 1, 3, and 4
- U.S. currency in the amount of \$23.69 located in the suspect's personal belongings
- One large black handle knife, four folding knives, and two pairs of scissors removed from suspect's green bag

- Ten pieces of assorted jewelry removed from the suspect's green and blue bags
- Swabs of possible blood from ground in front of church, parking lot, and from hammer (PMs 19, 20, and 26)
- Black writing pen located on dirt shoulder in front of [REDACTED] Stroube Street (PM 5)
- Hammer located in church parking lot (PM 26)

All evidence collected was seized under the search warrant dated 10-9-18 with the above case number.

COMPLETION

I uploaded 656 images to the Sheriff's Imaging Storage Server. I released all items of evidence to the Ventura County Sheriff's Property Room. Refer to FET [REDACTED] report for further information regarding the processing of the suspect and Deputy Castaneda.

CRIME SCENE INVESTIGATION SECTION

SCENE/BRIEFING:

On October 9, 2018, I responded to the scene at [redacted] Stroube Street in the unincorporated area of El Rio to perform bloodstain pattern analysis and trajectory analysis; Forensic Scientist [redacted] accompanied me to the scene. The scene included Stroube Street west of Cortez Street, Cortez Street north of Stroube Street, the home and driveway of [redacted] Stroube Street, the yard and walkway in front of the church north of [redacted] Stroube Street on Cortez Street, the dirt/gravel parking lot north of the church on Cortez Street, and the adjacent asphalt parking lot on Cortez Street. Present on scene were Field Evidence Technician (FET) [redacted] FET [redacted] FET [redacted] Sergeant Macias, Detective Marco, Detective Ogonowski, and other detectives with the Ventura County Sheriff's Office Major Crimes Unit.

Detective Ogonowski provided a scene briefing and described what was believed to have happened: He stated that a Sheriff's deputy patrolling Stroube Street in his patrol vehicle recognized a woman wanted for a felony warrant. The woman reportedly dropped her belongings on Stroube Street and ran eastward toward the intersection with Cortez Street. She then ran north and hid in the courtyard of [redacted] Stroube Street. The deputy approached her with his gun drawn, and she ran out of the courtyard. The suspect was reportedly armed with a hammer. The deputy fired one shot at the suspect, which hit her left hand and then perforated the garage door at a height of approximately 19.5 inches above the ground. The suspect ran around a GMC Terrain parked in the driveway of [redacted] Stroube Street and past the church. She was ultimately apprehended and handcuffed in the church parking lot.

I was requested to perform trajectory analysis and possible bullet recovery, and a reconstruction of the events based on the bloodstain patterns at the scene.

OBSERVATIONS:

The residence at [redacted] Stroube Street was a one-story building on the northwest corner of the intersection of Stroube Street (runs east-west) and Cortez Street (runs north-south). The front door of the residence faced south onto Stroube Street. On the north side of the home was a two-car garage; the garage doors faced east onto Cortez Street. A GMC Terrain, a trailer, and a Ford Excursion were parked in the concrete driveway leading from Cortez Street to the garage.

There was an elongated possible projectile hole in the lower right (from the exterior) quadrant of the southern garage door of [REDACTED] Stroube Street. Inside the garage was a five-gallon plastic paint container with an indentation and hole in the side of the can facing the hole in the garage door. A projectile was removed from inside of the paint can. A rod was placed in a straight line from the indentation in the paint can through the hole in the garage door to establish an approximate trajectory of the projectile, assuming minimal deflection of the projectile between exiting the garage door and entering the paint can and that the paint can was not moved since the shooting incident. The rods were further extrapolated in a straight line into the space over the driveway, again assuming minimal deflection from the reported perforation of the suspect's hand. Based on the nature of the damage to the garage door and the paint can, an accurate trajectory analysis could not be performed; however, the bullet was travelling from the southeast to the northwest in a slightly downward trajectory when it struck and perforated the garage door.

The following locations were examined for bloodstaining as part of the crime scene:

[REDACTED] Stroube Street:

Garage Doors

Six very small stains on the southern garage door tested positive for the presence of possible blood with the Hemastix chemical presumptive test. These bloodstains were along a diagonal line between the bottom right corner and the top middle of the door, when viewed from the exterior. These bloodstains resulted from probable cast-off from a blood-bearing object in motion.

Bloodstains were also observed on the northern garage door exterior. These bloodstains were elliptical in shape with directionality indicating that the blood was moving to the north or toward the right side of the garage door when viewed from the exterior when it was deposited on the door. The majority of the bloodstains were located at a height between two and four feet from the ground. The bloodstains on this door are a cast-off pattern created by a blood-bearing object in motion.

GMC Terrain Parked in the Driveway

A white, four-door GMC Terrain sport utility vehicle bearing California license plates [REDACTED] was parked in the driveway with the front of the vehicle facing west towards the garage. Bloodstains were observed on the front bumper, hood, and front passenger's side wheel well of the vehicle. All of these bloodstains were consistent with cast-off from a blood-bearing object in motion. The majority of the bloodstains exhibited directionality indicating travel of the liquid blood from the front bumper toward the passenger compartment of the vehicle. Some of the bloodstains on the hood indicated travel slightly toward the passenger side of the vehicle.

Concrete Driveway

Bloodstaining was observed on several areas of the concrete driveway. Clusters of bloodstains were located on the concrete between the two garage doors approximately two feet from the garage, south of the front driver side tire of the GMC Terrain, and between the garage and the passenger side of the front bumper of the GMC Terrain. Each of these clusters could be a collection of drip stains as a result of blood dripping off a blood-bearing object due to gravity or a cast-off pattern created when blood is released from a blood-bearing object due to its motion. Along the north edge of the driveway on the passenger side of the GMC Terrain was another cast-off pattern of bloodstains.

Neighboring Church Sidewalks and Parking Lots:

Several cast-off patterns were observed on the concrete sidewalks in front (east) of the church located north of [REDACTED] Stroube Street. A series of drip stains forming a drip trail were located in the dirt/gravel parking lot north of

the church on Cortez Street. This trail indicated that a blood-bearing object travelled across the parking lot, although the direction of travel could not be determined.

In summary, a replenishing source of blood, such as the suspect's bleeding hand, travelled throughout the scene and deposited blood on the surfaces described above either due to blood dripping off the object due to gravity or blood being released from the object due to its motion. The locations where bloodstaining was observed were consistent with the information provided regarding the suspect's movement through the crime scene after the discharge of the deputy's weapon. The height and directionality of the bloodstains on the northern garage door and the hood of the GMC Terrain suggest that the bleeding suspect was likely upright and moving northward parallel to the garage doors following the shooting. The trail then led around the GMC Terrain, on the sidewalks in front of the church, and across the parking lots.

COMMENTS:

Any reference to blood in this report was based solely on visual appearance. No testing was done on the stains, unless specifically stated.

All photography and evidence collection was done by FETs [REDACTED] and/or [REDACTED] refer to their reports for additional information on the processing of the scene.

Glossary of Terms – Definitions taken from ASB Technical Report 033, 1st Ed. 2017: Terms and Definitions in Bloodstain Pattern Analysis.

Bloodstain – A deposit of blood on a surface.

Bloodstain pattern – A grouping or distribution of bloodstains that indicates through regular or repetitive form, order, or arrangement the manner in which the pattern was deposited.

Cast-off Pattern – A bloodstain pattern resulting from blood drops released from an object due to its motion.

Directionality – The characteristic of a bloodstain that indicates the direction blood was moving at the time of deposition.

Drip Stain – A bloodstain resulting from a falling drop that formed due to gravity.

Drip Trail – A bloodstain pattern resulting from the movement of a source of drip stains between two points.

OFFICER'S NARRATIVE

On 10/09/2018, I worked uniformed patrol in the city of Camarillo. At approximately 0906 hours, I was dispatched to the area of Cortez Street and Collins Street to assist with an investigation of an officer involved shooting that had just occurred.

Upon arrival, I assisted by starting a Crime Scene Entry Log at the north end of the crime scene, in front of [REDACTED] Cortez Street. I logged all persons entering and leaving the crime scene from my location.

I later booked the crime scene entry logs as evidence at the Camarillo Police Station evidence lockers.

OFFICER'S NARRATIVE

On October 9, 2018, I was working at the Ventura County Aviation Unit as a Collateral Crew Chief Trainee.

At approximately 0850 hours, I was monitoring the radio traffic for Ventura County Sheriff's Office West County (Channel 1). I heard a 10-33 broadcast for a 3D12, who was in foot pursuit of a subject with a felony warrant. As I continued to monitor the radio traffic, 3D12 advised the subject was armed with a hammer and refusing to put the hammer down. 3D12 broadcasted, "Shots fired." Dispatch advised the location of the incident was Cortez Street and Stroube Street, in the unincorporated area of Oxnard, California, known as El Rio.

Based on the nature of the incident, Senior Deputy Rich and I elected to respond to the scene in Copter 3. Copter 3 is equipped with a FLIR camera with video capabilities.

Around 0855 hours, Pilot █████ Senior Deputy Rich and I responded to the area of Cortez and Stroube. We arrived on scene and began capturing video and photographs of the crime scene. After capturing overall footage of the crime scene, we remained in the area until cleared by the incident commander.

Once back at the Hangar, the video and photographs were copied to a compact disc. I later booked the compact disc as evidence into the West County Property Room.

Patrol Notification & Response

OFFICER'S NARRATIVE

On 10/09/2018, I was on training with the Inglis Police Dog Academy. At approximately 0845 hours, I was traveling eastbound on Vineyard Avenue west of Stroube Street in the area of El Rio. As I was traveling in a marked black and white Ventura County Sheriff's Vehicle, I heard a broadcast of a Headquarters Deputy Castaneda #4998(#3D12) requesting assistance because he had a felony warrant subject at gun point. Deputy Castaneda stated he was in the area of Stroube Street and Cortez Street.

Although I was not working as a patrol deputy, I responded to the area considering the circumstances. As I was responding, I noticed a patrol vehicle stopped at Stroube Street, just north of Cortez Street facing eastbound. I stopped and was informed by an unidentified woman and an unidentified man that the deputy had chased the subject southbound on Stroube Street towards Cortez Street.

I continued southbound on Stroube Street towards Cortez Street looking for Deputy Castaneda. I arrived at the intersection and simultaneously heard Deputy Castaneda broadcast, "shots fired." I did not hear a shot fired. I looked for Deputy Castaneda and noticed he was running westbound on Cortez Street behind a subject, later identified as (S) Corrina Reyes [REDACTED]. Reyes was running through the lawn of the northeast residence of Cortez Street and Stroube S [REDACTED]. I could not see if Reyes was holding any weapons and Deputy Castaneda was still chasing, I followed in my patrol vehicle in case Reyes was still in possession of a weapon I could use my vehicle as cover to protect Deputy Castaneda and myself from being harmed.

Deputy Castaneda was able to apprehend Reyes approximately three residences east of the intersection with Stroube Street. I responded with my first aide kit and provided first aide to Reyes. I noticed Reyes was bleeding from her left hand ring finger, which was at an angle. I placed a sterile swab underneath her hand and until fire and paramedics arrived on scene.

OFFICER'S NARRATIVE - [REDACTED]

I am currently assigned as a detective with the Sheriff's Major Crimes Bureau. I am certified, by the County of Ventura, as a level 2 Spanish translator.

On 10/09/18, at approximately 0912 hours, I arrived at the [REDACTED] of Cortez Street, in the unincorporated area of Ventura County known as El Rio, to assist with an Officer Involved Shooting investigation. Upon arrival, I was briefed by Sgt. Carlos Macias about the incident. During the briefing I discovered that Deputy Nikolai Castaneda was along the [REDACTED] of Stroube Street (just west of Cortez Street) when he attempted to contact the female suspect, identified as (A)-Corrina Jessica Reyes. When Castaneda went to contact Reyes, Reyes ran from Castaneda. Reyes ran around the residence located at [REDACTED] with Castaneda chasing her. Reyes came back to Stroube Street and ran eastbound (towards Cortez Street).

As Castaneda was chasing Reyes, Reyes went into the residence at [REDACTED]. Reyes then continued running northbound along the garage doors' of [REDACTED] where there was a confrontation between her and Castaneda. During the confrontation, Reyes brandished a hammer and threatened Castaneda with it. Castaneda shot Reyes on the hand with his firearm. Reyes then continued to flee northbound on Cortez Street with Castaneda chasing her. Castaneda caught and apprehended Reyes in the south parking lot of [REDACTED].

Detective Marco, Detective Skaggs, and I went [REDACTED] and contacted the residents, identified as (P)-[REDACTED] and (P)-[REDACTED]. During the contact with [REDACTED] and [REDACTED] they consented to a search of their residence. While examining the two garage doors, I noticed there was a hole on the south garage door and possible blood spatter on the south garage door. (The driveway that leads to the garage doors is accessed on Cortez Street.) I also noticed a white GMC Terrain (license plate [REDACTED] in the driveway, just east of the garage doors, which appeared to have blood spatter. (Refer to Marco's report for statements provided by [REDACTED] and [REDACTED].

At approximately 1032 hours, Detective Rodriguez and I went to [REDACTED] and contacted (P)-[REDACTED] in the driveway of her residence. (It should be noted that [REDACTED] is directly across (west) from [REDACTED]. [REDACTED] was talking to a deputy about her leaving in her vehicle. In

summary, [REDACTED] told us the following during the digitally recorded conversation: [REDACTED] said she was home today (10/09/18). I asked her if she saw or heard anything earlier in the day. [REDACTED] replied that she was asleep and woke up about "30" minutes ago. [REDACTED] denied seeing or hearing anything unusual. [REDACTED] said that her husband, [REDACTED] lives at the residence but he was not home. [REDACTED] said no one else lives at their residence. However, [REDACTED] said that her mother-in-law "called" her and told her that "a lady got shot" on Cortez Street.

While talking to [REDACTED] I noticed there were three video cameras that faced towards the street on her residence. [REDACTED] confirmed that she had a video surveillance system, but said she forgot the password for it and could not access it. [REDACTED] said that [REDACTED] did not know the password for the video surveillance system because she had "re-set" the password. I asked [REDACTED] if it would be possible to try to access her video surveillance. [REDACTED] said that she had to go to a doctor's appointment and would return in a couple of hours.

[REDACTED] agreed to show us her video surveillance system. [REDACTED] escorted Rodriguez and I to her bedroom where she showed us a black "SWANN SWDVR-43425H", digital video recorder (DVR) with a monitor. From viewing the system's monitor, I was able to see that the system had three functional video cameras (Camera 1, 2 and 4). [REDACTED] confirmed the video surveillance system only had three functional cameras. The three cameras pointed westbound, from the residence, towards Cortez Street. However, only one camera (Camera 4) pointed southbound towards where the incident occurred. While viewing the surveillance system, I noticed the system displayed the date and time, 10/09/2018 09:32:25 Tue at 10:36 hours. [REDACTED] agreed to allow us to re-view the video surveillance when she returned. Rodriguez and I left the residence.

I contacted the SWANN Company, via telephone, and spoke with [REDACTED] who identified himself as a current SWANN employee in their technical support center. [REDACTED] informed me that they would be able to assist with resetting the password for the system, but that I needed to access the system while I was on the telephone with him. I told [REDACTED] that I would need to call back at a later time when I accessed the system. While talking to [REDACTED] he provided me with two generic passwords for their SWANN DVR systems, but told me to call him back when I had access to the system.

At approximately 1220 hours, Skaggs and I contacted [REDACTED] at her residence. [REDACTED] Shortly after, Detective R. Arthur (from SCHATTF), arrived. [REDACTED] escorted us to her bedroom and allowed us to access the DVR. Arthur asked [REDACTED] if she remembered the passcode to the DVR, but [REDACTED] stated that she did not. Using one of the generic codes that [REDACTED] provided me, I imputed into the DVR system and it allowed us to access it. I advised [REDACTED] of the code and we reviewed the video surveillance. While reviewing the video surveillance, I noticed that at (according to the time stamp) 07:47:42 on 10/09/18 (which would have been at approximately 0851 hours), a subject running northbound on (the west side of) Cortez followed by another subject. Once the two subjects reach the south parking lot of [REDACTED] the subject (Castaneda) that chasing the first subject (Reyes), pushes the first subject to the floor and it appears if the first subject is apprehended. Right after that, a Ventura County Sheriff's K-9 patrol unit stops next to the two subjects. Due to the poor quality of the video and the distance from where the incident occurred to the video camera, I was not able to positively identify the subjects involved. After reviewing the video, Arthur downloaded the video surveillance and gave it to Sgt. Macias.

OFFICER'S NARRATIVE -

On 10/09/18, at approximately 1043 hours, Rodriguez and I went to [REDACTED] in an attempt to identify other potential witnesses to the incident. It should be noted that [REDACTED] it's the [REDACTED] [REDACTED] In addition, the north and east fence surrounding the property is covered with tall trees and shrubbery. I contacted (P)-[REDACTED] at the location. In summary, [REDACTED] told me (in Spanish) the following during the digitally recorded interview: This morning, [REDACTED] and her husband, (P)-[REDACTED] were at the residence inside the kitchen. [REDACTED] heard the sirens from the patrol vehicles and a fire truck near her residence and saw them driving around the area, but she did

not know which way they went. I asked [REDACTED] if she knew or heard why the patrol [REDACTED] did not know why they were in the area. [REDACTED] said she did not know the reason for the patrol vehicles and fire truck being in the area and asked what had occurred. I told [REDACTED] that we were investigating a shooting that occurred on Cortez Street south of the church. I asked [REDACTED] if she heard the shooting or saw anything related to it, but [REDACTED] did not see or hear anything. [REDACTED] went on to explain that most of her view towards Cortez Street and Collin Street was blocked (with shrubbery). [REDACTED] said her husband was not currently home, but would return in about 30 minutes.

At approximately 1342 hours, I returned to [REDACTED] and spoke with [REDACTED]. In summary, [REDACTED] told me the following (in Spanish) during the digitally recorded interview: I told [REDACTED] that I was investigating a shooting that occurred on Cortez Street south of his residence. [REDACTED] said he was told about the shooting, but he did not see or hear anything. [REDACTED] said that sometime between 0630 hours and 0700 hours, [REDACTED] and he were in the kitchen when he heard the sirens from patrol vehicles driving by his house. [REDACTED] looked through a window and noticed the patrol vehicles driving around the area. [REDACTED] said he knew the patrol vehicles stopped nearby because he could hear the patrol vehicles sirens. [REDACTED] did not know anything else about the shooting.

OFFICER'S NARRATIVE - [REDACTED]

While canvassing the area, a female subject who verbally identified herself as (P) [REDACTED] wanted to obtain information about the incident. [REDACTED] told me that the subject who was shot was a close friend of hers. [REDACTED] identified the subject who was shot as (A)-Corrina Reyes. [REDACTED] said that Reyes' mother was (P) [REDACTED] but that [REDACTED] had just got married and her new last name was [REDACTED]. [REDACTED] said [REDACTED] was out of the state in her "honeymoon." [REDACTED] said [REDACTED] lived on [REDACTED]. [REDACTED] also provided me with [REDACTED] telephone number, [REDACTED].

I contacted Sgt. Macias and informed him of [REDACTED] statements. Macias confirmed me that he had obtained the same telephone number, [REDACTED] for [REDACTED] who was Reyes' mother. Macias requested I conduct a telephone interview with [REDACTED] about Reyes.

At approximately 1138 hours, I called telephone number [REDACTED] and conducted a phone interview with a female subject who identified herself as [REDACTED]. In summary, [REDACTED] told me the following during the digitally recorded conversation: [REDACTED] said that she was in "TJ" and that she just found out that her daughter was shot. [REDACTED] said she was currently returning to her residence. [REDACTED] asked the status of her daughter, "Corrina Jessica Reyes." I told [REDACTED] that Reyes was in a stable condition and that she was in the hospital. I told [REDACTED] that Reyes was shot one time in the arm.

I told [REDACTED] that I was trying to find out information about Reyes. [REDACTED] said that Reyes had been recently incarcerated. [REDACTED] said that immediately after Reyes was released from jail in the beginning of August 2018, Reyes went to [REDACTED] residence to visit her and her (Reyes) children. [REDACTED] said her residence was [REDACTED]. [REDACTED] said Reyes had four children. However, [REDACTED] had custody of Reyes' four children.

[REDACTED] said she had not seen Reyes since Reyes visited. [REDACTED] said, "My daughter hangs out at the river bottom. My daughter, I know she uses drugs. I don't know what she's on, but uh, that's all I know." [REDACTED] said that after Reyes' release from custody, Reyes was supposed to return to her residence in order for [REDACTED] to take Reyes to a rehabilitation home. However, Reyes never returned.

I questioned [REDACTED] about Reyes. [REDACTED] said, "I don't know what she's doing out there. I don't know who's she with. I don't know who she hangs out with. I know nothing about her." While talking to [REDACTED] it sounded as she was crying. I told [REDACTED] that Reyes was going to be okay.

██████████ said that about a week ago, "Sheriff Deputies" had been at her property and ██████████ asked if they had seen Reyes. However, the deputies told her that Reyes was staying in the river bottom. ██████████ also said that "last month" (September) Reyes' probation officer called ██████████ and asked about Reyes' whereabouts, but ██████████ did not know where Reyes was located. I asked ██████████ if she knew if Reyes was living anywhere else in El Rio. ██████████ said that she did not know where Reyes was living, but the deputies told her that Reyes was living in the "river bottom." I asked ██████████ if Reyes had any other friend she associated with or spent the night at in the El Rio area. ██████████ replied, "Corrina doesn't have friends. I'm telling you, she's a loner." ██████████ also said Reyes did not have a boyfriend.

I asked ██████████ if she knew who Reyes associated with in the river bottom, but ██████████ said that she did not know. ██████████ also said, "I know nothing about my daughter, nothing." I questioned ██████████ about Reyes' drug usage. ██████████ believed Reyes used "Meth", but ██████████ had never witness Reyes use it. However, ██████████ said she believed Reyes used Meth due to the manner Reyes acted. ██████████ said that Reyes was not under the care of a doctor, psychologist or psychiatrist. ██████████ said Reyes was trying to get into the "SMART" program when Reyes was incarcerated, but Reyes was refused because "they said she wasn't crazy enough." ██████████ said that over 7 years ago, Reyes was diagnosed as being "Manic Depressant." I asked ██████████ if Reyes took medication for it. ██████████ replied, "Back then she was." However, ██████████ did not know what kind of medication it was.

I questioned ██████████ about Reyes' demeanor. ██████████ said that Reyes kept to herself. I asked ██████████ how Reyes interacted with people when she (Reyes) used methamphetamine. ██████████ replied, "She's never done nothing to nobody there at the house. She's never...never tried anything. Never hit anybody." ██████████ denied seen or heard of Reyes ever being aggressive towards other people. ██████████ then said, "To me, like she gets scared. Timid. Like you know, like she gets timid." ██████████ also denied seeing Reyes with weapons.

I asked ██████████ if Reyes ever make comments that she (Reyes) was never going back to jail. However, ██████████ said she had never heard Reyes say anything like that. ██████████ also denied ever hearing Reyes make threats towards law enforcement.

██████████ asked why I was asking her the questions about Reyes' mental health. I told ██████████ that I was trying to ascertain Reyes' mental health status and what led her to be involved in the incident. ██████████ then said, "I do know that Corrina was scarred of the cops. That I do know." ██████████ said that Reyes told her that the cops "Are after her (Reyes)". I asked ██████████ if she knew what Reyes meant by that. ██████████ replied, "No. She just kept telling me that she knew the cops were out to get her. That's what she would tell me." I asked ██████████ why Reyes said that. ██████████ replied, "As to why, she would not tell me. The last time, the last time that they went to my house, she was there. They went to my house and they got her. She ran and hid under the bed. And she kept telling me, 'Mom, mom, please don't let them take me. They're going to hurt me, they're going to hurt me. Mom, mom, please.'"

I asked ██████████ how the incident unfolded when the cops arrested Reyes. ██████████ replied, "She finally let go of the bed rail and they took her in." I asked ██████████ when the incident occurred. ██████████ replied this incident occurred sometime in April or May of 2018. ██████████ said that during this incident, Reyes had a warrant for her arrest for failing to appear.

██████████ then asked if we were at her residence. I told ██████████ that I was not aware of deputies being at her house. ██████████ said she received information that deputies were at her residence. I told ██████████ that we had information that Reyes was living in a trailer in ██████████. ██████████ said that there were five trailers in her property, but that Reyes never lived in one of the trailers. ██████████ said the five trailers were occupied by different people, but that Reyes did not live in the property. Again, ██████████ said that Reyes did not live in her property. ██████████ said that Reyes used to live in a car that was parked at her property, but that ██████████ had the car towed to avoid Reyes

living in her property. [REDACTED] went on to say that she did not want Reyes living in her property because [REDACTED] did not want to lose custody of her grandchildren. I provided the report number and my telephone number to [REDACTED]

At a later time, the I downloaded the recordings onto a DVD and booked it into evidence. I also booked the Consensual Search Form signed by [REDACTED]

OFFICER'S NARRATIVE

On 10/09/2018, I was assigned to the Ventura County Sheriff's Major Crimes Bureau Sexual Assault Unit. At approximately 0855 hours, I was informed of an officer involved shooting in the unincorporated area of the City of Oxnard known as El Rio. I was made aware that the shooting occurred in the area of East Stroube Street and Cortez Street.

I responded to the scene and was tasked out to conduct a neighborhood canvass in an attempt to locate any witnesses to the incident. The following is a summary of my audio recorded conversations:

Detective C. Dyer (#3401) and I began walking west along the north side of East Stroube Street. We knocked on the door of [REDACTED] East Stroube Street and were greeted by (W) [REDACTED]. [REDACTED] said she walked home from a neighbor's residence at approximately 0800 hours. [REDACTED] stated that [REDACTED] was inside of her residence, folding laundry in the living room, when the incident occurred. Her front door was ajar with her screen door closed. [REDACTED] said she did not hear or see anything prior to hearing the sirens and seeing the police cars outside of her residence.

We walked west along East Stroube Street which is located down a long driveway. We were greeted by (W) [REDACTED]. [REDACTED] told us she and her son were home during the incident. She was inside of [REDACTED] residence. [REDACTED] dog, began barking at their front living room window. [REDACTED] looked out the window to [REDACTED] and [REDACTED] was barking at and she saw a police patrol vehicle already parked on the east of her driveway. The patrol vehicle was still parked in place as it had not been moved.

[REDACTED] said law enforcement officers frequent her neighbor's residence (East Stroube Street) so she did not know much about it. [REDACTED] said she noticed her neighbor [REDACTED] standing at the southwest corner of his own residence, [REDACTED] East Stroube Street, looking east. [REDACTED] heard additional police sirens nearing the area followed by a single gunshot and then more sirens. [REDACTED] said her 12-year old son was in his room at the time and asked him if he heard the gunshot. He told her no. After a few minutes, [REDACTED] walked out to the street to get her mail. During this time, a dark "Honda" pulled up from the end of East Stroube Street and parked on the west side of her driveway. [REDACTED] saw an unknown person in her 20's run from [REDACTED] Stroube Street, get into the passenger side of the vehicle when it drove away. [REDACTED] said she did not see anybody else in the area and did not see the deputy.

I asked to speak to her son. The son came to the door and he was identified as (W) [REDACTED]. [REDACTED] told us he was watching television in his bedroom and he did not hear or see anything. [REDACTED] asked him if he heard the gunshot but he said he did not. He then heard the helicopter overhead.

There was another residence located down the long driveway to the west with [REDACTED] elderly male standing outside. We approached [REDACTED] male subject and he identified himself as (W) [REDACTED]. [REDACTED] lived alone and the address was identified as [REDACTED] East Stroube Street. [REDACTED] stated he was in his room reading the newspaper and did not hear or see anything. [REDACTED] was made aware that something had happened when he heard the helicopter flying overhead.

We walked to the front residence and identified the address as [REDACTED] East Stroube Street. We made contact with (W) [REDACTED] and she informed us that she had just woke [REDACTED] less than an hour prior. [REDACTED] when she woke [REDACTED] the patrol vehicle was already parked out front. She did not hear or [REDACTED] if anybo [REDACTED] ence and she said her mother and father were home. [REDACTED] informed me her mother, [REDACTED] was still sleeping when [REDACTED] oke up. [REDACTED] said [REDACTED] seemed surprised when [REDACTED] g had occurred in the neighborhood. [REDACTED] e f [REDACTED] hort amo time [REDACTED] take her medication but had gone back to sleep because she suffers from Alzheimer's. [REDACTED] was unaware that anything had occurred so I did not bother waking her up.

[REDACTED] told me her father was home but had a hard time hearing. I asked to speak to her father who came to [REDACTED]. He identified himself as (W) [REDACTED]. [REDACTED] stated he was in his back yard and saw the "Sheriff" running after "the boy." [REDACTED] as well as other wi [REDACTED] believed (S) Corrina Reyes appeared to be subject. [REDACTED] stated he [REDACTED] nding in his backyard when he saw the incident take place. We asked [REDACTED] to walk to [REDACTED] kyard to point out what he saw.

[REDACTED] was standing in his back yard along the east wall of his property getting ready to cut the grass. The block [REDACTED] s approximately four feet tall allowing hi [REDACTED] ee over the wall, acr [REDACTED] long driveway of [REDACTED] East Stroube Street and into the back and side yard of [REDACTED] East Stroube Street. [REDACTED] said he looked ov [REDACTED] s fence a [REDACTED] w Reyes running away with the deputy ru [REDACTED] after her. [REDACTED] sai [REDACTED] st noticed them in the back yard of [REDACTED] East Stroube Street near the pepper tree in front of the Q [REDACTED] Hut located in the back yard. The deputy w [REDACTED] proximately 15-20 feet away from Reyes when he was chasing her and began closing the distance between them as they ran towards the front yard of [REDACTED] East Stroube Street. [REDACTED] said the deputy had his gun drawn out when they reached the roadway.

[REDACTED] said they were running at a fast pace, but as soon as Reyes dropped one of her backpacks onto the street [REDACTED] ront of [REDACTED] East Stroube Stree [REDACTED] icked up speed and ran quickly eastbound on Stroube Street gaining distance betw [REDACTED] er and the deputy. [REDACTED] said the deputy got about 5 feet away from Reyes before she dropped the bac [REDACTED] nd gaining distance a [REDACTED] the deputy. Once they ran east, he lost sight of Reyes and the deputy. [REDACTED] said a [REDACTED] few minutes," then estimated approximately 20-30 minutes, he heard a single shot in the dist [REDACTED] sked [REDACTED] to explain "the boy" to me and he described (Reyes) as being Hispanic, filthy, wearing a "darkish black gre [REDACTED] fit. [REDACTED] confirmed he did not hear anything being said by the deputy or Reyes. [REDACTED] also confirmed he did no [REDACTED] e shooting.

At approximately 1200 hours, Detective Preciado (#2899) and I were informed that Reyes' family was at the perimeter and wanted to speak to detectives. We walked to the intersection of Cortez Street and East Collins Street. I observed approximately 5 family members speaking with Detective Sergeant Jenkins (#3933). Detective Jenkins asked Detective Preciado and I to speak to the family members.

I first spoke [REDACTED]) [REDACTED] who was identified as Reyes' brother. [REDACTED] said he lived in the rear residence of [REDACTED] East Collins Street. The front residence belonged to his [REDACTED] so the mother of Reyes. I asked [REDACTED] roperty and he said, he and his girlfriend, (W) [REDACTED] live in the back residence [REDACTED] with another one of his sister's and her boyfrie [REDACTED] his m [REDACTED] has custody of [REDACTED] e children, [REDACTED] r has custody of Reyes' (Corrina [REDACTED])

[REDACTED] told me his mothe [REDACTED] away.

I asked [REDACTED] o tell me about his sister (Corrina). [REDACTED] said he last saw his sister approximately one month ago (u [REDACTED] ate) when she went to their mother [REDACTED] for some food. Corrina was at the residence for [REDACTED]

approximately 15 minutes. [REDACTED] told me he spoke to Corrina briefly. He gave her a business card for the company he worked for because they were looking for someone to take a soldering job. [REDACTED] said she looked "bad" and knew she was using drugs again. He told her to stop using drugs, get off the street and that she needed to clean herself up. [REDACTED] was unsure what drugs she uses. He then left the area and had not seen her since. [REDACTED] said prior to the act, he had not seen or talked to Corrina for approximately seven to eight months.

[REDACTED] told me Corrina had always been battling with her substance abuse ever since he could remember. [REDACTED] sobered up for a short while but then relapsed. I asked [REDACTED] how he heard Corrina was involved in the incident on this day and he said his girlfriend had called him telling him Corrina was at their mom's residence yelling. [REDACTED] told him Corrina had left their residence, then heard the police in the area, she walked down the street and Corrina was involved. [REDACTED] came home from work immediately.

I then spoke to [REDACTED]. [REDACTED] said she had been dating [REDACTED] approximately three to four years. She explained Reyes was in and out of jail all the time. [REDACTED] said Reyes had gone to Texas to participate in a sober living program which she stayed in for approximately a year. Reyes' grandfather past away approximately one year ago, Reyes returned from Texas and relapsed. [REDACTED] said she did not know much more about her.

I asked her to explain to me what had occurred in the morning hours with Reyes. [REDACTED] explained to me that she lived in the back residence with her boyfriend part time. She said on this particular morning at approximately 0630 hours, she had driven the older kids [REDACTED] to [REDACTED]. When she returned, she heard yelling coming from [REDACTED] went on for approximately five minutes. By the sound of the voice, she was able to identify that it was Reyes yelling (Corrina). [REDACTED] walked towards the front residence to see what was going on. [REDACTED] yelling had stopped and she did not see Reyes. She walked through the front residence and noticed [REDACTED] had already left [REDACTED] and the younger kids had gone to school as they walk to the elementary school down the road. [REDACTED] pointed in the direction of [REDACTED].

At approximately 0845 hours, she walked outside to feed the dogs and heard all the sirens. She walked out to the street and saw the neighbors standing outside near the Cortez Street intersection. She walked down the road and began hearing the neighbors say that Reyes had been shot. She called her boyfriend and mother in law to let him know what had occurred. They drove to the Ventura County Medical Center because they were told she was transported there. After arriving at VCMC, they were told she was transported to Thousand Oaks. She was unable to provide further details.

I later burned my audio recordings onto a CD-R and booked it as evidence.

OFFICER'S NARRATIVE

On 10/09/2018, I was enroute to attend my weekly K9 training in Oxnard with my K9 partner "Fritz". At approximately 0850 hours, I responded code three (emergency lights and sirens) to the area of Stroube Street and Cortez Street in El Rio regarding an officer involved shooting that had just occurred.

Upon my arrival, I saw Deputy Bautista, Deputy Casteneda #4998 and Deputy Rodriguez #5073 with a subject, later identified as A / Corrina Reyes, on the ground. I saw Deputy Ba [REDACTED] hand. Reyes was lying on the ground in the driveway of [REDACTED] I saw a hammer lying on the ground approximately 2 feet in front of my patrol unit's bumper. The [REDACTED] ty Fire Department arrived shortly after and began providing additional medical care.

Shortly after I arrived, additional deputies and Oxnard Police Officers arrived to assist. Oxnard Police Officers began to block off the intersections of Stroube Street at Cortez Street and Cortez Street at Collins Street.

In order to make sure no one else was injured by the shooting, I asked Deputy Casteneda where the shooting took place. Deputy Casteneda pointed to the house a [REDACTED] Stroube Street with a white Ford Excursion parked in the dri [REDACTED] y and told me that was where it happened. Senior Deputy Gonzalez #3852 arrived and we walked over to the [REDACTED] Stroube Street address to make sure everyone inside the house was ok.

The driveway for [REDACTED] Stroube Street faced east towards Cortez Street and the front door faced south towards Stroube Street.

We contacted [REDACTED] inside the house. Both [REDACTED] appeared upset but not injured. Senior Deputy Gonzalez inte [REDACTED] about what happene [REDACTED] ior Deputy Gonzalez's report for details.

Once additional detectives arrived, Deputy Scott and I canvassed several houses for any potential witnesses. The following houses were contacted:

OFFICER'S NARRATIVE

On 10-09-2018, I was assigned to the Sheriff's Gang Unit At approximately 0850 hours, I responded to the utility corridor area of Ox Road known as El Rio for "Shot Fire" call. The incident consisted of foot pursuit of wanted felon/terriste Corrin Reye. Reye was shot in the hand and taken to county.

Once I arrived on scene, I was notified about possible property witness to the incident. I responded to Stroube Street. I arrived to the front of Stroube, I noticed a young boy in front of the west driveway of the residence. I noticed clothing other boy about 20 years old laying on the ground. While at the front of Stroube Street, I contacted two witnesses to observe the incident.

OFFICER'S NARRATIVE - INT OF [REDACTED]

18-158434

Interview of [REDACTED]

On 10-09-18, I was working as a detective sergeant for the Sheriff's Major Crime Bureau. At about 0924 hours, I responded to the report of Stroube Street Cortez Street in the unincorporated area known as El Rio to investigate the investigation of officer-involved shooting.

When I arrive, I spoke with Det Sgt Carlos M. Herrera that the subject, Corri Reyes, has been hospitalized in the hospital in custody with the hospital patrol duty. I saw Reyes hospitalized in custody in the parking lot of church located at [REDACTED] Cortez Street. Sgt M. told me possible witness has been identified by patrol officers that reside directly across the street from where Reyes was hospitalized.

OFFICER'S NARRATIVE - RESPONSE

On 10-09-18, I was assigned to work in Fillmore as an investigator with Detective Thomas Miller #4538. At approximately 0920 hours, we responded to the area of Stroube Street and Cortez Street in Oxnard to assist with an officer involved shooting. Upon arrival, Sergeant Steve Jenkins directed us to canvass the area for possible witnesses.

OFFICER'S NARRATIVE - TROUBE STREET OXNARD CA.

Detective Miller and I walked to Stroube Street. We saw a sheriff's marked patrol unit parked westbound, at an angle, in front of the residence. We saw a grey colored bag lying on the gravel shoulder of the road in front of the residence. Detective John Lopez was standing in the area and told us he believed the patrol unit was the involved deputy's unit and Detective Lopez had obtained a statement from one of the residents at the home, named [redacted] indicating that the involved deputy stopped at the location and initiated a foot pursuit of a female subject in the area of the home. Detectives with the Sheriff's Gang [redacted] residents at the home and asked them to step outside so they could be interviewed. I contacted [redacted] who was holding a small male child, on the front porch of the residence.

I interviewed [redacted] who in summary, told me the following: [redacted] did not live at the residence [redacted] there with his family. [redacted] and his girlfriend [redacted] had spent the night at his family's home with their small son. [redacted] said he and [redacted] were staying with [redacted] aunt at an unknown address at some apartment complex in Oxnard, California. [redacted] said he moved [redacted] family's home on Stroube Street about a month previously.

[redacted] was hanging out in the backyard with his brother, [redacted] that morning [redacted] residence into the backyard. [redacted] he knew by the name of Corrina run [redacted] residence into the [redacted] backyard. [redacted] knew Corrina from grade school in the neighborhood. [redacted] believed Corrina was around [redacted] years old. [redacted] s, "Kind of homeless." [redacted] knew his mom, [redacted] e residence, was friend's [redacted] h Corrina's mother, [redacted] believed Corrina (daughter of [redacted])

██████████ may have suffered from some sort of mental problems and has always been, "Kind of wierded-out." ██████████ saw Corrina in the backyard, she looked, "Lost in her head, you know, like....over exaggerating type o ██████████ u know."

Corrina had been riding a bicycle she had left lying in the front driveway of the home. ██████████ walked over and showed me the bicycle lying on the eastside of the short driveway that was on the ██████████ of the residence. I saw the bike was lying on it's side, just east of a vehicle pa ██████████ is driveway. ██████████ saw Corrina discard the bike at the location before she ran into the backyard. ██████████ also saw Co ██████████ carrying a bag she later discarded in the front of home. ██████████ pointed to a grey ██████████ andles lying out in front of the residence as the one he saw Corrina carryi ██████████ e saw her run into the backyard.

██████████ saw Corrina run into the backyard, "All crazy," and she knocked on the backdoor of the residence. ██████████ yelled at Corrina, "Whose that?," and Corrina replied, "It's me." Corrina was saying, "They're trying r my ass. Can I jump your back fence?" ██████████ told Corrina, "Naw Corrina. You gotta get outa here...You gotta ██████████ re. What's wrong wit ██████████ went inside the house an ██████████ r his mother and said, "Mom, ██████████ daughter is back here (in the ██████████) going all crazy." When ██████████ first saw Corrina, he did not realize she was being chased by a deputy.

While ██████████ e house speaking to his mother, he saw a deputy out in front of his house through the front ██████████ ██████████ believed when he saw the deputy, he had his gun out and was holding the gun in his right hand. Th ██████████ chased Corrina into the backyard and Corrina was telling the deputy to get away from ██████████ saw the deputy confronted Corrina in the backyar ██████████ deputy was trying to talk to Corrina. ██████████ not hear what the deputy was saying to Corrina. ██████████ then updated his mom that the police sing Corrina.

Corrina eventually ran back to the front of the residence and eastbound on Stroube Street and out of ██████████ view. Corrina discarded the bag she was carrying in fron ██████████ me, as she ran eastbound in front home with the ██████████ asing behind her. Seconds later, ██████████ heard what he belie ██████████ e sound of a single gunshot. ██████████ said the gunshot did not sound l ██████████ as, "Kind of quiet." ██████████ believed the gunshot eman ██████████ east of his residence. Minutes later, ██████████ heard sirens in th ██████████ saw a deputy drive eastbound on Stroube Street in front of his family's ho ██████████ was unable to provide any further information and I concluded my interview with him.

The interview was uploaded to the Sheriff's secured server.

OFFICER'S NARRATIVE ██████████ STROUBE STREET OX. CA

Detective Miller and I walked to ██████████ Stroube Street, which was on the south side of the street and was about 100 yards west of ██████████ Stroube Street ██████████ saw there was a camera mounted on the side of a tree on the property that faced northw ██████████ towards Stroube Street. We contacted ██████████ at the front of the residence who told us he lived at the home.

We interviewed ██████████ who in summary, told me the following: ██████████ morning, ██████████ was inside his home when he heard sirens. ██████████ had no idea on what was occurring outside. ██████████ later c ██████████ ut of his residence and saw there were several ██████████ ency vehicle parked west of his home on Stroube Street. ██████████ was not sure what occurred or

who may have been involved. [REDACTED] confirmed that the forwarding camera mounted in the tree captured a northwesterly view of the street in front of his residence. [REDACTED] said the camera was functional and recorded to a DVR, which he believed saved for a 30-day period. [REDACTED] provided no further information and we concluded our interview with him.

Due to the distance from [REDACTED] Stroube Street and the angle of the camera, we did not believe any surveillance video from the camera at [REDACTED] address would yield anything of value to the investigation. I uploaded the digital recording to the Sheriff's secured server.

OFFICER'S NARRATIVE [REDACTED] STROUBE STREET OX. CA.

[REDACTED]

Detective Miller and I walked to [REDACTED] Stroube Street, which is on the north side of the street and is roughly 120 yards west of [REDACTED] Stroube Street [REDACTED] eached the residence, a [REDACTED] came out of the home and greeted us in the front yard.

Officer Involve Shooting - Deputy Nikolai Castane

Witness [REDACTED] Shown Picture of Hammer Found to Corri Reyes

On October 9, 2018, I was working as a major crime detective for the Ventura County Sheriff's Office. At approximately 0850 hours, I was notified by Detective Sergeant Chip of officer involve shooting that just occurred in the vicinity of the residence of Oxler, California commonly referred to as El Rio. Detective Chip stated the shooting occurred in the intersection of Cortez Street and Stroube Street. Preliminary information indicates the deputy sheriff had discharged his firearm on the subject who was shot.

I arrived at the scene of the shooting at approximately 0913 hours, where I was briefed on the circumstances surrounding the incident. Based on the briefing, I learned Deputy Nikolai Castane was controlling the El Rio residence where he contacted Corri Reyes in the intersection of Cortez Street and Stroube Street. Deputy Castane contacted Reyes regarding her involvement in the how she was oriented in the direction of Stroube Street, north of Cortez Street. Sometime later, Deputy Castane notified the Ventura County Communications Center (dispatch) that Reyes had a hammer was ringing to report during Deputy Castane's radio transmission he appeared to be out of breath as if he was currently involved in a foot pursuit of Reyes. Shortly thereafter, Castane advised he had discharged his firearm.

Based on witness statements, it was learned Deputy Castane was involved in a foot pursuit of Reyes prior to the shooting. During the foot pursuit, Reyes ran southeast on Stroube Street until she reached the residence located at [REDACTED] Stroube, where she cut across the lawn area and attempted to hide in an open court yard area of the residence. Deputy Castane confronted Reyes in the court yard area and a short time later, Deputy Castane discharged his firearm striking Reyes in her left hand. Evidence left at the scene indicated the confrontation occurred in or near the driveway of [REDACTED] Stroube Street. (Refer to crime scene report for a detailed description of the scene.)

STATEMENT OF PROBABLE CAUSE

I. Affiant Training and Experience

I, Detective Dillan Alvarez #3616, am your affiant. I am a peace officer currently employed by the Ventura County Sheriff's Office, and have been so employed for 19 years. I am currently assigned to the Major Crimes Unit, and have been in this assignment since January of 2017. My past investigative assignments include The Thousand Oaks Special Enforcement/Gang Unit, where I was assigned as a supervisor for a period of two years. In this assignment, I oversaw and guided other detectives, as well as conducted investigations in a wide variety of investigations from violent crimes against persons, robberies and gang related crimes. Prior to being assigned to Thousand Oaks SEU as a supervisor, I was also assigned to this unit as a detective for a period of two years. I was also assigned to the Special Crimes Unit /Criminal Intelligence as a detective for approximately one year. While in these assignments, I have investigated and assisted in a wide range of investigations, including but not limited to vandalisms, burglaries, assaults, assault with deadly weapons, witness /victim intimidation, narcotics use, narcotics sales, robbery and homicide. I have arrested gang members as well as criminals associated with illegal narcotics, burglaries, robberies, assault with a deadly weapon and attempt homicide. I have conducted probations searches, authored and served many search warrants, and have spoken with many criminals during the course of my investigations.

II. Investigation

On 10-8-18, I was assigned to the Ventura County Sheriff's Office Major Crimes Bureau. At approximately 0900 hours, detectives with the Major Crimes Bureau responded to the area of E. Stroube Street at Cortez Street to investigate an officer involved shooting that had just occurred at this location, involving suspect Corrina Reyes. Ventura County Sheriff's Office Detective Mulrooney and I were assigned to this investigation to gather information sufficient for a search warrant for all associated locations.

Detective Mulrooney spoke with Ventura County Sheriff's Office Detective Lopez via telephone who provided the circumstances leading to this incident and relayed the following information: On 10-9-18, at about 0846 hours, Ventura County Sheriff's Office Deputy Castaneda was in the area of [REDACTED] E. Stroube St. in the unincorporated area known as El Rio. He attempted to contact a female, later identified as suspect Corrina Reyes [REDACTED] Deputy Castaneda advised Reyes she had a warrant. Reyes ran away from Deputy Castaneda onto the property located at [REDACTED] East Stroube Street.

Witness [REDACTED] lives at [REDACTED] E. Stroube Street and witnessed part of the incident. [REDACTED] told Deputy Lopez that he saw the following. [REDACTED] was standing in his back yard. He saw a female, known to him as Reyes, run through the east gate onto his property. [REDACTED] made contact with Reyes and asked her why she was on the property. Reyes told [REDACTED] that the cops were trying to kill her. He told her he did not want any problems and to leave.

Reyes ran past [REDACTED] towards the back of the property to another gate which she could not open. She then ran south along the property to leave. At this point, he saw Deputy Castaneda enter through the east gate and said to Reyes that she had a warrant for her arrest and to stop running. Reyes told Deputy Castaneda, "No, you're trying to kill me." Reyes then ran along the west side of the property towards the front of the residence toward Stroube Street. She then ran out of the west gate onto Stroube Street. [REDACTED] saw Deputy Castaneda contact Reyes near his police car which was in front of [REDACTED] Stroube Street by the west driveway. At that point, Deputy Castaneda again repeated that she had a warrant and told her to come with him. Reyes said no and started backpedaling away from him. Deputy Castaneda continued to try to verbally tell her to cooperate and not run. Deputy Castaneda told her to deal with her warrant. Reyes turned and ran away eastbound on Stroube Street, then north on Cortez Street, out of [REDACTED] view. Deputy Castaneda chased after Reyes.

Detective Mulrooney spoke with Ventura County Sheriff's Office Detective Joe Preciado via telephone who relayed the following information: Detective Joe Preciado spoke to witness [REDACTED] who resides at [REDACTED] Cortez Street, which is located on the south east corner of Stroube Street and Cortez Street.

████ provided the following information: █████ said she saw a deputy (Identified through this investigation as Ventura County Sheriff's Office Deputy Castaneda) driving south on Cortez Street, in a marked Ventura County Sheriff's black and white vehicle, at a slow rate of speed. Deputy Castaneda turned west on Stroube Street. At the same time, Reyes was walking, pushing a bicycle with her left hand, while carrying items in her right hand. Deputy Castaneda slowed and drove next to Reyes as she was in front of █████ E. Stroube Street. She continued walking until she was in front of the mailbox at █████ E. Stroube Street. At that point, Reyes turned and looked at the police car. It appeared to █████ that Reyes was talking to Deputy Castaneda. After a short time, Reyes ran away from Deputy Castaneda onto the property at █████ E. Stroube Street through the east gate. She saw Deputy Castaneda get out of the police vehicle, walk toward the back of his vehicle, and use his cell phone. Shortly after that he entered the property. After a couple of minutes, Reyes ran off the property through the west gate. Reyes continued east on Stroube Street and dropped items she was carrying. Reyes ran past █████ Stroube Street and onto the property of █████ E. Stroube Street. Deputy Castaneda continued to chase her. Reyes ran onto the east side of the property of █████ E. Stroube Street. Reyes then ran behind the cement lattice wall on the property out of sight. Deputy Castaneda chased Reyes onto the property and also ran behind the cement lattice wall out of sight.

A short time later, █████ saw Deputy Castaneda back up from behind the wall onto the driveway. Deputy Castaneda had his handgun drawn and pointed at Reyes. █████ saw that Deputy Castaneda was telling Reyes to put her hands up in the air. Reyes was saying no repeatedly. █████ said Reyes was not fully cooperating with Deputy Castaneda. Reyes had her hand out in front of her just above waist level. █████ could not see if Reyes had something in her hands at that point. The suspect then started to turn to run north on Cortez Street. At the same time Deputy Castaneda fired one round from his handgun. She could not tell which direction the round went. Both Reyes and Deputy Castaneda ran north on Cortez Street. █████ ran downstairs and outside. By the time she got outside, Deputy Castaneda had Reyes on the ground and was handcuffing her.

Reyes was ultimately arrested on charges of 245(c)PC, assault with a deadly weapon on a peace officer, and 69PC, resisting an executive officer by using force or violence. Reyes was transported to the Los Robles Hospital with a possible bullet wound suffered to her left hand.

I spoke with Ventura County Sheriff's Office Detective Skaggs who inspected the scene located at [REDACTED] E. Stroube Street. Detective Skaggs saw blood on the hood and right front quarter panel of a white 2012 GMC Terrain, bearing Ca. license [REDACTED] parked in the driveway of the residence at this location. Detective Skaggs located a bullet casing underneath a trailer parked next to the GMC Terrain. Detective Skaggs also located what appeared to be a bullet hole on the garage door of the residence at this location. Detective Skaggs believed the round (bullet) penetrated the garage door and continued into the garage.

I spoke with Ventura County Sheriff's Office Detective Rodriguez, who assisted Detective Lopez with interviewing [REDACTED] (statement above) who resides at [REDACTED] E. Stroube Street. While on the property, Detective Rodriguez observed what appeared to be two surveillance cameras attached to a kwanzaa hut outhouse, located to the rear of the main residence at this location. The kwanzaa hut was not marked with a specific number or address indicating it is separate from the main residence on this property. Based on [REDACTED] statement, it is likely these cameras may have captured actions by Reyes and Deputy Castaneda prior to the shooting.

Detective Lopez was able to identify [REDACTED] as the resident of the kwanzaa hut, and owner of the surveillance equipment. Detective Lopez spoke with [REDACTED] via telephone. [REDACTED] initially refused to allow detectives access to his surveillance system, but later changed his mind and responded to the location to provide Detective Lopez with keys to his residence, in order to retrieve the surveillance equipment.

I spoke with Detective Rodriguez, who advised Ventura County Sheriff's Office Detective Sergeant Macias reviewed the body camera footage from the camera worn by Deputy Castaneda during this incident. In this footage, Reyes is seen holding a hammer in a right hand while refusing to comply with directives or orders from Deputy Castaneda.

III. Opinions and Conclusions

Based on the facts and opinions set forth below, I have probable cause to believe that the felony crimes of; Penal Code section 245(c), assault with a deadly weapon on a peace officer; and Penal Code section 69 PC, resisting an executive officer by use of force or violence; have occurred and that evidence thereof is located at the locations identified in the accompanying search warrant, based on the following facts:

Based on statements by witnesses [REDACTED] and [REDACTED] Reyes entered on to the property of [REDACTED] E. Stroube Street and [REDACTED] E. Stroube Street while attempting to flee from Deputy Castaneda. I believe a search of these properties surrounding the residences at these locations will reveal evidence related to this incident, such as blood evidence, ballistic evidence, items dropped by Reyes while on the property, including weapons such as a hammer, or clothing left behind at the scene as Reyes fled.

I believe by obtaining a DNA and blood sample from Reyes, detectives will obtain evidence to support the fact Reyes was in possession of a hammer during this incident, which I believe will be located during a search of the above locations. I believe a DNA sample obtained from the hammer, when compared to a DNA sample collected from Reyes, will show Reyes was indeed in possession of the hammer.

I believe accessing the kwanzaa hut located on the preoperty of [REDACTED] E. Stroube Street, will result in the finding of surveillance video showing the actions of Reyes and Deputy Castaneda during this incident.

REQUEST FOR SEALING ORDER

I respectfully request that this warrant be sealed pending further order of the Court. Without sealing, the affidavit and supporting documentation and warrant become a matter of public record within 10 days pursuant to Penal Code section 1523(a). Sealing is justified even against discovery by the defendant based on the governmental privilege that allows for the protection of the identity of the citizen and confidential informants pursuant to Evidence Code section 1041 [Swanson v. Superior Court, (1989) 211 Cal.App.3d 332]. I request the search warrant be sealed to protect the integrity of this investigation for the following reasons: (1) Release of the contents of this affidavit, warrant, and/or returns in this matter could reveal investigative techniques, sensitive witness and suspect statements and disclosures, investigative findings and evidence that would jeopardize the ongoing investigation and possible issuance of additional search warrants. (2) Disclosing the contents of this Affidavit to the public, press and the suspect(s) attorney(s) could result in witnesses and the suspects being tipped off concerning the investigation because it is still ongoing. Such information could result in the destruction of important evidence, such as crucial witness and other potential suspect(s) statements. It is therefore necessary for law enforcement to withhold the information contained within this Affidavit from the public. Furthermore, this particular case may end up involving confidential reliable informants, citizen informants and members of the general public or “tipsters.” The disclosure of their cooperation with law enforcement investigators will no doubt put their lives and the lives of their family members and associates in jeopardy, which could potentially result in the loss of human life. As a result, I am requesting this entire search warrant and affidavit be sealed pursuant to Rule 2.550 of the California Rules of Court.

Wherefore it is respectfully requested that a search warrant for the above be granted. I swear under penalty of perjury that the foregoing is true and correct to the best of my information and belief.

OFFICER'S NARRATIVE

On 03/21/18, I was working uniformed patrol in a marked black and white sheriff's patrol vehicle assigned to the Headquarters Station. I was assigned to [REDACTED] incorporated Oxnard beat areas. At about 1231 hours, Deputy Holmes and I were dispatched to [REDACTED] reference a suspicious subject call. While en route to the location, dispatch advised the distur [REDACTED] ified as (A) Corrina Reyes. Additionally, dispatched informed us Reyes was wanted for a local misdemeanor warrant. I have had prior contacts with Reyes and know from recent records checks that Reyes is a wanted subject.

Upon arrival, we were greeted at the back gate to the residence by Reyes 'mother. We were told Reyes was inside and did not know law enforcement was present. Deputy Holmes and I were then let into the home through the back kitchen door.

Once inside, I announced our presence. Reyes who was standing inside the kitchen, quickly turned away from us and ran towards the back bedroom. I yelled out for Reyes to stop running, which she ignored. Reyes ran into a bedroom and attempted to slide underneath a bed. I was able to grab ahold of Reyes' foot preventing her from sliding her whole body underneath. At this point, Deputy Holmes and I decided to lift the mattress and box screen off the frame.

Once the frame and box screen were removed, we could now see Reyes had her arms and legs wrapped around the metal bed frame. Deputy Holmes radioed for additional units to respond to assist. After a few minutes, Sergeant Guilin and Senior Deputy Burgess arrived on scene to assist.

I briefed Sergeant Guilin on the situation, while Deputy Holmes attempted to talk with Reyes into letting go of the bed frame. Reyes still refused to let go even after being told she was under arrest for the warrant. Reyes was now screaming and making incoherent statements.

After about 5 minutes of pleading with Reyes to give up and let us take her into custody, Reyes still refused to comply. I grabbed a hold of Reyes' right arm and removed it from the frame, while Sergeant Guilin removed Reyes' left arm. Reyes was then placed on her stomach in a prone position. Reyes continued to resist at this point and quickly placed both of her arms underneath her chest. After a brief struggle, we were able to regain control of her arms and placed her in handcuffs.

Due to the Reyes' actions, the amount of time, and resources it took to place Reyes into custody, I believe she delayed and obstruct us from placing her under arrest.

I arrested Reyes for violation of PC 148(a)(1) and the local warrant. Reyes was transported and booked into the Main Jail.

OFFICER'S NARRATIVE - NOTIFICATION AND RESPONSE

CONTACT WITH CORRINA REYES AT LOS ROBLES HOSPITAL:

On 10/09/18, I was working as a detective for the Ventura County Sheriff's Office, Major Crime Bureau. At about 0933 hours, I reported to the intersection of Cortez Street and Stroube Street for an officer involved shooting. After arriving at the scene, I was quickly briefed on what occurred by Detective Sergeant Carlos Macias. Sergeant Macias then advised me he wanted me to report to Los Robles Hospital to meet with Sergeant Harwood.

I arrived at Los Robles Hospital at approximately 0957 hours. I walked into the Emergency Room I was with Sergeant Harwood. Deputy R. Rodriguez #5073 was standing right outside of the emergency room. I entered the room, I was female lying on the bed. The female was identified as (A) Corrina Reyes, [REDACTED]. I activated my digital recorder throughout the interview. I placed my black folder on the bed in the room opposite to the bed. I identified Corrina as quiet. Throughout our contact with Reyes, Deputy Rodriguez had activated her Body Worn Camera (BWC). Deputy Rodriguez later advised her BWC footage of Reyes would be filed on my unit. The file of the interview is the best blurted out that it is not intended to make a case. Refer to the BWC footage for details of Reyes' behavior. Refer to my unit for further details.

Search Warrant Service

[REDACTED] E Stroube Street, Oxnard, CA (Quonset hut to rear of residence)

October 09, 2018, 1605 hour

On 10/09/2018, I was working Detective assignment to the Ventura County Sheriff's Office Major Crime Bureau. At approximately 1605 hour, I participated in the search warrant of Quonset hut to the rear of [REDACTED] E Stroube Street in Oxnard, CA. The search warrant was in reference to Penal Code section 245(c), assault with a deadly weapon on a peace officer; Penal Code section 69 PC, resisting executive officer by use of force or violence; that occurred in front of the garage of [REDACTED] E Stroube Street, Oxnard, CA. The search warrant was served by Judge David Worley on 10/09/2018.

Below is list of personnel present for the search warrant service at the Quonset hut to the rear of [REDACTED] E Stroube Street in Oxnard, CA:

- 1 Sgt Guili (Headquarter Station)
- 2 Detective Skagg (5H12)
- 3 Detective Rodriguez (5H15)
- 4 Detective Juregui (5H3)
- 5 Detective Ozu (5H22)

At approximately 1605 hour, Detective Juregui arrived and knocked on the front door. After approximately three or four minutes at the front door, we entered the residence using keys provided by the homeowner [REDACTED]. [REDACTED] was aware that search warrant was written for his residence to obtain video surveillance from his DVR. Dominio had control of the property which was taken by taking photographs of his residence to [REDACTED] at [REDACTED] E Stroube Street, Oxnard, CA. After clearing

Officer Involve Shooting - Deputy Nikolai Castane

Search Warrant Service - [REDACTED] Stroube Street, Oxnard, California

On October 9, 2018, I was working as a major crime detective for the Ventura County Sheriff's Office. At approximately 0850 hours, I was notified by Detective Sergeant Chip of officer involve shooting that just occurred in the vicinity of Oxnard, California commonly referred to as El Rio. Detective Chip stated the shooting occurred in the intersection of Cortez Street and Stroube Street. Preliminary information indicated the deputy sheriff had discharged his firearm on the subject who shot

I arrived at the scene of the shooting at approximately 0913 hours, where I was briefed on the circumstances surrounding the incident. Based on the briefing, I learned Deputy Nikolai Castane was controlling the El Rio residence where he contacted Corrina Reyes in the intersection of Cortez Street and Stroube Street. Deputy Castane contacted Reyes regarding her involvement in the case. He went in the northwesterly direction of Stroube Street, north of Cortez Street. Sometime later, Deputy Castane notified the Ventura County Communications Center (dispatch) that Reyes had a hammer which was being to report during Deputy Castane's radio transmission he appeared to be out of breath as if he was currently involved in a foot pursuit of Reyes. Shortly thereafter, Castane advised he had discharged his firearm.

Based on witness statements, it was learned Deputy Castane was involved in a foot pursuit of Reyes prior to the shooting. During the foot pursuit, Reyes ran southeast on Stroube Street until she reached the residence located at [REDACTED] Stroube, where she cut across the lawn area and attempted to hide in an open court yard area of the residence. Deputy Castane confronted Reyes in the court yard area and a short time later, Deputy Castane discharged his firearm striking Reyes in her left hand. Evidence left at the scene indicated the confrontation occurred in or near the driveway of [REDACTED] Stroube Street. (Refer to crime scene report for a detailed description of the scene.)

INCIDENT - SUPPLEMENTAL NARRATIVE

On 10/9/18 at approximately 0851 hours, I was working on full uniformed patrol in a marked black and white police vehicle in the city of Oxnard, county of Ventura. I was dispatched "Code 3," lights and sirens to the area of Cortez and Stroube in reference to shots being fired and to assist the Ventura County Sheriff's. As I was responding "code 3" to the location, I asked for an update as to the location or further description of the subjects involved. Dispatch advised there was nothing further at this time. I was responding traveling westbound on Collins and I observed two police units in the area of [redacted] Cortez in what would be a parking lot area. I observed one deputy kneeling down as a subject was on the ground and I observed the subject was handcuffed. I saw a large amount of blood coming from the left arm area of the subject. I also saw two other deputies standing in front of the deputy that was kneeling down with that subject. At this time, we had no further information. I asked those deputies that were there if

INCIDENT SUPPLEMENTAL NARRATIVE (Continuation)

there was anyone outstanding or injured. They advised they were the only involved subjects. I advised Dispatch there were no shots being fired at deputies and the suspect was in custody to advise our department to stop responding code "code 3." Multiple officers from the Oxnard Police Department were also responding to assist.

Shortly after, Sergeant Keller arrived on scene and advised to assist with placing caution tape around the area of the incident. As I was doing this, residents were coming outside of their house and I advised them they would have to not come into the street at this time as this was an ongoing investigation and I would relay that information to the responding detectives for the Ventura County Sheriffs. It should be noted an inner perimeter was set and my police unit was inside of that inner perimeter as I was on scene shortly after the incident had occurred.

While standing by to be relieved from the scene, I was interviewed by Detective Preciado from the Ventura County Sheriff's and asked what I had seen on my arrival. I noted the detective in what looked to be plain clothes, wearing a black jacket, blue jeans and a green plate carrier vest kneeling down next to the subject and two deputies standing in front. I saw the suspect had handcuffs around the hand area as I could see from my view. The two deputies that were standing were a male and a female.

After speaking to Detective Preciado, he asked if I had an incident number for this response from the Oxnard Police Department. I advised that I did and that was the police report number to use for my supplemental report. It should be noted the Ventura County Sheriff's police report number for this incident 18-158434. Detective Preciado then photographed where my vehicle was in relation to the incident and I was advised I was free to leave the scene. Prior to leaving, I advised Detective Preciado that I noted a firefighter pick up a baseball that was near the tree line of the church where the incident had occurred. Due to not knowing the details of the incident, I advised Detective Preciado as I was not sure if that baseball had any importance to the incident or was already there. This was something I saw while I was helping while I was on the perimeter area of the incident and wanted to make that known in case that baseball had any relevance to the incident. It should also be noted when I was responding "code 3" to the incident I believed had initiated my body worn camera; however, it was later noted my body worn camera was not activated until I was on scene. My contact during the incident began to be record once I was on scene. It should be noted my time on scene was all digitally recorded and uploaded to evidence.com.

OFFICER'S NARRATIVE

On October 9, 2018, I was working uniformed patrol in a marked patrol unit assigned to the Headquarters Patrol Station.

At approximately 0846 hours, I responded to an officer involved shooting in the area of Stroube and Cortez.

I was assigned to relieve Sergeant V. Medina who was supervising the resident of [REDACTED] Stroube. Medina informed me that a search warrant for the home was being authored, then instructed me to supervise the resident, identified as [REDACTED].

I supervised [REDACTED] for the duration of the search warrant and ensured she did not enter the home unsupervised by me. [REDACTED] was the only resident of the home at the time.

<p>The DVR was located on a dresser in a bedroom and connected to a monitor with 3 video feeds displayed. I accessed the settings of the DVR and noticed the DVR date setting was correct, but the time was about one hour and three minutes behind the current time. I was able to export video footage from the three channels requested for the timeframe needed, compensating for the DVR time difference. A copy of the video files was later provided to Det. Sergeant Carlos Macias on a flash drive.</p>

<u>(S)uspects, (V)ictims, (P)arty, (D)ecedent</u>	<u>City of Residence</u>	<u>Age</u>
(S) Reyes, Corrina	Transient (El Rio)	█

Narrative:

The woman who was shot and wounded by a sheriff's deputy Tuesday morning has been identified as Corrina Reyes, █ of El Rio.

Reyes was booked at the Pre-Trial Detention Facility in Ventura Thursday afternoon for assault with a deadly weapon upon a peace officer after she was released from a local hospital. Reyes was shot in the hand when she threatened a deputy with a hammer while he tried to arrest her for an outstanding felony warrant.

Reyes will appear in court on Friday, October 12, 2018 for the felony warrant for battery on an emergency responder. She is due to appear Monday, October 15, 2018 for the new charge of assault with a deadly weapon upon a peace officer. Reyes' bail has been set at \$500,000.00. The name of the deputy involved in the shooting is Nikolai Castaneda, a six-year veteran of the Ventura County Sheriff's Office. Castaneda was not injured during the incident.

BWC Recorded Event

CPRA Disclosure (1421) OIS / UOF (Great Bodily Injury)

Complaint Background

On October 9, 2018, around 8:46 a.m., Deputy Castaneda was working his assigned patrol shift in the El Rio area of Oxnard. Castaneda was in uniform driving a marked Sheriff's Office patrol vehicle.

Castaneda noticed a wanted subject named Corina Reyes walking as she pushed her bike on East Stroube Street. Castaneda attempted to detain and arrest Reyes. Reyes did not comply. Reyes actively fled, refused to follow Castaneda's commands and at one point armed herself with a small hammer. During the arrest, Castaneda fired one round from his handgun hitting Reyes in the hand. Reyes was taken into custody with no additional force. Reyes was arrested for her outstanding warrant and additional charges. A criminal and administrative investigation was initiated.

Complaint Investigation

This Deputy Involved Shooting review included a response to the scene by Internal Affairs investigators and Captain along with review of reports, body worn camera video, interview statements, scene diagrams and other documents included in the Major Crimes case file. This review was aided greatly because the entire incident was captured on body worn camera video.

In this case, Deputy Castaneda was working dayshift patrol. Castaneda was driving a marked Sheriff's Office patrol unit and he was wearing a Sheriff's Office patrol uniform. While working in his assigned patrol area, Castaneda saw a wanted female who he identified as Corina Reyes walking on a public roadway. Reyes was pushing her bicycle near an intersection and Castaneda knew she had a felony violation of probation warrant for battery on a firefighter. Castaneda activated his body worn camera video and lawfully contacted Reyes in an attempt to detain and arrest her. Reyes was uncooperative and refused to comply as she fled the area on foot.

As Castaneda followed Reyes, he told her she had a warrant and repeatedly told her to stop. As Reyes fled, she reached into a bag she was carrying and brandished a hammer. Castaneda drew his handgun and ordered Reyes to drop the hammer.

At one point, Reyes raised the hammer at Castaneda and commented she was not returning to jail and to let her go. Reyes failed to comply with Castaneda's commands and continued to flee. As Castaneda followed Reyes, she commented she was going to kill herself.

At one point, Reyes fled into a porch area of a residence. As Reyes quickly walked out of the porch area, Castaneda moved backwards as he continued to give her commands to put the hammer down. Reyes told Castaneda no, turned toward Castaneda and raised the hammer above her head. From about three to seven feet, Reyes lunged at Castaneda. At this point, Castaneda fired his weapon at Reyes hitting her in the left hand. During his voluntary interview, Castaneda said he feared Reyes was going to hit him with the hammer and he could have been killed or seriously injured when he fired his weapon at Reyes.

After being hit by Castaneda's round, Reyes continued to flee and she was ultimately captured and placed under arrest. Reyes was arrested for her outstanding felony warrant and the felony probable cause charge resulting from her conduct toward Castaneda. A Deputy District Attorney reviewed the crime and related reports and filed one felony count of Assault with a Deadly Weapon against a Peace Officer, a violation of 245(c) of the California Penal Code [REDACTED]. The criminal case is moving forward with pre-trial motions and a jury trial.

In this case, Deputy Castaneda acted lawfully and properly. Castaneda lawfully contacted a person with a felony warrant while she walked on a public roadway. While Castaneda attempted to detain and arrest Corina Reyes, she resisted by fleeing. At one point, Reyes brandished a deadly weapon and aggressively turned toward Castaneda, demonstrating assaultive behavior. Fearing he could be killed or gravely injured, Castaneda fired his handgun at Reyes hitting her once in the hand.

Castaneda's use of deadly force was reasonable, within the Sheriff's Office policies and was proper based on his perception of an imminent threat of death or great bodily injury by Reyes.

Prior Discipline/Performance Issues

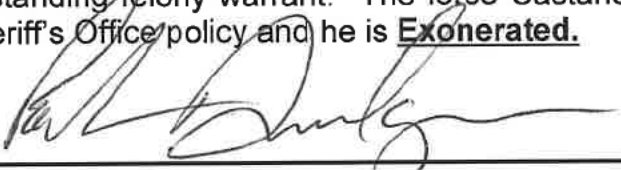

Deputy Castaneda has no prior discipline.

Annual Performance Appraisal Review

Deputy Castaneda has met or exceed the Sheriff's Office performance standards in his past three performance reviews.

Determination
