

The ITRC serves as a resource and a voice for victims of identity fraud.

Identity thieves and scammers constantly attempt to take and misuse identity credentials. If your personal information or documents, such as your social security number, tax documents, login credentials, mail, etc., have been lost, stolen, compromised online, or misused to open new accounts or take over your existing accounts, we can help.

Free Services

The ITRC is committed to providing access to assistance for all victims of identity-related scams and fraud at **no cost**. Translation services are available.

Contact our experienced victim advisors via the ITRC's toll-free hotline, chat, or email. Live advisors are available Monday – Friday, 6am to 5pm Pacific Time. Advisors will provide a customized plan for your specific needs, providing guidance until your identity concerns are resolved, no matter how long it takes. Our online Help Center also provides prevention tips and information regarding addressing identity compromise and misuse.
