Standard Operating Procedure

Section 1 Chapter 1

Standard Operating Procedures

Drafted: February 7, 2000

Reviewed: February 2022

Revised: January 2019

PURPOSE:

To ensure uniform daily operation of the Todd Road Jail Facility and to establish procedures for an annual review, and subsequent dissemination of new and/or revised Standard Operating Procedures. This policy also establishes guidelines for the formation of a Policy Review Committee and describes the function of that committee.

POLICY:

It is the policy of the Todd Road Jail to maintain Standard Operating Procedures that address the facility's unique layout, population and programs. The policy shall be reviewed annually by a committee designated by the Facility Manager.

PROCEDURES:

I. POLICY REVIEW COMMITTEE

- A. The Todd Road Facility Manager shall designate a committee to review the Standard Operating Procedures currently in effect. The committee will revise or update those procedures based on newly established laws and operational changes. The committee will be made up of a minimum of 4 members, with at least one member from each of the following ranks:
 - 1. Sheriff Services Technician
 - 2. Sheriff Deputy
 - 3. Sheriff Senior Deputy
 - 4. Sheriff Sergeant
- B. The committee shall be chaired by the Facility Manager or his designee, and shall be known as the Standard Operating Procedures Review Committee. The committee shall meet as directed by the chairperson during each year for the purpose of reviewing the facility Standard Operating Procedures Manual.

II. STANDARD OPERATING PROCEDURES REVIEW

- A. At the direction of the Chairperson, the committee will examine and assess existing policies and procedures to determine the appropriateness of each policy or procedure. The committee will develop recommendations for changes or additions as needed. The review will also assess facility operations and compliance with Federal, State, and Local regulations.
- B. Responsibility for the annual review rests with the Facility Manager. A report of the review will be submitted to the Facility Manager and will include:
 - 1. General needs assessment for policy revision
 - 2. Identify specific problem areas
 - 3. Develop solutions and propose policy revisions
- C. Policy and Procedure Assessment Guidelines:
 - 1. Is the procedure or policy mandated by Law?
 - 2. Is there a potential for liability by the County?
 - 3. Is there existing Facility Policy?
 - 4. Are there similar policies and procedures at other jail facilities?
 - 5. Are current policies and procedures consistent with other jail facilities?
 - 6. Is the procedure or policy in agreement with the Sheriff's Policy Manual?
 - 7. What is the effect of the procedure or policy on jail operations?
 - 8. Is there a need to change or amend the policy or procedure? Why?
 - 9. Do you have suggestions for changing policy or procedure?
 - 10. Have you discussed the issue with impacted staff members?
 - 11. Has there been input or suggestions from staff concerning changes?

III. APPROVAL PROCESS FOR PROPOSED POLICY/CHANGES

- A. The committee shall submit, in writing, any recommendation for changes or additions to the facility Standard Operating Procedures to the Facility Manager.
- B. Any requests for immediate changes to any policy and procedure shall also be forwarded to the Facility Manager for review.
- C. Once the final draft or revision of the Standard Operating Procedure is complete, the proposed document will be forwarded to the Facility

Manager. The Facility Manager may approve, disapprove, defer action, or revise the proposal. When the policy is approved, the Facility Manager will sign the document and initiate distribution.

Central Control

Drafted: January 2019

Reviewed: March 2022

Revised: NA

PURPOSE:

To identify the role, job description, and best practices of staff assigned to Central Control.

POLICY:

Central Control is the security foundation of the Todd Road Facility. Staff assigned to Central Control:

1. Are responsible for the execution of emergency procedures in coordination with operational supervisors, staff and Sheriff's Dispatch
2. [REDACTED]
3. [REDACTED]
4. [REDACTED]
5. Keep activity logs and the Redbook up to date.
6. [REDACTED]

PROCEDURES:

I. Emergency Procedures

1. In case of a situation requiring outside emergency personnel (fire, ambulance), Central Control Staff shall contact:
Sheriff's Dispatch by calling "911" or 805-654-9511
2. In the situations that require [REDACTED] Central Control will follow procedures as outlined in Divisional Policy.

II. Facility Movement / Access

1. Inmate Movement

- a. Inmate Movement [REDACTED] shall comply with the Todd Road's Inmate Movement Policy.

2. Pedestrian access

- a. [REDACTED]
- b. Proper identification is displayed
- c. Staff should not [REDACTED]
- d. Under no circumstances are [REDACTED] staff being present.

3. Vehicular access / Supply Deliveries

- a. All vendors shall deliver supplies [REDACTED]
- b. [REDACTED]
- c. The delivery personnel will [REDACTED] verbally identify themselves, and state their business.
- d. [REDACTED]
- e. [REDACTED]
- f. If not verified, Central Control will direct the delivery person(s) [REDACTED]
- g. In the event that Central Control or Public personnel determines [REDACTED]

Cluster Control

Drafted:10-1-19

Reviewed: February 2022

Revised:10-1-19

PURPOSE:

To identify the role, job description, and best practices of staff assigned to Cluster Control.

POLICY:

Cluster Control is [REDACTED]. Staff assigned to Cluster Control:

1. Are responsible for [REDACTED]
2. Monitor and coordinate [REDACTED]
3. Are responsible for [REDACTED]
4. Coordinate/Sort [REDACTED]
5. Keep activity logs and the Redbook up to date.

PROCEDURES:

I. ACCOUNTING OF INMATES:

1. Cluster control is responsible for [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
2. Special Use Cells [REDACTED]
 - a. Maintain and update [REDACTED]
 - b. Answer [REDACTED]
 - c. [REDACTED]

II. Facilitate [REDACTED] the Facility

1. [REDACTED]
2. Court movement [REDACTED]
3. Monitor [REDACTED]
4. Control [REDACTED]
 - a. [REDACTED]
 - b. [REDACTED]
 - c. [REDACTED]
 - d. [REDACTED]
5. Visiting [REDACTED]
 - a. [REDACTED]
 - b. Responsible for the monitoring of both inmates and visitors in the Visiting Rotunda
 - c. Log allotted time for visiting.
 - d. Coordinate with Public [REDACTED]

III. [REDACTED]

1. [REDACTED]
2. [REDACTED]

IV. Mail

1. Sort incoming mail and paperwork to each housing unit folder.
2. [REDACTED]
 - a. Accept all incoming [REDACTED] mail and distribute appropriately.
 - b. Completed [REDACTED] must be sent [REDACTED].

Security Systems / Alarms

Drafted: September 8, 1994

Reviewed: February 2022

Revised: October 1, 2019

PURPOSE:

To provide an overview of the Alarms at the Todd Road Jail.

POLICY:

Todd Road has several types of Alarms [REDACTED]. Todd Road Jail personnel will be familiar with the operational capabilities of the Facility's Emergency Systems and shall utilize each component of the system in accordance with the prescribed emergency procedures. These alarms include:

- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]

PROCEDURES:

I. [REDACTED] ALARMS

1. [REDACTED]
2. Alarm Maintenance

a. It will be the responsibility of the individual assigned an alarm to test the transmitter's range and battery regularly.

b. The Facility Sergeant will be responsible for ensuring [REDACTED]

II. [REDACTED] Alarms

1. [REDACTED]

III. [REDACTED] Alarm

1. An [REDACTED] Alarm alerts staff to issues with the facilities vacuum toilet system.

Central Control SST Responsibilities

- a. Notify Maintenance during normal business hours. If the alarm is after business hours, contact the Watch Commander.
- b. In the Redbook, personnel assigned to Central Control will log:
 - i. The time of the alarm.
 - ii. The time Maintenance or Watch Commander was notified.
 - iii. Name of person contacted.
- c. When Maintenance has reset the alarm outside, the alarm notification should disappear.

Watch Commander Responsibilities

- a. When an [REDACTED] alarm is activated outside of normal business hours of Maintenance staff, the Watch Commander will contact GSA dispatch.
- b. If contact with GSA cannot be made, call the Maintenance Supervisor.
- c. If contact with the Maintenance Supervisor cannot be made, contact the GSA Maintenance Manager.

IV. [REDACTED] ALARMS

1. [REDACTED]
[REDACTED] will be able to provide the specific location of an alarm and give a description of the problem.
2. See Division Policy Section 5 Chapter 6-Fire Emergency/Fire Drills

Administrative Notifications

Drafted: January 2019

Reviewed: February 2022

Revised: 2019

PURPOSE:

To describe various circumstances that require personal notification of the Todd Road Jail Facility Manager and / or Facility Commander.

POLICY:

Whenever the following incidents occur, the Facility Sergeant shall contact the Facility Manager. If the Facility Sergeant is unable to make personal contact with the Facility Manager, the Facility Commander will be notified.

- Any employee injury that requires medical treatment.
- An inmate death.
- An attempted inmate suicide.
- An inmate escape
- Activation of the Emergency Response Team (ERT).
- Any newsworthy occurrence or event which may incur liability upon the Sheriff's Office.
- Any significant event involving an off-duty employee.
- Taser deployment.
- Any time an inmate is transported to the hospital for any reason other than a scheduled medical treatment. This includes inmates from the PTDF requiring Todd Road Jail personnel to guard. However, if the reason is NOT life threatening, the notification can be a message left on a cellular telephone or E-mail.

See VSO and Divisional Policy for other circumstances that require notifications.

Classification Unit

Drafted: May 31, 1994

Reviewed: March 2022

Revised: July 2019

PURPOSE:

To identify the responsibilities of the Todd Road Jail Classification Unit.

POLICY:

The TRJ Classification Unit will be responsible for the Housing Plan, Inmate Background and Review, Intake and Exit Interviews, and Placement of inmates.

PROCEDURES:

I. HOUSING PLAN

- A. The TRJ Classification Unit and the Facility Sergeant will keep a copy of the current housing plan. The TRJ Classification Unit will review the housing plan on an as needed basis. The Facility Manager or his designee must approve any modifications in the plan.
- B. The placement of newly received inmates or the rehousing of inmates will be performed by, or at the direction of, the TRJ Classification Unit. All inmate placements will be done in accordance with the Facility Housing Plan.

II. INMATE BACKGROUND REVIEW

- A. The background review shall be conducted during the inmate reception process.
- B. The review shall be used for, but is not limited to, the following:
 - 1. To provide pertinent and factual information for use during the intake interview.
 - 2. To aid in the housing placement process.

3. To aid in the selection of inmate workers.
4. Detection of potential classification errors and allow for corrections to be made prior to placement.

III. INTAKE / EXIT INTERVIEWS

A. Intake interviews shall be conducted on all inmates during the reception process.

B. Exit interviews should be conducted [REDACTED]

C. [REDACTED]

IV. PLACEMENT

A. New inmate housing

1. [REDACTED]

2. Inmates will be housed following the reception process.

B. Rehouses

1. The TRJ Classification Unit must approve all inmate rehouses.

2. If other than a routine move, documentation will be required.

3. In cases where the Classification Unit is unavailable, a Classification Cross-Trained Deputy will handle housing assignment changes.

4. In the event of an emergency situation, when it becomes necessary to move an inmate, and personnel from the TRJ Classification Unit are not available, the Housing Sergeant may temporarily approve the movement. A Jail Incident Report will document the justification for the rehousing and will be forwarded to the TRJ Classification Unit for review and final disposition.

Section 3 Chapter 3

Court Released Inmate Property Procedures

Drafted: December 14, 2018

Reviewed: March 2022

Revised: October 1, 2019

PURPOSE:

To establish policy and procedure for the handling of inmate property from inmates housed at the Todd Road Jail (TRJ) Facility when an inmate is released from court.

POLICY:

When an inmate from Todd Road Jail is released from court, the Housing Deputy will be responsible for removing all of the inmate's property from their cell. The Housing Deputy will then be responsible for ensuring the property is taken to the Housing Senior Deputy's Office for processing and storage.

PROCEDURES

Housing Deputy's Responsibilities:

When an inmate is released from court, the classification deputies will notify the Facility Sergeant, Housing Senior Deputies, Housing Control Booth and the appropriate Housing Deputies [REDACTED]

The Housing Deputy will personally retrieve the inmate's property from inside the cell. Inmates should not be used to remove another inmate's personal items from the cell. (Note: An inmate worker or cellmate will only be used to remove mattresses and linens). The Housing Deputy will be responsible for placing the contents of the inmate's property box in a plastic bag.

The plastic bag will be clearly labeled with the following information:

- Date,
- Inmate's name and
- Booking number.

The Housing Deputy will personally deliver all inmate property to the Housing Senior Deputy before the end of their shift and document the delivery in the Housing Redbook.

Senior Deputy's Responsibilities:

The Housing Senior Deputy will be responsible for ensuring the Housing Deputies follow the procedure and personally retrieve inmate property from the cell. The Housing Senior Deputy will enter the date of release, the inmate's name, booking #, housing locator, and which deputy either collected the inmate's property or checked for it, onto the Court Release Property Log which is in the Housing Senior Deputy's Office. When accepting possession of the inmate's property, the Housing Senior Deputy will verify the information on the bag, log and store the property until its released or destroyed.

The Housing Senior Deputy will store the property in the designated court release storage bins (male or female) located [REDACTED]

Disposition of Inmate Property:

When an inmate returns to the Todd Road Jail to retrieve their property, Public Reception will confirm the inmate's identity and then contact the Housing Senior Deputy with the Inmate's name and booking #.

The Housing Senior Deputy will locate the inmate's property and personally deliver the property to Public Reception. The Housing Senior Deputy will release the property accordingly and make the necessary log entries.

After 15 days, all property will be destroyed.

Documentation / Notification:

In the event of any lost or mishandled property, A Housing Senior Deputy will respond to Public Reception to investigate the claim, make any notifications and complete the appropriate documentation.

The Housing Senior Deputy will notify the Facility Sergeant of any lost property claims.

Kitchen Deputy

Drafted: April 23, 1998

Reviewed: April 2022

Revised: October 1, 2019

PURPOSE:

To establish policy regarding the job responsibilities of the Kitchen Deputy.

POLICY:

The Kitchen Deputy has several different responsibilities. One of the main functions is to supervise the inmate kitchen workers. The civilian cooks will direct the inmate workers to perform various tasks and the deputy will ensure the tasks are completed. The cooks, Kitchen Deputy and Central Services Deputy will be responsible for enforcing jail rules and regulations.

The Kitchen is one of the most complex areas of the entire facility.

Section 6 Chapter 1

Security Deputy

Drafted: June 10, 1998

Reviewed: April 2022

Revised: October 1, 2019

PURPOSE:

To establish policy regarding the job responsibilities of the Security Deputy.

POLICY:

It will be the policy of the Todd Road Jail to assign a Security Deputy the responsibility of patrolling the grounds of the facility during visiting and on a daily basis to maintain security, enforce the law, and ensure compliance with visiting regulations.

Deputies working in this assignment will be in full uniform [REDACTED] and duty belt and be in radio communication with Central Control and the Jail Watch Commander as necessary.

PROCEDURES:

I. Locations Directly Supervised By The Security Deputy

- A. Staff dining
- B. Administration hallway
- C. Public reception
- D. Visiting rotunda
- E. Facility perimeter [REDACTED]

II. Security Duties

- A. At the beginning of each shift, the Security Deputy:
1. Will check out vehicle keys and cell phone from the Facility Sergeant or obtain them from their relief.
 2. Perform a vehicle operation check. Make sure the vehicle has no physical damage, is in good working order, [REDACTED] Any new damage or discrepancies will be reported to the Facility Sergeant and documented on a Vehicle Damage/Tow Report, per Sheriff's Policy Manual.
 3. Will conduct [REDACTED] the patrol vehicle.

NOTE: [REDACTED]

4. Inspect the lobby and visiting rotunda for vandalism, contraband, and cleanliness. The lobby inspection includes [REDACTED] If an area needs to be cleaned, contact the Janitorial SST.
- B. The deputy will ensure any visitor entering the facility goes through the metal detector. A hand-held wand is also available. The deputy will also check [REDACTED] entering the facility.
- C. The Security Deputy will ensure the visitor badges and/or credentials are in compliance with Divisional Policy.
- D. Escort visitors from Public Reception to the appropriate housing units.
- E. Several perimeter checks should be made throughout the day. They can be conducted by vehicle, on foot, or from vantage points from the roof.

[REDACTED]

III. Other Duties

- A. [REDACTED]
- B. The Security Deputy may be called upon to transport inmates to outside facilities as deemed necessary.
- C. Assist the Rover Deputy and the TRJ Classification Deputies with the movement of inmates scheduled for court and release.
- D. Assist Public Reception with business related administrative duties.
- E. Patrol operations/Traffic Stops will be conducted with the approval/ supervision of the Jail Watch Commander, and/or Sheriff's Dispatch.
 - a. Should a vehicle pursuit ensue, a non-patrol trained deputy will become a secondary unit at the arrival of a patrol unit.
 - b. Upon the arrival of a secondary patrol unit the non-patrol trained deputy will respond to the termination point in a non-emergency manner, observing the rules of the road unless directed otherwise by a supervisor.

Inmate Visiting

Drafted: June 10, 1998

Reviewed: February 2022

Revised: October 1, 2019

PURPOSE:

To establish policy regarding Inmate Visiting at Todd Road (TRJ).

POLICY:

It will be the policy of the Todd Road Jail to comply with Divisional Policy pertaining to Inmate visiting, while maintaining the safety and security of inmates and visitors. Public Reception, the Security Deputy, Central Control, Housing Deputies, and Housing SST's will coordinate the visits in a professional and efficient manner.

PROCEDURES:

I. Visitors/Public

1. The Security Deputy will ensure the safety and security of visitors in the Visiting Rotunda.
2. While visitors are inside the visitor area, the Security Deputy will remain in a close proximity to Public Reception to immediately address issues that arise.

II. Inmates

1. Inmates in the visiting area will be monitored by [REDACTED]
